

Welcome
to the

Fall
**COMMUNITY
PARTNERS' MEETING**

Tuesday, October 17, 2023

Message from the Director

Hello, Community Partners!

Remember to visit our website and social media platforms for updates and valuable information. We are continuing to move more of our procedures online to make it easier for you, but we are always happy to help you in person. Continue to let us know what you need and remember to submit violation complaints to PGC311 as the first step in alerting us.

Happy fall!

Dawit Abraham

Monthly Community Information Sessions Move to Quarterly Presentations

DPIE's virtual Third-Thursday Community Information Sessions are now offered QUARTERLY. These meetings allow citizens to interact with agency staff. Each session focuses on a particular topic and includes a brief presentation, comments by agency experts and a Q&A period.

- Sessions take place from 11 a.m.–12 noon on the third Thursday every three months.
- Registration information is provided in the *DPIE Developments* newsletter and on the [DPIE website](#).
- Participants may submit questions in advance to DPIEpio@co.pg.md.us. Call 301-636-2053 for more information.

DPIE Agency Overview

Manages County government operations in the areas of permitting, business licensing, plan review, inspections and property code enforcement

Director
Dawit Abraham

Deputy Director
LaMont Hinton

dpiе.mypgc.us

301-636-2020

Permitting and Licensing — Bellur Ravishankar, Associate Director 301-636-2050

Processes building and site plan permits; issues licenses

[Permitting](#)
[Licensing](#)

Building Plan Review — Bellur Ravishankar, Associate Director 301-636-2070

Reviews plans for residential and commercial projects

[Building Plan Review](#)

Site/Road Plan Review — Mary Giles, Associate Director 301-636-2060

Reviews/approves site and roadway plans for proposed development and road improvement projects

[Site Road Plan Review](#)

Inspections — Behdad Kashanian, Associate Director 301-636-2080

Regulates construction, development and grading through inspection and enforcement of codes

[Inspections](#)

Enforcement — Valerie Cary, Associate Director 301-883-6168

Investigates code violations; conducts inspections at residential, commercial and industrial properties

[Code Enforcement](#)

Permitting and Licensing Division

Provides administrative oversight of permits and licenses

- Provides a one-stop permit approval process to ensure that permits are reviewed in a timely manner
- Reviews and processes all permit applications for construction and alterations of residential and commercial buildings
- Provides document screening for permit application submittals
- Responds to questions regarding the status and issuance of permits and engineering plan reviews
- Provides same day review/approval for projects that meet the “walk-through” requirements (currently for homeowners only)
- Issues permits and licenses and regulates various business activities per County Code
- Offers the Peer Review Program and the Third-Party Plan Review Program for review of commercial projects

Technology Update: Momentum at a Glance

Momentum, DPIE's processing software, has been live for over three years. Phase 1 began in 2020 with licensing applications and continued to expand all the way up to the latest phase which now includes permits and inspections applications.

Trade Permits went live in April.

Building Permits
went live in May.

Site/Road Permits
also went live in May.

Special Event Exclusions for Parades, Bike Rides, Walks, Community Meetings and Potlucks

As of the end of last year, DPIE no longer requires a Temporary Use Special Event Permit for parades, bike rides and walks if the event has no tents, stages, inflatables, generators, ticket sales, food trucks, or drinks or food prepared onsite. Distribution must be limited to prepackaged food and drinks.

A Temporary Use Special Event Permit is also not required for community meetings and potlucks with 50 or fewer attendees as long as the same exclusions mentioned above apply.

Prince George's County approval is still required, however. Applicants must contact the Special Events Coordinator for review by DPW&T for road closures. The Police Department must be contacted to direct and/or control traffic for the events described above.

Complete the Special Events Coordinating Group Application, "[PSSECG Special Event Application](#)" found on DPIE's website under Permits.

Restaurant Temporary Outdoor Seating Area (RTOSA)

- The Restaurant Temporary Outdoor Seating Area (RTOSA) authorization issued in response to the COVID-19 pandemic has been extended through April 1, 2024.
- The County Council granted authorization in 2020 as part of a reopening effort to allow qualifying restaurants to offer service to customers while abiding by social distancing mandates.
- Holders of outdoor seating permits issued under the legislation need to take no action to renew their RTOSA permits and will suffer no penalty if their restaurants are otherwise in compliance.
- Applicants for new RTOSA permits need to follow the application process. Visit the Temporary Restaurant Outdoor Seating page on the DPIE website for information.

When Is a Permit Required?

You Need a Permit Before...

Improving your kitchen

Renovating a bathroom

Finishing your basement

Building a chairlift, ramp or deck

Adding an addition

Erecting a fence taller than 4 feet

Constructing a large shed, carport, garage or driveway, and more

Visit the DPIE website at dpiе.mypgc.us or call 301-883-2050 for information.

Remember to Permit Your Projects!

DPIE Introduces Our Application Tracker!

- The DPIE Application Tracker is a tool that gives users a snapshot of where a permit application is in the plan review process.
- Only applications in the plan review process can be found here.
- To Use the DPIE Application Tracker:
 1. Go to [DPIE Application Tracker](#)
 2. Enter your application Number
 3. Review your plan review progress.
- Each review has a status listed at the bottom of the page (Pending, Under Review, Completed, Hold for Corrections, Out to Applicant).

