ADJUSTMENTS TO THE PROPOSED FY 2024 BUDGET

This chart reflects amendments to the FY 2024 proposed budget submitted by the County Executive in an amendment letter dated May 24, 2023 and other budget adjustments made by the County Council. It is important to note that the County Executive vetoed two changes proposed by the County Council impacting the Office of the State’s Attorney and Non-Departmental - Other Non-Departmental Expenditures. Executive Order No. 6-2023 was issued on June 9, 2023 and restored changes to both departments. The presentation below details the funding adjustments and a description of the budget changes for each agency and for all funds.

PRINCE GEORGE'S COUNTY PROFILE

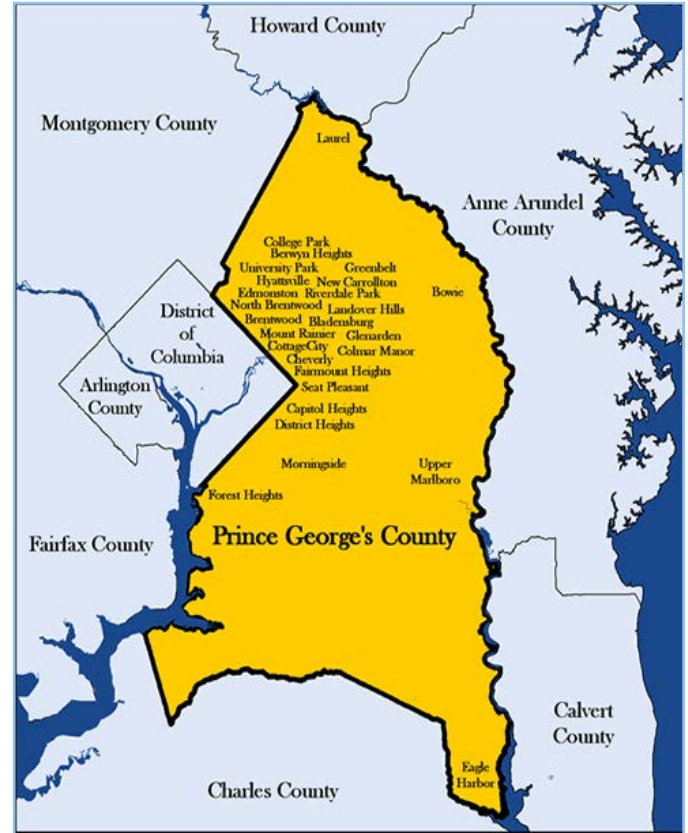

GOVERNMENT

The Maryland General Assembly officially chartered Prince George's County on April 23, 1696. It was named in honor of Prince George of Denmark, husband of Princess Anne, the heir to the British throne. From those colonial beginnings, Prince George's County has grown to become the second largest jurisdiction in the State of Maryland (and the third largest in the metropolitan Washington area). Its population is greater than that of six states. Under a home rule charter since 1970, Prince George's County is governed by an elected County Executive and an eleven-member County Council, nine elected by Councilmanic District and two at-large seats.

The County encompasses 483 square miles that border the District of Columbia, Montgomery, Howard, Anne Arundel, Calvert, Charles and Fairfax counties and is 37 miles south of the City of Baltimore. It is a unique mixture of urban, rural and suburban communities. The County's centralized location and its rich diversity have attracted an estimated 910,600 residents and over 14,000 businesses to its 27 municipalities and unincorporated areas.

Prince George's County has significant federal facilities, such as the Joint Base Andrews Naval Air Facility Washington, the National Aeronautics and Space Administration (NASA) Goddard Space Flight Center, the Food and Drug Administration (FDA), the National Oceanic and Atmospheric Administration's (NOAA) National Centers for Environmental Prediction, and the U.S. Department of Agriculture (USDA) Beltsville Agricultural Research Center, the world's largest and most diversified agricultural research complex. Academic facilities include the University of Maryland, College Park, the flagship public university in Maryland, and

other major public, private, two- and four-year institutions.

EDUCATION

Prince George's County has the second largest school system in the State of Maryland. Until July 1, 2024, the school system will operate under a combination of elected and appointed school board members and a County Superintendent. In the FY 2024 approved budget, the system employs about 20,155 full time employees, including 10,108 teachers. Over 62% of General Fund revenues are allocated for the public school system.

The County is home to numerous college and university campuses that provide a broad spectrum of post-secondary educational opportunities for residents. Eighty-seven percent of residents 25 years old and over have earned a high school diploma or higher.

PRINCE GEORGE'S COUNTY GOVERNMENT

OFFICE OF THE COUNTY EXECUTIVE

It is my pleasure to work in collaboration with the County Council on the adoption of the approved budget for FY 2024. The FY 2024 approved operating budget from all sources, totals \$5.4 billion, an increase of \$329.7 million or 6.5% over the FY 2023 budget.

This budget makes people-centered investments that meet the immediate needs of residents, improve critical government services, and help grow the local economy. The budget's overall breakdown is 62 percent to the public school system by law, 20 percent to public safety programs, and 18 percent to all other government services.

This year's budget was met with several challenges. Although new revenues were \$189 million, the current funding formula under the Blueprint for Maryland's Future dictates the County must spend nearly half of the new revenues on education. The Blueprint is a transformational program for K-12 students in Maryland, and the County fully supports its core tenets of early childhood education, high quality diverse teachers, a focus on college and career readiness, more resources for students, and greater accountability. We will continue to meet our obligations under Kirwan and make these critical investments in our school system to support our children, teachers, and staff.

To support increased revenues in future budget cycles, we are making investments to grow the commercial tax base to ease the residential tax burden on homeowners and offer more services to residents. Our Administration has focused heavily on transit-oriented development and smart growth to create new jobs and revenues while avoiding sprawl. Our Administration's anchor initiative is the Blue Line Corridor, which the County has already secured over \$1 billion in public and private investments to create walkable, bikeable, amenity-rich communities. To help current residents enjoy the coming growth, we are prioritizing affordable housing by investing \$34.25 million in the Housing Investment Trust Fund and Right of First Refusal programs.

Nationwide, communities have experienced sharp rises in crime, and Prince George's County is no different. To address this issue, we made critical investments in the Police Department, totaling \$394.7 million, which includes four new police recruit classes. The department also received \$640,000 in recruiting incentives for those who want to join the ranks of the department. With a national shortage of firefighters, we are also investing \$259.7 million in the Fire/EMS Department, which includes funding for three recruit classes and 80 new recruits.

Prince George's County residents are proud to call the County their home and their environment should reflect that pride. That's why we have invested \$135.5 million in our Clear the Curb program to improve waste collection. The funding includes the continued rollout of the countywide curbside composting program to include all County households receiving trash and recycling services by the end of 2023. We also invested \$9.9 million in litter reduction and beautification programs, as well as \$1.2 million for 13 new hires in the Department of the Environment. Finally, to combat climate change and flooding, the Stormwater Management Fund received \$113.2 million, and the Fund's Capital Improvement Program received \$141.5 million.

I believe this budget makes strong, people-centered investments in core areas that will help our County continue to be a leader in the State and region, while also helping us grow the commercial tax base so we can offer more services to our residents in the future. I'm confident that this budget will continue to make all our residents Prince George's Proud.

FY 2024 Approved Budget - All Funds

The approved FY 2024 budget for all operating funds is \$5.4 billion, an increase of \$329.7 million or 6.5% over the FY 2023 budget. The General Fund accounts for 83.5% of all spending in FY 2024 and will increase by \$287.0 million or 6.8%. This fund supports most County government services and programs including education, public safety, general government, public works, the environment, and other critical services.

The Internal Service Funds total \$73.6 million in FY 2024, an increase of \$3.7 million or 5.2% over the FY 2023 budget.

The County's Enterprise Fund totals \$269.4 million, an increase of 10.0% above the FY 2023 budget. This fund accounts for 5.0% of total FY 2024 spending. The Enterprise Fund supports various water quality programs and meets State mandates.

Special Revenue Funds account for \$275.4 million or 5.1% of all spending in FY 2024. Spending in this fund is projected to decrease by -\$4.1 million or -1.5%. The decrease is largely due to a one-time \$10.0 million State grant to the Housing Investment Trust Fund and a one-time increase of \$5.0 million to the Economic Development Fund offset by higher debt service of \$7.2 million and an additional \$3.6 million of Recordation Tax revenue dedicated to the Housing Investment Trust Fund.

Grant funding accounts for 5.1% of all spending and is estimated to total \$276.3 million in FY 2024. This is an increase of \$18.7 million or 7.2% above the FY 2023 budget. County agencies will continue to diligently seek new sources of revenues and will likely exceed the budgeted amount before year-end.

The chart below provides a summary of all operating funds in FY 2024:

General Fund Revenues

The County's economy remains strong, with unemployment at record low levels coupled with wage growth, particularly at lower income levels. Home values continue to appreciate, and the County's real estate market remains competitive with surrounding jurisdictions. The Board of Education is also benefiting from additional State aid under the Blueprint for Maryland's Future initiative. Overall, the FY 2024 General Fund budget represents an increase of \$287.0 million or 6.8% over the FY 2023 Budget. The FY 2024 General Fund budget includes \$2.56 billion in County Sources and \$1.95 billion in Outside Sources.

General Fund – County Sources

County-sourced revenues – taxes, fees, licenses and permits, service charges, use of money and property, etc. – represent resources used to fund most government programs and services, including the County's contribution to the Board of Education, Memorial Library System, and the Community College. In FY 2024, County Sources are projected to be \$2.56 billion, an increase of \$211.4 million or 9.0% over the FY 2023 budget. These revenues account for 56.8% of the total General Fund revenues for FY 2024.

Wayne K. Curry Administration Building • 1301 McCormick Drive, Largo, MD 20774
(301) 952-4131 • www.princegeorgescountymd.gov

Real property taxes represent the largest portion of County-sourced funding for government operations. In FY 2024, receipts are projected to total \$993.4 million, an increase of \$41.7 million or 4.4% over the FY 2023 budget. Excluding the revenue dedicated to the school system, the County's real property tax revenues are projected to increase by \$40.0 million or 4.4% in FY 2024 over the FY 2023 budget.

Personal property tax revenues are projected to be \$89.2 million, an increase of \$9.3 million or 11.6% above the FY 2023 approved budget. Excluding the additional revenue assigned to the school system, the County's personal property tax revenues are projected to grow by \$8.9 million or 11.6% in FY 2024.

Income tax revenues are expected to total \$875.7 million in FY 2024, including the State Income Disparity Grant. This represents an increase of \$55.0 million or 6.7% above the FY 2023 budget. Income tax receipts total \$777.2 million and the Income Disparity grant totals \$98.5 million in FY 2024. Income tax revenue is estimated to be level funded relative to the FY 2023 budget. Although unemployment is low, the end of federal stimulus funding and reduced capital gains income are expected to constrain growth in this revenue source. Funding from the State Income Disparity Grant is expected to rise by \$54.8 million in FY 2024 based on the disparity between the County's income tax per capita and the statewide average.

Rising mortgage interest rates have caused home sales to decrease, even as the low inventory in homes for sale has resulted in steady growth in the median price per home. Combined receipts from both the Transfer and Recordation taxes are anticipated to total \$204.6 million in FY 2024. Because the prior year budget was built upon a projected decrease in home sales, the FY 2024 budget assumes a similar level of sales but grows slightly to reflect higher home values. County legislation dedicates the greater of 20% or \$10.0 million of the Recordation Tax to the Housing Investment Trust Fund.

Other Local Taxes grow by \$15.3 million, or 13.9% in FY 2024. This is due to growth of \$14.4 million in Energy Tax revenue. Tax rates are based on actual consumption, which in this case is higher because of the re-opening of the economy following the pandemic.

Revenue from licenses and permit fees is projected to increase by \$8.7 million or 12.0% in FY 2024 compared to the FY 2023 approved budget. Building & Grading Permit revenue has grown consistently since the pandemic and is estimated to rise by \$5.2 million, or 22.7% in FY 2024. Gaming revenue has also performed well, particularly following the State law change that eliminated the "hold-harmless" deductions from County revenue. Gaming revenue is expected to grow by \$3.2 million, or 10.4% in FY 2024.

Wayne K. Curry Administration Building • 1301 McCormick Drive, Largo, MD 20774
(301) 952-4131 • www.princegeorgescountymd.gov

Use of Money & Property is estimated to increase by \$7.8 million. The Federal Reserve Board has raised interest rates multiple times since the spring of 2022, as a means of addressing higher inflation. This has resulted in greater returns on County investments. Interest income is projected at \$8.0 million, and accounts for the change between FY 2023 and FY 2024.

Intergovernmental revenues are projected to decrease by -\$3.0 million or -7.6% below the FY 2023 budget. This is mostly due to one-time State aid enhancements to the Police Aid formula that were adopted in both FY 2023 and FY 2024. The formula changes in the prior year were principally County revenue whereas for FY 2024 it is assumed that the enhancement will be partially distributed to municipal governments.

The FY 2024 budget is balanced with the use of \$56.7 million in fund balance, though \$15.0 million of this represents the use for one-time purposes.

General Fund – Outside Sources

Outside-sourced revenues include State Aid and other revenues (e.g., federal aid, fees, charges, tuition) generated by the Board of Education, Community College and Library. In FY 2024, Outside Aid is estimated to total \$1.95 billion, an increase of \$75.6 million over the FY 2023 approved budget. Outside Aid accounts for 43.2% of total General Fund revenue in FY 2024.

Spending Affordability Committee (SAC) Guidelines

The County's Spending Affordability Committee (SAC) is a truly dedicated resident committee of exceptional professionals who have been invaluable assets to Prince George's County for many years. The recommendation for the FY 2024 General Fund budget was \$4,464.1 billion.

At \$4.5 billion, the FY 2024 approved budget is \$49.5 million, or 1.1%, above the Committee's recommendation. The Committee had recognized that there was a gap between projected revenues and spending, and it encouraged the County to reduce ongoing spending to the extent possible, but to use unassigned fund balance for one-time purposes to fill the remaining gap. The FY 2024 approved budget does make use of \$56.7 million in fund balance, of which \$15.0 million was applied to one-time purposes. The County was faced with a unique circumstance when the income tax estimate was revised downward by -\$61.4 million in May 2023. This late change necessitated the use of additional fund balance. The Committee further recommended that the County phase in an increase of its policy reserve from 2% of general fund spending to 5%, over a three-year period. The FY 2024 approved budget increased the policy reserve from 2% to 3%, representing the first year of the phase-in. When fully phased in, the County will have a total of 10% in reserve.

Budget Guide

This is one of two documents presenting the County’s approved budget for Fiscal Year 2024 (FY 2024). The operating budget (which is described here) underwrites the County’s day-to-day operations. The six-year Capital Improvement Program (CIP) is the County’s spending plan for capital facilities—buildings, roads, parks and the like—through FY 2029. Within the CIP is the capital budget, which consists of the first year’s planned expenditures for the six-year program. The CIP and capital budget are described in a separate document, *The Approved Capital Budget and Program*.

HOW TO READ THE BUDGET BOOK

The budget book includes three important items regarding the County’s FY 2024 budget: summary information, agency budgets and supplemental information which are explained in the sections below.

Summary Information

The summary of the FY 2024 budget is in three individual sections, identified by tabs, listed below.

- Strategic/Fiscal Policies- Summarizes the application and use of the County’s performance management system and financial policies that are utilized and implemented in the budget.
- Budget Overview- Provides a summary of the FY 2024 budget’s expenditures, revenues, distribution of funds, positions, fringe benefit costs and fund balance.
- Revenue- Details the County’s revenues that fund this and past budgets.

Agency Budget Sections

Individual agency budgets (such as the Police Department and Office of Homeland Security) are grouped by functional areas (such as Public Safety). These agencies contain sub-classifications by divisions, such as Bureau of Patrol or Bureau of Investigations. Depending on the agency, its budget pages can include some, if not all of the following sections: Organizational Chart, Mission and Services, FY 2023 Key Accomplishments, Strategic Focus and Initiatives for FY 2024, FY 2024 Budget Summary, Staff and Budget Resources, Expenditure by Category – General Fund, General Fund – Division Summary, Divisional Overview, Other Funds (Internal Service, Enterprise and Special Revenue Fund), Funds Summary, Grants and Service Delivery Plan and Performance. Each of these sections is explained below.

Organizational Chart

The first section in the budget book is the Organizational Chart. This chart illustrates the core divisions and/or functional areas of the agency.

Mission and Services

- **Section 1: Mission** - Includes the agency’s mission statement which summarizes the agency’s purpose.
- **Section 2: Core Services** - Lists the programs/ services the agency delivers to its customers.
- **Section 3: FY 2023 Key Accomplishments** - Includes a highlighted list of the agency’s FY 2023 achievements.
- **Section 4: Strategic Focus in FY 2024** - Lists an agency’s top priorities (objectives) for FY 2023 along with the top strategies to accomplish that objective. The purpose of this section is to provide the reader with a snapshot of the agency’s focus for the fiscal year.

Following is an example of the first two sections for each agency: **Organizational Chart** and **Mission and Services** sections. These sections summarize the agency’s strategic direction and responsibilities. Below, more detail on each subsection is provided. An agency may or may not have all of the information illustrated below.

MISSION AND SERVICES

The Personnel Board provides oversight of the County’s classified system for merit employees in order to ensure that County Government employees receive fair and equitable treatment under all applicable employment laws, rules and regulations. **1**

CORE SERVICES

- Oversight of the County’s classified system, including oversight of human capital policies and procedures and administrative hearing of human capital issues. **2**

FY 2023 KEY ACCOMPLISHMENTS

- Continued to utilize alternative methods of dispute resolution by conducting pre-hearing conferences in advance of merit hearings. **3**

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priority in FY 2024 is: **4**

- Maintain the number of Board decisions overturned in the court system at zero by presiding over efficient and impartial administrative hearings and providing adjudication of cases filed.

FY 2024 Budget Summary

- **Section 1: Budget Summary** – Following the Mission and Services section is the FY 2024 Budget Summary that provides the total agency appropriation if the agency has more than one fund budget.
- **Section 2: Expenditure by Fund Type** – This table illustrates General Fund and the other funds’ budgets for this agency as well as the percentage of each fund as a whole for the agency.
- **Section 3: Reconciliation from Prior Year** – Illustrates all of the changes from the FY 2023 budget to the FY 2024 budget for each fund budget.

Following is an example of the FY 2024 Budget Summary section. This section illustrates the agency’s budget expenditures – overall and by fund type and categorizes the changes between the prior year and the current year for the General Fund and other applicable funds. Below, more detail on each subsection is provided. An agency may or may not have all of the information illustrated below.

FY 2024 BUDGET SUMMARY								
The FY 2024 approved budget for the Personnel Fund is \$455,300, an increase of \$26,100 or 6.1% over the FY 2023 approved budget.

Decrease Cost: Operating — Decrease in allowances for board member stipends to align with projected costs							(6,800)	
FY 2024 Approved Budget							\$455,300	

Staff and Budget Resources

- **Section 1: Authorized Positions** - Illustrates the agency’s positions by type of employee (full time, part time, limited term) and funding source. The FY 2024 staffing is compared to the previous year’s level. Limited term staff are employed under renewable personal service contracts for periods not exceeding one year. They serve in operations where continued funding is not assured from year to year. Although limited term personnel are employed predominantly in grant programs, a small number of

these employees are funded in the General Fund, commonly from non-County revenues.

- **Section 2: Positions by Classification** – Illustrates the agency’s staffing resources in the FY 2024 budget by position classification description and by full time, part time and limited term status.
- **Section 3: Expenditures by Category - General Fund** – Illustrates and summarizes budgeted amounts at the agency level for compensation, fringe benefits, operating expenses, capital outlay and recoveries. This includes a three-fiscal-year summary of General Fund expenditures along with the amount and percent FY 2024 change over the prior year. Descriptions of major cost elements, recoveries, key changes and other considerations affecting the agency’s general fund budget also are provided in this section.
- **Section 4: Expenditure by Division – General Fund** - For agencies that are subdivided into major divisions, this table illustrates a three-fiscal-year summary of General Fund total expenditures along with the amount and percent FY 2023 change over the prior year for each division.
- **Section 5: General Fund – Division Summary** - For agencies that are subdivided into major divisions, this table illustrates a three-fiscal-year summary of division expenditures broken down by compensation, fringe benefits, operating expenses, capital outlay and recoveries along with the FY 2024 change over the prior year.

Division Overview

For agencies that are subdivided into major divisions, pages summarizing each activity are presented next. An activity page focuses on the expenditures and positions supported by the General Fund. Each division section includes a brief description of the responsibilities of the activity and a **Fiscal Summary** of total division expenditures for FY 2023 Budget and FY 2024 Budget along with the amount and percent change over the prior year. Full time, part time and limited term staffing levels for the two budget years are also illustrated as well as the amount percentage changes from the prior year. Finally, the fiscal summary will highlight up to three

primary budget changes within the division over the prior year.

Following is an example of the FY 2024 **Division Overview** section. This section illustrates the agency’s budget expenditures and staffing resources by division.

Facilities Operations and Management Division

The Facilities Operations and Management Division is responsible for multiple building operations, renovations and maintenance services. These include utilities management, custodial services and mechanical repairs for County-owned, County-leased buildings and fire stations. This division is responsible for minor and major renovation projects, coordinating conference room scheduling and special project setup.

Administration Building, additional funding for operating contracts (e.g. snow removal, HVAC, landscaping and security contracts) and funding for building repair and maintenance to align with actual costs.

- An increase in recoveries due to additional personnel recovering from the CIP fund, and anticipated salary adjustments.

Fiscal Summary

In FY 2024, the division expenditures increase \$1,931,300 or 11.3% over the FY 2023 budget. Staffing resources increase by two positions over the FY 2023 budget. The primary budget changes include:

- Personnel costs increase due to mandated salary increases, additional funding for overtime/premium pay and two new CIP Contract Project Coordinators.
- Operating costs see a significant increase due to maintenance costs for the Wayne K. Curry

	FY 2023 Budget	FY 2024 Approved	Change FY23-FY24	
			Amount (\$)	Percent (%)
Total Budget	\$17,154,800	\$19,086,100	\$1,931,300	11.3%

Other Funds - Internal Service, Enterprise and Special Revenue

If an agency receives funding from other sources such as internal service, enterprise or special revenue funds, this information is presented after the General Fund (refer to Funds included in the Operating Budget below for definitions and explanations for these funds). To properly illustrate and account for these funds, a description, major cost summary and expenditure details are provided in the Other Funds section. This section will include an **Expenditures by Category** table that illustrates and summarizes budgeted amounts for compensation, fringe benefits, operating expenses, capital outlay and recoveries. This includes a three-fiscal-year summary of other fund expenditures along with the amount and percent FY 2024 change over the prior year. This table is followed by the **Fund Summary** table that illustrates and summarizes beginning and ending fund balance, fund revenue sources and fund expenditure amounts for each fund.

Grant Summary

If an agency receives grant funds, a grant section is also included within the agency budget pages following the previously described sections. For grants, an **Expenditures by Category – Grant Funds** table is included to display compensation, fringe benefits, operating expenses and capital outlay for three fiscal

years. In many cases, the grant program year may not run parallel to the County fiscal year. The **Staff Summary by Division – Grant Funds** table displays the number of staff positions supported by grant funds comparing FY 2024 with prior year data.

The **Grant Funds by Division** table illustrates the spending amounts by budget year for each grant administered by the agency, including the dollar and percentage change. This chart will only illustrate grant awards made directly to the agency. It does not reflect sub-grant awards an agency may receive from another County agency. This allows the agency to accurately detail its program activities without overstating the grant revenue received by the County. Therefore, the associated grant total is captured within the lead agency grant appropriation and not in the grant appropriations of the subcontracting County agency. Additionally, this chart reflects any required or anticipated County contributions/cash match requirements for grant programs. All cash match requirements are included in the General or other funds total budget allocations. Finally, the **Grant Descriptions** section summarizes the grant programs that are included in the FY 2024 budget.

Service Delivery Plan and Performance

- Section 1: Goal**- A statement that defines the intended impact of each service on the defined customers and how the agency will achieve its mission.
- Section 2: Objective**- Each goal has one or a set of objectives that define the quantitative impact of the goal for short-, intermediate- and long-term targets. Below the objective is outcome data with multi-year information that illustrates the actual and projected service performance compared with the service’s long-term target.
- Section 3: Trend and Analysis**- A summary and explanation of performance trends, increases and decreases in data found in each table of performance measures.
- Section 4: Performance Measures**- For each objective, there is a supporting table of actual, estimated and projected measures for the period of 2020-2024 for the fiscal year (FY) or calendar year

(CY). Estimated performance measures are based on the most recent review of year-to-date data and relevant trends and conditions. Projected performance measures consider the impacts of funding decisions in this budget, historical trends and known variables. The performance measures provide a quantitative picture of the objective’s resources (input measures), workload, demand and production (output measures), efficiency, quality and impact (outcome measures) as the result of past, present and future resource allocations. Please note that in some cases performance measures may not have data for all years due to availability.

Following is a sample page for the next section, **Service Delivery Plan and Performance**, which provides the agency’s strategic plan and service delivery performance. In some cases, an agency may or may not have all of the information illustrated below.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide assistance to County-based and minority businesses in order to increase supplier diversity, build capacity and foster economic development.

Objective 1.1 — Increase the number and capacity of certified County-based, County-located and certified County businesses.

Trend and Analysis

The Supplier Development and Diversity Division (SDDD) is the primary advocate for local, small, disadvantaged, minority, and veteran-owned businesses seeking to do business with Prince George's County. SDDD strongly advocates for Prince George's County businesses by providing certification training, technical training and strategic sourcing opportunities to assure that local businesses are afforded an equitable share of procurement and contract dollar opportunities. The agency remains committed to increasing the number of certified County-based businesses (CBB) County-based small businesses (CBSB), County-based small/minority businesses (CBSB/MBE), County-located businesses (CLB) and minority business enterprises businesses (MBE) by 15%.

FUNDS INCLUDED IN THE OPERATING BUDGET

To budget and account for government receipts and expenditures, the County establishes various “funds” within the operating and capital budgets. Fund accounting is required by State and federal regulations, County Charter and the Generally Accepted Accounting Principles (GAAP). The operating budget uses five major types of funds: the general fund, internal service funds, enterprise funds, special revenue funds and grant program funds.

General Fund

The General Fund is the largest operating fund, accounting for approximately 83.5% of the operating budget in FY 2024. This fund supports the majority of County government services—police, fire, corrections, the courts, education, general government, college, library, etc. Most of the public’s tax dollars are part of the General Fund, including most user charges, license and permit fees and certain dedicated and non-dedicated revenues from the State and federal governments.

Internal Service Funds

Internal service funds are used to finance, administer and account for the provision of goods or services by one agency to another within the County government. Internal service funds in the County are described below.

Fleet Management Internal Service Fund

The Fleet Management Internal Service Fund accounts for fees charged to agencies by the Fleet Management Division of the Office of Central Services. Agencies are charged for the repair and maintenance of vehicles owned and operated by the County.

Information Technology Internal Service Fund

This fund in the Office of Information Technology accounts for the operations of the County’s data processing and computer services. Agencies pay user charges to the Information Technology Internal Service Fund for office automation equipment, use of the office automation network, system maintenance and other services provided by the data processing contractor.

Enterprise Funds

Enterprise funds are used to account for certain public services that are self-supporting by generating their own revenues from fees, charges and other receipts. The County’s enterprise funds are described below.

Stormwater Management Enterprise Fund

The Stormwater Management Enterprise Fund is used to account for and support the County’s stormwater management functions (flood plain and storm drain maintenance, rehabilitation and repair of flood channels, permit issuance, etc.), which were transferred from the Washington Suburban Sanitary Commission (WSSC) in FY 1988. The fund is supported by a stormwater management ad valorem tax of 13.5 cents per \$100 of assessed value for personal property (3.0 cents per \$100 in some areas) and 5.4 cents per \$100 of assessed value for real property (1.2 cents per \$100 in some areas) plus revenues from permit fees and interest income. The fund is administered by the Department of the Environment (DOE) and supports relevant services in both DOE and Department of Public Works and Transportation (DPW&T).

Solid Waste Enterprise Fund

This fund supports a variety of environmental, recycling and solid waste collection and disposal services. These include the development, operation and maintenance of the County’s landfills; bulky trash collection; roadside cleanup and abandoned vehicle control; refuse disposal activities; the recycling program; housing code enforcement; and various environmental planning, management and capital construction activities. The fund is also used to account for and administer revenues and expenditures associated with residential and commercial refuse collection.

The Solid Waste Enterprise Fund is supported by revenues from several sources including charges to property and business owners for recycling, bulky trash collection, certain capital and other non-operating expenses associated with solid waste disposal; tipping fees and related assessments charged for the use of the Brown Station Road Landfill; abandoned vehicle

recoveries; recoveries from property owners under the Clean Lot Ordinance and fees paid by property owners for commercial and residential refuse collection services. The fund is administered by DOE.

Local Watershed Protection and Restoration Fund

The FY 2014 budget introduced a new stormwater remediation fund. This new fund was established through CB-45-2013 in accordance with the provisions of House Bill 987 creating the Local Watershed Protection and Restoration (WPR) Program. The County Council establishes the authority and agency responsibilities needed to administer the WPR program. Through the establishment of a new stormwater remediation fee, the County will be able to meet its long-term State and federal mandates for water quality improvement.

The DOE manages this program. The agency's responsibilities include the following: (1) establish a fee structure and enforcement of fee collection; (2) administer guidelines for application, approval and appeal; (3) administer a credit program for on-site systems and (4) adopt procedures for monitoring and annually verifying the effectiveness of on-site systems.

Special Revenue Funds

Special revenue funds are used to account for special taxes or other dedicated revenues the Maryland General Assembly or the County Council requires to be used for a specialized purpose and which must therefore be kept separate from other County monies. The County's special revenue funds are described below.

Debt Service Special Revenue Fund

The Debt Service Special Revenue Fund provides for the payment of interest, principal and service charges on the County's general obligation bonds and State participation loans. This fund is illustrated in the Non-Departmental section.

Collington Center Special Revenue Fund

The Collington Center is a County-owned business park of approximately 1,280 acres located on U.S. 301. This fund accounts for revenue generated from the sale of property within the Collington Center and the finance costs incurred from managing the fund. This fund is located in the Office of Central Services.

Property Management Services Special Revenue Fund

This fund accounts for receipts and costs from the disposition of surplus real property by the County. This fund is located in the Office of Central Services.

Domestic Violence Special Revenue Fund

The Domestic Violence Special Revenue Fund is used to account for the proceeds of a marriage license surcharge collected to assist in financing battered spouse shelters and domestic violence programs. The fund also receives a contribution from the General Fund to support contracted shelter services. This fund is administered by the Department of Family Services.

Drug Enforcement and Education Special Revenue Fund

This fund supports the costs of drug enforcement and drug related education activities within the County. Revenue is generated from the forfeiture and sale of property seized as a result of drug enforcement activities. The available funds are distributed by the Police Department based on federal regulations.

Economic Development Incentive (EDI) Special Revenue Fund

This fund (an initial \$50 million investment) tracks financial assistance (loans, guarantees and grants) provided to existing and potential industrial and commercial businesses in the County. The primary goal of the fund is to create and retain jobs, broaden the local tax base, promote economic development opportunities and assist in the retention of existing businesses and the attraction of new businesses. This fund is illustrated in the Non-Departmental section.

Housing Investment Trust Special Revenue Fund

This fund is used to support two programs. The programs are the Workforce Housing Gap Financing Program and the Down Payment and Closing Cost Assistance Program. These programs will enable the County to develop viable, mixed income communities of choice by providing gap financing for the development of decent, quality workforce housing opportunities for income eligible households. Additionally, the Down Payment and Closing Cost Assistance Program will provide home purchase assistance to eligible first time homebuyers to purchase owner occupied or vacant residential properties anywhere in Prince George's County. This fund is

administered by the Department of Housing and Community Development.

Transportation Services Improvement Special Revenue Fund

The Transportation Services Improvement Fund was created in 2015 with the enactment of CB-72-2015. Additional provisions pertaining to this fund were enacted under CR-75-2018. The fund was established to improve the delivery of bus service and accessible transportation services in the County. All revenues to the fund are generated through a \$0.25 per-trip surcharge on certain transportation network services originating in the County. The fund's additional purposes include: satisfying connectivity to bus transit service through bikeshare; enhancing and expanding the provision of readily available, quality, accessible taxi service; ensuring compliance with applicable taxi legislation; and any other purposes permitted by Section 20A-212 of the County Code. This fund is administered by the Department of Public Work and Transportation.

Grant Program Funds

The County receives a variety of funds from State, federal and foundation grants. These grants are awarded to the County to support a range of programs and services. For agencies that utilize and/or administer grant programs, the funding levels, expenditures and staffing are explained, detailed and accounted for in their respective agency budget pages.

