

Dental Information

Enclosed is a list of companies that offer stand-alone dental insurance in Maryland from the Maryland Insurance Administration. Some of these plans are selling on the Maryland Health Connection, but since no subsidies are available, you may as well inquire directly with the company.

Medicare Advantage (Medicare HMOs) may cover dental care for an additional premium. The ones that are available in Prince George's County are listed in the back of your "Medicare and You" book under "Medicare Health Plans." Medicare HMOs are a different way to manage your Medicare so you have to make sure your doctor is in network for the plan you select and that the costs are something that make sense for your budget before switching. If you have a supplemental insurance policy (Medigap policy), you cannot use this with a Medicare Advantage plan.