Welcome to the DPIE Application Tracker

To check the status of your application review(s), enter the Application Number below and click Search

Planning Sub-Workflow	Planning Permit Reviewer	1	PENDING

Legend: Pending (Yellow), Under Review (Blue), Completed (Green), Hold for Corrections (Red), Out to Applicant (Orange)

Building Plan Review Division

Provides the review and approval of plans for residential and commercial construction

- Reviews and approves plans for all residential and commercial projects to ensure compliance with applicable codes pertaining to the following disciplines:
 - Building/Structural
 - Mechanical
 - Energy
 - Electrical
 - Health
 - Fire Protection
 - Accessibility
- Processes plans for internal and external agencies
- Provides plan review and inspections of new properties served by well and septic systems, public swimming pools and spas, and new food service facilities to ensure compliance with State and County Health regulations

Please Note: All plumbing, gas and properties which are served by public water and sewer must obtain review and approval by WSSC.

Site/Road Plan Review Division

Reviews and approves plans for site and road construction

- Reviews floodplain studies
- Reviews and approves proposed utility work and small wireless facilities in public rights-of-way
- Reviews and approves plans for site and road development involving:
 - Site development
 - Grading
 - Stormwater management and storm drainage
 - State highway roads (stormwater management only)
 - County and private roads
 - Driveways
 - Paving
- Reviews and approves issuance of site/road permits
- Reviews traffic studies and site development concept plans
- Reviews development plans relative to various environmental requirements

Inspections Division

Enforces building, site and road development codes and regulations

- Provides oversight of construction, development and grading for construction and renovations
- Provides oversight of the Third-Party Inspections Program process required for new commercial construction
- Condemns and demolishes abandoned, unsafe and uninhabitable structures in the County and the municipalities
- Performs Use & Occupancy Permit (U&O) inspections to verify conformance with code regulations (except within the City of Laurel)
- Performs inspections and enforces codes for building, electrical, mechanical, energy, fire/life safety, grading, stormwater management, and accessibility, and other regulations for construction projects
- Inspects site and road development, including tree conservation, site development, and sediment and erosion control

Enforcement Division

Enforces property maintenance standards and appropriate zoning laws

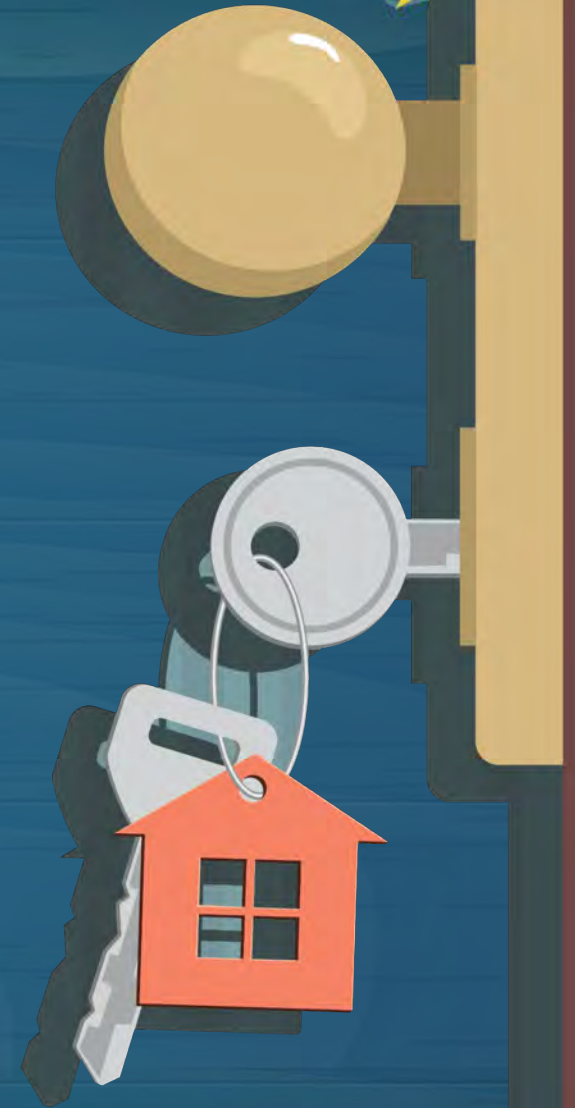

- Inspects residential, commercial and industrial properties to ensure compliance with housing, property maintenance and zoning codes
- Frequently addresses issues related to tall grass and weeds, open storage, accumulation of junk and trash, etc.

- Issues citations for all residential properties not in compliance with County Code
- Enforces the Zoning Ordinance to ensure private properties comply with approved land uses
- Regulates the placement of signs on private property
- Inspects and licenses short-term rental properties and licenses all residential single-family and multifamily rental properties

Rent Stabilization Act

- The Rent Stabilization Act of 2023 Limits Rent Increases for Some Renters to 3 Percent Annually.
- Landlords in Prince George’s County are now limited in the amount they can increase existing rent in certain rental units. To learn more, see the [Rent Stabilization Act FAQs](#).

Enforcement of the Rent Stabilization Act

- Violations of the Rent Stabilization Act involve a process that could take time to resolve, and we want to be sure everyone understands how that process works.
- For tenants, if you believe that your landlord has raised your rent in violation of the Rent Stabilization Act ([CB-07-2023](#) and [CB-51-2023](#)), you will need to submit a complaint to 311 to DPIE. DPIE will investigate the complaint and make a determination if there is a violation of the Rent Stabilization Act. If DPIE makes a finding that the law has been violated, DPIE will issue a citation.
- Your landlord may choose to pay the citation. If your landlord chooses to appeal and go to court, your complaint may not be resolved as quickly as you would like. While your complaint is pending, you are obligated to pay your rent until your case has moved through the court system.