BUDGETARY BASIS

The modified accrual basis of accounting is followed in the general, special revenue, debt service, capital projects, expendable trust and agency funds. Under this method of accounting, revenues are recognized in the accounting period in which they become available and measurable (i.e., the funds are collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period). Taxes, uses of money and property, charges for services, intergovernmental and miscellaneous revenue are recognized when earned, with the exception of interest and penalties on property tax payments which are recognized when cash is received. With respect to property tax revenue, the County defines “available” to mean collectible within sixty days after the fiscal year’s end. Expenditures are recorded as liabilities when incurred, if measurable, except for unmatured interest on general long-term debt, which is recognized when due.

The accrual basis of accounting is followed in the enterprise, internal service and pension trust funds. Under this method of accounting, revenue is recognized when earned, and expenses are recorded as liabilities when incurred, without regard to receipt or payment of cash.

The account that serves the function of the owner’s equity account in a profit-making organization is called the “fund balance” in government entities. An available balance in this account is the cumulative result of actual revenues exceeding expenditures. The fund balance for the General Fund can either be designated for future years (e.g., as a contingency reserve or for a subsequent year’s expenditure) or it can remain undesignated. Audited or final fund balances are not known until about five months after the end of the fiscal year.

While the above definition of “fund balance” is used for the ending balances shown in the General Fund and special revenue funds, somewhat different definitions are used in connection with internal service and enterprise funds. The ending balance for an internal service fund corresponds to net assets. On the other hand, the ending balance shown for an enterprise fund

corresponds to the sum of available cash and cash equivalents. The ending balance takes into account net operating revenues and expenditures and increases based on bond proceeds, offset by capital expenditures and by funds that must be held in reserve for future obligations.

Unless otherwise noted, the budgetary basis is used in this document when referring to the fund balance for the General Fund. Although the budgetary basis is clear, convenient and widely used, it differs somewhat from the fund balance computed according to GAAP. The budgetary basis differs from GAAP by excluding encumbrances, inventories and designated expenditures for non-general fund purposes (e.g., certain equipment expenditures). In particular, the budgetary basis treats reserves for encumbrances that have not yet materialized by June 30 as expenses; instead GAAP illustrates this as a reservation of fund balance. Inventories are booked as an asset on the balance sheet and a reservation of fund balance under GAAP; they are reflected as an expense at the time of purchase under the budgetary basis. Under GAAP, certain purchase agreements for acquiring equipment are recorded as restricted assets. Related proceeds are shown as another financing source with a reservation for future years on the balance sheet. Under the budgetary basis, annual payments to retire leases are shown as an expense to the General Fund, and the proceeds are not counted as revenue.

SEMI-AUTONOMOUS AGENCIES

Agencies whose operating budgets are approved directly by the County Executive and adopted by the County Council are included in this document. There are several semi-autonomous agencies whose operating budgets are not included in the County budget document. Certain semi-autonomous agencies also are not included in the County's CIP. The accompanying table lists the semi-autonomous agencies and indicates whose budgets are not included in the County's budget documents.

The Maryland National Capital Park and Planning Commission (M-NCPPC), the Washington Suburban Sanitary Commission (WSSC) and the Washington Suburban Transit Commission - Washington Metropolitan Area Transit Authority (WSTC-WMATA) do not receive any of their funding from County General Fund revenues and prepare separate operating budget documents. Their operating budgets are not included in the County budget, nor are the WSSC's or WSTC-

WMATA's capital budget included in the County CIP. However, the County Executive reviews and makes recommendations to the County Council on each of the budgets approved by these agencies. The Council must then approve these budgets (or the portions affecting Prince George's County).

The Board of Education, Memorial Library and Community College are all financed at least in part from County General Fund revenues, and their operating and capital budgets are included in the County's budget. In addition, the Board of Education prepares a separate operating budget document that describes the Board's spending plan in detail.

COUNTY GOVERNMENT ORGANIZATION

Prince George’s County operates under a “home rule” charter which was adopted in November 1970. Under the Charter, the County is composed of an executive and a legislative branch. The judicial branch is established by the Constitution and laws of the State of Maryland.

Executive Branch

The Executive Branch enforces the laws and administers the day-to-day business of the County. It consists of a County Executive (elected by the qualified voters of the entire County) and all other officers, agents and employees under the County Executive’s supervision and authority, including the Chief Administrative Officer who is responsible for the day-to-day administration of the County. Deputy Chief Administrative Officers (DCAOs) report to the Chief Administrative Officer and are assigned functional responsibilities for groups of agencies. The DCAOs are not shown on the organizational chart to avoid complicating the presentation.

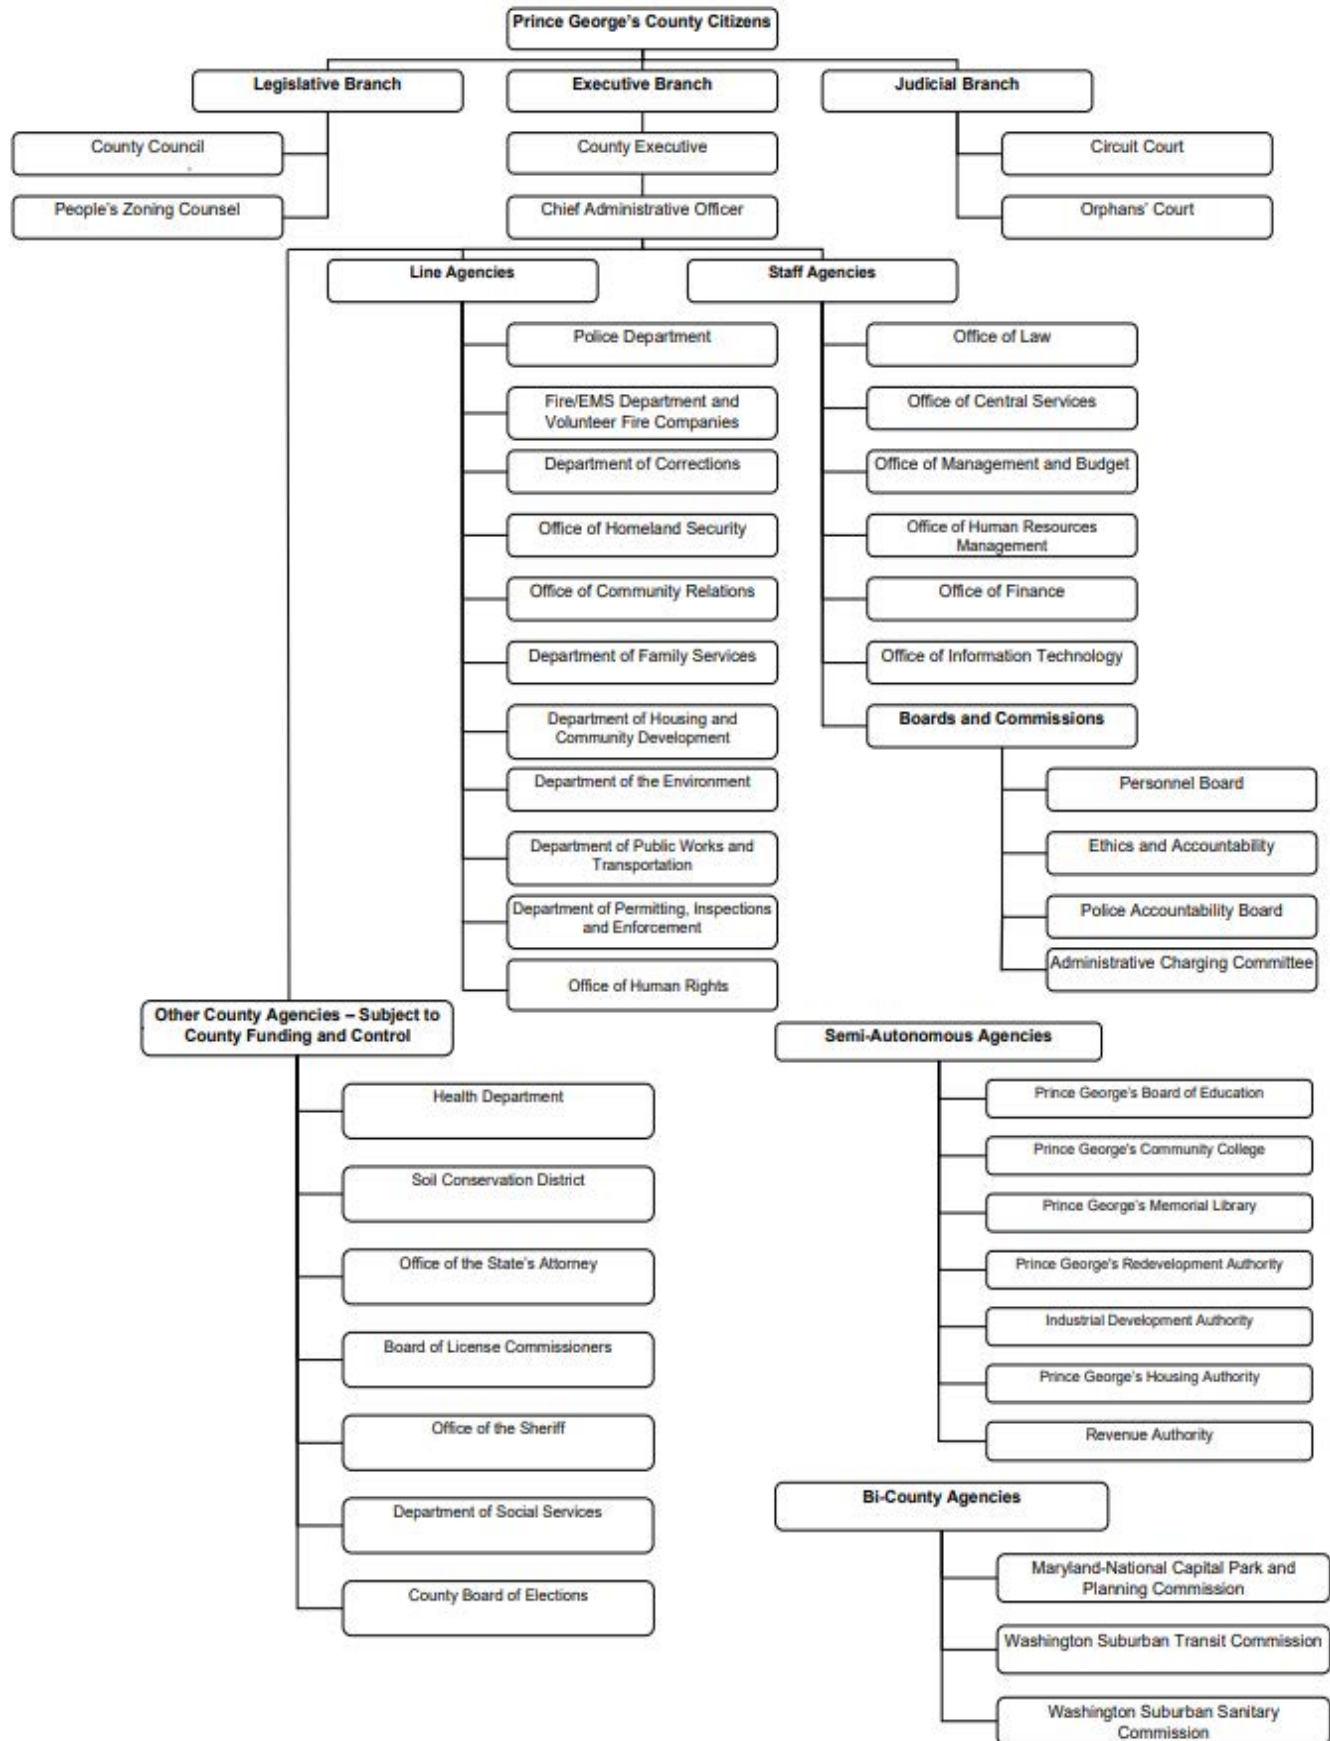

Legislative Branch

The Legislative Branch of the County currently consists of an 11-member County Council (elected by Councilmanic District and two council member at-large seats) and its staff. The Charter limits the County Executive and the members of the County Council to two consecutive four-year terms in office.

Judicial Branch

The Judicial Branch of government at the local level consists of the Circuit Court and the Orphans’ Court (which oversees the probate of decedents’ estates, as well as the appointment and supervision of guardians for minors).

In Prince George’s County, the County Executive and the County Council propose and approve the operating budgets of the Circuit and Orphans’ courts. (However, the State provides funding for the Circuit Court judges, their law clerks, the Clerk of the Court and certain other Circuit Court expenses). The District Court is a State entity funded entirely by the State of Maryland.

THE BUDGET PROCESS

The development of the operating budget involves three distinct phases: formulation of agency budget requests, executive review and proposal and County Council review and adoption. The development of the capital budget involves a slightly different process and timing. The procedures used in preparing both the operating and capital budgets are summarized below. In addition, the capital budget document contains a detailed description of the capital budgeting process.

Operating Budget Process

The operating budget is prepared over a ten-month period beginning in August and ending in May of the next calendar year.

The operating budget process is impacted by the following:

- **Spending Affordability Committee**- In 1997, a Spending Affordability Committee composed of five members was established under County legislation. This committee makes preliminary recommendations before October 1 of each year on spending affordability and ways to improve budgetary and financial procedures and policies. Final reports on these spending affordability guidelines are submitted on or before January 1 to incorporate recommendations into the budget development and review process.
- **Performance Management/CountyStat**- As part of the County's performance management system, and the leadership's commitment to data-driven decisions to accomplish the countywide vision, strategic planning and performance-informed budgeting has a significant role in the operating budget process. Refer to the Strategic Policies section for more information.

The sequence of events is as follows:

August-December - Formulation:

- In August of each year, the Director of the Office of Management and Budget briefs the County Executive and the Chief Administrative Officer on the financial

outlook for the upcoming as well as successive fiscal years.

- At the beginning of October, the Spending Affordability Committee presents its preliminary revenue projections.
- Based on this, the Office of Management and Budget presents the County Executive with a recommendation for a preliminary budget target. The County Executive then determines the parameters for the entire County budget. The Office of Management and Budget uses this target to develop the budget instructions that are issued to agencies, usually in early October.
- In October and November, agency heads assess their needs by reviewing and evaluating their performance data, strategic plans and expenditure trends; prepare their operating budget request; and submit it to the Office of Management and Budget by the middle of November.

December-March - Executive Review and Proposal:

- The Spending Affordability Committee presents its final report at the end of December.
- Budget requests are reviewed and evaluated by the Office of Management and Budget staff during the months of December and January. Initial funding recommendations take into consideration available funding, agency performance, ability to accomplish the agency's strategic plan and countywide vision and historical expenditures.
- Meetings are held between agencies and the Office of Management and Budget to review and discuss budget submissions.
- The County Executive holds at least one public hearing on the budget during the months of January and February.
- The County Executive meets with agency directors and the Office of Management and Budget staff to consider specific funding levels to be contained in the operating budget.
- The County Executive, CAO, and DCAO's collaboratively consider funding requests by balancing the needs of the individual agencies, the

priorities of the County’s Leadership team and funding decisions from previous years.

- The County Executive submits the proposed operating budget to the County Council no later than March 15th.

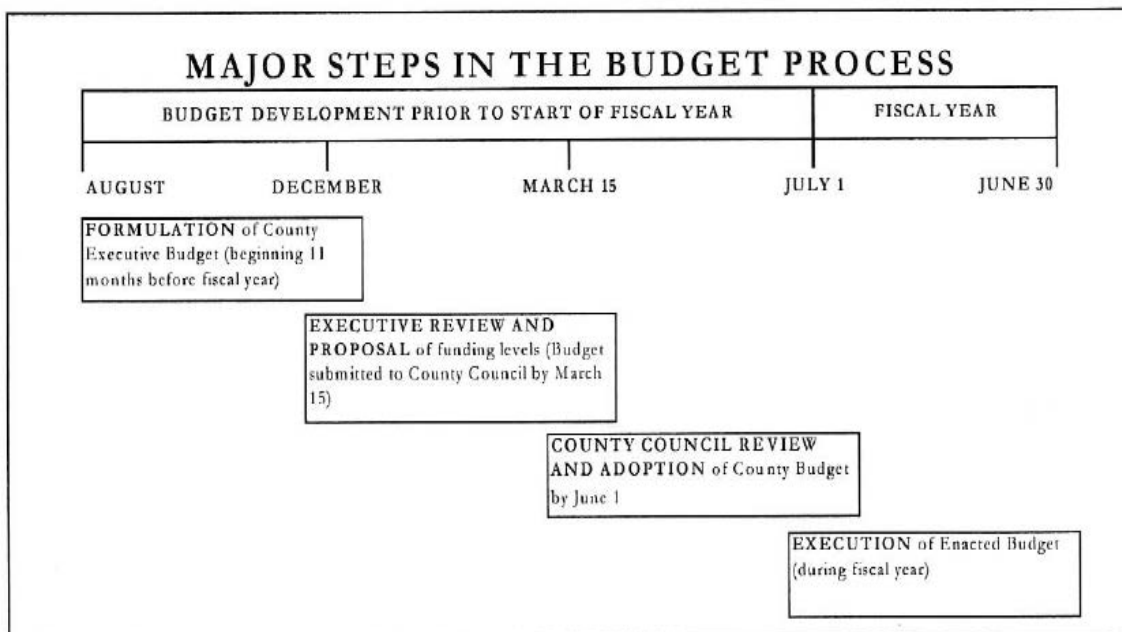

April-May - County Council Review and Adoption:

- County Council staff review the proposed operating budget and program with staff from the Office of Management and Budget and departmental representatives.
- The County Charter requires the County Council to hold at least two public hearings on the proposed operating budget.
- The County Council committees and staff review the proposed operating budget with the Office of Management and Budget staff and departmental representatives.

- The County Council committees complete their agency reviews by the middle of May and present their recommendations to the full County Council. The County Council must adopt the annual budget and appropriations ordinance before June 1st. The adopted ordinance is submitted to the County Executive for signature.

- The approved operating budget takes effect on July 1st, the beginning of the fiscal year.

Formulation of the approved operating budget involves a number of planning processes in addition to those described above. The financial plans presented to the New York bond rating agencies each year establish a number of guidelines important in shaping the coming year’s budget. The Ten Year Water and Sewer Plan (which guides development activity within the County and is updated annually) influences several aspects of the budget. Planning for the capital budget also affects decisions on the operating budget, as described later in this section.

CAPITAL BUDGET AND PROGRAM PROCESS

The development of the Capital Budget and the six-year CIP is analogous to that of the operating budget. Three phases are included: formulation of capital budget requests, executive review and proposal and County Council review and adoption. A description of each phase follows.

August-September - Formulation:

- In August of each year, the Director of the Office of Management and Budget issues policy guidance and instructions to agencies and departments based upon the County Executive's priorities and the County's financial ability to issue new debt.
- During the month of September, agency directors assess their department's capital needs, relying upon prior planning studies and documents, functional plans, the Public Land and Facilities Inventory and the Public Facility Development Program prepared by the Maryland-National Capital Park and Planning Commission. Facility requests are programmed over the six-year capital program period, in keeping with departmental priorities and fiscal guidelines. Submissions are due to the Office of Management and Budget by October 1st of each year.

October-March - Executive Review and Proposal:

- Capital budget program requests are reviewed by the Office of Management and Budget staff between October and January. Discussions are held between agencies and the Office of Management and Budget to ensure conformance with fiscal guidelines, development studies and the County Executive's commitments.
- The Office of Management and Budget presents recommendations to the Chief Administrative Officer and the County Executive regarding the composition of the capital budget and program, reformulating agency submissions when necessary to conform to financial guidelines regarding debt issuance.
- The County Executive submits the proposed capital budget and six-year CIP to the Council no later than March 15th.

April-May - County Council Review and Adoption:

- County Council staff review the proposed capital budget and program with staff from the Office of Management and Budget and departmental representatives.
- The County Council is required to hold two public hearings on the proposed operating budget and capital budget.
- The County Council, sitting as the Committee of the Whole, completes its review of the capital budget and program by the middle of May. The County Council must adopt the annual budget and appropriations ordinance before June 1st. The adopted ordinance is submitted to the County Executive for signature.
- The approved capital budget takes effect on July 1st, the first day of the new fiscal year.

BUDGET AMENDMENT PROCESS

An agency may transfer its own funds internally from one character (spending category) to another with the approval of the County Executive. There is a \$250,000 threshold for County Council approval on such agency transfers. Budget amounts cannot be transferred from one agency to another except by County Council Legislative Act (generally a resolution) upon the recommendation of the County Executive.

Grant funds, which were not included in the adopted budget, can be added to agency budgets by County Council resolution. Any other supplementary appropriations that are needed require the recommendation of the County Executive and the adoption of a Council bill, which requires the Council to hold a public hearing on the proposal. Amendments to the total appropriation of the capital budget beyond the approved amount may be made by a two-thirds affirmative vote on a Council bill.

The County Council can adjust revenue estimates by an increase or decrease of no more than 1.0%.

RELATIONSHIP BETWEEN THE CAPITAL AND OPERATING BUDGETS

The capital and operating budgets affect each other in a number of ways. The amount of debt that can be supported by the operating budget helps determine the value of the bonds that can be sold in any given fiscal year. Operating budget resources as governed by the County's revenue and by its budget stability and debt management policies, determines the level and composition of the County's capital budget. The County's debt policy contains guidelines to help the County stay within a sound fiscal framework despite year-to-year variations in the amount of resources available for debt service.

Capital budget decisions affect the operating budget in several ways. First and foremost is the amount of operating budget revenue that must be used to provide for debt service payments on any general obligation bonds sold to fund capital projects. A key element of the County's debt management policy is to restrict General Fund debt service to 8.0% or less of the County's total General Fund Operating Budget to ensure that debt service payments will not overburden operating resources. The County will continue to be well within these guidelines in the coming fiscal year.

A second potential impact of the capital budget on the operating budget is the possible appropriation of General Fund revenues for transfer to the capital fund. Although the majority of capital projects are funded through the sale of general obligation bonds, the County can fund a capital project from general fund operating revenues, generally using the County's fund balance.

The third impact the capital budget has on the operating budget is the operating and maintenance costs associated with completed facilities. The greatest operating impacts occur with a new facility, such as the opening of a new branch library. In such instances, costs relating to new professional staff, new maintenance and support staff and additional operating and utility expenses must all be included in the operating budget.

Other types of capital projects may have a relatively small impact on the operating budget. Renovations rarely

increase operating costs much, if at all. Road, storm drainage and other infrastructure projects do not normally result in the need for additional costs. However, when such projects reach a critical mass, additional maintenance staff is needed and at some point in the future, resurfacing and other expensive maintenance activities will be required.

Capital expenditures can also have positive impacts on the operating budget. For instance, infrastructure maintenance funded through the capital budget can result in substantial operating budget savings. An example is the resurfacing of roads using capital budget funds which usually reduces the need for temporary repairs of potholes and other maintenance funded from the operating budget. Likewise, the renovation of an old facility will usually result in lower maintenance or operating costs for that facility.

Strategic and Fiscal Policies

This Section includes Strategic Policies and Fiscal Policies. Both are critical to the government's operations to achieve efficient and effective service deliveries while maintaining a strong fiscal stewardship.

STRATEGIC POLICIES

The County Government Vision and Strategic Plan

Our proud priorities represent the County Executive’s approach to governing built on the foundation of data driven performance that inspires collaboration and is transparent and results oriented.

We know that with our budget, there are limitations to what we can fund in a given year. But the reason we will maintain a AAA bond rating on a \$5.4 approved billion budget is because we make intentional and focused decisions that will positively impact the lives of Prince Georgians.

Vision – Prince George’s Proud

To attract and retain the most experienced workforce who will use innovative technology to provide efficient, effective services to our citizens. We will collaborate with our stakeholders to develop solutions that are data-based and rely on best practices to address complex challenges within the county and the region. We will have a world-class education system, safe communities and a robust economy that creates jobs and opportunities for all and increases the commercial tax base to ensure we can provide the services our residents deserve.

Mission

- Through internal and external partnerships and collaboration, we will enhance government services to ensure that we are meeting or exceeding the needs of our residents, visitors and businesses. We will strategically implement initiatives within the six Policy Focus Areas critical to the long-term success of our county and demonstrating we are Prince George’s Proud.

Principles

- Transparent government that is accountable to those we serve.
- Improve/enhance technology within the government to ensure that services provided to constituents are efficient and effective.

- Education reform that puts the focus back on children, teachers and families to ensure that our learning environments, in and out of the classroom, are conducive to meeting the educational needs of our children.
- Building a robust economy that creates jobs, attracts services that our county needs and increases the commercial tax base, allowing the government to no longer balance our budget on the backs of those we serve.
- Focusing on infrastructure investments such as road improvements, revitalization of inner beltway communities and development around our Metro stations that provides more opportunities for our citizens to live and work here, as well as travel within the County and not just in and out of it.
- Investing in people by providing better access to affordable, preventative healthcare, educating citizens on principles of healthy living and providing more options for treatment of addictions and mental health challenges.

Priorities

1. Education
2. Safe Neighborhoods
3. Economic Development
4. Healthy Communities
5. Quality of Life Supported by High Performance Government
6. Youth Development

Agency Plans

Agency plans define: (1) how the agency aligns with, and will work on, accomplishing the countywide vision and (2) the agency’s intended impact on customers. To accomplish this, each agency has included in its section of this book its mission, core services, goals, objectives and strategy statements. The Strategic Focus was added in FY 2013 to indicate short-term priorities of each

agency based on the organization's overall strategic priorities.

Performance Measures

Performance measures are provided for each objective to illustrate a quantitative picture of the services delivered to customers and their impact. This information is important to evaluate the current status and possible improvements to carry out the countywide vision and agency plans. To accomplish this, performance measures indicate each objective's resources, tasks, services, production, efficiency, quality and impact. Five categories of performance measures provide this information: input (resources), output (workload, demand and production), efficiency (how well resources are utilized given the output), quality (accuracy, timeliness, and customer service) and outcome (impact).

Performance Budgeting

In the countywide strategic plan, agency plans, and performance measures provide a clear strategic direction and a comprehensive quantitative picture of the services the County delivers to its customers. Performance-informed budgeting uses this information to justify and evaluate the allocation of resources and seeks to better match funding with the strategic focus and maximize the utility of limited resources. As a result, the allocation of resources can better facilitate the agency's ability to meet its plan and the countywide vision and its ability to positively impact its customers.

Budget Prioritization

The budget development process requires prioritizing services and programs to ensure limited resources are dedicated to meeting the most important needs of the County. Agencies identify and prioritize each of their services and programs to facilitate decision making. A vetting process occurs first with the Office of Management and Budget and then with the County's leadership team. A collaborative decision making process takes place when all priorities are considered in the context of current conditions, data trends, emerging priorities and past funding decisions. It is through broad, countywide prioritization of services by leadership, combined with the budget priorities established by each

agency, that the resources can be appropriately allocated, and all service areas be better served.

On-going Improvement of the Performance Management System

Performance Management is utilized as a tool to facilitate decision making and improve service delivery. The Performance Management System is a comprehensive integrated system, including development of the strategic plan, execution of the plan, constant monitoring and feedback, on-going training and constant improvement.

Major elements include:

- CountyStat sessions focusing on priority objectives;
- Development of agency mission, goals, priorities, strategies and performance measures; and
- Monthly reporting – tracking, analyzing, recommending and communicating

Major FY 2023 achievements include:

- A focused reconceptualization of CountyStat Sessions aimed at taking a deep dive into the elevated priorities which include beautification, flooding, permitting, procurement, reducing time to fill and reducing violent crime;
- Development of a new reporting strategy to monitor progress related to the aforementioned, elevated priorities; and
- Update of all data sets on the data website.

In FY 2024, strategic focuses will include:

- Perform CountyStat sessions on the top initiatives for transparency and accountability;
- Continued countywide data collection and analysis;
- Updated analysis of countywide services;
- Thorough analysis of workflow service level agreements with recommended changes to those agreements; and
- Continued deployment of an integrated business process system and providing agencies with performance dashboards.

Funding by Priority Area in Support of Vision and Goals

The County's budget is a plan to allocate and spend funds in support of achieving the government's strategic Policy Focus Areas. Each major area of the countywide vision is listed below along with the aligned budget in FY 2023.

1 – Education

The FY 2024 approved budget continues to support the County's goal of excellent education. The FY 2024 budget includes \$2.80 billion in funding for the Board of Education, an increase of \$169.8 million or 6.5% over the FY 2023 budget. Funding for the Board constitutes 62.0% of all General Fund spending in the FY 2023 budget. The County's contribution represents an increase of \$96.1 million over FY 2023 (from \$847.0 million to \$943.1 million) and meets the minimum local share contribution required by the State. The approved budget includes a net increase in restricted federal grant programming sources supporting various systemwide activities and initiatives; employee compensation negotiated commitments; pass through funding for P3/Alternative Construction Financing projects; post-employment benefit increases; continued support of universal pre-kindergarten; program continuation of Immersion as well as providing additional student-based budgeting resources to the schools. FY 2024 is the second year of the local effort requirements under the Blueprint for Maryland's Future Act in which the County's local share is run through the prism of the major State formula aid programs which are each driven by unique formulas based on County wealth indicators and pupil populations.

The FY 2024 approved capital budget contains County funding in support of systemic repairs to schools in need of roofs, boilers, windows, piping, HVAC and elevators along with construction is planned to continue for New Northern Adelphi Area HS and Suitland HS Annex Replacement. Additionally, the budget includes funding in FY 2024 for Stand-Alone classrooms to address the capacity issues within the schools. The Board of Education also has a public-private partnership (P3) to support construction of new schools

In addition, the FY 2024 approved budget includes \$131.6 million for the Community College, a \$4.8 million

or 3.7% increase over the FY 2023 budget. The approved budget supports the College's strategic efforts toward operational efficiency, Student Lifecycle services, full implementation of the Pathways program, campus-wide technology upgrades and the Promise Scholarship Program which provides free tuition for graduates of County Public Schools and County residents. The CIP budget includes funding to support construction related to Marlboro Hall renovations, and area improvements under the College Improvements project which will include replacing mechanical, life safety, environmental temperature building controls, roofs, carpet, signage, lighting, roadways/parking lots and upgrades to interior spaces.

The approved FY 2024 operating budget for the Memorial Library System is \$38.1 million, an increase of \$2.6 million or 7.3% over the FY 2023 budget. Operating funds are provided for the Books from Birth Program, after-school programming and restored Sunday hours for ten existing locations. The FY 2024 CIP funds will support improvements at various locations for HVAC repairs, re-carpeting, and restroom renovations.

2 – Safe Neighborhoods

Prince George's County remains committed to providing safe communities for citizens, residents and visitors. The FY 2024 budget continues to support various crime prevention reduction initiatives, the Court system, technology to improve responsiveness and safety and recruit classes to maintain the County's sworn ranks. The FY 2024 approved budget funding totals \$908.8 million, an increase of \$60.1 million, or 7.1%, over the FY 2023 budget.

The approved FY 2024 budget for the Fire/EMS Department includes three recruit classes (totaling 80). Additional funding will support Medicaid billing, gas and oil and will provide for volunteer and emergency technician recruitment and retention efforts.

The Office of Homeland Security receives funding to support a new Assistant Manager position and the purchase of body cameras to support public safety personnel.

The approved budget for the Police Department includes funding for 21st Century policing which requires staff to complete and accreditation process required by the

Commission on Accreditation for Law Enforcement Agencies, Inc. Also include are four recruit classes of 30 (totaling 120).

In FY 2024, the Police Accountability Board and Administrative Charging Committee will enter their second year of operations. The Police Accountability Board works in partnership with law enforcement agencies to develop strategies and recommendations to improve matters of policing including, but not limited to, imposing effective discipline for proven police misconduct, implementing independent oversight of police policies and practices and increasing police accountability. The Administrative Charging Committee (ACC) seeks to improve police customer service and community responsiveness to citizens' complaints of police misconduct through the establishment of effective independent oversight of the police disciplinary process and its outcome.

The Department of Corrections' approved budget funds two recruit classes of 18 new officers to the department and supports inmate food, transportation and medical service contracts. There is additional funding allocated for reentry services and behavioral health services for inmates and the purchase of 75 new radios for correctional staff.

The FY 2024 budget for the Circuit Court includes funding to support victim safety and offender accountability in cases of domestic violence, dating violence, sexual assault and stalking through the Office of Violence Against Women (OVW) grant.

The Office of the Sheriff's budget supports one new Assistant Sheriff position assigned to the new Bureau of professional Accountability and continuing efforts to reduce outstanding warrants, with a focus on violent criminals and repeat domestic violence calls.

The Office of the State's Attorney's receives funding to support six new Assistant State's Attorney positions to help combat the crimes in Prince George's County. Additional funding will be available for compensation studies to help with retention of attorneys.

The six-year CIP budget includes FY 2024 funding for the continued construction of the Forensic Lab; the continued improvement and rehabilitation of various Police Stations; renovations and roof replacements for various fire stations; continued construction renovations

of the correctional center medical unit and detention housing units. Funding is also included for various courthouse renovation projects and security enhancements.

