Commissioner Forbes: This is an open meeting for the Prince George's County Board of License Commissioners. Welcome to our House. To ensure compliance with the law (Maryland Open Meetings Act) and our goal of transparency, to please identify yourself when speaking and speak audibly. As a professional courtesy, when not speaking, please mute your device. If someone from the public that is not providing testimony as a witness today, I will recognize you in the hearing and give you an opportunity for your voice to be heard. Everyone's voice matters at the BOLC. We understand that some of you may be passionate about what you have to say and that passion, in this regard, is permissible. What is not permissible is if truth, facts, and respect are not grounded in your voice. Thank you in advance for being truthful, respectful, and honest during the entire proceeding.

Director Sheppard: During a typical hearing, there would be an exchange between the Board and the attorneys to exchange information as exhibits. Because this hearing is now virtual, we have implemented a 10-day rule to give those individuals here today, 10-days from today's date to add to the official record. I would ask that you email myself or the administrative staff of the BOLC. You may add information to the record long as it is information that has been discussed in this hearing.