Food Truck Hubs Eliminated

- Effective December 27, 2022, food trucks or mobile food vending businesses, are no longer restricted to operating in food truck hubs in Prince George's County.
- In lieu of the food truck hubs, food trucks may operate in certain areas where they have permission from a person authorized to enter into an agreement with the food truck operator or company. Allowable sites include:
 - Certain office and business parks
 - Faith-based organizations
 - Commercial areas and shopping centers
 - Membership pools and non-profit organizations and more
 - Industrial areas
- Food trucks may not vend from the side of public roadways or in unapproved locations.

The Department of Permitting, Inspections and Enforcement

MOBILE FOOD TRUCK VENDOR PARKING

Allowed Mobile Food Truck Parking

Food trucks may operate in certain areas where they have permission from a person authorized to enter into an agreement with the food truck operator or company. Allowable sites include: certain office and business parks; industrial areas; commercial areas and shopping centers; faith-based organizations; membership pools and non-profit organizations; and more.

Not Allowed Mobile Food Truck Parking

Food trucks may not vend from the side of public roadways or in unapproved locations.

For more information, call the Health Department at 301-883-7690.

Food Trucks Still Have Requirements!

- DPIE no longer will issue food truck hub licenses. However, the Prince George's County Health Department still requires licensure.
- For questions regarding FOOD SERVICE applications, including food trucks, contact 301-883-7690 or FoodProtectionProgram@co.pg.md.us.

The Department of Permitting, Inspections and Enforcement (DPIE)

MOBILE FOOD VENDOR REQUIREMENTS

A valid and current Health Department issued decal placed on truck or trailer body, not on the cab of the truck

Mobile unit name in minimum three (3) inch high letters of contrasting color, to the exterior body of the mobile unit

Name, city and state, and telephone number of operator also in minimum three (3) inch high letters

Special Food Service Facilities — Mobile Units

Additionally, all mobile units are required to have vehicle identification, a valid registration card and vehicle tag (provided prior to licensure), and a Mobile Food Service Facility license to prepare, serve and store food.

Public vending of food from manually propelled mobile units is prohibited on public rights-of-way in Prince George's County and on private property except in certain areas where they have permission from a person authorized to enter into an agreement. Food trucks may park in certain office and business parks; industrial areas; commercial areas and shopping centers; or as permitted at a stadium, amusement park, or in conjunction with a carnival, festival, fair or similar event which has been issued a Temporary Use Permit (UTZ) from DPIE.

The Capital Area Food Bank has been authorized to operate Curbside Grocery, a mobile food truck to provide healthy food options in target areas. No other grocery trucks are authorized.

For more information, call the Health Department at 301-883-7690.

DPIE's Enforcement Division will cite trucks in violation of the County code. Call 311 to report complaints.

DPIE's "Dirty Dozen" — Frequent Code Violations

1. Operating a business, such as a restaurant or nail salon, out of a residence. Some businesses are allowed with a U&O permit.
2. Performing automotive work on a driveway or street.
3. Doing unpermitted construction — construction without the appropriate permits and inspections.
4. Accumulating trash and debris and dumping on your lot.
5. Parking disallowed commercial vehicles on residential property.
6. Parking vehicles on unpaved surfaces.
7. Failing to adequately maintain a property or allowing a property to fall into disrepair
8. Leaving abandoned properties unsafe and unsecured.
9. Keeping junk cars, tires, old appliances, building materials and other open storage on your property.
10. Operating a rental property without a license — either a short-term rental or a single-family rental.
11. Raising livestock — chickens, roosters, pot-bellied pigs, etc. — and some exotic pets in a residential zone.
12. Posting signs in public rights-of-way and failing to remove political signs according to County Code.

Vehicle Violations in Residential Zones

County Code PROHIBITS:

- Untagged vehicles
- Vehicles parked on unpaved surfaces
- Vehicles with business advertisement
- Vehicles with dual axels or a stake platform
- Dump trucks, cranes and tow trucks
- Vehicle repair other than minor owner maintenance
- Semi-trailers and semi-trailer cabs
- Wrecked, dismantled or unlicensed trucks and other vehicles
- Empty car and boat trailers
- Large recreational vehicles not capable of being moved

DPIE handles vehicle complaints on private property; the Revenue Authority handles vehicle complaints on the street.

No Auto Repair Shops at Home!

Auto repair businesses in driveways, garages and back yards violate County Code. Setting up pop-up auto shops on streets and in cul-de-sacs is also a violation. DPIE Zoning Unit inspectors will cite those violating the law. Report auto repair businesses at homes and on the streets to PGC311.

Neglected Shopping Centers and Other Commercial Properties Violate County Code!

Operation Business Compliance (OBC) Is Cleaning Up Blighted Businesses!

Owners and managers of shopping centers and other businesses are responsible for upkeep and ensuring that tenants comply with Code requirements. Operation Business Compliance (OBC) identifies properties in violation and works to bring them into compliance with standards, including:

- All businesses must have a valid Use & Occupancy Permit to operate
- Buildings, grounds and parking lots must be appropriately maintained — peeling paint, broken windows, busted concrete, filthy sidewalks, etc., are prohibited
- Commercial properties must be free of trash, debris, dumped items and illegal vehicles
- Trash receptacles must be emptied regularly and cleaned around to prevent overflow
- Properties must have adequate lighting in business and parking areas
- Parking lot spaces must be clearly marked
- Unpermitted illegal signs are prohibited

Call PGC311 to report property standards violations at commercial properties.