3 – Economic Development

The success of the County will be measured by the government's ability to grow the local economy. In 2012, the County launched the Economic Development Incentive (EDI) fund with an investment of \$50 million in conditional and conventional loans to attract and retain businesses. To date, the County has awarded \$45.7 million in EDI funding for 62 projects. This investment has created 8,165 County jobs and retained 6,148. Cumulatively, EDI funding has leveraged over \$1.33 billion dollars in total project investment in the County. The FY 2024 approved budget includes \$9.0 million from this fund to continue investing in the economy.

The County will continue its efforts to grow the residential, commercial and industrial construction economy by creating efficiencies in the permitting and inspections processes. The FY 2024 approved budget includes funding for contracts for third-party plan reviewers, and online applications maintenance for current system modules. The budget includes additional permitting, inspections and site road modules for the Permitting and Licensing System for the Department of Permitting Inspection and Enforcement to manage the cell tower development, short term rental programs and improve the quality of commercial building inspections. Funding also supports seven new Property Standard Inspector positions in the Enforcement Division, three new customer service positions within the Permitting and licensing Division and additional support for the Clean Lots program toward beautification and litter reduction efforts.

The approved budget also supports the Department of Housing and Community Development and the Redevelopment Authority's efforts to focus on expanding access to a broad range of quality housing, promoting and increasing the supply of affordable housing and enabling families to become self-sufficient. In support of this effort, the FY 2024 approved budget contains \$15.7 million from the Housing Investment Trust Fund for the Workforce housing Gap Financing Program. Additionally, the budget funds The Consolidated plan to focus HUD grant efforts and continued operating support for the

comprehensive housing strategy plan and the affordable housing public awareness campaign.

4 – Healthy Communities

The FY 2024 approved budget continues to include \$4.0 million for the University of Maryland Medical System (formerly Dimensions health System), including resources for debt service payments for refunded debt. Joint efforts on behalf of the State and the County will ensure the financial stability of the system.

In FY 2024, the Regional Health and Human Services Center (HHS) will open and serve as a centralized focal point for the delivery of services to older adults, persons with disabilities, and family caregivers. The headquarters building will co-locate the administrative offices of the Health Department, the Department of Family Services and the Department of Social Services. The Clinical Health Facility is anticipated to open in FY 2024 to serve clinical and mental health needs.

In this area, the health and human service agencies continue to restructure their service delivery and administrative structures to correctly align staff with functions and utilize grant funding. These efforts have ensured that there will be no diminution of social services, particularly to the most vulnerable and at-risk populations.

The approved FY 2024 budget for the Department of Family Services continues to support increased access to intervention programs, one additional Administrative Aide position to support the Office of the Director division and services for at-risk youth and families via the administration of disconnected youth, childhood hunger and home visiting programs. Funding continues to support the Disability Training Apprenticeship, Options Counseling, Senior Environmental Assistance, Domestic Violence Human Trafficking programs. Funding in the Health Department supports building rentals, janitorial services and security at Langley Park to support the Spanish speaking community to provide adequate resources. Funding also supports the addition of three new Community Developer positions to support the Local Behavioral Health Authority. The Capital Improvement Plan for Health Services will include \$15.0 million dedicated to the construction and rehabilitation of the new Health Center (Cheverly Replacement Building) between FY 2024 and FY 2025.

The Department of Social Services general and grant funding will continue to support the Community Schools Network in partnership with Prince George's County Public Schools. This program targets at-risk youth based on needs related to attendance, academic performance and a school progress index. In FY 2024, increased funding will be available for the Warm Nights Shelters to support the day-to-day operations of the resident services on a 24/7 basis and one new Community Developer position to lead the Food Equity Program. Funding continues to support the Child Advocacy Center, Maryland Money Market Double Value Coupon, Supplemental Nutrition Assistance Program (SNAP) to Health Program, Emergency Homelessness and the Child Protection Education Unit.

Through agency appropriations and the discretionary grant programs, the County government will continue its services to support the elderly, at-risk youth, those with no or substandard health insurance, and many others in need. Additionally, the CIP contains funds for the continued planning of the Prince George's Homeless Shelter to be completed in FY 2024.

Finally, the County will continue to provide \$4.4 million in support to the County developmental disability administration (DDA) service providers. Funding for this effort is included in Non-Departmental – Grants and Transfer Payments.

5 – Quality of Life Supported by High Performance Government

In FY 2024, the County continues its investment into various environmental programs to improve the quality of life and support federal and State mandates. The approved FY 2024 funding for the Local Watershed Protection and Restoration Enterprise Fund totals \$20.7 million and supports various operating expenses needed to meet federal and state water quality mandates to improve the health of the Chesapeake Bay. The County also continues its investment in the Stormwater Management District Enterprise Fund in FY 2024 (\$113.7 million total for the Department of Environment (DOE) and the Department of Public Works and Transportation (DPWT) components) with an increase of \$16.5 million or 17.0% over the FY 2023 budget for stormwater management programs. The CIP includes funding for the Flood Protection and Drainage program.

The Solid Waste Management Enterprise Fund totals \$135.5 million and increases \$8.4 million or 6.6% over the FY 2023 budget. The budget supports recycling, composting, and county beautification efforts. Funding is provided to support the bulky trash collection program and address concerns of illegal dumping. The CIP continues to support operational and facility improvements and repairs. Design continues for the landfill area C project and replacement of the landfill gas pipeline.

The FY 2024 approved budget also includes increased General Fund resources for operating costs and funding to enhance veterinary services and improve maintenance of the Animal Services Facility which are no longer recoverable from the Solid Waste and Stormwater Management Enterprise Funds. An additional five positions have been added to improve operations efficiencies for customer service and kennel management.

Also, the budget includes funding for the Department of Public Works and Transportation (DPWT) to Transportation for expanded beautification and litter removal efforts and to assess, maintain and rehabilitate County roadways. The installation of new roadways and improvement to sidewalks, crosswalks and automated pedestrian signals is funded to reduce the number of pedestrian fatalities and collisions on County maintained roadways. Additionally, funding in DPW&T supports the increase in service costs for transportation services including TheBus contract and 14 new positions to support expanded County and departmental initiatives, eight additional limited term Transit Drivers.

6 – Youth Development

In FY 2024, the approved budget includes \$2.5 million to support the Summer Youth Enrichment Program (SYEP). The program capacity is normally facilitated through County, public and private partnerships and provides summer jobs for youth ages 14-22 and a job readiness program largely run by Prince George's Community College.

General Government Changes

General government agencies as a group experience an \$10.6 million increase in funding (outside of Internal Service Funds). The primary changes include funding for countywide salary adjustments, an increase in recoveries

from other funds and an increase in general administrative and operational cost. The approved budget supports the following initiatives:

- Continued administration of the County's electronic filing/case management system that allows 24/7/365 access to online filings of complaints, financial disclosure statements and lobbyist registrations.
- Continued maintenance and sustainability of the newly established PGC311 customer relationship management system.
- Funding for more staff to assist with the Elderly Property Tax Credit and new Treasury system implementation.
- Transitioning to a new tax billing and collection system for revenue collections and improved customer access.
- Continuation of the Police Accountability Board and Administrative Charging Unit.
- Shifting the Inspector General in the police Department to the Office of the County Executive as the Director of the Office of integrity, Compliance, and Police Accountability (OICPA) and aligning this position as a director report to the Office of the County Executive. In FY 2024, the OICPA is created as a separate division within the County Executive's budget to provide more effective budgeting and greater visibility into OICPA expenditures.
- Additional funding for Public Safety promotional exams and mental health/psychological exams to support the Police Accountability Law Requirements.
- Reducing acts of discrimination within the County to positively impact economic development.
- Funding for outreach to County-based businesses to provide current and prospective vendors with technical assistance as well as the recruitment of diverse businesses within the County.

FISCAL AND FINANCIAL POLICIES

The financial integrity of the County government is of utmost importance. The financial policies are a key element to maintaining this integrity. These financial management policies are designed to ensure the fiscal

stability, provide long-term sustainability, and guide the development and administration of the annual operating and capital budgets, as well as the debt program. The objectives of these fiscal policies are:

1. Fund stable and sustainable public services to citizens and ensure the County's fiscal integrity is maintained.
2. Enhance the policy-making ability of the County Executive and County Council by providing accurate, reliable and timely information about County operations to guide important decisions which have significant fiscal impact.
3. Set forth operational principles that achieve a structurally balanced budget and maintain the County's AAA bond rating, while minimizing the cost of funding core government services and financial risks.
4. Ensure the appropriate use of all County funds through a sound financial system and strong internal controls.
5. Employ revenue policies that diversify revenue sources, and expenditure policies that distribute the cost of government services fairly, provide adequate funds to operate desired programs and services, and make effective use of all applicable and appropriate sources of funding.

To meet these objectives, the County's policies are divided into seven general categories. These categories include: 1) Financial Planning Policies, 2) Revenue Policies, 3) Budget Management Policies, 4) Fund Balance Policies, 5) Debt Management Policies, 6) Cash Management/Investment Policies and 7) Financial Reporting Policies.

1. Financial Planning Policies

KEEP THE COUNTY IN A STRONG FINANCIAL CONDITION

The County will continue to maintain sound cash and financial management. Several approaches and models are employed to guide the County in this process. These models assist in revealing possible structural imbalances and provide an opportunity to take corrective actions. As

a result, the County can further ensure the efficient use of public funds over the long term.

One approach to accomplish this is achieving and maintaining a balanced budget for all funds. A balanced budget means the total money the government receives in one year, including other financing sources such as transfers in and use of fund balances, is equal to the amount it spends on goods, services and debt payments that year. In addition, the County follows a variety of policies to maintain a healthy balance sheet and to maximize cash management strategies. In balancing the budget, the County considers the nature of the revenues (sustainable, one-time, program specific, etc.) and the anticipated spending needs of the program or activity in the out-years.

LONG-RANGE FINANCIAL PLANNING

The County implements its long-range financial planning policies using two methods – (1) the legislative approval of its six-year capital improvement program (CIP) budget and (2) internal financial forecasting and modeling. These practices are essential to plan for potential liabilities early and allocate resources accordingly. This ensures that County policies and/or decisions do not lead to unexpected financial burdens and measures the fiscal impact of present day decisions on long-term outcomes. The County plans to strengthen its multi-year fiscal planning in FY 2024 to maintain its long-term financial sustainability.

1. Capital Improvement Program

The County develops and adopts a six-year CIP each year. This plan is approved by the County Council through the annual budget adoption process.

2. Internal Financial Forecasting and Modeling

Various forecasting and debt models are used during the County's planning process. These models include six-year revenue, expenditure, and fund balance projections for the general fund, and 30-year debt affordability models. These models are typically updated twice a year and as needed. They take into consideration several critical factors, including national and local economic outlook data, anticipated changes in federal, State and local laws

and policies, and long-term governmental obligations. Assumptions include anticipated cost of living and merit increases for employees, maintaining adequate staffing levels across the government, rising health care expenses for active and retired employees, capital spending, risk management, pension and other long-term debt obligations.

INTERNAL SERVICE AND ENTERPRISE FUNDS

The goal for internal service and enterprise funds is to provide certain services at rates that ensure self-sufficiency. An annual review of all programs that operate on an internal and enterprise fund basis is prepared to ensure charges are not burdensome to the public or users and that revenues continue in a self-supporting nature.

2. Revenue Policies

DIVERSIFY REVENUES

The County strives to broaden revenue bases and seek alternative revenues to fund programs and services. This mitigates vulnerability to reductions in programs and services due to economic downturns and decreases dependence on general taxes for government operations. This policy has become more important in recent years as the State continues to shift costs to local governments.

It is important to note that the County's ability to raise taxes is limited by a 1978 amendment to Section 817, Article VIII of the Prince George's County Charter. The amendment referred to as Tax Reform Initiative by Marylanders (TRIM) limits the County's ability to raise the property tax rate. However, the County is authorized to increase property tax rates based on Chapter 6 of the 2012 Laws of Maryland (Senate Bill 848). This law allows the County's real and personal property tax rates to be set higher than the rate authorized under the County's charter. The bill requires that any additional revenue generated because of the higher property tax rate is for the sole purpose of funding the approved budget of the local school system. In FY 2016, the real property tax rate was increased \$0.04 to \$1.00 per \$100 of assessable value. Additionally, the personal property tax rate rose

\$0.10 to \$2.50 per \$100 of assessable value. All additional revenues generated from the tax rate increases are dedicated to the Board of Education. The increased property tax rates remain in FY 2024.

Due to the restriction of raising property tax rates only for education, it is essential for the County to seek other revenue sources and maintain an adequate level of fund balance to guard against financial uncertainties and risks.

USE CONSERVATIVE ASSUMPTIONS IN FORECASTING REVENUE GROWTH

The fiscal integrity of a government is heavily dependent on the extent to which actual revenues meet or exceed expenditures. It is therefore essential that conservative assumptions be used in forecasting revenues. During economic downturns, conservative revenue forecasts are particularly important because the slowdown in one sector of the economy can extend to other sectors, and in those circumstances, the County could experience a broader decline in revenues.

RELY ON CONTINUING REVENUE SOURCES

Over the long term, a local government's fiscal health is greatly dependent on its ability to pay for current expenses with current revenues. Recurring expenditures should be funded from a stable stream of income, such as taxes, service charges and intergovernmental revenues, with little or no reliance on one-time sources. Non-recurring resources are allocated primarily to non-recurring expenditure items to ensure financial stability.

REVIEW USER FEES AND GRANT FUNDS

The County completes an annual review of all user fees and charges to determine the extent to which the full cost of services is being recovered. The approval of changes to existing fees and new fees are approved as part of the annual budget process.

Grant funds are utilized to leverage County funds to supplement current programs and services. Inconsistent and/or fluctuating grants are not to be used to fund ongoing programs. Programs financed with grant funds are primarily budgeted in Special Revenue funds. Programs are adjusted to reflect the level of funding available.

ASSESS THE APPROPRIATENESS OF GRANT-FUNDED PROGRAMS

Grant programs are often seen as ways to implement programs that are fully or mostly paid by other entities, usually the State or federal governments. However, some grant programs have limited life spans that require the County to pay for the full cost in subsequent years. The County will continue to implement only those grant-supported programs that balance important public services without unnecessary or unsustainable commitments of County funds in future years.

3. Budget Management Policies**MAINTAIN PERIODIC FINANCIAL REPORTING AND MONITORING**

Financial reports in different formats are generated and systematically reviewed each month. Revenue collections and agency spending are monitored, and projections are updated on a regular basis. The County also closely monitors and analyzes changes in the national and local economies and in federal, State and local laws to take preventative measures in a timely manner against negative impacts. Projections and analytical reports are prepared periodically to facilitate management decisions. Particularly during challenging economic conditions and amid fiscal constraints, such periodic reporting and monitoring mechanisms are extremely important for maintaining the fiscal health of the County and allow the government to take needed fiscal actions in a timely manner.

MONITOR FRINGE BENEFIT COSTS

County fringe benefit costs have been increasing, especially in the categories of pension and health insurance. As part of the effort to curtail health insurance costs, the County implemented mandatory prescription drug mail order and adjusted employee co-payments for generic prescription drugs in 2008. Additionally, several steps have been made to address growing pension costs over recent years, including increasing employee contribution rates and vesting time frame, modifying the retirement eligibility and establishing benefit caps. Additional measures will be explored in future collective bargaining negotiations.

Prudent fiscal management requires awareness of the forces effecting changes in the pension funds so that

current and future liabilities can be met. The County strives to maintain a balance between providing quality healthcare benefits while also considering measures to control costs and limit future cost escalation.

CONTINUE RISK MANAGEMENT FUNDING

Risk management costs have been increasing in recent years. The County's risk management strategy includes maintaining annual funding at or above the annual payments out of the risk management fund.

BUDGET FOR LONG-TERM LIABILITIES

The County continues to contribute more funding than the annual PAYGO amount to retiree health benefits to meet the Governmental Accounting Standards Board (GASB) requirement and to gradually address the long-term funding of Other Post Employment Benefits (OPEB) liabilities.

4. Fund Balance Policies**MAINTAIN A GENERAL FUND CONTINGENCY RESERVE (RESTRICTED RESERVE)**

A Charter amendment adopted by the voters in November 2002 requires that the County maintain a contingency reserve for the General Fund. These funds are to be used as a possible source of funding in the event the County Council enacts emergency appropriations in response to unforeseen events. The reserve requirement is 5% of the General Fund budget. The contingency reserve was \$214.9 million at the end of FY 2022 and is projected to be \$213.6 million in FY 2023, and \$225.7 million in FY 2024.

MAINTAIN A GENERAL FUND OPERATING RESERVE (COMMITTED RESERVE)

To ensure a reasonable degree of stability in its programs over the long term, the County must have the budgetary flexibility to deal with events that can create instability such as emergency situations, severe economic fluctuations, or State and federal policy changes. The County policy was to retain an operating reserve equal to at least 2% of the general fund budget in addition to the contingency reserve. The policy reserve in the process of being increased to 5% over a three-year period based on the recommendation of the County's Spending

Affordability Committee. The Committee was concerned that revenue levels needed to be increased based on a review of revenue volatility following economic downturns as well as a comparison of reserve levels maintained by other AAA-rated counties in Maryland. For FY 2024, the policy reserve was increased to 3%.

This reserve is a continuing and non-lapsing source of unappropriated funds that can be used to offset the impact of one-time budget emergencies if a plan exists to replenish the reserves. The operating reserve was \$86.0 million at the end of FY 2022 and is projected to be \$85.4 million in FY 2023, and \$135.4 million in FY 2024.

UNASSIGNED FUND BALANCE

The County has an unassigned fund balance created by a combination of effective expenditure controls and higher-than-expected revenues during periods of strong economic growth from the last decade. This amount was \$337.0 million at the end of FY 2022. It is expected to be \$326.9 million in FY 2023 and \$151.4 million in FY 2024. In recent years, the County mitigated the combined impact of slower than normal growth of revenues due to the economic downturn and ongoing, non-discretionary expenditure needs by prudently using some undesignated fund balance both to provide one-time PAYGO funding for capital projects and to address fiscal challenges.

The fiscal challenge will likely remain in the near future as the moderate revenue recovery continues to not keep up with expenditure growth driven by collective bargaining agreements, fringe benefit cost increases, unfunded State mandates, and service needs. The County is in the process of taking corrective fiscal actions and developing multi-year strategies to protect its fund balance and restore balance between revenues and expenditures.

MAINTAIN FUND BALANCE RESERVES IN OTHER FUNDS

Several important government functions are financed through funds other than the County's general fund, most notably the County's enterprise funds, internal service funds and special revenue funds (these fund types are described more fully in the Budget Guide section of this document). Although these funds are designed to be self-sustaining, they must contend with certain special factors that threaten their financial stability: they are much smaller than the general fund;

they support specific, limited services; and they tend to rely on a narrower and less diverse set of revenue sources. For example, the Stormwater Management Enterprise Fund receives the bulk of its monies from an ad valorem property tax, making this fund vulnerable to potential fluctuations in that single revenue source. To minimize fiscal volatility in these funds, the County policy calls for maintaining adequate reserve levels in each fund group, as well as making needed expenditure reductions to restore a structural balance. The County also strives to maintain a positive fund balance in all special revenue funds.

5. Debt Management Policies

MAINTAIN SOUND DEBT MANAGEMENT

The County is committed to keeping its debt level low despite rising needs for capital projects. Prince George's County debt level remains well below its self-imposed and statutory limits. Article 25A of the Annotated Code of Maryland states that the aggregate amount of indebtedness outstanding at the time of issuance shall not exceed 6% of the County's assessable base of real property plus 15% of the County's assessable base of personal property. In recent years, the County has successfully kept its net direct debt to assessable value ratio below 2%. The County's outstanding debt was \$1.71 billion, leaving a legal debt margin of \$5.1 billion.

While the current debt level is well below the statutory ceiling, the County adopts a more restrictive internal policy that requires that the ratio of debt service to County source revenues not exceed 8%. The debt level needs to be monitored closely in coming years as debt service payments are projected to pick up in the foreseeable future due to anticipated new debt to fund CIP projects and the expiration of one-time resources in out years. The County also follows a strategy of retiring debt rapidly to mitigate debt obligations in future years and refinancing existing debt where applicable to generate savings. The anticipated bond sales in FY 2022 and FY 2023 will be conducted in accordance with the County's debt policies.

In addition, the County has been utilizing alternative resources other than general obligation bond revenue to fund capital projects. It plans to continue to include school surcharge, telecommunications tax and PAYGO

capital revenues in its future CIP programs. Budgeting PAYGO funds annually helps lower long-term debt burdens and allows the County to follow best practices recommended by bond rating agencies. The FY 2022 approved budget included \$11.1 million of PAYGO funds.

The FY 2023 budget included \$12.4 million of PAYGO funds (an increase of \$1.3 million from FY 2022) for the Glenarden Apartments Redevelopment (\$810,000), the Suitland Manor project (\$1.7 million), the Board of Education projects (\$3.4 million) and Maryland 210 improvements (\$6.5 million).

In FY 2024, the approved budget includes \$10.7 million in PAYGO funds. This includes funding for the Suitland Manor project (\$314,000) and Glenarden Apartments (\$686,000) to fund the final phases of construction for both projects in the Redevelopment Authority; MD 210 project (\$6,681,700) and the Office of Information Technology CIP project (\$3,000,000).

6. Cash Management/Investment Policies

MAINTAIN SOUND INVESTMENT MANGEMENT POLICY

The County Council adopted its investment policy in September 1995 (CR-52-1995). The local policy was subsequently amended in September 1998 and February 2006 due to changes in the Maryland State law.

The policy applies to the investment of all unexpended or surplus funds of the County. These funds are accounted for in the County's Comprehensive Annual Financial Report and include the general fund, special revenue funds, capital project funds, enterprise funds, debt service funds, internal service funds, trust and agency funds. The policy does not cover the investment activities of pension funds. The funds are administered by separate trustees.

The primary objectives for the management of County funds are to (a) protect investment principal in the overall portfolio, (b) ensure sufficient liquidity to meet all cash flow requirements which might be reasonably anticipated and (c) maximize investment return consistent with risk limitations and prudent investment policies.

These objectives are met by implementing the following policies:

1. The County's investment officials shall use the "prudent person" standard in the context of managing an overall portfolio, considering the probable safety of their capital as well as the probable income to be derived.
2. The investment officials involved in the investment process will refrain from personal business activity that could conflict with the proper execution of the investment program or which could impair their ability to make impartial investment decisions.
3. The County will diversify its investments by security type and institution. With the exception of U.S. Treasury securities, authorized pools and money market funds, no more than 50% of the County's total investment portfolio will be invested in a single security type or with a single financial institution.
4. To the extent possible, the County will attempt to match investments with anticipated cash flow requirements. The County will not directly invest in securities maturing more than one year from the date of purchase, except for the investment of bond proceeds which may be invested up to three years.
5. Regarding suitable investments, the County's investments will conform without exception to Article 95, Section 22 and Section 6-222 of the State Finance and Procurement Article of the Annotated Code of Maryland.
6. The County will maintain a system of adequate internal controls to be compliant with the investment program policy and procedures.
7. The County will hold periodic investment strategy meetings with officials and document the resulting investment strategy approved to meet the policy.

7. Financial Reporting Policies

The County's accounting and financial reporting systems will be maintained in conformance with all State and federal laws, generally accepted accounting principles (GAAP) and standards of the GASB and the Government Finance Officers Association (GFOA). Each year, an independent accounting firm performs an annual audit and issues an audit opinion that is included in the

County's published Comprehensive Annual Financial Report (CAFR). The County aims to achieve an unqualified audit opinion, meaning that the financial records and statement are fairly and appropriately presented. The County Government's FY 2022 CAFR received an unqualified audit opinion.

The County's CAFR is submitted to the GFOA Certification of Achievement in Excellence in Financial Reporting Program annually. The financial report should be in conformity with finance related legal and contractual provisions, disclose thoroughness and detail sufficiency, and minimize ambiguities and potential for misleading inferences. It is important to note that the County has been participating in GFOA's Certification of Achievement in Excellence in Financial Reporting Program and Distinguished Budget Presentation programs for over 20 years.

The County's budget is submitted to GFOA Distinguished Budget Presentation Program annually. The budget should satisfy criteria as a financial and programming policy document, as a comprehensive financial plan, as an operation's guide for all organizational units and as a communication device for all significant budgetary issues, trends and resource choices. The County's budget has received the GFOA's Distinguished Budget Presentation Award for many years. Moreover, its FY 2015 budget received a special recognition from GFOA for its performance measures, making the County the only government in Maryland and in the DC metropolitan areas that received this special recognition that year.

Financial systems will maintain and enhance internal controls to monitor revenues, expenditures and program performance on an ongoing basis. In FY 2024, bimonthly financial reports will continue to be provided to elected officials and senior management to help make immediate budget and policy adjustments where needed.

FY 2024 Approved General Fund Budget (\$ in millions)

TOTAL: \$4,513,632,600

General Government

Office of the County Executive (\$11.4 million)

- Funding increases by \$1,036,300, or 10.0% over the FY 2023 budget, primarily due to two new positions, one full time position for strategic partnership and one part time position for administration division. Increase in operating for technology cost allocation, telephone, printing, periodicals, training, mileage reimbursement, operating contracts, office supplies, vehicle repair and maintenance and gas and oil. Increase in fringe benefit costs to align with mandated salary requirements and new staff; the fringe benefit rate increases from 30.0% to 30.7% to align with anticipated costs.

Legislative Branch (\$30.0 million)

- Funding increases by \$3,144,400, or 11.7% over the FY 2023 budget, primarily due to mandated salary requirements and fringe benefit costs. Additionally, there is an increase in general office supplies and the technology cost allocation charge.

Office of Ethics and Accountability (\$1.1 million)

- Funding increases by \$74,800, or 7.0% over the FY 2023 budget, primarily due to the annualization of the prior year salary adjustments and FY 2024 COLAs and merits. Additionally, there is funding for the new quality review contract and technology allocation costs.

Personnel Board (\$455,300)

- Funding increases by \$26,100, or 6.1% over the FY 2023 budget, primarily due to mandated salary requirements and fringe benefit costs. Additionally, there is a net increase in the technology allocation costs, telephone,

periodicals and office & operating equipment repair budgets. There is a net decrease in member's stipend in accordance with historical spending.

Office of Finance (\$5.9 million)

- Funding increases by \$257,000, or 4.6% over the FY 2023 budget primarily due to a new Systems Analyst for implementing the new Treasury system and two new part time Account Clerks for the new Elderly Property Tax Credit program.

Office of Community Relations (\$6.2 million)

- Funding increases by \$522,000, or 9.2% over the FY 2023 budget primarily due to the annualization of FY 2023 and planned FY 2024 salary adjustments. Operating increases are driven by an increase in the technology allocation charge and the contract costs for the Common Ownership Communities (COC) Commission.

People's Zoning Counsel (\$250,000)

- Funding remains unchanged from the FY 2023 level.

Office of Human Rights (\$3.0 million)

- Funding increases by \$184,600, or 6.6% above the FY 2023 budget, primarily due to the addition of a compliance specialist to support the language access program, funding for the Immigration Services and Language Access (ISLA), and the annualization of the prior year salary adjustments and FY 2024 COLAs and merits.

Office of Management and Budget (\$4.2 million)

- Funding increases by \$490,900, or 13.2% over the FY 2023 budget, primarily due to a funding for a new Budget Management Analyst 4G position to support the performance management program, the annualization of FY 2023 and planned FY 2024 salary adjustments as well as an increase in the technology allocation charge.

Board of License Commissioners (\$2.1 million)

Office of Law (\$5.5 million)

- Funding increases by \$463,900, or 9.3% over the FY 2023 budget, primarily due to the addition of two positions, an attorney and paralegal, and the annualization of the prior year salary adjustments and FY 2024 COLAs and merits. The costs are partially offset by staff attrition.

Office of Human Resources Management (\$12.2 million)

- Funding increases by \$2,281,300, or 23.0% over the FY 2023 budget, primarily due to an increase in contracts for Public Safety promotional examinations and mental health/psychological exams to support the Police Accountability law requirements. In operating costs, there is additional funding to support three new positions, a Systems Analyst and two Compensation Analysts to help combat the County's time to fill priority.

Office of Information Technology (\$0)

- Funding decreases by -\$1,912,300 or -100.0% below the FY 2023 budget. This was the only operating expense in the General Fund for this agency and the decrease reflects the removal of the transfer.

Board of Elections (\$11.7 million)

- Funding decreases by \$216,800, or -1.8% below the FY 2023 budget, primarily due to a reduction in funding for temporary staffing to align with the anticipated need to support the Presidential election. There is additional funding for the 2024 election cycle and to support two new positions, a Citizens Services Specialist and a Budget Analyst.

Police Accountability Board (\$1.2 million)

- Funding increases by \$599,900 or 103.5% over the FY 2023 budget primarily due to funding for two new positions; Administrative Aid 3G and General Clerk 2G to support agency operations, the annualization of FY 2023 and planned FY 2024 salary adjustments. The operating costs increased to provide funding for legal services and stipends for Trail Board Judges due to the realignment of \$134,000 from the Administrative Charging Committee to Police Accountability Board to appropriately reflect stipend costs in one agency to meet operational activities.

Administrative Charging Committee (\$1.1 million)

- Funding increases by \$162,900 or 17.6% over the FY 2023 budget, primarily due to funding for two new positions; Compliance Specialist 2G and Paralegal 2G to support agency operations, the annualization of FY 2023 and planned FY 2024 salary adjustments as well as an increase in the technology allocation charge.

Office of Central Services (\$32.2 million)

- Funding increases by \$3,320,200, or 11.5% over the FY 2023 budget primarily due to two new CIP Contract Project Coordinators, a new Deputy Director for the Contracts and Procurement division and a new Compliance Specialist to support Minority Business Enterprise efforts. Operating funding increases primarily due to maintenance costs for the Wayne K. Curry building and operating contracts like snow removal, HVAC, security, etc.

Courts**Circuit Court (\$22.8 million)**

- Funding increases by \$890,200 or 4.1% over the FY 2023 budget, primarily due to the annualization of FY 2023 and planned FY 2024 salary adjustments, an increase in technology cost allocation charges and additional funding for jury fees, training, equipment maintenance and the GPS satellite tracking contract.

Orphans' Court (\$657,200)

- Funding increased by \$75,100, or 12.9% over the FY 2023 budget, primarily due to an increase in annualization of salary adjustments, netted by an increase in compensation and fringe benefits for a previously unfunded Law Clerk position. Additional funding was added for other anticipated technology costs.

Public Safety**Office of the State's Attorney (\$25.3 million)**

- Funding increases by \$3,039,200, or 13.6% over the FY 2023 budget, primarily due to mandated salary requirements and funding for six additional Assistant State's Attorneys and five Legal Assistants. Funding is also provided for an increase in operating to support the technology cost allocation charge and overtime costs.

Police Department (\$390.0 million)

- Funding increases by \$18,419,000, or 5.0% over the FY 2023 budget. Funding is provided for salary increases, four recruit classes of 30 for a total of 120 new officers. Funding is also provided for an increase in training and other crime fighting technology as well as operating and administrative contracts.

Fire/EMS (\$261.1 million)

- Funding increases by \$20,662,000, or 8.6% over the FY 2023 budget, primarily due to mandated salary requirements, new recruits, overtime and fringe benefit costs. The increase partially offset by attrition, lapse and interagency charges. There is funding for career and volunteer recruitment needs and three recruit classes.

Office of the Sheriff (\$57.9 million)

- Funding increases by \$6,891,100, or 13.5% over the FY 2023 budget. Funding is provided for two new positions to assist in operations and new weapons for deputies.

- Funding increases by \$6,957,600, or 7.0% over the FY 2023 budget. Funding is provided for two recruit classes of 18 and salary adjustments. Funding is also provided for the replacement of radios for staff as well as food and medical contracts.

Homeland Security (\$45.2 million)

- Funding increases by \$3,250,900, or 7.8% over the FY 2023 budget. Funding is provided for an Assistant Manager position and salary increases. Funding is also provided for the purchase of body cameras to support public safety personnel.

Environment**Soil Conservation District (\$0)**

- Funding remains unchanged from the FY 2023 budget level as all expenditures are 100% recoverable. Prior to recoveries, expenditures increase \$127,000 or 6.4% over the FY 2023 budget, primarily due to annualization of FY 2023 and FY 2024 planned salary adjustments. This is also a slight increase in the fringe benefit rate and an increase in the technology cost allocation charge.

Department of the Environment (\$9.3 million)

- Funding increases by \$1,971,100, or 26.8% over the FY 2023 budget, primarily due to compensation and fringe benefits to support five new positions in Animal Services Division and additional equipment and an after hour answering service at the kennel.

Human Services**Department of Family Services (\$7.4 million)**

- Funding increases by \$370,100, or 5.2% over the FY 2023 budget, primarily due to annualization of prior salary adjustments, FY 2024 planned salary adjustments and fringe benefit costs. Funding is provided to support youth service operations, senior support services, funded vacancies and the technology cost allocation charge.

