

# Bring your Cat, Dog and Ferret To the Spring 2014 RABIES VACCINATION CLINICS

State Law requires that all cats, dogs and ferrets be vaccinated against rabies by four (4) months of age, and be kept current.

The best thing you can do to protect yourself, your family and community from rabies is to vaccinate your cats, dogs and ferrets against this fatal disease.

## Low Cost Rabies Vaccinations

Clinics will be held Rain or Shine!