Don't Litter the Landscape!

*DPIE's Health Section is responsible for conducting health inspections for all municipalities, including the City of Laurel and all state college campuses. For additional [Site/Road coverage, view the chart here.](#)

Administrative Hearing Unit (AHU) and Nuisance Abatement Board (NAB)

- The AHU handles complaints about unlawful vehicles, open storage, trash and debris, tall grass and weeds, unpermitted construction and short-term rental violations.
- Complaints are reported through 311 and routed to DPIE, where they are investigated and violation notices and/or citations issued. Respondents may request a hearing within 30 days, hearings are held within 30 days of the request, and decisions are rendered within five days by hearing officers.

- The (NAB) hears complaints that allege acts that disturb the public peace or endanger the health, life or safety of residents, workers or visitors in the County.
- Cases are referred by the police department, fire department, health department, DPIE, and other government agencies. **Citizens and entities other than those listed above may not report cases directly to the NAB.**
- If the board finds a nuisance exists, it will order the activity to cease and may assess a \$1,000 fine.

What Is the Nuisance Abatement Board's Role?

The Nuisance Abatement Board, working with Enforcement's Zoning Section and the Joint Agency Group (JAG), can also hear noise violation cases.

Loud Noise Nuisance Complaint Information

2023 (to date):

- \$15,000 in fines assessed during the 2023 calendar year related to loud noise and/or music.

What Is Noise Disturbance?

- Sound that crosses between residential and non-residential areas must not exceed the level set for RESIDENTIAL areas.
- DPIE only investigates commercial entities that generate noise levels that disturb residential areas including:
 - Truck deliveries late at night with loud back-up signals beeping;
 - Loud music from night clubs, skating rinks, etc. that exceeds levels set for residential areas; or
 - Construction noises late at night or very early morning.

Business Development Section (BDS)

The Prince George's County
Department of Permitting,
Inspections and Enforcement
Business Development Section

Angela D. Alsobrooks
County Executive

Our mission is to support the growth of a thriving and diverse business community in Prince George's County by providing guidance and assistance to entrepreneurs as they navigate the permitting and licensing process.

Contact our Business Development Team today at
DPIEBizDev@co.pg.md.us

North County Representative
Nicole M. Reece • 301-636-2035

South County Representative
Charles H. Cooper • 301-636-2058

DPIE
DEPARTMENT OF PERMITTING,
INSPECTIONS AND ENFORCEMENT

Permit us to help you grow your business!

The Business Development Section was created to help spur economic development by assisting the County's business partners. The team serves as a contact between businesses and staff and liaises with other government agencies on behalf of entrepreneurs. They offer webinars, trainings and a quarterly BDS newsletter.

The BDS supports the growth of a thriving and diverse business community in Prince George's County by providing guidance and assistance to entrepreneurs as they navigate the permitting and licensing process. They will assist you by:

- Coordinating with agency personnel to facilitate completion of paperwork and document review
- Educating business owners about DPIE requirements and processes
- Liaising with entrepreneurs and other government agencies

DPIE Connect: Mini Preliminary Design Review Meeting (PDRM)

DPIE is encouraging small business owners and aspiring entrepreneurs to participate in our DPIE Connect program. DPIE Connect brings agency experts together with entrepreneurs aspiring to open businesses in a one-hour Mini Preliminary Design Review Meeting (PDRM). Staff from DPIE's Permitting and Licensing Division, Building Plan Review Division, Inspections Division, and Business Development Section (BDS) participate. Topics of discussion include application requirements, permits, licenses, inspections, fees, and plan review code-related questions covering building/structural, electrical, mechanical, fire and life safety, health and ADA accessibility.

- The scope of projects applicable for DPIE Connect include:
 - Projects requesting straight U&O — no construction
 - Projects with change of occupancy — no construction
 - Projects with interior alterations not exceeding 3,000 sq. ft. in area
 - Projects not more than one story in height
- The [Maryland-National Capital Park and Planning Commission \(M-NCPPC\)](#), which includes zoning, and the [Washington Suburban Sanitary Commission \(WSSC\)](#) will not participate. However, depending on your project, you may be required to obtain approvals and/or permits from these agencies and DPIE's Site/Road Plan Review Division.

Beautify and Comply While Growing Green with Pride

Ensure your property is compliant with County Code while you help protect the environment:

- ◆ Repair peeling paint, loose siding, ragged gutters, broken windows, torn screens and damaged doors.
- ◆ Clear fallen branches and debris.
- ◆ Remove old appliances, building materials, furniture, untagged vehicles and vehicle parts.
- ◆ Trim plants, cut the grass and pull weeds.
- ◆ Fix and clean deck and patio furniture and recreational equipment for kids.
- ◆ Spruce up and secure vacant property.

Property maintenance standards protect the beauty and safety of our County!

Celebrate "Growing Green with Pride Day" on Saturday, October 21st!

For more information, visit the DPIE website at dpie.mypgc.us.

For more information, visit environment.mypgc.us or contact **PGC311**.