Health Department (\$35.3 million)

- Funding increases by \$2,601,800, or 8.0% over the FY 2023 budget, primarily due to planned salary requirements, increase in fringe benefit costs, three new Community Developers to support the Local Behavioral Health Authority. Funding also supports office automation as well as building lease, security and janitorial services for the Langley Park Community Center.

Department of Social Services (\$9.7 million)

- Funding increases by \$3,088,100 or 46.6% over the FY 2023 budget, primarily due to planned salary adjustments, one new Community Developer III position to lead the Food Equity program, fringe benefit costs, funding for the Food Equity program activities, Warm Nights Shelter operating contract and an increase in office automation. Additional funding is added for the Summer SNAP program, professional development training and homeless services. Funding continues to support the Prince George's Child Resource Center Family Connects home visiting program and Maryland Money Market Double Value Coupon Program.

Infrastructure and Development**Department of Public Works and Transportation (\$21.5 million)**

- Funding increases by \$4,927,500, or 29.8% over the FY 2023 budget. The increase is primarily due to the increase in transportation contractual service costs including TheBus contract; expanded Beautification initiatives including litter removal collections, street sweeping, road side mowing and landscaping; annualized prior year salary adjustments and planned FY 2024 salary adjustments for staff, 14 new positions to support expanded County and departmental initiatives, eight additional limited term Transit Drivers; additional funded vacant positions over the prior year, anticipated increased workers compensation; and three new street sweeper vehicles. The budget also includes funding for the Vision Zero traffic safety initiative, tree trimming, Clean Lots Program and snow removal services. Funding also includes a \$7.7 million increase in offsetting recoveries based on the increase in contractual transportation services, new recoverable positions and prior year and FY 2024 planned salary adjustments.

Department of Permitting, Inspections & Enforcement (\$30.9 million)

- Funding increases by \$3,040,400, or 10.9% over the FY 2023 budget. The increase is primarily due to the increase annualized prior year salary adjustments and planned FY 2024 salary adjustment for staff; three new Administrative Aides to support the Permitting and License division customer service priorities, seven new Property Standards Inspectors to support the Enforcement division inspections activities, one new Paralegal Supervisor to support the Nuisance Abatement board, shift differential pay in the Inspections and Enforcement divisions to address after-hour complaint issues, and fringe benefits costs. In addition, the approved budget includes funding to support Clean Lots program, salary adjustments for the Engineers at the conclusion of an existing classification study, and reimbursement for staff certification expenses. Funding is also included for \$4.5 million increase in recoveries based on additional staffing requirements and current recovery rates and methodology.

Department of Housing and Community Development (\$5.9 million)

- Funding increases by \$577,200, or 10.9% over the FY 2023 budget primarily due to funding a new Community Services Manager position. The operating budget funds a contract for The Prince George's County Consolidated Plan CFY 2026-2030 (FFY 2025-2029).

Education and Library**Memorial Library System (\$38.1 million)**

- Funding increases by \$2,582,200 or 7.3% over the FY 2023 budget, primarily due to an increase in the County contribution and an increase in State Aid. The County's contribution increases by \$2,401,500, or 9.4% over the FY 2023 budget. State Aid contribution increases by \$23,600 or 0.3% over FY 2023. Funding supports afterschool programming, the continuation of Sunday hours at branches, increase in insurance premiums per risk management requirements, and the purchase of two delivery vehicles plus replacing a maintenance truck.

Community College (\$131.6 million)

- Funding increases by \$4,750,800 or 3.7% over the FY 2023 budget, primarily due to increases in County and State Aid and an increase in credit and non-credit tuition and updated enrollment trends. Funding supports the College's strategic efforts toward operational efficiency, Student Lifecycle services, and full implementation of the Pathways program. Funding is included for campus-wide technology upgrades and the Promise Scholarship Program which provides free tuition for graduates of County Public Schools and County residents.

Board of Education (\$2.8 billion)

- Funding increases \$169,830,400 or 6.5% over the FY 2023 budget, primarily due to a \$96,057,500 increase in the County contribution and a \$181.4 million increase in State Aid which is partially offset by -\$107.9 million in decreased funding from Federal Aid, Board Sources and Use of Fund Balance. The County's contribution totals \$943.1 million, a \$96.1 million or 11.3% increase over the FY 2023 budget and meets the minimum local share contribution required by the State. FY 2024 represents the second year of the new local effort requirements under the Blueprint for Maryland's Future Act ("Kirwan funding") in which the County's local share is run through the prism of the major state formula aid programs which are each driven by unique formulas based on County wealth indicators and pupil populations. Funding supports various expenditure categories for mandatory costs of doing business including employee compensation negotiated commitments; pass through funding for P3/Alternative Construction Financing projects; lease purchase agreements for buses and textbooks; continued support of universal pre-kindergarten; program continuation of Immersion, Special Education Early Childhood Center expansion; instructional technology school based support; additional video lottery terminal (VLT) funding for Crossland High School program as well as additional Student Based Budgeting resources at the school level.

Non-Departmental**Non-Departmental (\$386.0 million)**

- Overall, funding increases \$22,461,800 or 6.2% over the FY 2023 budget, primarily due to an increase in debt service payments, retiree health benefits, other leases, utilities and miscellaneous expenses.
- Funding includes \$45.9 million for retiree health and life benefits payments to current retirees.
- Funding includes \$9.5 million for the County's economic development agencies - Economic Development Corporation (EDC), Employ Prince George's (previously a division of EDC), Financial Services Corporation and Experience Prince George's to assist their efforts in expanding the County's economic base by attracting and retaining businesses and visitors.

Other Fund Expenditure Overview**Internal Service Funds (\$73.6 million)**

- The approved FY 2024 Internal Service Fund Budget is \$73,597,900, an increase of \$3,669,600 or 5.2% over the FY 2023 budget.

Fleet Management Fund (\$15.5 million)

- Funding decreases -\$4,300 or -0.03% under the FY 2023 budget primarily due to reductions in vehicle equipment repair and maintenance costs. Funding is allocated for projected fringe benefit rate increases from 66.4% to 68.5% and FY 2023 and planned FY 2024 salary adjustments.

Information Technology Fund (\$58.1 million)

- Funding increases \$3,673,900 or 6.7% over the FY 2023 budget, primarily due to operating equipment licenses, support for 311 applications, ongoing SAP support and mandated salary adjustments.

Enterprise Funds (\$269.4 million)

- The approved FY 2024 Enterprise Fund Budget is \$269,367,100, an increase \$24,462,200 or 10.0% over the FY 2023 budget.

Solid Waste Management (\$135.5 million)

- Funding increases \$8,446,800 or 6.6% over the FY 2023 budget primarily due to an increase in contractual services for the operation of the various beautification and litter reduction efforts, and vehicle equipment repair costs; funding for the replacement of essential equipment at the landfill; and funding for compensation increases due to FY 2024 COLA and merits, and funding for fringe benefits costs to meet salary requirements.

Stormwater Management Fund (\$113.2 million)

- Funding increases \$16,025,600 or 16.5% over the FY 2023 budget primarily due to an increase consulting contracts for the Climate Action Plan, beautification and litter reduction efforts, and the National Pollutant Discharge Elimination System/Municipal Separate Storm Sewer System (NPDES/MS4) permit. In addition, funding increases are included for principal and interest payments on prior-year Stormwater Bond debt and interagency charges from various County agencies. Funding is included for Interagency Charges based on current recovery rates and methodology. The Stormwater Management Enterprise Fund supports relevant programs in both the Department of Public Works and Transportation and the Department of the Environment.

Local Watershed Protection and Restoration (\$20.7 million)

- Funding decreases -\$10,200 or -0.05% under the FY 2023 budget, primarily due to a decrease in debt service payments for water quality related capital expenditures. This fund supports the requirements to meet federal mandates, by supporting impervious area restoration through retrofit storm water controls and mandated rebate programs. Effective July 1, 2013, the County established a Watershed Protection and Restoration Program in accordance with the provisions of House Bill 987. Through the establishment of a storm water remediation fee for this fund, the County will be able to meet its long-term regulatory mandates for water quality improvement through restoration.

Special Revenue Funds (\$275.4 million)

- The approved FY 2024 Special Revenue Fund Budget is \$275,434,800, a decrease of -\$3,894,200 or -1.5% under the FY 2023 budget.

Debt Service Fund (\$247.0 million)

- Funding increases \$7,162,400 or 3.0% over the FY 2023 budget due to principal and interest payments on outstanding debt.

- Funding remains unchanged from the FY 2023 budget.

Property Management Services Fund (\$800,000)

- Funding increases \$200,000 or 33.3% over the FY 2023 budget due to additional funding for landscaping services.

Collington Center Fund (\$5,000)

- Funding remains unchanged from the FY 2023 budget.

Domestic Violence Fund (\$390,000)

- Funding remains unchanged from the FY 2023 budget.

Economic Development Incentive Fund (\$9.0 million)

- Funding decreases-\$5,000,000, or -35.7% under the FY 2023 budget primarily due to the removal of one-time enhancements for small and minority businesses.

Housing Investment Trust Fund (\$15.7 million)

- Funding decreases-\$6,373,600 or -28.9% under the FY 2023 budget due to the removal of the state Right of First Refusal grant.

Transportation Services Improvement Fund (\$1.6 million)

- Funding decreases-\$117,000 or -6.7% under the FY 2023 budget to reflect the reduction in operating costs for the Taxi Dispatch System. Funding supports maintaining Capital Bikeshare stations and docks, refurbish buses, expand bus service, bus shelter improvements and improve access to high-quality taxi services.

Grant Program Funds (\$276.3 million)

- The approved FY 2024 Grant Program Fund budget totals \$273,347,200, an increase of \$18,661,500 or 7.2% over the FY 2023 budget.

The FY 2024 approved budget includes approximately \$394.6 million for fringe benefits reflect anticipated expenditures for all funds. The County's contributions to the five public safety and criminal justice retirement plans (Police, Fire, Corrections, Volunteer Fire and Sheriff) includes approximately \$172.2 million, which represents a \$1.8 million or -1.1% decrease under the FY 2023 budget to align with the rising pension costs for public safety retirement plans.

Contributions to the State of Maryland Employees' Retirement and Pension System are calculated upon base payroll rates set by the Maryland Retirement System. The seven supplemental retirement plans - deputy sheriff, correctional officers, crossing guards, AFSCME, general schedule, fire, and police civilian employees - are projected to increase by 3.0%. The FY 2024 budget is based on actual expenditures and anticipated changes in plan enrollment.

Health Insurance encompasses the County's contributions to health, dental, vision and prescription drug coverage for both active employees and retirees. The County's total contribution towards retirees' health benefits under the Governmental Accounting Standards Board Statement 45 concerning post-retirement health benefits include: General Fund \$44.0 million; Storm Water Management \$6.5 million; Solid Waste Enterprise \$1.5 million; Information Technology \$1.6 million; and Fleet Management \$1.8 million.

Workers' Compensation is contributed to the Risk Management Fund, which is charged directly to County agencies. For FY 2024, there is a \$31.9 million budgeted in County agencies to reflect actual and anticipated agency expenditures.

Notes

- (1) Budgeted revenues may include the use of fund balance that causes the total numbers not to add up across.
- (2) The definition of ending balance varies depending on the type of fund.
- (3) The following definitions of budgetary fund balance are used by Prince George’s County:
- (4) General Fund - Fund balances include the Charter-mandated Committed Reserve (5% of budget), the policy-required Committed-Operating Reserve (3%), and unassigned fund balance.
- (5) Internal Service Funds - The balance above represents total net assets as estimated for the Consolidated Annual Financial Report (CAFR).

- (6) Enterprise Funds - The balance shown above represents an ending cash and cash equivalents balance based on reports from the Finance Department. This balance takes into account net operating revenues and expenditures and increases based on bond proceeds, offset by capital expenditures and by funds that must be held in reserve for future obligations.
- (7) Local Watershed Protection & Restoration Fund is an Enterprise Fund that was established in FY 2014.
- (8) Special Revenue Funds - The balance shown above represents fund balance as shown in the CAFR.

REVENUES AT A GLANCE

**FY 2024 Approved General Fund Budget
(\$ in millions)**

TOTAL: \$4,513,632,600

General Fund Revenue Overview

- The approved FY 2024 General Fund budget is \$4,513,632,600, an increase of \$286,997,400 or 6.8% over the FY 2023 approved budget.
- County-sourced revenues total \$2.56 billion, an increase of \$211.4 million or 9.0% above the FY 2023 approved budget. Outside aid for the Board of Education, Community College and Memorial Library totals \$1.951 billion and increases by \$75.6 million, or 4.0% above the FY 2023 approved budget.

Internal Service Funds Revenue Overview

- The approved FY 2024 Internal Service Fund budget is \$73,597,900, an increase of \$3.7 million or 5.2% over the FY 2023 approved budget.
- The Fleet Management Fund revenues total \$15.5 million, a decrease of -\$4,300 or -0.03% below the FY 2023 approved budget.
- The Information Technology Fund totals \$58.1 million, an increase of \$3.7 million or 6.7% over the FY 2023 budget primarily due to an increase in agency charges for technology cost allocations.

Enterprise Funds Revenue Overview

- The approved FY 2024 Enterprise Fund budget is \$269,367,100 an increase of \$24.5 million or 10.0% over the FY 2023 budget.
- The Stormwater Management Fund revenues total \$113.2 million, an increase of \$16.0 million or 16.5% over the FY 2023 approved budget. This is primarily due to growth in property taxes and permit revenues.
- The Solid Waste Fund revenues total \$135.5 million, an increase of \$8.4 million or 6.6% above the FY 2023 approved budget due to increased residential fees, the sale of recyclables, and the repayment of prior year debt.

- The Local Watershed Protection and Restoration Fund revenues total \$20.7 million, a decrease of -\$10,200 or -0.05% below the FY 2023 approved budget based on the Department of the Environment's debt schedule.

Special Revenue Funds Revenue Overview

- The approved FY 2024 Special Revenue Fund budget is \$275,434,800, a decrease of -\$4.1 million or -1.5% compared to the FY 2023 budget.
- The Debt Service Fund revenues total \$247.0 million, an increase of 3.0% over the FY 2023 budget. The debt incurred by the County pays for various capital projects throughout the County, such as school construction and renovations, road improvements and repairs, among other projects.
- The Drug Enforcement Fund revenues total \$950,400 and is level funded relative to the FY 2023 budget.
- The Property Management Fund revenues total \$800,000 in FY 2024 and increases by \$0.2 million or 33.3% compared to the FY 2023 budget.
- The Domestic Violence Fund revenues total \$390,000 in FY 2024 and is level funded relative to the FY 2023 budget.
- Collington Center Fund revenue totals \$5,000 and is level funded relative to the FY 2023 budget.
- The Economic Development Fund revenues total \$9.0 million in FY 2024, a decrease of -\$5.0 million or -35.7% relative to the FY 2023 approved budget. A one-time increase of \$5.0 million was provided in the prior fiscal year.
- The Housing Investment Trust Fund revenues total \$15,665,900, a decrease of -\$6.4 million or -28.9% below the FY 2023 budget. Funding was supplemented by a one-time \$10.0 million State grant in FY 2023 offset by an increase in estimated recordation tax revenue. Legislation passed in 2021 dedicated the greater of \$10.0 million or 20% of the County's recordation tax per year, to this fund.
- The Transportation Services Improvement Fund revenues total \$1,632,700 in FY 2024, a decrease of -\$117,000 below the FY 2023 approved budget. This is due to lower operating costs for a taxi dispatch system. This fund is derived from the collection of the Lyft & Uber surcharge.

Grant Program Funds Overview

- The approved FY 2024 Grant Program Fund budget is \$276,347,200, an increase of \$18.7 million or 7.2% above the FY 2023 budget.

GENERAL FUND REVENUE DISCUSSION

Introduction

The revenue table that accompanies each revenue source compares three years of data. In every instance, the dollar and percent change are from the prior year actual or approved amount. (Numbers in this document may not add due to rounding).

REAL PROPERTY TAXES are the taxes levied on both land and improvements of taxable real property. Taxes are levied annually, and each quarter of the fiscal year as new properties are added to the base. Real Property Tax is the largest tax revenue of the County. The revenue yield is dependent on the following variables:

- The State's triennial assessment process
- Assessment growth caps for owner-occupied property (also called Homestead Tax Credit)
- The assessment percentage
- The housing market and the economy in general
- The tax rate including changes in the Municipal Tax Differential rates
- Delinquencies and the required reserves
- Appeals and adjustments in assessments
- State funding of State credits

The County is subject to the Tax Reform Initiative by Marylanders (TRIM). Based on this charter provision, the General Fund County Real Property Tax rate could not exceed \$2.40 per \$100 of assessable value before FY 2002 and cannot exceed \$0.96 per \$100 of assessable value since FY 2002, when the real property assessable value was adjusted from 40% to 100% of market value. Chapter 6 of 2012 Laws of Maryland (SB 848) that provides for the property tax rate to be set higher than the rate authorized under the County's charter. Any additional revenue generated as a result of the higher property tax rate is for the sole purpose of funding the approved budget of the local school board. The Real Property Tax rate increased from \$0.96 to \$1.00 per \$100 of assessable value in FY 2016. The additional before the homestead tax credit cap and other

revenues generated from the \$0.04 increase are dedicated to support the local school board.

In FY 2024, the County's Real Property Tax revenues are projected to be \$993.4 million, an increase of \$41.7 million or 4.4% over the FY 2023 budget. The projection is based on the tax rate, tax base and adjustments made to factor in reductions due to the homestead tax credit, municipal tax differential, delinquent tax payments and incremental tax revenues from Tax Increment Financing (TIF) districts that are designated for debt service. Additionally, the projection factors in an anticipated \$11.8 million of revenues to be generated from the MGM Casino at National Harbor.

% CHG	4.5%	3.1%	2.9%	4.4%

Excluding the dedicated revenue assigned to the Prince George's County Public Schools (PGCPS) system, the County's real property tax revenues are projected to increase by \$40 million or 4.4% in FY 2023 over the FY 2023 budget.

The State Department of Assessments and Taxation (SDAT) projected in February 2023 that the County's real property assessable base will grow by 4.8% in FY 2024 deductions.

Each year, one third of each County's real property base is reassessed by the SDAT. The reassessment growth is phased in over the next three years; a decrease, however, is realized immediately. The upward reassessment experienced by the County in the previous fiscal year is expected to continue in FY 2024, with Group 2 of the County's real property base's reassessment value rising by 22.7%, according to the SDAT.

The County's real property tax revenue capacity is not fully realized due to the structure of the County's Homestead Tax Credit. The credit, tied to the Consumer Price Index growth for the 12 months ending in June, caps the growth of owner-occupied property assessment for tax purposes at 5% in FY 2024. According to the SDAT's estimate, this tax credit is estimated to cause a County revenue loss of approximately \$84.7 million in FY 2024.

The municipal tax differential also reduces the County's property tax revenues. Each year, the County reduces its property tax rates (both real and personal) to recognize governmental services and programs that municipal governments perform in lieu of similar County services, to the extent that such services are funded through property tax revenues. In FY 2024, the County's real property tax revenue is reduced by \$33.4 million for the municipal tax differential program, compared with \$34.3 million in FY 2023. The County increased the 9-1-1 fee to fully recover the costs of the service, which removed this expense from funding by the real property tax. This resulted in a decrease in the value of the credit even though the assessable value within the municipalities grew.

PERSONAL PROPERTY TAXES are the taxes levied on tangible personal property, commercial and manufacturing inventory of businesses. The assessment is made annually at fair market value and determined from annual reports filed with the SDAT.

The Personal Property Tax base is influenced by the:

- Business cycle
- Availability of commercial credit
- Public utilities' income performance
- Replacement of equipment
- The State law on personal property assessment and depreciation
- Tax rate including changes in the Municipal Tax Differential rates

In accordance with State law, the County's Personal Property Tax rate shall be no more than 2.5 times the rate for real property. The Personal Property Tax rate increased from \$2.40 to \$2.50 per \$100 of assessable value in FY 2016, to align with the approved change in the Real Property Tax rate. The additional revenue generated as a result of the higher property tax rate is for the sole purpose of funding the approved budget of the local school board.

The FY 2024 Personal Property Tax revenue is expected to total \$89.2 million, which is an increase of \$9.3 million or 11.6% from the FY 2023 budget, based on the assessable base provided by SDAT. The projection includes anticipated revenue of \$0.9 million from the MGM Casino at National Harbor. Excluding the additional revenue assigned to the PGCPSS system, the County's personal property tax revenues are projected to increase by \$8.9 million or 11.6% in FY 2024.

% CHG	-11.9%	-5.1%	-4.4%	11.6%

The tax base fluctuated over the last several years in part due to the effects of the pandemic on business. As with real property revenue, the loss of Personal Property Tax revenues due to the municipal tax differential program decreased slightly.

INDIVIDUAL INCOME TAXES are distributions made by the Maryland Comptroller's Office for the local tax on individual income. The State distributes the taxes to the County on a quarterly basis based on withholdings, declarations and estimated returns filed by employers and taxpayers. The State distributions are net of reserves for refunds, administrative costs, unallocated taxes (taxes for which no return has been filed) and municipal corporation shares. Municipalities receive a share of their residents' local income tax liability based on the greater of 17% of the county income taxes paid or 0.37% of the Maryland taxable income of municipal residents. Tax tables are usually adjusted at the beginning of the calendar year when any tax law changes take effect.

- County income tax rate
- Economy
- Federal and State tax changes
- Employment growth
- Population growth
- The share to municipal governments
- Other State distribution policy changes
- Taxpayer behavior
- Capital gains realization rates
- Disparity Grant

The County's income tax revenue includes both income tax receipts and a State Income Disparity Grant. FY 2024 income tax receipts are projected to total \$875.7 million, an increase of \$55.0 million, or 6.7% over the FY 2023 budget. Since the pandemic, federal aid programs included payments to employers and income support to individuals. Employers have also raised wages to compete for workers and to offset the effects of higher inflation. Estimated payments have been higher following federal and State tax law changes related to Pass Through Entities. Income tax revenue increased from \$738.3 million in FY 2021 to \$777.1 million in FY 2022. With the end of federal aid, revenue is expected to be flat in the current fiscal year based on year-to-date attainment.

According to the Maryland Department of Labor, the County's unemployment rate was 2.3% in May 2023. This is higher than the statewide rate of 2.2%. Although the Federal Reserve Board has raised interest rates repeatedly since the spring of 2022 to reduce the rate of inflation, this has not resulted in higher unemployment.

A mild recession is forecast, possibly in FY 2024, though the shortage of labor may result in a “soft landing” for the economy. The forecast assumes that unemployment remains relatively low in the next fiscal year and that wage growth continues.

In FY 2024, the State aid to the County under the Income Disparity Grant is projected to be \$98.5 million, an increase of \$54.8 million or 125.3% from the FY 2023 budget. This grant is provided to counties where per capita local income tax revenue falls below 75% of the statewide average. The FY 2024 disparity grant is calculated by the State Department of Budget and Management based on calendar year 2021 income and population data. The grant amount increased above expectations based on revised Net Taxable Income data released by the Comptroller in January 2023. It is likely that growth in capital gains increased the disparity in County wealth and resulted in a higher distribution for FY 2024.

TRANSFER AND RECORDATION TAXES are projected to increase relative to the FY 2023 budget, to \$204.6 million. Transfer and recordation taxes are usually the most volatile major revenue source for the County due to the strong correlation between the revenue collected and local housing market activity. The variables influencing Transfer and Recordation Taxes include:

- Tax rate
- Business cycle
- Interest rates
- Availability of credit
- Real estate market

TRANSFER TAXES are taxes imposed upon recordation of instruments conveying title to real property, or any other interest in real property. All transfer tax revenue is dedicated to the Board of Education. The tax rate is unchanged at 1.4% for FY 2024. In FY 2024, transfer taxes are projected to total \$152.1 million, an increase of \$8.1 million or 5.7% from the FY 2023 budget. Although home sales fell 20% since mortgage rates have increased, the median sale price has remained at \$400,000. Home values are expected to continue to increase because of the low inventory of homes for sale and because construction inflation continues to increase at high levels.

RECORDATION TAXES are taxes on the recordation of written instruments conveying title to real or personal property, conveying leasehold interests in real property, or creating liens and encumbrances on real or personal property. In FY 2024, the recordation tax rate is unchanged at \$2.75 per \$500 of instrument of writing subject to this tax. CB-4-2021 dedicates the greater of \$10.0 million or 20% of recordation taxes to the Housing Investment Trust Fund. Net recordation revenue to the General Fund is projected to grow by \$9.2 million or 21.4% because FY 2023 revenue was underestimated based on year-to-date attainment. This accounts for an

allocation of \$13.1 million to the Housing Investment Trust Fund.

Due to the foreclosure moratorium that was put into place during the COVID-19 pandemic, there were no foreclosures reported from the second quarter of calendar year 2020 through the fourth quarter of calendar year 2021. In calendar year 2022, a total of 1,621 foreclosures occurred in the County, a decrease of 67.2% from the same period in calendar year 2019 (the last full year of data). Despite the decline, the County continues to account for 28.9% of all foreclosures statewide in the first quarter of calendar year 2023.

OTHER LOCAL TAXES include Energy Taxes, Telecommunications Taxes, Hotel/Motel Taxes, Admissions and Amusement Taxes, Penalties and Interest on Delinquent Taxes, and Trailer Camp Taxes.

In FY 2024, the total revenue from Other Local Taxes is expected to grow by \$15.3 million or 13.9% above the FY 2023 budget, primarily due to higher energy tax rates. Nominal growth is also projected for the Admissions & Amusement Tax and Hotel-Motel Taxes as the hospitality industry continues to recover from the effects of the pandemic. Telecommunication taxes have been steadily declining for several years as the telecommunications industry has changed (data plans, internet calling, pre-paid phone cards) which has eroded the County's revenue from this tax source.

The Energy Tax unit rates for the approved budget are determined by the total consumption and sales of the calendar year two years prior to that fiscal year. For example, the FY 2024 rates are based upon calendar year 2022 data. The formula divides total calendar year 2022

sales (by type of energy used) by total 2022 consumption, which is then multiplied by 7.5%, the current effective tax rate, to arrive at the FY 2024 unit charge per kilowatt hour, thermal, gallon or another unit. The FY 2024 rates compared to FY 2023 are shown here:

ENERGY TAX COMPONENTS			
	FY 2023	FY 2024	%
	Rates	Rates	Change
Electricity (KWH)	0.010728	0.011492	7.1%
Natural Gas (Therm)	0.070238	0.086519	23.2%
Fuel Oil (Gal.)	0.240382	0.351653	46.3%
Propane (Gal)	0.161182	0.203026	26.0%

Fluctuations in energy usage due to weather conditions and price instability of fuels such as natural gas and oil can cause major deviations in rates between fiscal years. Rate changes granted to the major utilities by the Public Service Commission also influence the yield from this revenue source.

The law exempts energy tax payments for federal, State and local governments and provides a refund for certain qualifying residents based on income, age and other criteria. The entire Energy Tax is earmarked for the Board of Education.

Another major revenue item is the **Telecommunications Tax**, which represents 10.0% of the FY 2024 revenues generated by "Other Local Taxes." The telecommunication tax revenue has been declining for years due to a market shift in consumer communication preferences away from phone calls. In FY 2016, the telecommunications tax rate was increased to 9% on the gross receipts for telecommunication service in the County. The FY 2024 approved budget assumes level funding relative to the FY 2023 budget.

The State mandated that the net proceeds of this tax be used only for expenditures of the County's school system. An administrative fee of one percent of collections remitted to the County is shared equally between vendors and the County to cover the cost of collecting, remitting and administering the tax.

Starting in FY 2005, the County started implementing the provisions of Chapter 187 of the 2004 Laws of Maryland (HB 589) that authorized the County to utilize up to 10% of the net proceeds from the Telecommunications Tax for school renovation and systemic replacement projects. As a result, the Telecommunications Tax revenue in the general fund does not include the up-to-10% of receipts dedicated for capital budget expenditures.

In FY 2024, **Hotel/Motel Taxes** are expected to grow by \$0.6 million over the FY 2023 budget, as the hospitality industry continues to recover from pre-pandemic levels. The FY 2024 approved budget assumes \$1.3 million of collections from the MGM facility. This is net of any hotel collections dedication to the Special Taxing District to fund bonds issued for infrastructure and the convention center. In FY 2016, the Hotel/Motel Tax rate increased from 5% to 7%. Municipalities will receive 50% of the revenue received from hotels located within their corporate limits.

Admissions and Amusement Taxes are projected to increase by \$0.2 million over the FY 2023 budget. The growth aligns the approved budget more closely to the FY 2022 actual attainment. The FY 2024 approved budget includes anticipated collections of \$1.6 million from the MGM Casino at the National Harbor. The Admissions and Amusement Tax rate will remain at 10%.

State-Shared Taxes, primarily Highway User Revenues, used to be one of the major resources of the County. In FY 2009, the County received \$24.8 million in highway user revenues. From 2009 until 2018, the counties share of funding was reduced to 9.6% of the Gasoline and Motor Vehicle Revenue Account (GMVRA) of the Transportation Trust Fund. Chapters 330 and 331 of the Acts of Maryland of 2018 increased the local share to 13.5% for FY 2020 through FY 2024. The percentage share was again modified by Chapter 240 of the Acts of Maryland of 2022 (HB 1187), which increased the local share to 17.2% in FY 2023, 20% in FY 2024, 21% for FY 2025 and 22% for FY 2026 and FY 2027. It then will decrease to 20% of GMVRA in FY 2028 and beyond. In the FY 2024 budget, Highway User Revenues are

projected at \$8.7 million, which is \$1.5 million above the FY 2023 budget. This is based on the amount in the State budget. Highway user revenues are restricted State monies and can only be used to construct or maintain roads, including the payment of road debt.

LICENSES AND PERMITS include revenue derived from several licenses and permits issued for regulatory purposes. They include Building Permits, Street Use Permits, Business Licenses, Liquor Licenses and Permits (authorized by the State), Animal Licenses, Health Permits and various other permits. This category also reflects video lottery terminal and table game revenues generated from the MGM at National Harbor facility.

License and permit revenue increases by \$8.7 million primarily due to growth in Building & Grading Permits of \$5.3 million based on actual attainment in the current fiscal year. Gaming revenue is estimated to grow by \$3.3 million. There are also small increases of \$0.5 million in liquor license revenue, \$0.4 million from Health Permits and \$0.1 million from Street Use Permits. These are offset by a decrease of -\$1.1 million from business licenses based on FY 2022 actual performance.

Gaming Revenues are expected to increase by 10.4% over the FY 2023 budget as table game activity has continued to perform at high levels. The FY 2024 budget includes \$19.5 million of table games revenues to be generated from the MGM Casino at National Harbor. This is an increase of \$3.0 million, or 18.4% over FY 2023. Video Lottery Terminal (VLT) revenue is estimated at \$16.7 million, an increase of \$0.4 million over FY 2023. In accordance with State law, 40% of VLT taxes are restricted for Maryland route 210 improvements. The remaining 60% of VLT taxes are restricted to improvements in the immediate proximity of the MGM Casino.

In FY 2024, receipts from interest income grows by \$7.9 in the approved budget. The Federal Reserve Board has raised interest rates multiple times since 2022 as it works to lower inflationary growth. As a result, the County has received higher than expected interest income.

CHARGES FOR SERVICES are typically known as user fees. These include fees from tax collection services provided to various agencies for whom the County levies taxes, animal control charges such as fines and user fees related to the County shelter and animal control services, fees and charges levied by the Health Department for health-related services, Cable Franchise Charges from cable providers, the 9-1-1 fees allocated to the 9-1-1 emergency system costs, emergency transportation fees,

and contractual police service fees for additional police services for events and entities.

In FY 2024, Charges for Services are expected to grow by \$0.9 million or 1.3% compared to the FY 2023 budget. The increase is primarily related to annualization of the 9-1-1 fee increase (\$1.7 million) Sheriff's charges (\$1.0 million), and other service charges (\$1.2 million) offset by lower estimates for Health charges and Cable Franchise Fees based on actual FY 2022 revenue.

INTERGOVERNMENTAL REVENUES include State restricted grants, transfers and reimbursement from the Maryland-National Capital Park and Planning Commission (M-NCPPC) for services provided by the County, along with a small portion of federal monies related to emergency preparedness.

Intergovernmental Revenues are anticipated to decrease by -\$3.0 million, -7.6% below the FY 2023 budget. The Police Aid Grant is projected to decrease by \$3.2 million, or -19.8%. A one-time enhancement of funds was included in the FY 2023 State budget. The new Governor has chosen to include the same amount in the FY 2024 State Allowance. However, it is not clear if the FY 2024 funds are required to be partly allocated to municipal governments which is the case with the base formula funding. In the absence of additional information, it is assumed that the County will not receive the full amount of the enhancement and will thus be required to allocate a portion of the aid to the municipalities.

