## Revised Permit Fees

November 23, 2009

This Notice is issued by the authority granted to the Building Code Official as detailed in Subtitle 4, Section 4-352, Prince George's County Building Code.

Effective immediately, a new permit Fees Schedule has been instituted at the Permits Center in the Permits and Review Group of the Department of Environmental Resources. The permit fees for work performed in connection with the Building Codes shall be applied in accordance with the Fees Schedule.

For additional information or any questions regarding this Notice, please contact Mr. Harvey Middleton, Supervisor, Building-Structural Review, at (301) 883-5855.