Electronics Recycling and Household Hazardous Waste (HHW) Disposal Days

Saturday 10/28 from 8 a.m. – 1 p.m.
@ Friendly High School

Saturday 11/4 from 8 a.m. – 1 p.m.
@ High Point High School

List of acceptable electronics and HHW at bit.ly/pgcwastefacilities.

Go green this Halloween and compost your pumpkin!

- Throughout the month of November, place items curbside by 6 a.m. on Mondays for pickup.
- **Pumpkins, dried corn, hay and straw** MUST be placed in a paper lawn/leaf bag OR the provided 32-gallon green wheeled cart.
- Pumpkins must be free of inorganic materials such as candles, wax, artificial lighting, loose decorations, etc.
- Residents may also drop off pumpkins and other yard trim at the Brown Station Road Public Convenience Center during operating hours.
- For more information, contact PGC311 at 3-1-1 or visit mypgc.us/compost.

animal services division

**Take the pledge
to clean up
after your pet
and scoop that
poop**

Help your pet live a healthy life by having them spayed or neutered. Visit www.princegeorgespets4us.com for more information and to see the many pets available for adoption.

EFFECTIVE
October 5, 2023

**The Animal Services
Facility and Adoption
Center (ASFAC) has
resumed walk-in
adoptions for all pets,
including dogs.**

The facility had been closed due to an outbreak of canine influenza.

To minimize the risk of disease, visitors are prohibited from walking through the facility. Our expert staff will assist you in selecting the perfect pet for your household.

View adoptable animals at our facility at 24petconnect.com
(search by zip code 20772)

For more information about animal services and for updates, contact 301-780-7200.

VOLUNTEER ORIENTATIONS

ASD IS LOOKING FOR VOLUNTEERS

We are looking for volunteers to help walk and socialize dogs, play with cats, assist with feeding animals, cleaning, office work, off-site events and more!

If you are 18 years old or older and are interested in helping with animals at the Animal Services Facility and Adoption Center (ASFAC) visit our website at www.princegeorgespets4us.com or call **301-780-7200** for more information.

UPCOMING ORIENTATION

Thursday, November 9, 2023, 6 p.m. - 8 p.m.

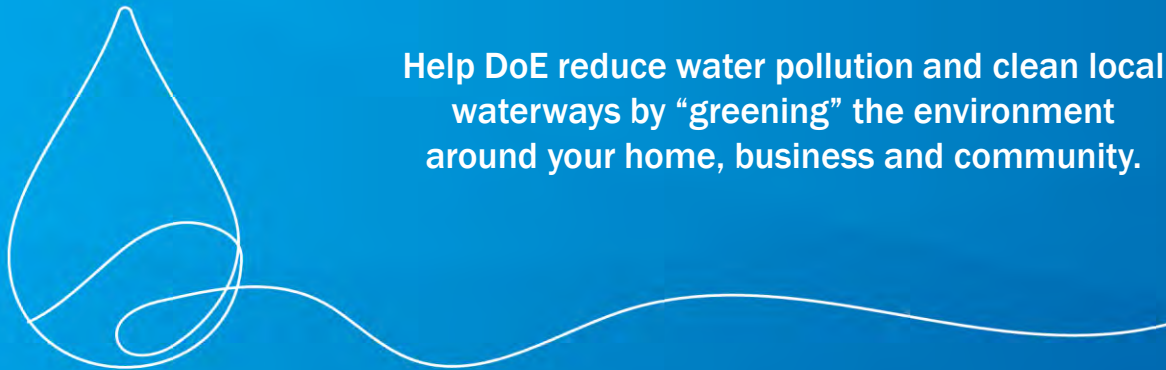

Build a Rain Garden.

stormwater management division

Install permeable pavement to filter rain water.

Help DoE reduce water pollution and clean local waterways by “greening” the environment around your home, business and community.

PRINCE GEORGE'S COUNTY RAIN CHECK REBATE PROGRAM

Prince George's County residents, businesses, and non-profits can apply for **cash rebates** by adopting **stormwater management practices** that improve the quality of the County's waterways and build climate resilience to localized flooding while beautifying our communities.

Rain Barrel

Cistern

Urban Tree Canopy

Rain Garden

Pavement Removal

Permeable
Pavement

Green Roof

Rebate Amounts

*Residential: **\$6,000** maximum rebate*
*Commercial properties and multi-family dwellings: **\$20,000** maximum rebate*

Over 899 rebates have been awarded to individual property owners for a total of \$833,303 in cash rebates.

For more information, visit Rain Check Rebate
bit.ly/PGCraincheckrebates (case sensitive)

HOW TO GET YOUR REBATE

1. Determine what practices are suitable for your property
2. Fill out and submit the rebate application
3. Schedule a pre-installation visit for all practices except rain barrels
4. Install the practice
5. Schedule a post-installation site visit
6. Receive rebate check from the County's Department of Finance

For more information, visit Rain Check Rebate
mypgc.us/raincheckrebates

STORMWATER STEWARDSHIP GRANT PROGRAM

Example projects include rain gardens, stormwater management practices, butterfly gardens, tree canopy education, specimen tree preservation, environmental workshops/events, and more!