Formula aid for the health department grows by \$0.9 million, or 11.2% due to legislation which increased the amount of revenue to County governments. Aid decreases by -\$0.6 million due to a one-time grant for small businesses impacted by construction of the Purple Line. The County will continue to receive \$9.6 million for a Teacher Retirement Supplemental Grant from the State to partially offset the impact of the cost sharing of

teachers’ pension costs that started in FY 2013. A reduction was also made to the amount received by the County from the MNCPPC.

Total miscellaneous receipts are projected to decrease by -\$30,000 or -0.3% below the FY 2023 budget. In FY 2012, the County started implementing an Automated Speed Enforcement (ASE) program to help reduce speed-related traffic accidents. The program phased-in the installation of 72 speed cameras. The ASE program is estimated to provide \$3.5 million in net revenue in FY 2024, a decrease of -14.6% below the FY 2023 budget. The revenues generated from red light camera program and other fine revenue is expected to be \$4.5 million a 7.1% increase relative to the FY 2023 budget. Both revenue estimates are based on year-to-date trends in the current fiscal year. Over the long-term, driver behavior has changed, as reflected in a continuing decline in revenue from year-to-year. Administrative expenses are paid from this revenue.

OTHER FINANCING SOURCES include the use of fund balance and transfers-in from other County funds. The FY 2024 budget is supported by \$14,961,200 in fund

balance. This revenue is supporting various capital projects including the Suitland Manor project (\$314,000), Glenarden Apartments (\$686,000) and the new Office of Information Technology CIP project (\$3,000,000). Another \$3,954,800 represents debt service payments to support the University of Maryland Medical System which end in FY 2025. Additionally, \$6,000,000 is allocated to support two local and small business programs. Lastly, funding totaling \$950,000 is used for the purchase of body worn cameras for public safety officials and \$56,400 is provided to the Economic Development Corporation for the replacement of the County’s trade show booth.

For FY 2024, the Charter mandated reserve remains at 5%, but the fiscal policy reserve is being increased to 3% in accordance with the recommendations of the Spending Affordability Committee. The Committee recommended increasing combined reserves to a total of 10.0% by FY 2026.

BOARD OF EDUCATION SOURCES are expected to increase by \$73.8 million or 4.1% in FY 2024 from the FY 2023 budget. State aid, which is the major source of outside aid to the Board of Education, is \$181.7 million over the FY 2023 budget. COMMUNITY COLLEGE SOURCES are projected to increase by \$2.2 million or 2.6% over the FY 2023 budget. The revenue mostly comes from State aid, which grows by \$2.6 million in FY 2024 mainly because the State budget provides an increase to four-year public colleges and universities. The State Aid for Community Colleges formula is based on a percentage of funding for those institutions. Tuition and fees revenues are projected to grow by \$1.7 million, or 4.7%. The College is expected to receive \$0.7 million from project charges from the M-NCPPC in FY 2024, unchanged from the FY 2023 budget. The FY 2024 approved budget also assumes a -\$2.7 million reduction in the use of fund balance of the College.

SUMMARY: In FY 2024, the County's General Fund revenues total \$4.5 billion, a projected increase of \$287.0 million or 6.8% over the FY 2023 budget. The increase is primarily due to expected growth in income, property, transfer & recordation, other local, use of money & property and State shared taxes, outside aid for the Board of Education and Community College, as well as licenses & permits and charges for services. These increases are offset by a decrease in intergovernmental revenue, miscellaneous revenue and outside library aid.

County-sourced revenue is estimated to grow by 9.0% in FY 2024. Although the budget is balanced on \$56.7 million in fund balance \$14.6 million of that amount is for one-time spending. However, the County is also increasing the policy-required reserve to 3% of General Fund spending. This complies with the recommendation of the Spending Affordability Committee and better positions the County's finances for the next economic downturn. The approved budget also maintains the charter-required 5% reserve.

PROPERTY TAX LIMITATION

At the 1978 general election, the voters of the County adopted an amendment to Section 817, Article VIII, of the Prince George’s County Charter limiting future collections of real property taxes. The amendment, which became effective in December 1978, added Section 817B to the Charter. It is generally referred to in the County as “TRIM” (TRIM is an acronym for “Tax Reform Initiative by Marylanders”). The amendment forbade the County Council to “levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in FY 1979,” or \$143.9 million. At the 1984 general election, an amendment to TRIM was approved by the voters of the County authorizing the County Council to levy taxes on a maximum rate of \$2.40 for each \$100 of assessed value. The County passed legislation capping taxable assessment growth in FY 1994 and future years for owner occupied residences at the lesser of the change in the Consumer Price Index (CPI) or 5% of the prior year’s taxable assessment. For FY 2024, the cap is set at 5%. This limitation is a charter mandated computation passed by the voters in November 1994 and is permitted by the Tax Property Article, Section 9-105 of the Annotated Code of Maryland.

Chapter 80 of the Acts of Maryland of 2000, (Senate Bill 626) provided that beginning in tax year 2001, property tax rates shall be applied to 100%, instead of 40%, of the value of real property, and that the real property tax rate be adjusted to make the impact revenue neutral. The bill also stipulated that any limit on a local real property tax rate in a local law or charter provision shall be constructed to mean a rate equal to 40% times the rate stated in the local law or charter provision. As a result, the nominal real property rate of the County was adjusted to \$0.96/\$100 of assessed value in FY 2002. Chapter 6 of the Acts of Maryland of 2012, (Senate Bill 848) provided, under certain circumstances, for the property tax rate to be set higher than the rate authorized under the County’s charter. Additional revenue as a result of the increase in the property tax rate is for the sole purpose of funding the budget of the local school board. The approved FY 2024 Budget sets the County’s nominal real property rate at \$1.00/\$100 of assessed value.

CONSTANT YIELD DATA

The real property tax rates for municipalities and the unincorporated area of the County are detailed below, along with the constant yield tax rates as certified by the State Department of Assessments and Taxation. In accordance with Title 6, Subtitle 6-308 of the Tax-Property Article of the Annotated Code of Maryland, a rate which exceeds the constant yield rate is subject to certain advertising and public hearing requirements. Per Chapter 80 of the Acts of Maryland of 2000 (Senate Bill 626), the real property tax rate was adjusted to reflect the conversion to full value assessments of real property, effective October 1, 2000. Starting from February 2001, personal property has been excluded from the constant yield tax rate as reported by the State Department of Assessments and Taxation. The personal property tax rate shall be no more than 2.5 times the rate on real property.

MUNICIPAL TAX DIFFERENTIAL

Program Information

The Tax Property Article of the Annotated Code of Maryland (Title 6, Subtitle 6-305) mandates that the County recognize, through either a reduced County tax rate or direct grant payment, those governmental services and programs that municipal governments perform in lieu of similar County services, to the extent that these similar services are funded through the property tax rate.

Financial Summary

Under the provisions of Title 17, Subtitle 10, Division 6, of the Public Local Laws of Prince George's County, each town's cost of each service identified in the prior-year County budget is assigned a tax rate equivalency value after adjustments are made to offset revenue directly allocable to a specific service. The aggregate town requests for "in lieu of" service credit, as certified by the County, are translated into a dollar value, which is the sum of the products of the tax rate equivalent cost of the service multiplied by each town's tax base. Each of these net service values is then reduced to reflect the portion of the levy. The sum of the tax rate values of the services constitutes the tax rate differential accruing to each town, i.e., the amount by which the County unincorporated area property tax rate will be reduced in each respective town.

Beginning with FY 1999, County legislation set a five-year rolling average for changes in municipal differential rates. Beginning in FY 2004 and each year thereafter, this changed to a three-year rolling average. The purpose of this modification is to provide stability to municipal residents' County tax rates, smoothing what could otherwise be a large rate change that could be triggered by a reorganization of County services, economic fluctuations, changes in municipal service levels or other factors.

In 2000, Chapter 80 of the Acts of Maryland of 2000 (Senate Bill 626) provided that, beginning in FY 2001, property tax rates shall be applied to 100% of the market value of real property, rather than the 40% for most real property under previous law. Also, the law mandates that the County real property tax rates and municipal tax differentials be adjusted to make the impact revenue neutral. As a result, starting from FY 2002, a separate real property tax rate and a separate personal property rate have been applied. Also a real property tax differential and a separate personal property tax differential have been applied, in accordance with State law and County code (CB-1-2001).

Office of the County Executive

MISSION AND SERVICES

The Office of the County Executive ensures that County services are delivered in an effective, efficient and transparent manner. The Office also establishes and maintains public accountability while providing leadership to the government agencies charged with achieving the highest levels of customer satisfaction to the County residents and stakeholders.

CORE SERVICES

- Day-to-day operations of County Government
- Administrative leadership and governance
- Policy, planning and public affairs
- Community engagement
- Inter-governmental relations (County, State and federal)
- Strategic communications management and collaboration
- Strategic partnerships

FY 2023 KEY ACCOMPLISHMENTS

EDUCATION

- Increased school system's allocation of mental health clinicians by nearly 50%, starting in 2022, with a goal of improving access to a professional mental health team to those students in critical need.
- All available pre-K seats are now full day.

QUALITY OF LIFE SUPPORTED BY HIGH PERFORMANCE GOVERNMENT

- Completed the County's first comprehensive Property Condition Assessment (PCA) in years. The assessment reviewed each facility using globally accepted standards, such as the American Society for Testing and Measurement to identify deficiencies in all major building elements and systems at each facility.
- Successfully debuted Momentum, the County's modernized permitting application and review system for building and alteration permits. The program will digitize the plan application submission and review process, streamline procedures, and provide additional transparency to the County's permitting system.
- Successfully launched the employee performance management pilot program, inaugurating an efficient, collaborative, and employee-focused effort to set clear goals for performance; provide continuous feedback to support growth; and equitably assess and recognize every employee's impact on the County and Agency mission. The online system allows for online performance planning, support, and evaluation, including corresponding reporting and dashboard features. The administration is excited to expand this effort from pilot to countywide programming in FY2024.

ECONOMIC DEVELOPMENT

- Secured \$21 million in federal grants to support the Vision Zero Prince George's "Proud to Pave the Way for Multimodal Safety: Improvements Along the Prince George's County, MD, High Injury Network" program. The grant will help redesign roads to improve visibility, slow vehicle speeds, and promote pedestrian and bicyclist safety in underserved communities.
- Achieved the County's largest share of county-wide contracting opportunities awarded to County-based small business enterprises and certified Minority Businesses, sharing in almost 40% and 30% of expenditures respectively in FY2023, up almost 100% from FY2019.
- Secured \$400 million in bonding authority through the Maryland Stadium Authority, to create a sports and entertainment destination along the Blue Line Corridor, bringing sustainable jobs and amenities to the region.
- Launched a robust workforce recovery and business protection package, funded by \$9 million in American Rescue Plan Act (ARPA) grants, designed to target critical industries for entry-level employment, help incentivize hiring for those enrolled in apprentice and pre-apprenticeship programs, engage healthcare workers to be placed in middle-to-advance skilled employment, help connect County Latino business owners to available resources and provide technical assistance to qualifying Minority Business Enterprises.
- Secured \$10 million in State grant funding to strengthen the County's robust Housing Trust Fund and Right of First Refusal program.

HEALTHY COMMUNITIES

- Established the Office of Food Security, charged with working with other community partners to understand available resources, identify gaps, and develop action steps for mitigating food insecurity.
- Secured grant funding to introduce popular telehealth service, HazelHealth, to all PGCPs students and their families, providing physical and mental health care and lowering barriers to learning and achievement.
- Implemented and completed an eighteen-week, intensive litter collection and moving regiment, or "Litter Blitz" in FY 2023 resulting in record collections and representing unprecedented levels of resources. Through these efforts,

County street sweeping crews removed 262 tons of debris from 642 lane-miles, while 20 tons were removed by mowing crews. Teams mowed 3,000 acres in the same effort.

- Ushered an additional behavioral health facility through to the development pipeline. Set to break ground in Spring 2023, this state-of-the-art facility ensures continued support and treatment close to home for residents who have had to seek help elsewhere.
- Secured a \$3.25 million grant from the U.S. Department of Agriculture (USDA) to promote sustainable farming practices and help minority farmers access critical capital needed to compete in the region. This grant will last three years.

In FY 2024, compensation expenditures increase 7.7% over the FY 2023 budget to support the annualization of FY 2023 salary adjustments, planned FY 2024 salary adjustments and an increase of the staffing complement by two positions. One part time position has been created to provide administrative support the Strategic Partnerships division and a new full time position is created to provide operational support to the Administration Division. Funding is provided for 54 full time and two part time positions. Fringe benefit expenditures increase 10.4% over the FY 2023 budget to align with anticipated costs including funding for two new positions.

Operating expenditures increase 29.1% over the FY 2023 budget. The increase is primarily due to an upward adjustment in the technology cost allocation charge based on the anticipated countywide costs for technology. Funding is also allocated for telephone, printing, periodicals, training, travel, mileage reimbursement, operational contracts, office supplies, vehicle repair and maintenance costs.

Note: In FY 2023, the role of the Inspector General in the Police Department was expanded in conjunction with police reform efforts. The Inspector General was made Director of the Office of Integrity, Compliance, and Police Accountability (OICPA) and was removed from the Police Department budget and made a direct report to the Office of the County Executive. In FY 2024, the OICPA is created as a separate division within the County Executive’s budget to provide more effective budgeting and greater visibility into OICPA expenditures.

DIVISION OVERVIEW

County Executive

The County Executive is the chief executive officer of the Prince George’s County Government and is the highest-ranking elected official in the County. As head of the executive branch of government, the County Executive is responsible for the operation of all executive departments, offices, and agencies. The Office of the County Executive is responsible for managing the day-to-day operations of County government and includes the Chief Administrative Officer, the Chief of Staff, Deputy Chief Administrative Officers, and several internal divisions.

Pursuant to the County Charter, the Chief Administrative Officer is appointed by the County Executive and confirmed by the County Council. The Chief Administrative Officer exercises general supervision over the operations of executive branch departments and agencies, including agency performance management and efforts surrounding diversity, equity, and inclusion. The Chief Administrative Officer is assisted by several Deputy Chief Administrative Officers who manage assigned clusters of executive agencies and serve as liaisons to external government partners and other related organizations.

The Chief of Staff is appointed by the County Executive and manages the internal divisions that develop and carry out the County Executive’s policy goals. The Chief of Staff also manages intergovernmental relations with the Maryland General Assembly, the County Council, and municipal governments within the County. Additionally, the Chief of Staff oversees communications, coordination of appointments to boards and commissions, strategic partnerships, returning citizen affairs, multicultural

affairs, and outreach to community stakeholders and constituents.

Fiscal Summary

In FY 2024, the division expenditures increase \$561,600 or 5.4% over the FY 2023 budget. Staffing resources decrease by two full time positions and increase by one part time position from the FY 2023 budget. The primary budget changes include:

- A net increase in personnel costs due to mandated salary increases and changes within the division’s staffing complement. Three positions are transferred to the new OICPA division. Additionally, funding is provided for a new full time administrative support position and one part-time position for operational support.
- An increase in fringe benefit expenses to align with projected healthcare and pension costs for employees.
- An increase in the operating budget to support the OIT technology allocation charge, gas and oil and printing costs to align with actual expenses.

Office of Integrity, Compliance and Police Accountability

The Office of Integrity, Compliance and Police Accountability (OICPA) was created to provide strong, independent, and effective oversight of the operations of the Prince George’s County Police Department (PGPD). The OICPA is led by the Director and Inspector General, a senior-level professional who reports to the County Executive through the Deputy Chief Administrative Officer for Public Safety & Homeland Security. Working in partnership with PGPD leadership, OICPA’s charge is to ensure that PGPD employees act with fairness, honesty, integrity, dignity, and respect towards the public.

Additionally, the Director and Inspector General serves as a liaison to the Police Accountability Board (PAB) and Administrative Charging Committee (ACC) and provides managerial oversight of the administrative staff for both entities.

Fiscal Summary

In FY 2024, the division expenditures increase \$474,700 over the FY 2023 budget due to new division. Staffing

resources reflect the three positions within the Office of the County Executive dedicated to the OICPA. The primary budget changes include:

- An increase in personnel costs due to new division and mandated salary increases.
- An increase in operating to support equipment lease costs.

Legislative Branch

MISSION AND SERVICES

The Legislative Branch establishes laws, regulations and policies that balance the diverse needs and interests of those individuals who live and work in Prince George’s County.

CORE SERVICES

- Exercise legislative powers under the Maryland Constitution including those previously exercised by the General Assembly of Maryland but transferred to the people of the County by virtue of the adoption of the County Charter
- Evaluate the performance and effectiveness of County programs to assure citizen satisfaction
- Plan diverse, safe and functional communities
- Encourage public participation in all governmental policy actions
- Exercise fiduciary responsibility to fund the best possible public health, safety, education and government service programs at an affordable cost

FY 2023 KEY ACCOMPLISHMENTS

- The Council enacted the Rent Stabilization Act of 2023. This bill temporarily amends the Landlord-Tenant Code to limit landlords’ ability to increase rent for certain tenants above a certain amount. The bill protects residents vulnerable to some of the recent spikes in rent that were making housing unaffordable.
- The Council enacted CR-98-2022 to approve a Prince George’s County Section 108 Loan Pool Application to the United States Department of Housing and Urban Development (“HUD”) for an up to \$25,000,000 loan pool to help bridge financing gaps and to enable borrowers to proceed with their perspective transactions; create and retain

jobs and expand the existing tax base. In addition, the Section 108 Loan Pool will provide a valuable source of financing to support larger-scale acquisition, economic and mixed-use development, infrastructure and public facilities and the preservation of quality affordable housing.

- The Council enacted CB-68-2022 to make certain technical and clarifying corrections to the 2022 Zoning Ordinance for Prince George’s County. This bill revises certain procedures and regulations; and adds clarification language to effectuate successful implementation and meet the County’s goals for the new, modern, streamlined Zoning Ordinance that took effect on April 1, 2022.
- The County Council enacted CB-4-2023 to establish a pilot project labor agreement targeting Prince George’s Department of Public Works and Transportation CIP 4.66.0002 Curb and Road Rehabilitation 2 construction projects that create entry-level positions for residents that are both necessary and desirable. The goals of the legislation are to advance the County’s interest in producing labor-management stability; to ensure compliance with laws and regulations governing safety and health; to further equal employment opportunities; and to raise labor and employment standards. The Curb and Road Rehabilitation 2 construction project category provides the largest ongoing funded CIP category for DPWT. In FY 2023, \$36 million is budgeted in this category. Under the Curb and Road Rehabilitation 2 program, the County oversees streets, curbs and sidewalks, making safety improvements, installing new sidewalks, constructing sidewalk ramps in accordance with the Americans with Disabilities Act, landscaping, improving traffic calming, making revitalization improvements and installing guardrails.
- The County Council enacted CB-10-2023 for the purpose of requiring the County to make certain public data sets available on a single web portal on the internet; requiring the County to develop technical standards for publishing public data sets; and requiring the Chief Administrative Officer (CAO) to develop an Open Data Implementation Plan. In addition, under this legislation, the County shall now require third-party providers who deliver and host applications and data on behalf of the County, to meet the definition of public data sets and otherwise contracted requirements in securing and management of the data as prescribed.
- The County Council enacted CB-30-2023 to mandate that certified County-based small businesses will have the right of first award for County procurements at or under \$1,000,000. This expansion of the right of first award shall thereby provide certified County-based small businesses a greater universe of County procurements from which to participate.
- The Council enacted the ‘Better Bag Bill’ to significantly reduce the use of plastic bags by prohibiting retail establishments from providing plastic carryout bags to customers in certain scenarios. The passage of CB-32-2023 also incentivizes the use of paper and reusable bags and establishes a collaborative public education and outreach effort among community organizations and the business community.
- The Council enacted legislation allowing the use of video surveillance systems to strengthen the enforcement of illegal dumping regulations. The passage of CB-37-2023 allows enforcement action against the owner of a vehicle used to commit violations, while also providing possible defenses for innocent vehicle owners.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Legislative Branch is \$29,948,000, an increase of \$3,144,400 or 11.7% over the FY 2023 approved budget.

DIVISION OVERVIEW

The County Council

The County Council consists of eleven Council Members, nine councilmanic district members and two at-large members. The nine members are elected from one of each nine councilmanic districts in Prince George’s County with the at-large being elected from the entire County; all members serve for a term of four years. The Chair, or in the Chair’s absence the Vice Chair, presides at all meetings. Members of the Council serve in three distinct capacities:

- County Council
- District Council
- Board of Health

Sitting as the County Council, the members consider all legislative and administrative matters including bills amending County Code provisions, resolutions addressing County issues, budget matters, water and sewer plan amendments and other administrative actions.

Sitting as the District Council, the Council exercises its powers relating to planning, subdivision control and zoning. This includes the review and adoption of Master Plans and Sectional Map Amendments, rezonings, special exceptions and requests for variances from the Zoning Ordinance. The District Council also considers requests for amendments to the Zoning Ordinance and requests

from municipalities for amendments to their local ordinances.

Sitting as the Board of Health, the Council considers health policies and procedures.

Fiscal Summary

In FY 2024, the division expenditures increase \$607,100 or 16.9% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to planned COLA adjustments in FY 2024.
- An increase in general office supplies due to anticipated division expenditures.

Council Administration

The Council Administration provides staff direction and support for the Legislative Branch activities. This includes the research, drafting and review of Council legislation, assuring its proper format, legal sufficiency and Code compliance. Staff are assigned to the six standing committees – Education and Workforce Development (EWD), Government Operations and Fiscal Policy (GOF), Health, Human Services and Public Safety (HHSPS), Planning, Housing and Economic Development (PHED), Transportation/Infrastructure/Energy & Environment (TIEE) and General Assembly (GA) as well as any special committees that may be established by the Council.

Fiscal Summary

In FY 2024, the division expenditures increase \$2,855,600 or 21.9% over the FY 2023 budget. Staffing resources increase by three full time positions and decrease by one part time position from the FY 2023 approved budget. The primary budget changes include:

- An increase in compensation and fringe benefit expenditures due to reclassified positions, mandated salary requirements and anticipated healthcare and pension costs.
- For operating, an increase in the office automation technology allocation charge, office supplies and travel expenses.

Clerk to the Council

The Clerk to the Council renders essential support services to the County Council in its capacities as the County’s legislative body, the District Council in planning and zoning matters, the Board of Health and the Board of Appeals.

As required by Charter, the Clerk maintains the Journal of Legislation to assure the efficient functioning of the legislative and zoning processes. Additionally, the Clerk’s Office makes available copies of legislation, resolutions and other documents. Other functions of the office include responsibility for all legal advertising mandated for legislative and zoning matters.

Fiscal Summary

In FY 2024, the division expenditures increase \$149,000 or 9.9% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 approved budget. The primary budget changes include:

- An increase in compensation and fringe benefits expenditures due to mandated salary requirements and anticipated healthcare and pension costs.
- For operating, an increase in the office automation technology allocation charge.

Audits and Investigations

The Office of Audits and Investigations conducts performance (operational) audits and financial audits of all County agencies that receive or disburse County funds. The Office also reviews accounts of an agency when its director terminates his/her position with the County or when the director transfers from one County position to another.

In addition, the Office of Audits and Investigations performs special reviews and audits as requested by the County Council. This Office also performs budget review and analysis; research as to the possible fiscal impact of pending County legislation; review and appraisal of accounting and financial controls; and review of data and reports developed throughout the various County agencies.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$191,500 or -6.6% under the FY 2023 budget. Staffing resources

decrease by two full time positions from the FY 2023 approved budget. The primary budget changes include:

- A net decrease in compensation and fringe benefits expenditures due to reclassing two positions to the Council Administration division offset by increases in mandated salary requirements and anticipated healthcare and pension costs.
- For operating, an increase in the office automation technology allocation charge and travel expenses.

Zoning Hearing Examiner

The Zoning Hearing Examiner division consists of attorneys who hold public hearings on applications for special exceptions or rezoning of a single parcel of land.

Typically, applications are submitted to the Planning Board, which reviews them through its technical staff and, at its discretion, before the Planning Board itself.

The Chief Examiner then sets a date of hearing on each application and gives notice to all persons of record and in all newspapers of record. Notice is also posted on the property, and adjoining property owners are given written notice of the pending application. A copy of the application and the complete file are made available for inspection by the public before the hearing.

The public hearing is conducted according to procedural rules approved by the County Council. The hearing examiner is required to prepare a written decision and send a copy to all persons of record. This decision is based on the facts established at the hearing. Conclusions of law are determined and either a final decision, which may be appealed to Council, or a recommended disposition is prepared for final Council action. All final decisions of the Council may be appealed to the Circuit Court.

Fiscal Summary

In FY 2024, the division expenditures increase \$62,900 or 6.9% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 approved budget. The primary budget changes include:

- An increase in compensation and fringe benefits expenditures due to mandated salary requirements and anticipated healthcare and pension costs.
- In operating, a net decrease due to a reduction in operating contracts offset by an increase in the office automation technology allocation charge.

Non-Divisional

The Non-Divisional division provides funds for the independent audit of County finances as outlined in Article IV, Section 402 of the Prince George’s County Charter and other designated operating expenses.

A majority of the funding for operating expenses is earmarked for building improvements, which include renovations for Legislative Branch offices. The balance provides resources for general and administrative contracts.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$339,600 or -7.2% under the FY 2023 approved budget. The primary budget changes include:

- A decrease in operating due to a reduction in general and administrative contracts and office equipment.

Board of Appeals

The Board of Appeals consists of three members appointed by the County Council. All appeals relating to the respective jurisdictions of the Board of Administrative Appeals and the Board of Zoning Appeals are filed and heard separately.

The Board of Administrative Appeals hears appeals from the decisions of the Director of the Environment, the Fire Marshal, the Chief Housing Inspector, the Clean Lot Inspector, the Licensing Officer, the Chief Building Inspector and the Director of the Department of Public Works and Transportation, as well as other similar administrative agencies. The typical types of appeals are denials of building permits and orders to install fire sprinklers, to remove litter and to demolish unsafe structures.

As the Board of Zoning Appeals, the Board is empowered to grant a variance when property owners will suffer unusual hardships from or in strict interpretation of the Zoning Ordinance; review actions and decisions of the Zoning Enforcement Officer; grant extensions of the grace period for the correction or cessation of zoning violations; and review the determinations and decisions of the Maryland-National Capital Park and Planning Commission, the Department of the Environment and other County departments and agencies relating to

provisions of the Zoning Ordinance. Examples of types of decisions are variances from setback requirements for construction of building additions, decks and garages variances from maximum lot coverage requirements; and extension of grace periods to comply with citations for failure to obtain a Use and Occupancy permit.

Office of Ethics and Accountability

MISSION AND SERVICES

The Office of Ethics and Accountability (OEA) enforces the Prince George's County Code of Ethics in order to ensure the ethical conduct of individuals who serve in County Government.

CORE SERVICES

- Administer public ethics laws
- Provide ethics training and advice to County employees
- Review financial disclosure and lobbying records
- Investigate alleged ethical violations and allegations of fraud, waste, abuse and illegal acts
- Provide administrative support to the County's Board of Ethics
- Provide analysis, reporting and recommendations to Executive and Legislative branches

FY 2023 KEY ACCOMPLISHMENTS

- Processed approximately 1,000 financial disclosure statements (FDS) for calendar year 2022 and ensured that approximately 99% of financial disclosures and 100% of lobbyist registration forms were processed via OEA's Web-Portal. The Office audited 105 FDS filed for calendar year 2020 to determine any conflicts related to secondary employment.
- Continued to partner with the Office of Human Resources Management to meet the objective of global ethics education for employees and officials by increasing the number of individuals trained to more than 6,000.
- Processed 502 requests for all OEA case types, including investigations, legal reviews, advisory opinions, ethics advice, information provision and waiver/exemptions. The Office has seen more than a 588% increase in cases since its establishment in 2014.

- Issued 43 recommendations to executive leadership to promote a culture of integrity, efficiency and public trust. This is a 43% increase in recommendations over Fiscal Year 2022. Issued a combined total of 167 recommendations since Fiscal Year 2015.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priority in FY 2024 is:

- Continue to maintain the County’s electronic filing/case management system that allows Prince Georgians, County government employees and elected/appointed officials 24/7/365 access to online filing of complaints, required financial disclosure statements and lobbyist registrations/annual reports. Efficiently investigate all complaints in accordance with applicable laws to ensure timely responses, analysis, reporting and recommendations to management.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of Ethics and Accountability is \$1,149,600, an increase of \$74,800 or 7.0% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 5.2% over the FY 2023 budget due to the annualization of prior year salary adjustments and planned FY 2024 cost of living and merit salary adjustments. Compensation costs include funding for six full time positions. Fringe benefit expenditures increase by 5.2% over the FY 2023 budget to align with the projected costs.

Operating expenditures increase 19.2% over the FY 2023 budget due to the new quality review contract and anticipated countywide costs for technology.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide comprehensive intake, processing, investigation, management, adjudication, analysis and reporting of allegations of waste, fraud, abuse and illegal acts in County government and make necessary recommendations to executive and legislative officials to promote efficiency and accountability.

Objective 1.1 — Maintain length of time to resolve investigations of waste, fraud, abuse and illegal acts in County government at less than 60 days.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
65	33	29	64	60	↓

Trend and Analysis

The length of time to resolve investigations of waste, fraud, abuse and illegal acts is expected to fall within the 60 day threshold in FY 2023, landing at or above the 60 day average, due to the agency being short staffed. As projected in 2024, the Office may see a slight downward trend with a full staff. The following years do not appear to be negatively affected.

44	30	43	34	34	↔

Trend and Analysis

OEA expects to see a slight decline in growth in the number of recommendations issued in FY 2023 due to the ongoing education and substantial increase in the number of recommendations in FY 2022. The education campaign and number of recommendations in FY 2022 could be attributed to the education and trainings provided to County staff and Boards and Commission. The trend is expected to pick back up and may increase slightly, peaking in 2028.

Performance Measures

See Table 1.1

Goal 2 — To promote disclosure of the outside business and monetary interests of County government employees/officials and real-time notice of lobbying activity directed toward County government.

Objective 2.1 — Reduce the number of post-audit actions on financial disclosure statements.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
45	99	90	90	90	↓

Trend and Analysis

The number of post-audit actions on financial disclosure statements is expected to slightly decrease year over year from prior year performance, in accordance with the objective. However, the scope of compliance audits continue to increase even when filers improve overall reporting accuracies.

Personnel Board

MISSION AND SERVICES

The Personnel Board provides oversight of the County’s classified system for merit employees in order to ensure that County Government employees receive fair and equitable treatment under all applicable employment laws, rules and regulations.

CORE SERVICES

- Oversight of the County’s classified system, including oversight of human capital policies and procedures and administrative hearing of human capital issues

FY 2023 KEY ACCOMPLISHMENTS

- Continued to utilize alternative methods of dispute resolution by conducting pre-hearing conferences in advance of merit hearings.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priority in FY 2024 is:

- Maintain the number of Board decisions overturned in the court system at zero by presiding over efficient and impartial administrative hearings and providing adjudication of cases filed.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Personnel Board is \$455,300, an increase of \$26,100 or 6.1% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase by 8.0% over the FY 2023 budget due to FY 2023 and planned FY 2024 salary adjustments. Compensation costs include funding for two full time positions. Fringe benefit expenditures increase by 7.9% over the FY 2023 budget due to an increase in compensation and to align with projected costs.

Operating expenditures have a net increase of 0.3% over the FY 2023 budget due to an increase in training, data usage and technology allocation charges. This is partially offset by a decrease in board member stipends to align with anticipated activities.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide oversight of the County's classified system to County merit employees in order to mitigate violating their rights.

Objective 1.1 — Maintain the number of board decisions overturned by the courts at 0.

Trend and Analysis

The Personnel Board's jurisdiction includes hearing and considering administrative appeals of employees' grievances, adverse actions and petitions for reimbursement of legal fees and/or court costs. The Board has jurisdiction over human resource matters of non-union employees and hears appeals of matters not covered by negotiated agreements of union employees. The Board conducts motions hearings where necessary and considers other petitions and makes rulings in executive sessions. The total number of administrative appeals processed and closed is anticipated to remain constant. Approximately three-quarters of all administrative appeals continue to be adverse action citations. Adverse actions are dismissals, suspensions and others that effect economic status. Denial of benefits, promotion are grievances are not adverse actions.

The Board Chair decided not to conduct virtual hearings as of April 2020, and business was conducted in executive session by conference calls. In January 2021, virtual hearings began and continue throughout fiscal year 2023 and beyond. Executive sessions are conducted by conference call or virtually at the discretion of the Chair.

Office of Finance

MISSION AND SERVICES

The Office of Finance collects and invests revenue as well as provides funds disbursement, accounting, debt management and risk management services in line with best practices to County residents and agencies in order to ensure the delivery of fiscally accountable and effective local government services.

