Residential Street Sweeping Program

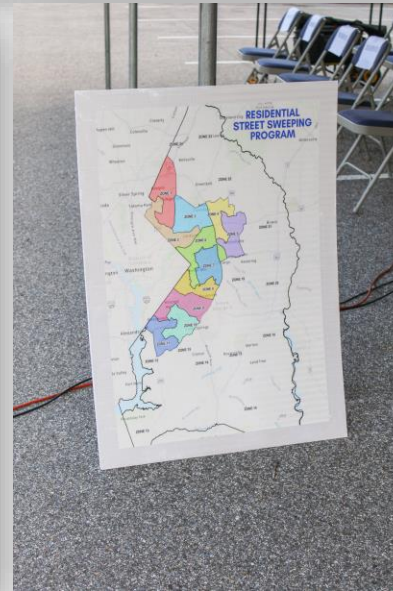

Michael D. Johnson, P.E.
Director

BEFORE

AFTER

- DPW&T initiated its countywide residential sweeping program (RSSP) on September 3, 2024:
 - Phase I is currently utilizing three (3) sweepers and will service approximately 716 curb-miles of roadway per month
 - Phase II will utilize five (5) sweepers and service approximately 1,571 curb-miles of roadway per month.
- The schedule frequency for service will be monthly (every 5 weeks) for Phase I and Phase II is tentatively scheduled to start in the Spring 2025.
- New positions have been created for this new initiative and RSSP Operators and Supervisors have been hired to implement the new program.
- The GIS Team has designed sweeping areas throughout each District. These areas have been designated by sweeping zones.
- The RSSP Team collaborated with the Communications Team and the GIS Team to develop the sweeping schedule for county wide sweeping operations.

Preparing for Snow Events

Michael D. Johnson, P.E.
Director

- OHM managed a successful snow season with 7 snow events running from December 15th through March 15th.
- OHM staff worked extremely hard operating between two 12-hour shifts to provide continuous snow removal services.
- County Executive Angela Alsobrooks visited our command center, and met with drivers, District Managers, Foreman, clerks, and members of the command staff. The County Executive provided hot chocolate and donuts and thanked everyone for their hard work. She also utilized the Dispatch System to thank County crews.
- DPW&T is currently crafting a detailed Snow Plan for the Winter season.

Contracted Tree Trimming

Michael D. Johnson, P.E.
Director

The Tree Team is doing amazing work, reducing 311 numbers and addressing storm events!

- Tree trimming is accomplished by service request and/or inspections and issued to contracted vendors for scheduling and completion. Tree and stump removals are provided when the tree is found to be dead or when dead tree limbs fall to the ground because of inclement weather and/or stormy conditions.
- **OHM has successfully completed all tree Motorola requests and is currently addressing service requests in PGC 311.**
- OHM is continuing to develop strategic processes and exploring new contracts to address PGC 311 tree requests.

B100 Project!

➤ B100 Project Updates

- Project Goals – Risk mitigation with going 100% BEB, cost effective solution to reducing carbon footprint
- Four out of Six buses completed; Fifth bus in progress
 - To date – Consumed approximately 1 100 gallons of B100, saving approximately 1.9 million pounds of carbon emissions
 - Fuel economy similar to traditional diesel, 3.5-4 MPG on average

Optimus Technologies is almost completed with the sixth and final bus for the **B100 Pilot Project**, Bus 63215.

The split fuel tank along with the new Manifold Assembly has been installed, along with related cooling hoses and new fuel lines.

The bus is anticipated to return to revenue service tomorrow and begin operating on B100 Fuel.

County Executive

B100 Project!

Michael D. Johnson, P.E.
Director

DPW&T took delivery of the **B100 Biodiesel Tank** on June 25th, and the commissioning process is ongoing to prepare the tank for its first fuel delivery.

- DPW&T anticipates the tank being ready for a delivery of fuel within the next one to two weeks. This tank will support the pilot project of converting 6 transit buses to run on B100 Biodiesel.
- Bollards and guard rail installation is also being scheduled, the layout of the bollards and guard rail has been marked near the tank

Stop Operator Assault Campaign!

Michael D. Johnson, P.E.
Director

➤ Stop Bus Driver Assault!

The Office of Transportation launched a "Stop Bus Driver Assault" campaign.

Bus Operator assault is a safety and security concern for both the Operator and Riders. OT is raising awareness that everyone has the right to a safe work environment, and that Bus Operator Assault is a crime and can be prosecuted.

We've deployed the message on our social media platforms, displayed the ad on our interior bus announcement boards, and installed a poster at 10 Bus Shelters, with a total of **1,976,848 monthly impressions**.

You can help **STOP** Assault!

STOP

Bus Operator Assault is a Crime!!!

Be **Respectful** to our Front-Line **Bus Operators!**

PLEASE THANK YOU for going the extra mile to **STOP ASSAULTS** against our Bus Operators!

*Any Assault can have legal repercussions and can be prosecuted!

Puede ayudarnos a **DETENER** la Agresión.

Le pedimos que

Sea **respetuoso** con los operadores de autobuses de primera línea.

¡GRACIAS por hacer un esfuerzo adicional para **DETENER LA AGRESIÓN** contra los operadores de autobuses!

¡Gracias!

¡Es un delito agredir a los operadores de autobuses!

* Cualquier persona que cometa una agresión puede tener repercusiones legales y ser enjuiciado.