Applicants can request funds from the following project tracks:

- Track 1: Water Quality Implementation (\$50,000 to \$150,000)
- Track 2: Tree Canopy: Outreach, Education, Maintenance, and Preservation (\$50,000 to \$300,000)
- Track 3: Community Awareness and Engagement (\$10,000 to \$60,000)
- Track 4: Illegal Dumping Data Analysis and Forensics (\$10,000 to \$50,000)
- Track 5: Piloting a Co-Payment System for Stormwater Management and Residential Resilience Retrofit Program Projects in the Henson Creek Watershed (up to \$1 million)

Application deadline: November 30, 2023

Contact: Nguyen Le
nle@cbtrust.org
(410) 974-2941 x110

For more information, visit the Chesapeake Bay Trust's website at
www.cbtrust.org/grants/prince-georges-stormwater-stewardship-2.

GRANT PROGRAM AWARDEES, MARCH 2023

Organization	Amount	Organization	Amount
Alice Ferguson Foundation: to develop a strategy for illegal dumping and litter reduction in Prince George's County.	\$45,000	Global Health and Education Projects, Inc.: to outreach on the benefits of trees and identify planting locations in priority areas with low tree canopy.	\$50,000
Alliance for the Chesapeake Bay: to convert 1,265 square feet of turf to conservation landscaping and engage with faculty, staff, and students at Bowie State University.	\$25,000	Greenbelt Homes Inc.: to install conservation landscaping on the community space across the street from Greenbelt Elementary School.	\$4,041
Alliance for the Chesapeake Bay: to develop and deliver a pilot project for installation of community resilient practices in priority areas of Prince George's County.	\$490,464	The Low Impact Development Center, Inc.: to develop and deliver a pilot project for installation of community resilient practices in priority areas.	\$490,464
City of Hyattsville: to conduct outreach, education, and training on invasive species and removal in Hyattsville	\$32,172	Town of Eagle Harbor Inc.: to conduct workshops on climate change impacts and actions communities can take to address impacts at the Town of Eagle Harbor.	\$10,018
ECO City Farms: to install two rain gardens at the ECO City Farms Urban Farm Incubator in Upper Marlboro.	\$134,888	Town of Edmonston: to create a green street that includes eight rain gardens in Edmonston.	\$179,360
EcoLatinos, Inc.: to conduct outreach and education in partnership with St. Matthew's Episcopal Church in Riverdale to promote the Rain Check Rebate program and educate residents about cisterns, trees, and conservation landscaping practices.	\$41,817	Univ. of Maryland Environmental Finance Center: to develop and deliver a pilot Climate Wise Academy that educates communities with the Prince George's County Climate Action Plan.	\$110,000
TOTAL GRANT AWARDS IN FY23:			\$1.6 M

Volunteer to participate in a Community Clean Up.

Plant native trees, shrubs and flowers.

sustainability division

Visit environment.mypgc.us to learn about DoE programs that help reduce litter including Community Clean Up events, Storm Drain Stenciling and PGCLitterTRAK.

FLOOD HAZARD ASSESSMENT AND MITIGATION STUDY

Prince George's County has received approximately \$2.3 million dollars of American Rescue Plan Act (ARPA) funding to complete a flood hazard assessment and mitigation study for identified watersheds to:

1. identify areas prone to flooding and assess current and future flooding vulnerabilities by developing watershed-scale models, and;
2. recommend measures to reduce flooding impacts to the watershed communities, through infrastructure solutions (e.g., storage, bridges, culverts, buildings) and natural system solutions.

TANTALLON POTOMAC PROTECTOR'S PILOT

DoE will develop and deliver pilot community resilient practices in the Fort Washington area and North Brentwood/Brentwood area.

The goal is to build community-wide climate resilience and address local flooding through focused outreach and installation of small to medium scale green infrastructure practices.

Join us for a free virtual information session on **Thursday, November 15, 2023, at 7 p.m.** to learn more.