CORE SERVICES

- Revenue collection and investment
- Accounting and financial reporting
- Risk management
- Funds disbursement operations
- Debt management, including the preparation of documents for County bond issuance

FY 2023 KEY ACCOMPLISHMENTS

- Substantially completed the new Treasury Tax Billing and Collections System.
- Issued approximately \$354 million in secured tax-exempt bonds, including the refinancing of \$43 million in National Harbor debt, resulting in \$4.7 million net present value savings for the County.
- Updated a six-year debt capacity analysis for budgetary planning.
- Established agency indirect cost rates countywide to be used for federal grant reimbursements.
- Issued the FY 2022 Annual Comprehensive Financial Report and received the Certificate of Achievement for Excellence in Financial Reporting for FY 2021.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

- Implement CB-29-2022- Property Tax Credit for Elderly Individuals Program.
- Enhance staffing resources to ensure the continuity of operations.
- Partner with the Office of Information Technology to transition from legacy systems to the new Treasury Management system for property tax collections and administration.
- Reduce risk management payments to claimants by partnering with the Office of the County Executive and the Office of Management and Budget.
- Implement actuarial funding contribution levels to address the risk management fund deficit.

In FY 2024, compensation expenditures increase 7.6% above the FY 2023 budget due to funding a new Systems Analyst 3G and the annualization of prior year and planned FY 2024 salary adjustments. Compensation costs includes funding for all 67 full time positions, two part time positions and three temporary/seasonal positions. In addition, one full time and one limited term grant funded position are funded via the American Rescue Plan Act grant program. Fringe benefit expenditures increase 6.0% to reflect an increase in planned salary adjustments.

Operating expenditures increase 13.7% over the FY 2023 budget primarily due to an increase in the technology allocation charge. Other changes include increased printing cost due to buying paper in bulk for multiple fiscal years at one time and anticipated training costs.

Recoveries increase 13.1% over the FY 2023 budget due to mandated salary increases.

DIVISION OVERVIEW

Administration

The Administration Division oversees the activities of the office and has direct responsibility for coordinating and financing bond sales for capital projects including infrastructure, facility, equipment and technology acquisition.

The division administers a comprehensive insurance program designed to minimize the County’s exposure to risk in the areas of professional, general and automobile liability, fire and casualty loss and workers’ compensation.

Fiscal Summary

In FY 2024, the division expenditures increase \$5,900 or 1.0% over the FY 2023 budget. Staffing resources increase by three from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to mandated salary increases. The division also gains three

positions reclassified from the Accounting and Treasury divisions.

- An increase in operating costs due to training, office supplies and the investment services contract.
- An increase in recoveries due to reclassified allocations from the Accounting division and an increase in salaries.

Accounting Division

The Accounting Division is responsible for the timely and accurate recording and reporting of the financial activities of the County and the Redevelopment Authority to ensure conformity with legal requirements, administrative policy and Generally Accepted Accounting Principles. These activities are captured in several standard funds and account groups that include the General Fund; the Special Revenue Fund; the Debt Service Fund; the Capital Projects Fund; the Enterprise Funds, which include Solid Waste and Stormwater Management; the Internal Service Funds, such as the Self-Insurance Funds; the Trust, Agency and Pension Funds and the Fixed Assets and Long-Term Debt Account Groups. This division is also responsible for preparation of the Annual Comprehensive Financial Report, the State’s Uniform Financial Report and the Indirect Cost Allocation Plan. The latter is used to recover indirect costs and fringe benefits applicable to grants and contracts. This division also performs all accounting functions related to County accounts receivable, accounts payable and travel transactions.

The Accounting Division coordinates two other major activities within the Office of Finance. The payroll unit maintains and operates the automated payroll system and processes the bi-weekly County payroll and monthly pension payments. The financial systems staff is responsible for maintaining and operating the County’s automated accounting systems.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$45,800 or -2.0% under the FY 2023 budget. Staffing resources decrease by two from the FY 2023 budget. The primary budget changes include:

- A net decrease in personnel costs due to mandated salary adjustments and reclassing two positions to the Administration division.
- An increase in operating due to training costs, reclassing the Annual Comprehensive Financial Report contract from Treasury and the OIT technology allocation charge.
- A decrease in recoveries due to reclassing allocations to the Administration and Treasury divisions.

Treasury Division

The Treasury Division collects and accounts for various taxes and fees including real property taxes, business personal property taxes, transfer and recordation taxes, telecommunication taxes and solid waste service charges. It also handles special area assessments for the County as well as taxes and charges for the State of Maryland, the Washington Suburban Sanitary Commission, the Maryland-National Capital Park and Planning Commission and all 27 municipalities. Other taxes administered include energy, mobile home and hotel/motel taxes. The Treasury Division is responsible for issuing tax certifications; auditing tax adjustments; processing circuit breaker refunds; administering various tax credit programs; collecting fees associated with evictions; administering the semi-annual tax payment program; and selling properties at tax sale for delinquent taxes. The division also has responsibility for the management of cash flow and the investment of all funds not immediately required for expenditure in an effort to maximize return.

Fiscal Summary

In FY 2024, the division expenditures increase \$296,900 or 10.7% over the FY 2023 budget. Staffing

resources increase by two part time positions over the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to mandated salary adjustments and funding for the new Systems Analyst 3G as well as a technology support position was reclassified to the Administration division. The division also receives two part time Account Clerk 3Gs and three 1,000-hour positions for implementing the Elderly Property Tax Credit program.
- A net increase in operating due to printing and training costs offset by decreases in contracts.
- An increase in recoveries due to a reallocation of recoverable work from the Accounting division.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To ensure optimal revenue collection, financial and investment services are provided to County stakeholders in order to effectively obtain the funds to support County services.

Objective 1.1 — Increase the percent of real property tax revenue collected.

100%	100%	100%	100%	100%	↔

Trend and Analysis

The Office of Finance is responsible for cash and investment management, billing and collecting the County's real and personal property taxes, conducting the annual sale of tax lien certificates, processing documents for transfer and recordation tax collection, managing various property credits and collecting other business taxes. Real property taxes are the largest source of revenue for the County. The annual sale of tax lien certificates is a tax collection technique to recover payment of delinquent taxes by auctioning liens against a property. While the number of tax liens varies, the sale of the tax liens mitigates the loss of uncollected revenues. Real property tax collection rates have remained consistent at close to 100%.

*The Resource measure, "Treasury Division staff," previously, "Revenue collection staff," was renamed to more appropriately refer to the staff members managing tax payment processing.

Trend and Analysis

The Risk Management Office provides management oversight over the County's Risk Pool (County, Board of Education, Community College and Memorial Library) claims administration servicing contract for third party liability, property claims and first party employee(s) workers' compensation claims. Other essential functions include the management of the County's self-insurance program as approved by both the County Council and the State of Maryland. The number of new risk management claims decreased approximately 9% from FY 2020 to FY 2021. Claims increased only 1.7% between FY 2021 and FY 2022. In FY 2023, the number of claims is expected to remain relatively flat until in-person and online training modules are able to increase in the outyears.

Trend and Analysis

County obligations consist of payroll payments and vendor payments. The percentage of all County obligations paid on time has remained consistent at approximately 97%. One hundred percent of payroll payments are made on time. The percentage of vendor payments paid on time has remained above 80%, but decreased from 86% in FY 2020 to 82% in FY 2021 due to a change in the mix of payments. Mass juror payments were discontinued while the courthouses were closed due to the Covid-19 pandemic. In FY 2022, the percentage of vendor payments paid on time increased to 86%.

Office of Community Relations

MISSION AND SERVICES

The Office of Community Relations (OCR) ensures that County residents connect with government resources, agencies and personnel. The office's responsibility is to serve as a bridge between government and the people using data driven analysis and input received from constituents. The Office of Community Relations is dedicated to a world class service delivery model and ensuring Prince George's County residents know that they can count on the County to be highly visible, accessible and accountable.

CORE SERVICES

- Provide access to government services and information for all County residents and businesses
- Conduct community outreach to inform individuals, businesses, constituency groups and non-profit service providers about the activities of County government as well as their rights, responsibilities and opportunities to participate in improving the quality of life in the County

FY 2023 KEY ACCOMPLISHMENTS

- Distributed over 30,000 COVID-19 test kits throughout the County.
- Promoted the the EDvantage online training program. The training contains modules on Board of Directors, governing documents, budgeting, meetings, dispute resolution and applicable legislation pertaining to common ownership communities.
- Maintained the new PGC311 Customer Relationship Management (CRM) system.
- Hosted a total of 250 in-person and virtual events from June 1st through September 30th.

- Provided 2,800 families in need with fresh food boxes, personal hygiene kits and canned goods during the Stuff-A-Truck event, an increase of 10% from the prior year.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priorities in FY 2024 are:

- Increase efficiency and responsiveness to County residents.
- Maintain and sustain the new PGC311 CRM system.
- Expand resource services to all residents via 311 on the Go! Program to include interagency collaboration.
- Expand the basic needs distribution program.
- Improve quality of life in County neighborhoods that have significant economic, health, public safety and educational challenges.

In FY 2024, compensation expenditures increase 4.2% over the FY 2023 budget due to prior year and planned FY 2024 salary adjustments offset by an increase in vacancy lapse. The compensation budget includes funding for 51 of the 56 full time positions. Fringe benefit expenditures increase 4.6% over the FY 2023 budget due to compensation adjustments and an increase in the fringe benefits rate from 34.6% to 34.7% offset by an increase in vacancy lapse.

Operating expenditures increase 43.2% over the FY 2023 budget primarily due to an increase in the technology allocation charge. Other increases include anticipated expenses for travel and training, general office supplies and an operating contract related to the Common Ownership Communities (COC) commission. Funding is also allocated for marketing based on anticipated expenses related to programming and outreach events.

DIVISION OVERVIEW

Community Relations Administration

The Administration Division provides the agency’s constituent services, community mediation and community outreach. The Outreach and Programs unit is located within this division. The Outreach and Programs unit links residents to County services, programs, resources and information to answer questions, address issues and resolve community concerns. The focus is on serving the community by providing access to quality government service ensuring residents have an active voice in County government as well as offering opportunities for residents to engage one another.

Fiscal Summary

In FY 2024, the division expenditures increase \$385,800 or 13.9% over the FY 2023 budget. Staffing resources increase by two positions from the FY 2023 budget. The primary budget changes include:

- An increase in compensation and fringe benefit costs due to prior year and planned FY 2024 salary adjustments. Additionally, two positions are reassigned from the 311 Call Center division to support 311-On-the-Go initiatives.

- An increase in operating due to an increase in anticipated expenses for travel and training, general office supplies and an operating contract related to the COC commission among other operating expenses. In addition, an increase in marketing to support programming and outreach events as well as growth in the technology allocation charge.

Trend and Analysis

The agency receives, responds to and coordinates the resolution of customer complaints and questions using PGC 311 via web, mobile app, and phone portal for government information and non-emergency services. It is crucial that 3-1-1 representatives answer calls and process service requests in a timely and accurate manner. The agency has successfully launched a new web portal and phone application that will provide a more streamlined service for customers. With the additional resources the agency expects the call volume to decrease over time.

People's Zoning Counsel

MISSION AND SERVICES

The People’s Zoning Counsel appears at all hearings on zoning matters to protect the interests of the citizens and residents of Prince George’s County and to ensure the compilation of a full and complete record. The People’s Zoning Counsel is empowered to summon and cross examine witnesses, introduce documentary evidence into the record, file exemptions and make such arguments to the hearing examiner or the County Council as the law and the evidence may warrant.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for People’s Zoning Counsel is \$250,000. The FY 2024 approved budget is unchanged from the FY 2023 approved budget. This funding supports a contract attorney. This contract is funded through an agreement between Maryland-National Capital Park and Planning Commission and the County.

Office of Human Rights

MISSION AND SERVICES

The Office of Human Rights (OHR) is committed to the pursuit of justice for those harmed by discriminatory behavior, predatory acts and denial of services through thorough investigations; a cohesive response to human trafficking through its Human Trafficking Division; enforcement of language access to equal government services for all; and robust education and outreach to build community and to reduce incidents of hate, bias, and violence.

CORE SERVICES

- Investigate claims of discrimination in the areas of employment, housing and residential real estate, public accommodation, law enforcement and commercial real estate
- Identify and recover survivors of sex and labor trafficking, increase prosecution of traffickers, and educate the public about human trafficking
- Build community and reduce incidents of hate, bias and violence by organizing community dialogue through outreach and public engagement
- Ensure that all limited English proficient and non-English proficient County residents receive equal access to County services under the Language Access for Public Services Act (2017 and 2020)
- Manage the immigrants defense program with the Capital Area Immigrant’s Rights Coalition (CAIR) to provide legal representation to all County residents under threat of deportation

FY 2023 KEY ACCOMPLISHMENTS

- Successfully met its contractual obligation with the U.S. Equal Employment Opportunity Commission through its Investigation Division.
- Continued its partnership with the Prince George’s County Memorial Library System (PGCMLS) and other partners to continue robust education and outreach events to bring education and awareness to civil and human rights issues through its Public Outreach and Engagement Division.
- Continued its efforts to coordinate anti-trafficking trainings by educating the public and enhancing its data and analytical efforts through its Human Trafficking Division.
- Conducted trainings for County Government agencies to assist in compliance with the Language Access for Public Services Act of 2017 and 2020.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office’s top priorities in FY 2024 are:

- Provide civil and human rights protection to aid in positive economic development and public safety.
- Reduce acts of discrimination within the County to positively impact economic development.
- Increase the number of coordinated anti-trafficking efforts to positively impact public safety and economic development.
- Increase education and outreach engagement opportunities to positively impact safe neighborhoods, and to reduce violent crimes.
- Increase the percentage of County agencies in compliance with the Language Access for Public Services Act of 2017 and 2022.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of Human Rights is \$3,057,900, an increase of \$184,600 or 6.4% above the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 9.4% over the FY 2023 budget primarily due to the addition of a new Compliance Specialist IG to support the language access program, the annualization of prior year salary adjustments, and the FY 2024 merit and COLA increases. The compensation budget includes funding for 13 out of 14 full time positions. Fringe benefit expenditures increase 9.1% above the FY 2023 budget to align with projected costs including funding for a new position added to the staffing complement.

Operating expenditures increase 3.0% due to an increase in funding for the Immigration Services and Language Access (ISLA) program. This increase is offset by a reduction in the technology allocation cost. Funding is allocated for ongoing expenses to support the Fair Housing Assistance Program.

EQUAL EMPLOYMENT OPPORTUNITY COMMISSION (EEOC) WORKSHARING AGREEMENT -- \$60,000

The U.S. Equal Employment Opportunity Commission (EEOC) provides financial assistance through a worksharing agreement. These funds are provided as a result of investigations conducted by the Commission with regard to allegations of discrimination on the basis of race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability or genetic information that occur in Prince George's County. The EEOC reimburses the Commission a fixed amount per case.

SERVICE DELIVERY PLAN AND PERFORMANCE

Objective 1.1 — To reduce acts of discrimination within the County.

Trend and Analysis

The Office of Human Rights receives cases in two ways: inquiries made to the OHR and transfer of cases from the EEOC. Cases that are formalized through the OHR occur between zero and nine times per week. The EEOC may transfer any number of cases at any time. Although many factors dictate the rate of closure, the target time frame is 180 business days. Factors that dictate the time frame for closure are receipt of the requested information; availability of requested witness interviews; receipt of subpoenaed information; and receipt of supplemental information. The number of cases reflected below represent cases in an investigative status prior to the beginning of the fiscal year, as well as cases opened and investigated during the fiscal year. The total investigations completed and signed, and the case closure rate reflects these factors.

Trend and Analysis

The Prince George's County Human Trafficking Task Force (PGCHTTF) continues to prioritize the mandated goals identified in CR-74-2013: to identify and serve victims of human trafficking, to increase the quality prosecution of traffickers, and to educate the public about human trafficking. During FY 2023, the Human Trafficking Division has developed a community-based data-driven model to begin the collection and analysis of countywide data in order to identify patterns, trends and priorities that will dictate the ongoing coordinated, collaborative response to human trafficking within the County. The Task Force continues to encourage meaningful collaboration and partnerships, develop more coordinated information sharing techniques, and establish continuity in community outreach and stakeholder trainings.

Trend and Analysis

The Language Access Compliance Program (LACP) was established by the Language Access for Public Services Act of 2017. The LACP provides central coordination and oversight of the County's implementation of the Act, policy guidance, training, and technical support to seventeen covered entities. The LACP also provides compliance monitoring, investigation and enforcement, and community outreach to County's limited English proficient (LEP) and non-English proficient (NEP) residents. The Language Access for Public Services Act, 2020 (CB-34-2020) added the County Council as a covered entity. FY 2023 encompasses both Phase 2 and Phase 3 for implementation, investigation, and enforcement phases, respectively. Language access compliance is accomplished when LEP and NEP individuals can interact efficiently in their language of preference with the entity's employees and participate in the entity programs and services at the same level as the English-speaking individuals.

Office of Management and Budget

MISSION AND SERVICES

The Office of Management and Budget (OMB) provides financial planning and performance management to County agencies in order to ensure fiscal accountability and cost-effective use of service delivery resources.

CORE SERVICES

- Financial planning, including the formulation, implementation and monitoring of the County's operating budget as well as the capital budget and the six-year Capital Improvement Program (CIP); grant and Economic Development Incentive Fund coordination; fiscal and economic analysis and administration of the County's tax differential program
- Performance management, in conjunction with CountyStat, including analysis of agency operational data, business processes, policy, regional benchmarks and national best practices

FY 2023 KEY ACCOMPLISHMENTS

- Completed the submission of required federal reports related to the Coronavirus State and Local Fiscal Recovery Funds program.
- Provided a grant workshop to community organizations regarding the FY 2023 Local Development Council Local Impact Grant program.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office's top priorities in FY 2024 are:

- Maintain the County's General Fund balance at or above 8% of the General Fund budget by providing regular reporting to the Office of the County Executive in order to identify potential revenue shortfalls or agency overspending and take corrective action where appropriate.
- Increase the percentage of programs in County Government's service delivery inventory with primary source data that is reported to a centralized warehouse.
- Support the implementation of the Open Budget dashboards that will display and track department operating budgets to the County Executive's priority outcomes and respective performance measures.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of Management and Budget is \$4,204,900, an increase of \$490,900 or 13.2% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 10.6% over the FY 2023 budget primarily due to the annualization of FY 2023 and planned FY 2024 salary adjustments as well as funding for a new Budget Management Analyst 4G position. The new position will serve as a Performance Improvement Analyst. Compensation costs include funding for 29 out of 29 full time positions. In addition, two limited term grant funded positions are funded by the American Rescue Plan Act grant program. Fringe benefit expenditures increase 10.6% over the FY 2023 budget to align with projected costs.

Operating expenditures increase 27.7% over the FY 2023 budget primarily due to an increase in the technology allocation charge. Funding is also allocated for training, printing, general office supplies, interpretation services, membership costs and office equipment.

Recoveries increase 2.5% to align with anticipated costs.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide sound financial planning and monitoring of agency operations and expenditures in order to improve the fiscal health of County Government.

Objective 1.1 — Maintain the County's General Fund balance at or above 7% of the General Fund budget.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
10%	14%	17%	13%	11%	↔

Trend and Analysis

The percentage of total expenditures that reside in the County's fund balance is a critical indicator of the County's fiscal well-being, sustainability and a significant factor in maintaining the County's AAA bond ratings. It also provides critical protection against financial risk due to the County's limited ability to generate revenue as a result of charter-mandated and State-imposed tax caps or restrictions. The County's 5% charter mandated committed reserve and policy required committed operating reserve were established to control the County's exposure to financial risks and provide reserves in the event of emergencies. The policy reserve had been set at 2% for many years but is in the process of being increased to 5% over a three-year period based on the recommendation of the County's Spending Affordability Committee. The Committee was concerned that revenue levels needed to be increased based on a review of revenue volatility following economic downturns as well as a comparison of reserve levels maintained by other AAA-rated counties in Maryland.

For FY 2024, the policy reserve was increased to 3%. The County has successfully kept its General Fund balance above 8% of its annual budget; however, this is at risk due to growing expenditure pressures. Fund balances are achieved through prudent revenue forecasting, effective expenditure monitoring and the application of sound fiscal policies (such as limiting use of fund balance to one-time nonrecurring expenditures). The County continues to have a structural imbalance arising from the mismatch between limited revenue growth and significant service delivery cost increases. This is largely driven by an expansion in base budget costs such as personnel compensation and fringe benefits based on collective bargaining agreements. However, spending pressure has also come from the State-mandated spending on K-12 education through the Blueprint for Maryland's Future legislation. Multi-year fiscal planning including projections for operating budget levels in future fiscal years will be restored and expanded in order to execute a plan to reconcile the structural balance between revenues and expenditures.

*Note: In FY 2021, the County implemented a new contracting review system. In the new process, OMB is not a reviewer through the workflow process. Therefore, "Contracts processed for all funds" will no longer be an output measure tracked for the Office.

Trend and Analysis

The agency is responsible for financial planning and ensuring that financial resources are available for agencies to utilize for their business operations. This metric reflects the duration of time between an agency forwarding the Notice of Grant Award to OMB and the subsequent loading of grant funds into the SAP system. In past fiscal years, the agency experienced an increase in this measurement due to staffing changes as well as a substantial increase in funding received related to addressing the COVID-19 pandemic. While the overall performance remains at fewer than 10 business days, the Office is taking the necessary measures to fill vacant positions to address the overall workload for staff.

Objective 1.3 — Maintain the County's annual debt service payment at or below 8% of the General Fund County source revenues.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
8%	7%	7%	8%	8%	↑

Trend and Analysis

The County's fiscal policy requires that the ratio of debt service costs to General Fund County source revenues does not exceed 8%. It is anticipated that the County will exceed the target by the end of FY 2026 due to slower economic growth as the economy recovers from the COVID-19 pandemic and growing debt costs associated with the capital program. The trend is growing due to the extensive Board of Education modernization plan that is estimated to cost over eight billion dollars over the span of 20 years. The County has several expensive capital improvement projects that are underway such as the Police Department's Special Operations Division facility, significant building improvements at the Community College, a new Regional Health and Human Services Center and increased investments in the maintenance of County buildings, the correctional facility, roads and bridges.

In recent years, debt service payments have benefited from bond premiums, therefore lowering overall debt costs. Also, the County continue to use other revenue sources such as public safety surcharge revenues to support the cost of many public safety capital projects thereby reducing the need to pay for debt costs over a 20 year period. Additionally, the County has partnered with the school system to implement their alternative school construction financing program. This program will identify different methods to deliver and meet the extensive infrastructure needs of the school system while reducing overall costs. As the capital program expands, the Office will continue to monitor the County's debt affordability and prioritize CIP projects within a long-term strategic framework in collaboration with all stakeholders.

Trend and Analysis

In the past two years, CountyStat has undergone a business process adjustment to shift focus from microlevel data management to a more solution-oriented and data-driven approach in addressing the County's most intractable concerns. As a result, the focus of the CountyStat team has moved towards project managing the larger Executive Office Priorities, including Beautification, Time to Fill, Flooding, Procurement, Violent Crime and Permitting. CountyStat continues to work with all agencies involved to develop appropriate outcome measures for these priorities and expects to provide corresponding data in the next year.

Board of License Commissioners

MISSION AND SERVICES

The Board of License Commissioners (BOLC) provides alcoholic beverage management services to the citizens, residents and visitors of Prince George’s County in order to promote and maintain quality alcoholic beverage establishments that operate in a manner that benefits the community.

CORE SERVICES

- Provide alcoholic beverage license management for Prince George’s County in a manner that promotes and maintains quality alcoholic beverage establishments
- Issue alcoholic beverage licenses to qualifying establishments
- Conduct inspections of licensed establishments

FY 2023 KEY ACCOMPLISHMENTS

- Enhanced the inspection process through accountability, professionalism and continuity.
- Increased customer outreach to reduce license violations.
- Increased undercover operations to target problematic businesses.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The board’s top priorities in FY 2024 are:

- Target underage consumption by using summer youth participants and 1000-hour employees to eliminate sales to minors.
- Enhance the automation and efficiency of the alcoholic beverage licensing and inspection process.
- Reduce the time of application submission to effectuation of license.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Board of License Commissioners is \$2,069,100 an increase of \$175,700 or 9.3% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increased 11.2% over the FY 2023 budget primarily due to annualization of prior year salary increases, FY 2024 planned salary adjustments and funding for a previously unfunded liquor inspector position. The compensation budget includes funding for 9 full time employees and 12 out of 19 part time employees. Fringe benefit expenditures increase 2.4% above the FY 2023 budget to align with the projected cost of the position complement.

Operating expenditures increase 12.8% over the FY 2023 budget is due to an increase in the technology cost allocation charge, advertising costs, printing cost and the legal services contract.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — Increase compliance with alcoholic beverage laws, rules and regulations.

Objective 1.1 — Increase the percentage of licensed premises refusing to sell to underage volunteer operatives.

84%	90%	68%	72%	77%	↓

Trend and Analysis

The goal is always to have 100% compliance from County licensees regarding underage sales. Realistically, this target may never be achieved regardless the agency's best efforts because licensees may not comply with the agency's rules and regulations. Data for the measure, "Licensed businesses refusing to sell to underage volunteer operatives," has been revised for the fiscal year 2020 to reflect a more accurate accounting. Also, the BOLC has decided to start moving away from using volunteers as minor operatives. The measure, "Volunteer minor operatives," will be adjusted next year to reflect this transition.

Trend and Analysis

Legislation was submitted by the Prince George's County Police Department to require licensed establishments that wish to provide entertainment to adhere to stringent security measures. The BOLC inspects these locations to ensure provisions of the law are followed. Since entertainment has resumed, the BOLC expects the number of entertainment applications and inspections to increase.

Trend and Analysis

The BOLC checks each applicant/licensee to ensure that there are no unresolved tax issues prior to processing the application for an alcoholic beverage license. For businesses not in good standing, a tax release is required from the State of Maryland Comptroller's Office and/or the County's Office of Finance prior to issuance or renewal of a license. The BOLC continues to provide notice to applicants/licensees that taxes must be paid prior to issuance or renewal of a license.

Trend and Analysis

Prior to FY 2016, all violation cases were presented before the Board. This created a backlog of cases, which increased the days between the issuance of a violation and the hearing. The number of days between a violation notice and a hearing has substantially decreased due to the incorporation of the "offer letter," which is another way to resolve minor violation cases without having a hearing. As the Board had anticipated, this duration decreased with the expectation that more violators will accept the offer letter. Since this initial decrease, the BOLC has maintained a relatively lower average number of days between violation and hearing.

Office of Law

MISSION AND SERVICES

The Office of Law provides legal services to the County Executive, the County Council and County agencies, boards and commissions to help ensure that County government is operating in a lawful manner.

CORE SERVICES

- Represents the County in all civil actions before federal/State/local courts and administrative bodies
- Drafts legislative and transactional documents
- Provides legal advice to County government officials and employees

FY 2023 KEY ACCOMPLISHMENTS

- Advised and provided counsel to the Police Reform Workgroup – in which the County Attorney drafted and presented key legislation to implement State Police reform mandates.
- Supported the County in the completion of the Comcast Cable franchise negotiations.
- Developed the Transparency Division to assist agencies in handling public information act requests; and focus on assisting agencies/boards with public meeting compliance and ethics issues.
- Assisted with the re-engineering of the Police Departments officer promotions process.
- Drafted the agreement and provided consultation for the Emergency Rental Assistance Program.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office’s top priorities in FY 2024 are:

- Fully implement a new case management system.
- Continue to improve efficiency in responding to public information requests.
- Provide efficient and effective legal guidance to clients to help achieve their operational goals.

- Attempt to reduce the amount of adverse decisions resulting from litigation against the County by monitoring cases to identify trends and addressing problems with the applicable agency.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of Law is \$5,458,500, an increase of \$463,900 or 9.3% above the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 8.8% over the FY 2023 budget primarily due to the annualization of prior year salary adjustments, planned FY 2024 salary adjustments as well as funding for two new positions. The new positions include an Attorney 3G and Paralegal 1G position to support the rent stabilization program. The compensation budget includes funding for all 64 full time employees. Fringe benefit expenditures increase 8.8% above the FY 2023 budget to align with the projected costs including an increase for two new positions added to the position complement.

Operating expenses increase 5.9% over the FY 2023 budget due to an increase in the technology allocation charge.

Recoveries increase 7.6% above the FY 2023 budget primarily due to the new recovery from the Police Department.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide legal representation and advice to the County Executive, the County Council and County agencies in order to reduce the County's exposure to legal liability.

Objective 1.1 — Reduce the amount of payouts resulting from litigation against the County (millions).

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
\$11.5	\$21.0	\$11.5	\$11.5	\$11.5	↔

Trend and Analysis

The number and amount of payouts for lawsuits can vary from year to year due to multiple factors including facts of the case, applicable law, courtroom factors, and the timing of a payout. Another significant factor are recent police-involved events throughout the country that have revised contemporary views on police misconduct issues. The Maryland General Assembly amended the Local Government Tort Claims Act to increase the cap on the County's liability for police intentional torts and violations of the Maryland Declaration of Rights to \$890,000 for all claims arising out of an incident and increased the cap for wrongful death actions for police misconduct to \$1,335,000. This will likely result in an upward trend of payouts in subsequent fiscal years. One or two litigation cases can greatly impact the amount of payouts in any given reporting period. While there are several pending cases which have the probability of a potential payout of \$400,000 or more, the Office of Law anticipates staying within our projections for the fiscal years noted under this objective. The Office of Law continues to monitor cases to identify trends and address problems with the applicable agency, to include agency training, in an attempt to minimize the impact of litigation on the County.

Trend and Analysis

The timetable for transactional reviews range from three to ten business days depending on the complexity of the matter and condition of items received. The Office of Law receives over 1,400 transactional review requests per fiscal year. In FY 2022, the transactional review requests received were over 1,600. The Office of Law continues to experience an upward trend each year in the number of transactional review requests. In addition, the Office of Law is experiencing an increase in the number of complex requests, which require additional handling time. Finally, under current Administration the Office of Law has been the "owner" or originator of the legal documents, as opposed to the outside entity. This requires more time by the Office of Law, which also continues to experience difficulty hiring new attorneys.

Trend and Analysis

The standard timetable for fulfilling non-complex requests for legal opinions is 10-15 business days, and for formal legal opinions it is 30 days. The complexity of the matter and the number of requests can increase the response time. Police reform changes is an example of one of the driving factors that has increased the need for legal opinions.

Office of Human Resources Management

MISSION AND SERVICES

The Office of Human Resources Management (OHRM) provides a productive and high-quality workforce capable of efficient and effective service delivery.

CORE SERVICES

- Staffing and compensatory services including recruitment, background investigations, classification, training and career development, health and benefit administration and pension programs
- Employee management services which include labor and employment law interpretation and advice, developing and monitoring personnel policy and procedures, handling grievances, labor negotiations, records management and position control monitoring

FY 2023 KEY ACCOMPLISHMENTS

- Implemented an enhanced “Time to Fill” process to improve hiring timelines and facilitated effective collaboration between OHRM and hiring agencies.
- Initiated a pilot Youth@Work program to facilitate hiring County youth into permanent positions after their summer work experience.
- Negotiated new benefits and services for calendar year 2023, including reduced co-pays for mental health visits and five classes of generic prescriptions.

- Launched a process for electronic submission and retrieval of personnel file documents and digitized over three million documents.
- Reconstituted the Employee and Labor Relations (ELR) unit to provide a dedicated team to support employees and managers during their County employment, including labor negotiations, guidance, mediations, leave administration, and policy administration to include update and revision of Administrative Procedure 200s.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office’s top priorities in FY 2024 are:

- Expand and integrate technology to streamline services such as time to fill and increase transparency through agency access to information and resources through upgraded systems which create the analytics OHRM needs to benchmark services.
- Deploy new approaches to talent sourcing to navigate the new employment environment which will require innovative employment and communication strategies to attract, source and recruit qualified candidates.
- Promote employee engagement and retention to drive passion and engagement in the workforce through performance management and learning systems, wage equity, total compensation, and benefits.

In FY 2024, compensation expenditures increase 4.4% over the FY 2023 budget due to the annualization of prior year salary adjustments and planned FY 2024 salary adjustments, netted with the addition of three new positions including a Systems Analyst 3G and two Human Resources Analysts 2G (Compensation Analyst). Compensation includes funding for 73 full time employees. Fringe benefit expenditures increase 7.3% over the FY 2023 budget to reflect the compensation adjustments and projected fringe costs.

Operating expenses increase 53.3% over the FY 2023 budget primarily due to additional funding allocated for public safety promotional exams and mental health/psychological exams as required by the Maryland Police Accountability Law Act of 2021 in FY 2024. Funding is allocated for various contracts including new classification and compensation studies, online talent acquisition services, labor/economic consulting services, and diversity, equity and inclusion trainings, as well as changes in the technology allocation charge.

Recoveries increase 18.4% over the FY 2023 budget primarily due to a change in the recoverable positions in Labor Relations and Benefits and Pensions division that include salary and fringe adjustments.