Scan the QR code to register

Questions? Tantallon@allianceforthebay.org

General Eligibility Boundary

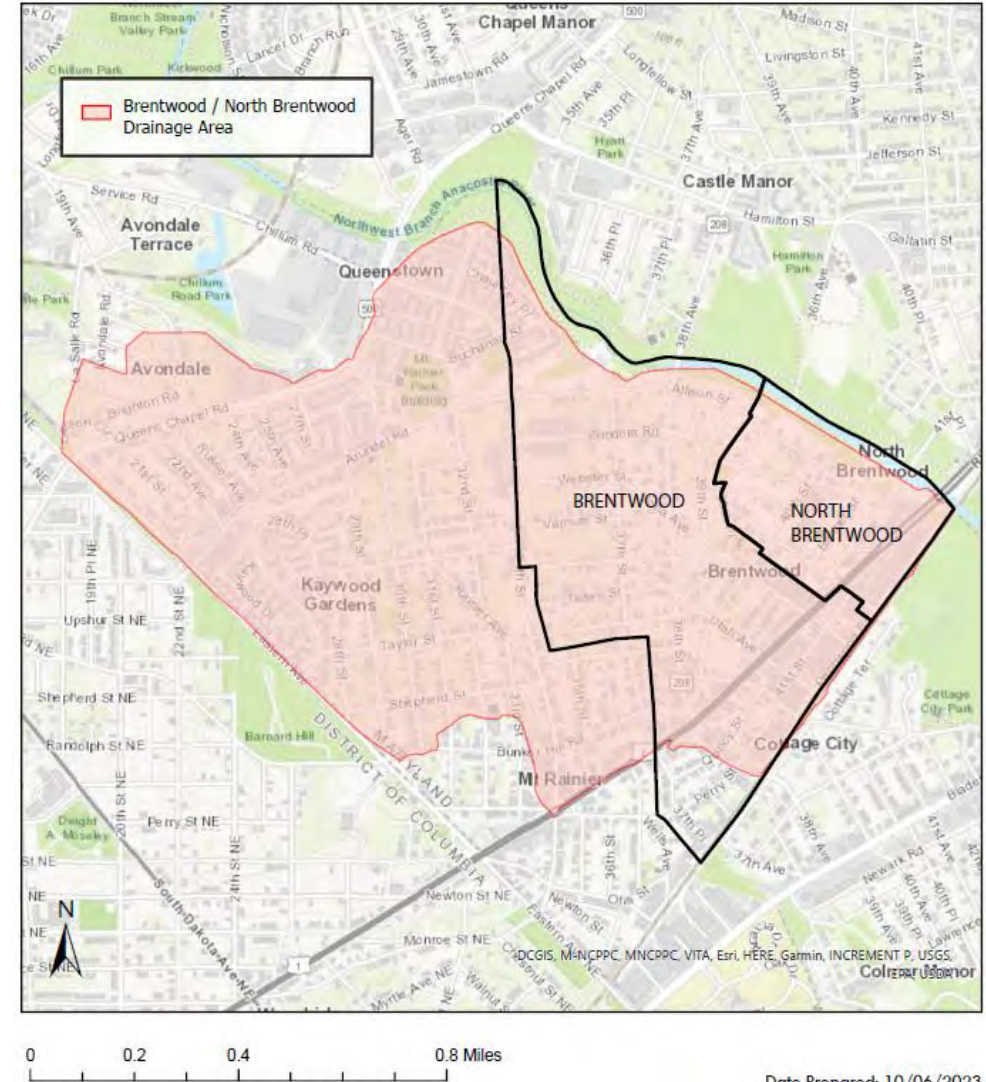

NUISANCE FLOODING BLITZ: BUILDING COMMUNITY WIDE RESILIENCE THROUGH GREEN INFRASTRUCTURE

Coming soon!

We are seeking residents and property owners of the Towns of Brentwood and North Brentwood to participate in a LIMITED TIME pilot project.

The purpose is to engage neighborhoods in Brentwood and North Brentwood, and the areas that drain to them, to help clean stormwater runoff and alleviate localized flooding problems by installing small-scale stormwater practices.

Live in Brentwood or North Brentwood and interested in your property being considered? Email your contact information to info@lidcenter.org and reference the Nuisance Flooding Blitz to learn more.

COMMUNITY SERVICE OPPORTUNITIES

Volunteer Neighbor Hood Cleanup Program

Projects include neighborhood cleanups and stream cleanups. The Sustainability Division provides each interested community with technical assistance and materials such as trash bags, gloves, and may also include roll off containers depending on availability.

Storm Drain Stenciling

Help prevent water pollution by stenciling/inlet marking the storm drains in your neighborhood with the "Don't Dump - Chesapeake Bay Drainage." The county will help you design a storm drain stenciling/inlet marking project that can be accomplished with any size team or age group. You supply the volunteers and the county will provide the supplies which may include DoE participation.

resource recovery division

Your yard trim and food scraps are providing FREE mulch for County residents, and LeafGro and LeafGro Gold compost.

Use brown paper bags for your yard trimmings and avoid putting plastic bags in your recycling toter.

Use a reusable bag

CHOOSE TO REUSE

From Christmas trees and leaves to household products and electronics, County residents and business owners are recycling more and trashing less.

Prince George's County has a range of waste collection programs servicing more than 180,000 residents to help clear the curb and keep our County clean, healthy, and sustainable.

Learn more at mypgc.us/clearthecurb.

MONDAY COLLECTIONS

YOUR REGULAR COLLECTION DAY

- Eligible residents participating in the Curbside Composting program will receive a Welcome Packet that includes accepted items, FAQ and a How-To guide.
- These natural materials, like food scraps, yard trim, paper and cardboard, and more, are used to create an organic soil supplement called LeafGro Gold®.

FUTURE PLANS

As a result of continued interest, the County plans to launch its fourth and final expansion phase this Fall/Winter (2023).

Remaining residents will receive materials for food scraps/compost collection if they:

- Receive County-provided trash collections
- Occupants of either single family or townhome dwelling structures.

Request Season Begins – OCTOBER 1, 2023

Written requests may be submitted to:

Email: dwoolen@co.pg.md.us

Fax: 301-952-7651 or via

USPS to the Bulky Section –

Attn: Darlene Woolen

3500 Brown Station Road - Building B

Upper Marlboro, MD 20774

- Containers (large roll-off boxes) are available on a first come first served basis.
- Request must have and identify the Community Clean-Up Coordinator.
- Roll-Off Boxes for Community Clean-Ups are only provided on Saturdays.
- Dates for Spring, Summer and Fall of 2023 may be requested.

Help yourself, others and the environment – **Tip #1**

Recycle acceptable materials.

It's in your hands.

Keep Prince George's County Beautiful! mypgc.us/recycle

Help yourself, others and the environment – **Tip #2**

Recycle ALL acceptable plastic containers.

It's in your hands.

Help yourself, others and the environment – **Tip #3**

One's trash is another's treasure.

It's in your hands.

Consider donating gently used items to local thrift stores, online marketplaces, or donation centers before disposing of them.

Keep Prince George's County Beautiful! mypgc.us/recycle

Help yourself, others and the environment – **Tip #4**

Junk mail – yes, it's junk but it's still recyclable.

It's in your hands.

Keep Prince George's County Beautiful! mypgc.us/recycle

Help yourself, others and the environment – **Tip #5**

Break it down.

Always Flatten & Recycle Cardboard.

It's in your hands.

Flattened cardboard should be placed inside or beside the recycling cart for collection.

Keep Prince George's County Beautiful! mypgc.us/recycle

Help yourself, others and the environment – **Tip #6**

Make it your purpose to help others.

Repurpose unused items.

It's in your hands.

Consider donating gently used items to local charities, friends, family & donation centers before disposing of them.

Keep Prince George's County Beautiful! mypgc.us/recycle

Help yourself, others and the environment – **Tip #7**

Food service ware is available upon request.

It's in your hands.

Keep Prince George's County Beautiful! mypgc.us/recycle

**WASTE DIVERSION
CAMPAIGN – TIPS.
ITS IN YOUR
HANDS.**

LEGISLATION: CB-014-2022

Food service businesses shall provide accessory disposable food service ware only **upon request** by the customer or at a self-serve station. Take-out or delivery orders shall not include accessory disposable food service ware unless specifically requested by the customer in person, on the phone, or online.

Customers will have to verbally request that they want single-use items or select items from self-service bins instead of having them automatically included with a food order.

For more information, visit mypgc.us/singleuse

LEGISLATION: CB-032-2023

Beginning January 1, 2024, all retailers throughout Prince George's County will be **prohibited from providing plastic bags to customers**, with exceptions, and **must charge at least ten cents for paper or reusable bags provided**, with exceptions.

Reusable Carryout Bag means a bag with stitched handles that is specifically designed and manufactured for multiple reuse and is made of:

- cloth or other washable fabric; or
- a durable material suitable for multiple reuse that is not made of plastic film.

Pavement Management

Michael D. Johnson, P.E.
Director

PAMS was first introduced in 2008

Database for tracking and managing all County maintained pavement conditions

This is a multi-department and agency coordination, including utility companies, effort to scope and utilize this program

Angela D. Alsobrooks
County Executive

Pavement Management

Michael D. Johnson, P.E.
Director

DPW&T uses a Pavement Assessment Management System (PAMS) methodology to evaluate asphalt condition. Staff then develops a list of roads to receive a resurfacing treatment. The goal is to apply the right surface treatment at the right time based on the results of the overall pavement evaluation. Prince George's County makes an effort to utilize preservation treatments to extend the service life of streets throughout the county. Examples of pavement preservation techniques include:

- Crack Seal**
- Slurry seal**
- Asphalt Cut and Pa**
- Pothole Repairs**

Good Condition PCI = >70

Fair condition PCI = 55-70

Needs Significant Work PCI = <55

Pavement Management

ASTM PCI Rating Curve

Angela D. Alsobrooks
County Executive

Pavement Management

Michael D. Johnson, P.E.
Director

- The County schedules pavement maintenance three years in advance. Schedules are based on asphalt conditions and funding availability.
- Areas identified as those most in need are placed on the three-year schedule.
- DPW&T fills potholes reported into 311 Customer Service Request system within 72 hours.

Angela D. Alsobrooks
County Executive

DPW&T FY-23 Maintenance Statistics

Michael D. Johnson, P.E.
Director

FY-23 Number of Potholes Repaired	44,179	FY-23 Tons of Asphalt used for Pothole Repairs & Cut/Patch work	23,371	FY-23 Total Number of Speed Humps Installed	57
FY-23 Miles of Roadway Resurfacing by In-House Crews Only	2.35	FY-23 Tons of Cold Mix by In-House Crews Only	1,108		
FY-23 Miles of Roadway Resurfacing by contractors only	20.23	FY-23 Sq. Ft. of Sidewalk Replaced by Contractors & In-House Crews	617,070		
FY-23 (Contractors and In-House) Cumulative Miles of Roadway Resurfacing	22.58	FY-23 Linear Ft. of Curb & Gutter Replaced by Contractors & In-House Crews	162,095		

Angela D. Alsobrooks
County Executive

Pavement Management

Michael D. Johnson, P.E.
Director

- Survey vehicle drives every County maintained road
- Collects data and photographs which are used to update the PAMS database
- Survey vehicle takes scans of the road every 50 feet and can detect cracks as small as one mm in width
- The latest scan of County roads was completed in March of 2023 and we are currently analyzing the PCI of every county roadway. This will be completed by end of the year.

Pavement Survey Vehicle

Angela D. Alsobrooks
County Executive

Sidewalk Management

Michael D. Johnson, P.E.
Director

- DPW&T created a sidewalk layer in 2014 to look for sidewalk gaps. This did not analyze condition, only inventory.
- DPW&T will begin a sidewalk inventory assessment in 2024 to analyze sidewalk condition, ADA compliance, and gap analysis.
- Other DPWT assets to be captured include pavement marking, streetlights, traffic signs, and traffic signals

Sidewalk Analysis
Vehicle

Angela D. Alsobrooks
County Executive

Concrete Management

Michael D. Johnson, P.E.
Director

- DPW&T is conducting an in-depth review of every outstanding 311 request for concrete repairs
- Additional contractor resources have been added to address outstanding requests, including a contract with Precision Concrete Cutting (PCC)
- OHM will oversee the PCC contract which will address trip hazards of two inches or less
- Additional funding will be required. Upon completion of sidewalk inventory analysis, a value can be determined.