DIVISION OVERVIEW

Administration

The Administration Division provides centralized coordination, policy guidance and administrative support for the operating programs of the agency. This division also advises the County Executive, County Council and other County agencies on personnel policy and employment law. The Administration Division includes the Director’s Office, Information Technology, Communications, Employee Wellness and Labor Relations.

The Labor Relations section administers the County’s collective bargaining agreements and develops pay scales for legislative enactment. Staff also address grievances related to the interpretation and implementation of union contracts, provide guidance and assistance to other County agencies in complying with relevant labor laws, handle grievances and disciplinary actions as well as counsel employees.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$181,200 or -5.1% under the FY 2023 budget. Staffing resources increase by one from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of prior and FY 2024 planned salary adjustments and the addition of a new Systems Analyst 3G position.
- An increase in operating contracts for the labor and economic consulting services; online leadership training; onboarding; and an increase in office automation.
- An increase in recovery rates due to the growth in salary and fringe benefit costs.

Talent Management

The Talent Management Division is divided into four core function areas: Recruitment and Classification; Examinations; Public Safety Investigations; and Youth Initiatives.

Recruitment and Classification activities include advertising for job openings in the County government; evaluating job applications; developing certification lists from which agencies select candidates; overseeing the County’s classification and compensation plan; and administering the alcohol and substance abuse testing program.

Examinations administer public safety promotional examinations.

Public Safety Investigations (PSI) administers the background investigation process for public safety applicants seeking employment with the following departments: Police, Fire/EMS, Sheriff, Corrections and the Office of Homeland Security.

Youth Initiatives administers the County’s Summer Youth Enrichment Program (SYEP), providing summer enrichment opportunities for County youth between the ages of 14 and 22.

Fiscal Summary

In FY 2024, the division expenditures increase by \$2,989,800 or 73.1% over the FY 2023 budget.

Staffing resources increased by two from the FY 2023 budget. The primary budget changes include:

- Increase in personnel costs due to the addition of two new Human Resources Analysts 2G (Compensation Analyst) and the annualization of salary adjustments.
- Increase in fringe benefits as a result of the compensation adjustments and projected healthcare and pension.
- Increase in operating expenditures due to the additional funding provided for public safety promotional exams and mental health/psychological exams as required by the Maryland Police Accountability Law Act of 2021. Additional funding is available for countywide classification and compensation studies.

Benefits, Pensions and Retiree Services

The Benefit, Pensions and Retirement Services is divided into two core function areas: Benefits Administration and Pension and Investments.

Benefits Administration is responsible for the management of all health benefit programs for active employees and retirees. The County offers two health maintenance organization plans, one point-of-service plan, two dental options, prescription coverage, a vision plan, long-term disability insurance, flexible spending accounts for medical expenses and child day care. Additionally, the County offers the following voluntary benefits: short-term disability (STD), critical illness insurance, permanent whole life insurance, accident insurance and a group legal plan. Occupational Medical expenses are also included within these costs.

Pensions and Investments is responsible for the supervision and management of retirement related employee programs for the County. Administrative oversight of the pension plans’ funds under investment is a key mission of the division. Comprehensive information and educational opportunities to assist employees in making informed decisions about their retirement options is another key service.

The division directly administers pension plans for all uniformed public safety employees in the Police, Fire, Deputy Sheriff and Corrections agencies, the Length of Service Award Program for volunteer firefighters and seven Supplemental Pension Plans. The division coordinates the pension plans for other County

employees enrolled in the Maryland State Retirement and Pension System.

Fiscal Summary

In FY 2024, the division expenditures decrease by -\$532,900 or -88.3% under the FY 2023 budget. Staffing resources remained unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of prior and FY 2024 planned salary adjustments.
- An increase in fringe benefit costs as a result of compensation adjustments.
- A decrease in operating due to the consolidation of benefit/pension medical review contracts.
- An increase in recovery costs primarily due to one additional recoverable position and OIT charges that are now 100% recoverable.

People Operations

The People Operations Division is divided into three core function areas: Core HR; HR Service Management; and Learning, Performance, and Organizational Development (LPOD).

Core HR ensures compliance and provides guidance in alignment with all established County Government personnel laws and OHRM policies and procedures by County Government agencies and the processing of personnel actions.

The HR Service Management unit develops, implements, and manages all human resources policy and strategy to ensure clarity and understanding by providing clear systems, documentation, communication, training, and guidance for County employees and agencies.

Learning, Performance and Organizational Development (LPOD) conducts New Employee Orientation and provides agency support in leadership development, performance management, training and professional development of employees.

Fiscal Summary

In FY 2024, the division expenditures increase by \$5,500 or 0.3% over the FY 2023 budget. Staffing resources remained at eleven from the FY 2023 budget. The primary budget changes include:

- Increase in personnel costs due to the annualization of salary adjustments.
- Decrease in fringe benefits to align with projected costs for the division.
- Increase in operating costs for additional office supplies.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide agencies a diverse, highly qualified, healthy and productive workforce to deliver services effectively.

Objective 1.1 — Decrease the time to fill a vacant position.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
87	136	112	107	98	↓

Trend and Analysis

The Office of Human Resources Management strives to provide County agencies with talented and qualified applicants to fill vacancies in a timely manner. In FY 2020, the agency convened a "Time to Fill" workgroup to map the existing "Time to Fill" process and generate ideas for further improvements. Since FY 2020, the agency has continued to work on technology enhancements and changes to reduce manual and paper-based processes. In FY 2024, performance metrics around "Time to Fill" are focused on improving the hiring process for full-time, open and promotional, non-public safety positions.

Performance Measures

Objective 1.2 — Increase the number of SYEP participants that obtain employment as a result of their summer experience.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
10	n/a	n/a	6	5	↑

Trend and Analysis

The agency has established public and private sector partnerships to expand the scope of the summer youth program to include additional job placements and free job readiness training for County youth. The enhanced program includes training on critical job skills including communications, etiquette, conflict resolution and resume writing. In FY 2020, the County expanded the age range for the program to include youth between the ages of 14 - 22. Due to COVID-19, summer 2020 added virtual opportunities for youth to ensure a safe summer experience. For FY 2024, OHRM aims to increase the number of youth ages 18 - 22 placed in long term positions after completion of the summer experience.

Trend and Analysis

OHRM's People Operations Division includes several teams that provide human capital management services for the County's workforce, including Records Management, Core HR, and Learning, Performance and Organizational Development (LPOD.) LPOD creates, promotes and fosters individual and organizational effectiveness by developing and offering an array of innovative and diverse programs in support of the County's commitment to employee development and organizational enrichment. The LPOD team has significantly increased the number of employees participating in training through the launch of the NEOGOV Learning Management System. The system provides innovative training courses and online course registration.

OTHER FUNDS

Information Technology Internal Service Fund

The Information Technology Internal Service Fund supports innovative technology solutions, data management and business intelligence and the County's enterprise infrastructure in support of the government and its citizens. The fund specifically supports the service desk, geographic information systems, applications development and web support, project management, enterprise security, network services, telecommunications, institutional network (I-Net), mainframe applications, enterprise software licenses and the acquisition of IT hardware.

Fiscal Summary

In FY 2024, compensation expenditures increase 6.5% over the FY 2023 budget due to the annualization of prior and planned salary adjustments. Compensation costs include funding for 73 out of 73 full time positions and two part time positions. Fringe benefit expenditures increase 6.5% over the FY 2023 budget to align with projected costs. Fringe benefit expenditures include funding for other post-employment benefits (OPEB) totaling \$1,562,900.

Operating expenditures increase 6.8% over the FY 2023 budget primarily due to software maintenance contracts and management system projects and cybersecurity.

The FY 2023 revenue estimate in the Fund Summary assumes a supplemental appropriation totaling \$3,615,700 to the Information Technology Internal Service Fund to restore the fund balance based on two unpaid agency technology allocation charges from FY 2022.

Trend and Analysis

The Prince George's County Government depends on a modern, secure, and scalable IT infrastructure to accomplish their mission. This includes information systems and data, as well as today's utility devices such as robotics, security systems and data. Cybersecurity protections must be available to safely enable uninterrupted operation of digital tools and a diverse suite of applications and the privacy of sensitive data the County is the steward of. The IT infrastructure must be able to deter and respond to the increasing number of minute-by-minute worldwide cybersecurity threats. It must also be extensible to accommodate devices and platforms that allow for mobile access to the IT enterprise enhancing end users' ability to be productive from anywhere.

Trend and Analysis

In FY 2024, the County's remote workforce is projected to continue to increase as digitization efforts by agencies continue to make progress, and they automate manual forms allowing the public to complete transactions virtually. Enhancements to automation that can be accessed from anywhere include technology data visualization tools for COVID tracking, application development, Department of Permitting, Inspections and Enforcement (DPIE) and Department of Public Works and Transportation (DPWT) utilizing street imagery to inspect, analyze and complete assignments, and expanding conference bridges and other types of virtual collaboration calls.

Trend and Analysis

Effective local governments must be more accessible online using the web, e-services, mobile apps and other digital means in which citizens access government information and services. It is critical that OIT endeavor to provide modern digital platforms, internet opportunities and mobility so that citizens can interact with County government in the way they do in their everyday lives. The FY 2024 year over year increase is a result of anticipated benefits from the new website to reduce the number of pages needed and clicks to get to information.

Trend and Analysis

Broken links on websites are a phenomenon for all entities, usually as a result of many web contributors of various levels of knowledge creating links not using standard protocols or other assumptions. In FY 2021, OIT and agencies began to repair broken links systematically through a revised, improved process. Previously, agencies were responsible for repairs within two weeks before OIT intervention. The new approach will be a process inclusive of a 2-day turnaround for agencies to repair before OIT adjust Web content and repair. In FY 2024, OIT will continue its inventory of broken links and implement new and improved internal policies and procedures.

In FY 2024, compensation expenditures decrease -23.0% below the FY 2023 budget due a reduction in funding for temporary staffing to align with the anticipated need to support the Presidential election. This is offset by an increase in funding for overtime, the annualization of FY 2023 compensation adjustments and planned FY 2024 salary adjustments. Funding is also provided for two new positions including a Citizens Services Specialist 3G to support the Board of Elections' compliance to Section 203 of the Voting Rights Act and a Budget Analyst IG position to assist in the development and management the Board's budget. Compensation costs include funding for 33 full time employees. Funding is also provided for 3,000 election judges, 494 chief judges and 913 other temporary staff. Fringe benefit expenditures increase 8.8% over the FY 2023 budget due to the increase of the fringe benefit rate from 16.3% to 23.0% to align with projected costs including an increase for two new positions added to the position complement.

Operating expenditures increase 49.4% over the FY 2023 budget primarily due to an increase in the contracts for legal, printing and transportation services. Funding is provided to support anticipated expenses for the Presidential election including advertising, equipment leases, office/building rental fees and general operating supplies.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide election services to citizens to ensure all eligible citizens have an opportunity to vote in a primary or general election.

Objective 1.1 — Increase the percentage of County residents that are registered to vote.

Trend and Analysis

Same day voter registration was implemented during the 2016 Presidential Elections for early voting and during the 2020 Presidential Elections for Election Day. Citizens of Maryland now have an opportunity to register to vote if they meet specified criteria - possess a valid Maryland driver's license or Maryland issued identification card. As a result of the availability of same day registration, during the 2022 General Election, 449 Prince Georgians registered to vote or updated their address. Citizens now have increased opportunities to participate in the Election process with the invention of online voter registration and the offering of same-day registration. In 2012, prior to online voter registration and same day registration, 82% of county residents registered to vote. The current trend shows voter registration rates above 90% until 2022. In 2022, the registration rate dropped to approximately 87%, however, the rate may increase in upcoming months. As of November 30, 2022, there were 644,637 registered voters in Prince George's County. According to U.S. Census, Prince George's County's population over the age of 18 as of July 1, 2021 is 744,183. Currently, the Board is preparing for the roll out of a new e-pollbook system. The State Board of Elections will procure a new system during FY 2023.

Trend and Analysis

Prince Georgians were encouraged to vote by mail during the 2020 Presidential Election cycle due to the Coronavirus pandemic. Approximately 40% of voters (nearly 240,000) submitted their ballots by mail. The popularity of voting by mail continued during the 2022 Gubernatorial Election cycle, with 47,196 ballots received during the primary election and 68,978 mail-in ballots received during the General Election. In both election cycles, many voters who voted by mail opted to use one of the convenient drop boxes located across the county. The Maryland General Assembly passed legislation to make it easier for some voters to opt to receive vote by mail ballots permanently. Additionally, legislation was passed that allows for a vote by mail special election.

During the Special Election conducted for County Council District 8, most voters, 6,847 (95.8%) for the special primary election and 6,954 (97.6%) for the special general election, cast their ballots by mail. During the 2022 Gubernatorial Election cycle, the Board utilized 38 convenient drop boxes across the County for voters to return their ballots directly to the Board instead of using the postal service. The trend is to ensure that voters have increased opportunities to exercise their right to vote. By offering more ways to vote, the wait times for voters on Election Day and during early voting should decrease. The Primary election was moved to FY 2023 due to redistricting.

As a result, the only elections conducted in FY 2022 were the Special Primary and General elections for County Council District 8. Election Judge recruitment for Fiscal Year 2022 and 2023 was challenging for the Board of Elections, while 3,746 judges were trained in Fiscal Year 2022. With the change in the election date from June to July, the Board experienced a record number of dropouts two weeks prior to the primary election, which left some precincts that require at least 25 judges with 3 judges to open and work the polling site. Please note that although there were 3,746 judges trained in Fiscal Year 2022, only 37 judges served in fiscal year 2022 during the Special Election.

Police Accountability Board

MISSION AND SERVICES

The Police Accountability Board (PAB) works in partnership with law enforcement agencies to develop strategies and recommendations to improve matters of policing, including, but not limited to, imposing effective discipline for proven police misconduct, implementing independent oversight of police policies and practices and increasing police accountability.

CORE SERVICES

- Work with all law enforcement agencies in the County to improve matters of policing, particularly with respect to police discipline and accountability for misconduct
- Receive complaints of police misconduct filed by members of the public and transfer them to the appropriate law enforcement agency to commence investigations
- Evaluate outcomes of investigations of alleged police misconduct conducted by law enforcement agencies and reviewed by the administrative oversight committee
- Produce annual reports for the County's governing authority and the public that include recommendations identifying trends in law enforcement officers' disciplinary process and changes to police agencies that improve accountability

FY 2023 KEY ACCOMPLISHMENTS

- Conducted two meetings with law enforcement agency heads.
- Participated in three outreach events.
- Provided formalized training and guidance for Police Accountability Board members and staff.
- Collaborated with the Office of Information Technology to launch an expanded webpage.

- Appointed two civilian members to the Administrative Charging Committee and one or more civilian members to the Administrative Hearing Board(s) in the County.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The board’s top priorities in FY 2024 are:

- To improve matters of policing by ensuring accessible, transparent, and engaging public accountability oversight of law enforcement agencies.
- To build a diverse portfolio of communications across channels; including web-based, in-person events, press releases, toolkits, social media, and printed material to facilitate transparent, trusted, and credible relationships with the community and our law enforcement agencies.
- To build the PAB’s capability and internal processes to improve the PAB’s ability to capture and leverage data necessary to develop policy recommendations that are evidence-based and understandable to external stakeholders.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Police Accountability Board is \$1,179,500, an increase of \$599,900 or 103.5% over the FY 2023 approved budget.

Trend and Analysis

The Police Accountability Board (PAB) is a newly established County function. There is no historical or real-time data available upon which to base targets and estimates in the above categories.

The County's new police accountability process also includes the Administrative Charging Committee (ACC) and the Administrative Hearing Board (AHB). The ACC and AHB are the entities responsible for reviewing investigations of police misconduct involving citizens and making the disciplinary decisions that the PAB will use to evaluate policing and make policy, training, and procedural recommendations. County legislation establishing these three entities was passed on July 5, 2022 and became effective on August 19, 2022. However, all three entities must be fully functional before the accountability process can start.

State and County law mandate that the PAB appoint members to serve on the ACC and AHB. PAB members were sworn in on November 2, 2022 and, the PAB conducted seven meetings between November 14, 2022 and January 23, 2022, to establish a selection process, review applications and make its mandated appointments.

Office of Central Services

MISSION AND SERVICES

The Office of Central Services (OCS) provides facilities management, real property management, fleet management, inventory, reproduction and mail services, procurement and supplier development and diversity services to facilitate the delivery of quality goods and services.

CORE SERVICES

- Acquire, manage, and maintain County vehicle fleet operations
- Provide outreach and technical training for small and minority business development
- Develop, implement, and publish service level agreements for all procurement transaction types
- Maintain clean, safe, and reliable County government buildings and systems
- Provide cohesive real estate acquisition; leasing; development monitoring; and disposition services for Prince George’s County-owned real property.

FY 2023 KEY ACCOMPLISHMENTS

- Maintained position as a leading fleet organization on both a regional and national level (ranked # 21 overall fleet and # 27 “green fleet” in North America by the National Association of Fleet Administrators).
- Initiated implementation of Procure-to-Pay, a fully integrated procurement compliance platform that tracks county vendors/suppliers, contracts, regulations and buyers throughout the lifecycle of the procurement process.
- Completed a 10-year Facility Master Plan.
- Completed a feasibility and site selection for the new Warm Nights facility and replaced the Cheverly Health Clinic.
- Increased the percentage of countywide procurement expenditures to certified County-based small businesses (CBSB) and certified Minority Business Enterprises (MBE) by 5% annually.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office’s top priorities in FY 2024 are:

- Increase fleet electrification and meet the requirements of CR-028-2014 Green Fleet Policy.
- Increase new certifications for County-based small and minority businesses.
- Improve end-user procurement experience by streamlining the purchasing process and optimizing the County’s electronic procurement platform
- Expand the Prince George’s County Supply Schedule, thus enabling County agencies to increase procurement spend with County-based small and minority contractors.
- Increase the percentage of County government buildings (managed by OCS) with a Facilities Condition Index rating of “Good.”

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of Central Services is \$48,485,100, an increase of \$3,515,900 or 7.8% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 13.7% over the FY 2023 budget due to FY 2024 planned salary adjustments and funding two new CIP Contract Project Coordinators, a new Deputy Director for the Contracts and Procurement Division and a Compliance Specialist for Minority Business Enterprise efforts. Compensation includes funding for 162 out of 175 full time employees. Fringe benefit expenditures increase 14.6% over the FY 2023 budget due to a change in the fringe benefit rate from 38.4% to 38.7% to align with projected costs and funding for four new positions.

Operating expenses increase 13.5% over the FY 2023 budget due to the technology allocation charge, equipment leases and general operating expenditures like telephone, gas and vehicle maintenance. Other major budget impacts include additional funding for maintenance costs for the Wayne K. Curry Administration Building and fuel, HVAC, electrical and other building maintenance costs.

Recoveries increase 74.1% over the FY 2023 budget due to additional personnel being recovered from the CIP fund.

DIVISION OVERVIEW

Office of the Director

The Office of the Director manages agency operations and provides policy guidance and direction to the operating divisions. This division is responsible for personnel and human resource development and management, budget development and monitoring, financial management, parking coordination, audio visual and special projects. The Office of the Director also manages the real property leases, acquisition and disposition and the sustainable energy program. The Compliance Unit reviews contract compliance and reporting requirements associated with the Jobs First Act of 2011 and the Jobs and Opportunity Act of 2016. The Compliance Unit establishes the annual prevailing wage rates, monitors livable wage compliance and oversight of the prevailing wage monitoring contractors. The Compliance Manager serves as the Executive Director of the Wage Determination Board. The Compliance Unit was previously located in the Supplier Development and Diversity Division in prior fiscal years.

Fiscal Summary

In FY 2024, the division expenditures increase \$635,000 or 13.7% over the FY 2023 budget. Staffing resources increase by two over the FY 2023 budget. The primary budget changes include:

- Compensation and fringe benefit costs increase primarily due to mandated salary increases along with anticipated healthcare and pension costs. The division gains one position that was reclassified from the Contracts and Procurement division during the FY 2023 fiscal year and one new Compliance Specialist for Minority Business Enterprise efforts.
- An increase in operating costs due to the OIT technology allocation charge, a software contract and an increase in the Office of Law project charge.
- An increase in recoveries due to the increase in salary and fringe benefit costs.

Facilities Operations and Management Division

The Facilities Operations and Management Division is responsible for multiple building operations, renovations and maintenance services. These include utilities management, custodial services and mechanical repairs for County-owned, County-leased buildings and fire stations. This division is responsible for minor and major renovation projects, coordinating conference room scheduling and special project setup.

Fiscal Summary

In FY 2024, the division expenditures increase \$1,931,300 or 11.3% over the FY 2023 budget. Staffing resources increase by two positions over the FY 2023 budget. The primary budget changes include:

- Personnel costs increase due to mandated salary increases, additional funding for overtime/premium pay and two new CIP Contract Project Coordinators.
- Operating costs see a significant increase due to maintenance costs for the Wayne K. Curry

Administration Building, additional funding for operating contracts (e.g. snow removal, HVAC, landscaping and security contracts) and funding for building repair and maintenance to align with actual costs.

- An increase in recoveries due to additional personnel recovering from the CIP fund, and anticipated salary adjustments.

Contract Administration and Procurement Division

The Contract Administration and Procurement Division provides overall management and direction for the County’s purchasing functions in accordance with the legal authority established by Section 603 of the Charter, Subtitle 10A of the Prince George’s County Code. This division is responsible for the procurement of contractual services and commodities. It oversees delegated procurement activities and reports on the County’s minority business enterprises activities.

Fiscal Summary

In FY 2024, the division expenditures increase \$98,700 or 2.8% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- Compensation and fringe benefit costs increase primarily due to mandated salary increases. The

division also reclassifies a position to the Office of the Director and adds a new Deputy Director position.

- Operating costs decrease primarily due to the removal of contracts for temporary staff offset by an increase in the technology allocation charge.

OTHER FUNDS

Fleet Management Internal Service Fund

The Fleet Management Division manages the County's pool of over 3,000 vehicles. The division is primarily responsible for the maintenance, repair and upgrade of the County's sedans, trucks, buses and public safety vehicles. In addition, the Fleet Management Division provides multiple services including body repair, towing, road service and component rebuilding.

The Fleet Administrator is responsible for identifying vehicles that are eligible for replacement due to use in excess of the normal life or excessive repair cost, retirement of unserviceable vehicles and management of the County's motor fuel system. The responsibility of the fleet administration also includes coordinating the assignment of temporary transportation on a rental basis to the agencies upon request.

This division manages the services provided through an Internal Service Fund. Revenues are generated by the fees charged to the agencies on a cost basis. Additional revenues are generated from services rendered to other local governments and municipalities.

Fiscal Summary

In FY 2024, compensation expenditures increase 3.3% over the FY 2023 budget due to mandated salary requirements. Compensation includes funding for 75 full time employees. Fringe benefit expenditures increase 6.6% over the FY 2023 budget to align with projected costs. Fringe benefit expenditures include funding for other post-employment benefits (OPEB) totaling \$1,867,600.

Operating expenses decrease -8.5% under the FY 2023 budget primarily due to a reduction in equipment maintenance and repair and real property costs to align with actual costs. The overall operating decrease is netted against an increase in the OIT technology allocation charge, utilities, training, office building rentals and depreciation expense.

Capital outlay costs increase 119.5% over the FY 2023 budget. Funding is allocated for an additional lift in the central garage and to replace four fuel control terminals.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide assistance to County-based and minority businesses in order to increase supplier diversity, build capacity and foster economic development.

Objective 1.1 — Increase the number and capacity of certified County-based, County-located and certified minority businesses.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
1,148	902	947	1,042	1,050	↑

Trend and Analysis

The Supplier Development and Diversity Division (SDDD) is the primary advocate for local, small, disadvantaged, minority, and veteran-owned businesses seeking to do business with Prince George's County. SDDD strongly advocates for Prince George's County businesses by providing certification training, technical training and strategic sourcing opportunities to assure that local businesses are afforded an equitable share of procurement and contract dollar opportunities. The agency remains committed to increasing the number of certified County-based businesses (CBB) County-based small businesses (CBSB), County-based small/minority businesses (CBSB/MBE), County-located businesses (CLB) and minority business enterprises businesses (MBE) by 15%.

Goal 2 — To provide facilities management services at County-owned facilities in order to achieve safe, well-maintained building environment.

Objective 2.1 — Increase the percentage of County government buildings (managed by OCS) with a Facilities Condition Index rating of "Good".

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
75%	63%	65%	68%	70%	↑

Trend and Analysis

Providing regular preventive maintenance for County facilities is the first defense against failures in service, shortened equipment life and smooth operational efficiency. In an increasingly sophisticated world where technologies for major building equipment and systems are constantly evolving, training for building staff is of paramount importance to enable best practices and the highest efficiency and levels of service. Accurate property condition assessments enable accurate predictions of needs, elimination of most emergencies and provide more predictable budgetary planning. Currently, buildings in good condition are those which require no immediate major repairs. Buildings in fair condition need a few major and minor repairs. Buildings in poor condition need various major and minor repairs. The number of buildings in good condition has been increased by the number of new and rehabilitated buildings that have been added or that have "rejoined" the portfolio due to major completed Capital Improvement Projects.

Goal 3 — To acquire and maintain a "Green Fleet" in order to reduce greenhouse gas emissions.

Objective 3.1 — Increase the percentage of 100% battery electric vehicles available within the County.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
5%	1%	1%	1%	2%	↑

Trend and Analysis

The Fleet Division is on track to maintain vehicle availability goals during FY 2023. This is partially due to achieving a nearly 100% staffing level. The other major factor in this achievement is the pandemic and the fact that a significant portion of the County's vehicles have been idled for the last six months due to office closures and offsite work. It is anticipated that the Fleet Division will be working at full capacity as more agencies return to their offices.

Goal 4 — To provide real property management to the County to ensure effective disposition of surplus land.

Objective 4.1 — Increase revenues through the transfer of County-owned surplus real property back to public ownership.

\$1,959,000	\$698,000	\$1,356,000	\$1,161,000	\$1,900,000	↔

Trend and Analysis

By divesting itself of unneeded real estate, the County reduces its expenditures through the reduction of insurance risk premiums, maintenance costs and prevention of blight or nuisance complaints. Additionally, the agency generates revenue for the County through property sales and returning vacant properties to the County tax rolls thus spurring local economic and community development.

Trend and Analysis

The Contracts and Procurement Division (CAP) continues to develop a sustainable procurement management model that will support the initiatives championed by the County Executive. The agency does this by eliminating manual and workaround processes, investing in procurement staff by increasing training and development opportunities and reducing the number of expired contracts and the backlog of procurement projects.

Judicial Branch/Circuit Court

MISSION AND SERVICES

The Circuit Court provides accessible, just, timely and innovative resolutions of legal matters in a secure environment while respecting the dignity of all.

FY 2023 KEY ACCOMPLISHMENTS

- Incrementally moved the Court into hybrid operations, to include the resumption of jury trials in April 2022. This was done gradually, taking into account the safety of staff and the public. Criminal Voir Dire was held in-person and Civil Voir Dire was held virtually. This process enabled trials to proceed while still minimizing the number of citizens that had to report to the Courthouse. As COVID-19 restrictions were lifted, the Court began summoning all jurors to report in-person for the Voir Dire process and trials.
- Implemented the Maryland Electronic Courts (MDEC), single judiciary-wide integrated case management system on Monday, October 17th, 2022. MDEC will be used by all courts in the State court system. Prince George’s County was the 23rd of 24 jurisdictions to go live with MDEC.
- Progressed through various refresh, Capital Improvement Projects such as the new security checkpoint which is now staffed by the K9 Officers of the Prince George’s County Office of the Sheriff. Now, delivery trucks and vehicles are required to undergo searches and inspection at the Checkpoint prior to gaining access to the Courthouse.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Circuit Court is \$28,491,700, an increase of \$1,111,700 or 4.1% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 2.9% over the FY 2023 budget to align with annualization of FY 2023 and planned FY 2024 salary adjustments. Compensation costs include funding for 147 out of 155 full time positions and 36 part time positions. Fringe benefit costs increase 2.9% over the FY 2023 budget to align with projected workers compensation, healthcare and pensions costs.

Operating expenditures increase 9.1% over the FY 2023 budget primarily due to additional funding for jury fees, training, equipment maintenance and the GPS satellite tracking contract. Funding also increases to support the OIT technology allocation charge. These increases are offset by a reduction in non-capital office equipment to align with anticipated costs.

Family Division: Domestic Relations

Domestic Relations consists of five masters and the equivalent of four Circuit Court judges. The masters hear uncontested divorces, annulments, paternity actions and contested matters including the custody of children, alimony, child support and visitation. The masters also hear dependents’ “Pendente lite” requests (requests for relief until the merits of the case can be heard) as well as child support contempt cases. Master recommendations are reviewed and signed by a Circuit Court judge. Hearings on more complex cases are scheduled before a judge. Through the Family Division Legislative Initiative grant, services have been expanded to include a Family Division Information and Referral Center which provides free procedural assistance and clinical assessment services to assist in judicial decision making.

Grant Descriptions

BUREAU OF JUSTICE ASSISTANCE (BJA) ADULT DRUG AND VETERANS TREATMENT COURT DISCRETIONARY GRANT PROGRAM -- \$398,800

This grant integrates evidence-based substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over substance-abusing offenders.

COOPERATIVE REIMBURSEMENT AGREEMENT (CRA) -- \$612,900

This Federal formula funding is provided by the State of Maryland under Title IV-D of the Social Security Act, with matching funding provided by the County. Funding supports the Circuit Court's child support enforcement programs. The Office of Master of Domestic Relations hears and makes recommendations to the Circuit Court on cases concerning the establishment of civil support obligations and enforcement of the collection of Court-ordered child support. The Office of Master of Domestic Relations hears and makes recommendations to the Circuit Court on cases concerning the establishment of civil support obligations and enforcement of the collection of Court-ordered child support.

ECONOMIC JUSTICE INITIATIVE – STOP THE VIOLENCE AGAINST WOMEN (VAWA) – VAWA FAMILY JUSTICE CENTER -- \$20,000

The Prince George's County Family Justice Center's Economic Justice initiative program assists in the development and implementation of an economic empowerment program designed to help survivors of domestic violence, sexual assault, and sex trafficking in Prince George's County. The program provides efforts for the survivors to overcome immediate economic barriers to achieve long-term financial independence and safety. Funding supports the Circuit Court's child support enforcement program.

ENGAGING MEN AND BOYS AS ALLIES -- \$90,800

This program supports projects that create educational programming and community organizing to encourage men and boys to work as allies with women and girls to prevent domestic violence, dating violence, sexual assault, stalking and sex trafficking.

FAMILY DIVISION LEGISLATIVE INITIATIVE GRANT -- \$2,273,600

This grant provided by the State of Maryland funds the Court's Family Division that provides three services: (1) a

one-stop information and referral center; (2) the Family Support Services unit which provides certain family support services (e.g. mediation, domestic violence coordination, clinical assessment and referral services); and (3) enhanced monitoring, scheduling, and oversight functions in the family law area.

MARYLAND FAMILY JUSTICE CENTER: CHANGING LIVES, RESTORING HOPE (VOCA) -- \$621,500

The Prince George's County, Maryland's Family Justice Center's Changing Lives, Restoring Hope project will strengthen and improve ongoing efforts to provide survivors of domestic violence, sexual assault, human trafficking and elder abuse a range of comprehensive services by a multi-disciplinary team of professionals who are co-located in one facility for community-wide intervention. Recognized as a "best-practice," this collaborative initiative will eliminate barriers to service and enhance victims access to critically needed resource in the aftermath of trauma and victimization.

OFFICE OF PROBLEM SOLVING COURTS (OPSC) -- \$525,000

The Maryland Office of Problem Solving Courts provides funding to enhance operational Problem Solving Courts in Maryland. Funding received may only be used to support Judiciary staff assigned to problem solving courts and enhance the Problem Solving Courts and any other ancillary services that will be utilized by and for the betterment of the community members served by this court program.

OFFICE OF VIOLENCE AGAINST WOMEN (OVW): IMPROVING CRIMINAL JUSTICE RESPONSES TO DOMESTIC VIOLENCE -- \$978,400

The program fosters victim safety and offender accountability in cases of domestic violence, dating violence, sexual assault and stalking by encouraging State, local, and tribal governments and courts to work collaboratively with community partners to identify problems and share ideas that will result in effectively responding to these crimes. An integral component of this program is the development, revitalization or enhancement of a coordinated community response that brings together criminal justice agencies, victim services providers and community-based organizations that respond to domestic violence, dating violence, sexual assault and stalking.

**THE DEVELOPMENT AND ENHANCEMENT OF PROGRAMMING,
SERVICES AND RESOURCES FOR VICTIMS OF HUMAN
TRAFFICKING -- \$1,109,600**

The purpose of this program is to develop, expand and/or strengthen victim service programs for victims of human trafficking.

VETERANS' TREATMENT COURT -- \$ 277,400

The program effectively integrates evidence based substance abuse treatment, mandatory drug testing, sanctions and incentives, and transitional services in a judicially supervised court setting with jurisdiction over veteran substance-abusing offenders.

Footnotes:

1 - Case time standards were suspended at the start of the COVID-19 pandemic through FY 2021. As such annual case assessment reports were not conducted for FY 2020 and FY 2021. Due to the Court's implementation of MDEC in FY 2023, the Court did not perform a case assessment analysis for FY 2022. The time standard performance measures

used in the FY 2021 budget and prior could not be used for FY 2022, FY 2023, and FY 2024. Actuals for FY 2021 have all been updated for accuracy.

2 - Due to a change in the Court's criminal case management plans, fewer jury trial prayer cases are coming to the Circuit Court from District. The decrease in jury trial prayers accounts for the bulk of the decrease in criminal cases.

3 - Liens are included in the total and can vary greatly from year to year. As of FY 2022, the Comptroller's Office has resumed processing liens after pausing in 2020 at the start of the COVID-19 pandemic.

4 - A moratorium was placed on foreclosure filings for federally backed mortgages on March 18, 2020 and was lifted on July 31, 2021. Homeowners were permitted to file a forbearance. Depending on the forbearance filing date, the forbearance would not have expired until 12/30/21-06/30/22. The Court expects foreclosure filings to return to pre-pandemic levels though the timing is uncertain.

5 - Projections are based on historical data as well as FY 2023 data as of 11/3/2022.

6 - Jury trials were suspended from March 16, 2020 until October 5, 2020 and again from November 16, 2020 through April 23, 2021. Social distancing requirements limited the number of jurors who could be called in and the number of trials that could be scheduled. As of 10/03/2022, the Court has resumed full in-person jury operations.

Orphans' Court

MISSION AND SERVICES

The Orphans' Court provides supervision of decedents' estates and children's property to the beneficiaries in order to protect decedents' and children's assets.

CORE SERVICES

- To monitor the property of a deceased resident of the County in order to carry out the wishes of the decedent and to ensure distribution to the beneficiaries
- To provide protection of children's assets until they are legally adults (18 years of age) in order to ensure proper monetary distribution for their short term and long term needs

FY 2023 KEY ACCOMPLISHMENTS

- Maintained an efficient level of service despite larger workloads due to backlogs in outstanding 'Show Cause Orders' and heavier dockets as a result of operational changes experienced during the COVID-19 Pandemic. The Court continues to work consistently to get caught up.
- Upgraded courtroom technology to allow the Court to continue holding virtual hearings.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The court's top priorities in FY 2024 are:

- Increase the number of decedents' assets that are intact through having one sitting judge review caseload and dockets.
- Increase the number of guardianships with assets intact through having one sitting judge review caseload and dockets.

- Provide residents the opportunity for mediation and/or collaborative process and settlement conferences in resolving probate matters through the Orphans' Courts Alternative Dispute Resolution (ADR) program.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Orphans' Court is \$657,200, an increase of \$75,100 or 12.9% over the FY 2023 approved budget.

Office of the State's Attorney

MISSION AND SERVICES

The Office of the State’s Attorney (SAO) strives to secure justice for all residents through firm, fair and consistent prosecutions with the highest level of experience, integrity and professionalism. The Office will be responsive to the very diverse community of Prince George’s County, treating every person with dignity and respect.

CORE SERVICES

- Prosecution of violent and repeat violent offenders, while holistically prosecuting non-violent offenders, where appropriate
- Empower victims and witnesses to participate in the judicial process
- Provide continuous education and outreach programming to internal and external customers and residents of the County

FY 2023 KEY ACCOMPLISHMENTS

- Returned to full operation after the COVID-19 imposed courthouse closures and reduced courthouse operations resulting in a backlog of over 1,800 jury trial cases. Assistant States Attorneys, Victim Witness Coordinators and other support staff have worked diligently to address this backlog while continuing to meet current demands.
- Initiated a new gun protocol which includes indicting all persons charged under Criminal Law Article § 4-203 Wearing, Carrying, Transporting a Handgun and under the Public Safety Article § 5-133(d). Traditionally, the cases were prosecuted in the District Court; however, indicting these cases provides greater time for in-depth investigations and the cases are assigned to more experienced attorneys.
- Implemented the Maryland Electronic Courts (MDEC) case management system. MDEC modernizes court processes and provides consistent case management for both the District and Circuit Courts across the state. With the implementation of MDEC, electronic filing is now mandatory for attorneys representing clients in civil and

criminal cases in the Circuit Court for Prince George’s County and in the District Court in Prince George’s County, as well as for any appellate filings that originate in Prince George’s County.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The office’s top priorities in FY 2024 are:

- Increase the number of successful prosecutions of violent and non-violent repeat and chronic offenders.
- Recruit and retain Assistant State’s Attorneys, Victim Witness Coordinators, Investigators and other critical administrative/support staff.
- Expand diversion, intervention, and re-entry programs for the District and Circuit Court Units, Emerging Adults, returning citizens and first-time juvenile offenders.
- Advocate for, inform and support victims and witnesses throughout the criminal justice process by increasing engagement and communication with victims and next of kin.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Office of the State’s Attorney is \$27,757,900, an increase of \$3,062,100 or 12.4% over the FY 2023 approved budget.

Grant Descriptions

GUN VIOLENCE REDUCTION (GVR II) -- \$100,000

As the number of gun cases have spiked, attorneys assigned to the SAO's Guns & Drugs Unit have experienced a sharp increase in their caseload. The grant funds will be used to hire a prosecutor who will be assigned to the Guns & Drugs Unit and will be assigned primarily gun cases. This will allow for the reduction in caseload for each prosecutor in the unit and will allow for more focus and resources to be directed to criminal cases involving violent repeat offenders and prohibited persons charged with illegal possession of a firearm.

PARALEGAL SUPPORT – GUN VIOLENCE REDUCTION (GVR) -- \$35,000

The Governor's Office of Crime Prevention, Youth and Victims Services provides funding to support the agency's effort to reduce gun violence in the County by funding one part time Legal Assistant position. The position assists the Guns and Drugs Unit with diversion screening and program eligibility for first-time gun offenders charged with wear, carry and transport charges.

PRINCE GEORGE'S STRATEGIC INVESTIGATION AND CHARGING UNIT -- \$1,145,600

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding for the existing Strategic Investigation Unit which aims to prosecute and imprison violent, repeat and chronic offenders.

SPECIAL ASSISTANT UNITED STATES ATTORNEY (SAUSA) -- \$94,100

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding in support of the investigation and prosecution of violent crime in Prince George's County through an assistant state's attorney cross-designated as an Assistant United States Attorney in the United States Attorney's Office (USAO). This position will work to address violent repeat offenders and criminal organizations involved in illegal drugs and firearms trafficking.

STOP THE VIOLENCE AGAINST WOMEN (VAWA) -- \$112,900

The Department of Justice provides funding to support the prosecution of cases resulting from domestic violence and sexual assault. Funding supports two limited term grant funded positions: (1) District Court

Assistant State's Attorney and (1) Part-Time Victim Witness Advocate.

VEHICLE THEFT PREVENTION PROGRAM (VTPC) -- \$141,000

The Maryland Department of State Police Vehicle Theft Prevention Council provides support to the agency's effort to focus on auto theft cases from the initial apprehension of suspects by police, through pre-trial preparation, victim contact and screening cases for the Circuit Court, to trial and sentencing. Funding supports two limited term grant funded positions: (1) Assistant State's Attorney and (1) Legal Assistant.

VICTIM ADVOCACY GRANT (VOCA) -- \$822,800

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding to assist in developing and implementing strategies specifically intended to aid domestic violence victims in Prince George's County, Maryland. The program focuses on providing Supportive Assistance and Financial Empowerment (SAFE) solutions to battered individuals and victims of crime. Victims are linked with advocates/coordinators that advise them of their rights and provide supportive assistance throughout the legal process.

Police Department

In FY 2024, compensation expenditures increase 2.2% over the FY 2023 approved budget due to mandatory pay adjustments, the reallocation of positions, budgeted attrition and salary lapse. The budget includes funding for four recruitment classes of 30 (October 2023, January 2024, April 2024 and June 2024) for a total of 120 new officers. Three part-time positions were reallocated to full-time positions to support the 21st Century Policing Initiative. Overtime is budgeted at \$22.5 million to support operational needs. Compensation includes funding for 2,113 full time, 152 part time and three limited term positions. Fringe benefit expenditures increase 5.7% over the FY 2023 budget to align with projected costs and changes in compensation.

Operating expenditures increase 15.5% over the FY 2023 budget due to the purchase of equipment to support crime fighting efforts, contractual obligations, new training initiatives and an increase in the OIT technology allocation charge. Funding is allocated for various operational needs including gas and oil, vehicle repair and maintenance, advertising and supplies.

Recoveries remain at the FY 2023 budgeted level.

DIVISION OVERVIEW

Office of the Chief

The Chief of Police is the Chief Executive Officer of the Prince George’s County Police Department. As such, the Office of the Chief is responsible for providing professional police services to the citizens and residents of the County through the formulation of concepts, plans and policies, the provision of managerial leadership and the overall coordination of departmental operations. Some organizational components of the agency report directly to the Chief of Police. These include the Assistant Chief and Deputy Chiefs of Police, Automotive Services, Executive Protection Unit, Customer Services Unit, Media Relations, Internal Affairs, Fiscal Management Division and the Office of Community First.

Fiscal Summary

In FY 2024, the division expenditures increase \$5,287,500 or 8.5% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of FY 2023 salary adjustments and FY

2024 planned salary adjustments in addition to position reallocations.

- An increase in fringe benefit costs to align with compensation adjustments.
- An increase in the technology allocation charges due to anticipated countywide costs. An increase for Police Explorers Program and Disability training. Additionally, operating costs increase due to video lottery terminal revenues (VLT) that will support the Prince George’s County Police Department Office of Community First.

Bureau of Patrol

The Bureau of Patrol encompasses eight divisions. As the largest bureau within the agency, the Bureau of Patrol has the primary responsibility for the prevention and elimination of crime and unsafe acts in the County. It is responsible for 24-hour, 7-day per week patrol and operational functions throughout the County. The divisions provide intelligence based directed patrol, implementing a proactive community policing philosophy in partnership with community residents and citizens. Also, the divisions have specialized enforcement, community response and traffic enforcement functions. Each division has an investigative component that is responsible for crime investigations including nonfatal shootings, citizen robberies, assaults and property crimes.

Fiscal Summary

In FY 2024, the division expenditures increase \$4,509,900 or 2.6% over the FY 2023 budget. Three part-time positions were reallocated to full-time to support the 21st Century Policing Initiative. The primary budget changes include:

- An increase in personnel costs due to FY 2023 salary adjustments and planned FY 2024 salary adjustments. Funding is provided for four new recruitment classes of 30 for a total of 120 new officers.
- An increase in fringe benefit costs to align with projected costs.
- An increase in training costs.

Bureau of Investigations and Forensic Science

The Bureau of Investigation and Forensic Science has the primary responsibility of investigating serious criminal violations of law and detecting perpetrators of crime. The bureau is divided into four major investigative areas: the Major Crimes Division, the Strategic Investigations Division, the Special Crimes Division and the Narcotic Enforcement Division and two forensic areas: the Crime Scene Investigation Division and Forensic Science Division. The Major Crime, Special Crimes and Crime Scene Investigations Divisions are responsible for 24-hour, 7-day a week operational and response functions regarding criminal investigations throughout the County.

The Major Crimes Division is divided into the Homicide Section, Robbery Section and Gun Intelligence Section. They are tasked with major crime investigations including all homicides, including ‘cold’ cases, police related shootings, commercial and residential robberies, and gun offenses. The Special Crimes Division is tasked with investigating all sex crimes, child/elder abuse, domestic violence, internet crimes against children, and sex offender registration. The Narcotic Enforcement Division is comprised of the Major Narcotic and the Vice Intelligence & Technical Sections. The Major Narcotic Section includes the interdiction, Conspiracy and Diversion Units. This division investigates all drug activity and organized drug crime. The Strategic Investigations Division addresses critical and complex criminal investigations. It incorporates eight units: the Washington Area Vehicle Enforcement (WAVE) Team, the Fugitive Squad, the Violent Crime Recidivist Unit, the Electronic Investigation Squad, the Gang Unit, the Organized Retail Crime, Tow Coordination and Pawn Units.

The Crime Scene Investigation Division operates 24 hours a day to collect evidence and process all major crime scenes where the County Police have investigative responsibility. The Crime Scene Investigative Division is divided into the Evidence Unit, the Computer Forensics Unit and the Video Analysis Unit. The Forensic Science Division conducts examination of collected evidence in four disciplines: The DNA Laboratory, the Firearms Examination Unit, the Latent Print Unit and the Drug Analysis Laboratory.

Fiscal Summary

In FY 2024, the division expenditures increase \$9,485,900 or 15.6% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of FY 2023 salary adjustments and planned FY 2024 budget salary adjustments.

Bureau of Homeland Security and Intelligence

The Bureau of Homeland Security and Intelligence consists of the following divisions: Homeland Security Division, Special Operations Division, Information Technology Division and Joint Analysis Intelligence Center (JAIC).

The Homeland Security Division includes the Homeland Security Intelligence Unit and the Joint Agency Group (JAG). The Homeland Security Intelligence units coordinate the collection, analysis, and investigations of external and internal information regarding the criminal terrorist activity that threatens the security of Prince George’s County through partnerships with the Federal Bureau of Investigation’s Joint Terrorism Task Forces (Baltimore and Washington, DC), the Maryland Coordination and Analysis Center (MCAC), the Council of Governments Intelligence Group, ad hoc regional intelligence groups, organic investigations and social media monitoring. JAG is responsible for identifying illegal parties, violations of business licenses by nightclubs and promoters in support of other investigative units.

The Special Operations Division consists of the Tactical Section, Traffic Section, Canine Section, Aviation Section, National Harbor Section, the Special Services Section, Crossing Guard Unit, and Automated Enforcement Unit. This division is responsible for handling high-risk incidents, conducting specialized traffic enforcement, reconstructing fatal motor vehicle crashes, searching for persons and property with canines’ assistance and providing aerial support to police operations.

The Information Technology Division (ITD) is responsible for overseeing all technology projects within PGPD including evaluating new systems and making purchase recommendations. As the Department’s liaison to the County’s Office of Information and Technology (OIT), ITD is also responsible for managing PGPD local area network

accounts. JAIC and the Telephone Reporting Unit falls under the direct supervision of the Assistant Operations Commander, Bureau of Homeland Security & Intelligence. The JAIC prepares the daily crime report and various reports to entities inside and outside of the Department. The JAIC also serves the Department by providing statistical, and other crime data and crime maps upon request. Also, within the JAIC, the Records Management Section (RMS) and the Data Review/Uniform Crime Reporting (UCR)/National Incident-Based Reporting System (NIBRS) Unit is overseen. Telephone Reporting Unit handles calls for service that do not require the presence of a police officer on the scene.

Fiscal Summary

In FY 2024, the division expenditures increase \$9,915,400 or 28.7% over the FY 2023 budget. Staffing resources remain unchanged from FY 2023. The primary budget changes include:

- An increase in personnel costs due to mandatory pay adjustments.
- An increase in fringe benefit expenses due to the realignment of costs between divisions.
- An increase in operational contracts and membership fees.

Trend and Analysis

Violent crime includes homicides, rapes, robberies, carjacking and assaults. Though it is projected to remain steady through FY 2023, the agency still projects reduced violent crime by FY 2028. These projections are reflective of the agency's ongoing efforts to focus on violent crime via enhanced cooperative investigative efforts, such as the Carjacking Interdiction Unit and improved evidence/data-driven enforcement initiatives that focus on violent crime "hot-spots," such as Target-Area Action Grids (TAAG) and the Walters Lane Task Force."

Trend and Analysis

Although violent crime remained relatively flat, there was a reduction in homicides and an increase in homicide closure rates. The number of homicide cases reflect the number of investigations conducted by PGPD homicide investigators; PGPD homicide investigators investigate homicide for several municipal agencies and cases that are determined to be non-Uniform Crime Reporting-reportable homicides, such as negligent manslaughter and justifiable homicide. As a result, the number of homicide cases shown here will be higher than the number of murders reported in crime statistics.

Trend and Analysis

Though the anticipated slight reduction in property crime projected in FY 2022 did not materialize, the agency projects improvement by FY 2024. This projected improvement is a reflection of the agency re-focusing efforts on property crime investigations by decentralizing investigators and increasing community outreach to raise awareness. The increase in Property Crimes is largely attributable to Auto Thefts; the agency plans to focus on reducing auto thefts by increasing the number of Automatic License Plate Readers (LPRs), educating owners of the most commonly targeted types of vehicles and partnering with prosecutors to ensure that cases are robust so violators are unable to re-offend.

Fire/EMS Department

MISSION AND SERVICES

The Fire and Emergency Medical Services Department (Fire/EMS) strives to improve the quality of life in Prince George’s County by promoting safety and providing the highest quality of fire prevention, fire protection, emergency medical services and community outreach programs.

CORE SERVICES

- Emergency medical services including basic and advanced life support
- Fire suppression
- Rescue services, including technical rescue, confined space rescue, high angle rescue, marine rescue and swift water rescue
- Hazardous materials, bomb and explosive device response
- Fire and arson investigations
- Fire prevention and life safety, including fire inspections, enforcement and public education

FY 2023 KEY ACCOMPLISHMENTS

- Implemented the Bioquell Decontamination System to ensure all the County’s emergency response personnel would have the appropriate level of personal protective equipment.
- Graduated 52 out of 75 potential firefighters from three career recruit schools. The Department anticipates graduating as many as 80 more new recruits next fiscal year.
- Replaced heavy apparatus fleet for Fire/EMS stations in the Lanham, Fort Washington and Upper Marlboro communities.
- Expanded advanced life support (ALS) resources resulting in a 9% improvement in response time reliability throughout the County.
- Secured funding to support a recruiter position used to enhance recruitment and retention initiatives for volunteer members throughout the County.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priorities in FY 2024 are:

- Continuously improve service delivery and reliability throughout the County utilizing real-time performance analytics and system wide situational awareness to meet established standards by the National Fire Protection Association (NFPA).
- Improve hospital turn-around time for EMS units.
- Enhance community risk reduction, life, safety and survival programs by increasing community outreach and engagement with a focus on residential fire and life safety inspections; smoke alarm and carbon monoxide detector installations; as well as public education programs for fire and life safety; injury prevention; cardiopulmonary resuscitation (CPR) and public hemorrhage control.
- Continue implementation of Phase II & III of the strategic planning process with a strong focus on data reconciliation, critical tasking and community risk assessment.
- Strategically align short term funding models to support the apparatus and equipment replacement and modernization plan.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Fire/EMS is \$270,343,800, an increase of \$20,169,900 or 8.1% over the FY 2023 approved budget.

DIVISION OVERVIEW

Office of the Fire Chief

The Office of the Fire Chief oversees the operations of the Prince George’s County Fire/EMS Department and the volunteer fire companies. The Fire Chief and staff are responsible for the adequate delivery of fire and emergency medical services to the citizens of Prince George’s County. The Office of Professional Standards is located within the Office of the Fire Chief.

Fiscal Summary

In FY 2024, the division expenditures increase \$4,262,800 or 68.1% over the FY 2023 budget. Staffing resources increase by 10 positions from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due the transfer of 10 positions from Administrative Services Command to the Office of the Fire Chief as well as the annualization of prior year and planned salary adjustments.

- Fringe benefit costs increase to align with projected healthcare and pension costs.
- Funding continues to support the purchase of smoke detectors that will be distributed and installed for citizens that request assistance.

Headed by one of the department’s deputy chiefs, the Emergency Services Command oversees Fire/EMS operations, advanced emergency medical services, technical rescue and the Hazardous Materials Response Team.

Fiscal Summary

In FY 2024, the division expenditures increase \$17,774,300 or 10.5% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of FY 2023 and planned FY 2024 salary adjustments partially offset by attrition and salary lapse. Additional funding is allocated for overtime to cover mandatory shifts.

- Resources are provided for three recruitment classes with a total of 80 firefighters recruits scheduled for: September 2023 (16 recruits), January 2024 (32 recruits) and May 2024 (32 recruits).
- Funding allocated for Advanced Life Support (ALS) equipment replacement.

Support Services Command

The Support Services Command coordinates all of the specialized non-emergency services for the agency including the Office of the Fire Marshal functions, Apparatus Maintenance, Logistics and Supply, Facility and Resource Planning, Support Services and Training and Technical Services.

- Funding supports vehicle equipment repair and maintenance, new career uniforms and personal safety equipment.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$5,147,100 or -15.9% under the FY 2023 budget. Staffing resources increase by 80 from the FY 2023 budget. The primary budget changes include:

- A decrease in personnel costs due to additional attrition and salary lapse based on historical spending.

Volunteer Services Command

The Volunteer Services Command is responsible for coordinating the day-to-day operations of the County’s volunteer fire companies to assist the Fire/EMS Department’s response to emergency calls throughout the County.

Fiscal Summary

In FY 2024, the division expenditures increase \$588,600 or 2.9% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- Personnel costs increase to reflect mandated salary requirements related to prior year and planned salary adjustments.
- Fringe benefit expenses included additional funding to support the Length of Service Award Program

(LOSAP) as well as projected health care and pension costs.

- Funding is allocated to support the recruitment and retention of volunteer fire staff as well as training.

The FY 2024 approved grant budget is \$9,758,200, a decrease of -\$507,100 or -4.9% under the FY 2023 approved budget. This decrease is primarily due to the alignment with grants anticipated to be received from MEIMSS, UASI programs and Maryland Community Health Resources Commission. Funding also includes the Biowatch Program and Senator William H. Amoss Fire, Rescue and Ambulance Fund.

Grant Descriptions

ASSISTANCE TO FIREFIGHTERS GRANT (AFG) PROGRAM -- \$600,000

The Assistance to Firefighters Grant program enhances the safety of the public and firefighters with respect to fire-related hazards by providing direct financial assistance to eligible fire departments. Funding is for critically needed resources to equip and train emergency personnel to recognized standards, enhance operational efficiencies, foster interoperability and support community resilience. The County is required to provide a cash match (\$71,000).

DEPARTMENT OF NATURAL RESOURCES (DNR) WATERWAY IMPROVEMENT FUND GRANT -- \$25,000

The Department of Natural Resources Waterway Improvement Fund grant provides funding for equipment acquisitions to maintain water rescue capabilities throughout the County. The County is required to provide a 50% cash match (\$25,000).

PULSEPOINT MARKETING GRANT -- \$1,000

The PulsePoint provides funding to PulsePoint-connected communities that showcase innovative and creative ways to promote PulsePoint, CPR and AEDs.

DISTRICT OF COLUMBIA HOMELAND SECURITY AND EMERGENCY MANAGEMENT AGENCY URBAN AREAS SECURITY INITIATIVE GRANT -- \$500,000

The program ensures that the Maryland-National Capital Region's emergency response partners have available protective equipment when carrying out operations.

MDERS-UASI PROGRAM-EMERGENCY MEDICAL SERVICES COMMAND COMPETENCY LAB ENHANCEMENT PROGRAM -- \$125,000

The Command Officer Competency program provides local fire departments with a process, resources, and tools to build effective incident commanders. The program develops knowledge, skills, and abilities through continuing education, annual written assessments and simulation lab evaluation.

MARYLAND INSTITUTE FOR EMERGENCY MEDICAL SERVICES SYSTEMS (MIEMSS) MATCHING EQUIPMENT GRANT -- \$35,000

The Maryland Institute for Emergency Medical Services Systems provides funding for defibrillator equipment. The County is required to provide a 50% cash match (\$35,000).

MARYLAND INSTITUTE FOR EMERGENCY MEDICAL SERVICES SYSTEMS (MIEMSS) ADVANCED LIFE SUPPORT (ALS) TRAINING REIMBURSEMENT GRANT -- \$25,000

The Maryland Institute for Emergency Medical Services Systems provides funding for the reimbursement for specific paramedic training classes required as part of continuing education credits or re-certification.

STAFFING FOR ADEQUATE FIRE AND EMERGENCY RESPONSE (SAFER) -- \$3,600,000

The United States Department of Homeland Security Federal Emergency Management Agency provides financial assistance to help fire departments' increase their cadre of frontline firefighters or to rehire firefighters that have been laid off. The goal is to assist local fire departments with staffing and deployment capabilities so they may respond to emergencies whenever they occur, assuring their communities have adequate protection from fire and fire-related hazards. The County is required to provide a cash match (\$337,200).

NATIONAL VOLUNTEER WORKFORCE SOLUTIONS (VWS) SUMMER CAMP -- \$5,000

The National VWS provides funding to improve volunteer firefighter recruitment and retention through education and collaboration to improve a department's diversity and inclusionary efforts to create well-staffed, safe and inclusive departments. The initiative is to increase the number of women and other underrepresented groups in the fire service.

U.S. DEPARTMENT OF HOMELAND SECURITY BIOWATCH PROGRAM -- \$2,649,000

The Biowatch program establishes a scientifically rigorous, intelligence-based medical and biodefense architecture program to help protect the health and medical security of the homeland through the development of a nationwide system conducting surveillance for aerosolized exposures caused by intentional release of biological agents in the nation's most populous cities.

SENATOR WILLIAM H. AMOSS FIRE, RESCUE AND AMBULANCE (STATE 508) FUND -- \$1,725,000

The State of Maryland Military Department Fifth Regiment Armory provides funding for fire, rescue and ambulance services to promote high quality service and the continued financial viability of volunteer fire, rescue and ambulance companies. In accordance with State law, funds may be used for the acquisition or rehabilitation of apparatus and capital equipment, fire and rescue equipment, supplies and for the renovation of facilities used to house apparatus.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide emergency medical services to County residents and visitors in order to reduce deaths and injuries from medical emergencies and traumatic events.

Objective 1.1 — Improve first arriving Advanced Life Support (ALS) Unit response time under 540 seconds for 90% of dispatched ALS incidents.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
80%	76%	75%	76%	78%	↔

Trend and Analysis

The Fire/EMS Department was consistent with FY 2021 performance measures despite a 9% increase in total call volume. During FY 2022, the Department made several adjustments to call types and dispatch procedures. These adjustments contributed to ALS resources filling identified system wide gaps. The increase in call volume percentage was seen equally in each ALS and Basic Life Support (BLS) call type. The increase in call volume, coupled with a significant upsurge in hospital turn around times, and a decrease in volunteer staffing, contributed to the Department's inability to show significant improvement in this performance measure.

As the Department continues to identify resourceful educational opportunities to increase our ALS clinicians, one should see an improvement in unit efficiencies. It is anticipated that this measure will show some improvement in FY 2023. Advances in the automated vehicle location (AVL) technology, staffing improvements, and deployment utilization efficiencies will improve response reliability for the most critical call-types (ALS2 calls). To further improve resource allocations, a predictive analytical software continues to optimize unit availability. This software uses historical call volume demand data to determine potential resource relocation. Combined, these solutions will continue to improve response time performance and reliability while maximizing service delivery capability throughout the County.

90%	27%	29%	31%	33%	↔

Trend and Analysis

The Fire/EMS Department continues to see this benchmark remain stable based on all ALS call types. Previous systemic changes in response to COVID-19 have helped ensure Department resource availability was improved and is able to remain consistent. As a result, this benchmark will now focus on ALS2 call type determinants only (most critical call determinate). In FY 2021 and the first half of FY 2022, systemic improvements in response time reliability was realized through staffing enhancements in the Calverton and Lanham communities. In addition, the fourth quarter of FY 2022 saw improvements to the Shady Glen community. These staffing modifications improved response time reliability in those areas and created a trickle-down of decreased demand for resources from other communities. Many volunteer staffed companies are unable to meet the two unit (fire resource, EMS resource) deployment strategy based on the availability of staffing. This staffing issue impacts response benchmarks and results in resources being pulled from other communities. Volunteer recruiting initiatives have been enhanced to support volunteer staffing gaps and improve service delivery throughout the County. The Fire/EMS Department intends to maintain and expand this two-unit staffing model as the standard as it demonstrates the greatest return on investment.

Using recent geographic information system (GIS) estimates, only 34% of the land area of the County, and 64% of the population, is reachable within this anticipated response time benchmark. This is consistent with the current performance measures and the minimal improvement in this benchmark. With the Capital Improvement Plan described for the next seven years, these measures are anticipated to improve to 39% of land area and 91% of the population.

Performance Measures

See Table 1.1 above.

Objective 1.3 — Improve first arriving BLS Unit response time under 480 seconds for 90% of dispatched urgent BLS incidents.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
90%	57%	58%	61%	63%	↔

Trend and Analysis

This measure continues to remain stable and is anticipated to improve over the next few years. The Fire/EMS Department has been realigning EMS transport capabilities to improve unit availability of the most critical call types. EMS transport units continue to lose productivity hours due to delays transferring patients at healthcare facilities. This dynamic impacts basic life support units more than advanced life support as the clinical needs of the patients are less time sensitive. Healthcare facilities do not have any incentive or disincentive to quickly allow EMS units to return to service. The Fire/EMS Department added a third EMS supervisor to help manage hospital transfer within the established benchmark of 30 minutes. In addition, the Department provides hospital emergency department capacity information to EMS clinicians to improve transport decision making to help minimize unit out of service times. In FY 2019, the average hospital cycle time was 49 minutes. In FY 2021, hospital transfer time increased to 60 minutes. This continues to trend upward as FY 2022, and the first quarter of FY 2023 have exhibited transfer times averaging 70 minutes.

To address the increasing demand on this measure, the Department continues to take a proactive approach and work with respective hospital administrators to reduce unnecessary utilization of EMS resources. Prior to the COVID-19 pandemic, the mobile integrated healthcare unit was proactively working with patients that frequently utilize the 911 system, however they have had minimal inpatient contact during COVID-19. The Department is currently utilizing virtual online resources to connect mobile integrated healthcare resources to improve healthcare access and further reduce negative impacts on EMS resources.

Note: LERP stands for Limited Emergency Response Plan

Trend and Analysis

The goal of the Fire/EMS Department is always to have zero deaths associated with fire. While it may not be achievable in many cases, all Departmental risk reduction efforts drive toward "zero fire deaths." Several community risk reduction efforts continue within the agency. As most fire deaths are associated with residential structure fires these efforts are largely targeted to residential occupancies. Single family homes and multi-family dwellings each have pre-incident planning and inspection programs. These programs have recently been brought into the GIS platform to better coordinate, integrate and document the effort. Most recently, these efforts are being concentrated in areas where response time performance is anticipated to exceed five minutes, and homes are not equipped with residential sprinklers (construction prior to 1995). These factors are strongly correlated with increased risk to residential fire fatalities nationally. The risk reduction strategy best applied to these homes is ensuring that operational and reliable smoke alarms are present. The Department has programs to ensure those that cannot provide smoke alarms for themselves receive them.

The Fire/EMS Department is also pursuing a change to the building code based on recent research conducted by the Underwriter's Laboratory Firefighter Safety Research Institute that describes the act of closing a bedroom door can make a significant difference in the survivability of a structure fire. This information has been developed into a public education campaign known as "Close Before You Doze."

90%	61%	54%	55%	57%	↓

Trend and Analysis

This measure had shown improvement in performance over the past several years. However, with the increase in call volume, hospital cycle time, coupled with declining volunteer participation, many stations are finding it challenging to meet the unit production expectations. The overall effect is this reduces the availability of unit hours produced against the increasing demand within the system. Many EMS incident call types necessitate a first responder (engine) to be dispatched should an EMS transport unit not be available within a specific time frame. When hospital cycle times are extended, EMS transport units are not available for other incidents. This occurrence requires the Department to dispatch the closest first responder. In most cases, this is an engine. To address this, the Department now utilizes a staffing model that requires a minimum of two units staffed in every station. This model attempts to ensure fire suppression resources are available to quickly engage fire suppression efforts and dramatically increase the effectiveness of the first arriving engine. When EMS units are not able to clear hospitals in a timely manner, the entire system is stressed.

This dedicated staffing model ensured fire suppression and EMS units were staffed full time and supported the declining volunteer participation at the stations. As a result of this change, the dedicated staffing model had resulted in a 3.4% improvement in response time compliance since FY 2020. The spike in recent call volume has diminished some of the return, however, this incremental change has increased unit availability and production and should ultimately have a positive effect on this performance objective.

Performance Measures

Trend and Analysis

The determination of origin and cause is an important measure to understand the scope and complexity of fire issues in the County. The proper identification of patterns and trends and follow up will result in identification and case closure. Replacement of personnel due to attrition, additional education and continuous professional development along with applications of new technology in investigations will continue to maintain trained and reliable fire investigation services. Establishment of performance measures have been undertaken and have been able to close 38% of our cause and origin incidents, well above the national average of 23%.

Trend and Analysis

The closure rate for fire safety inspections is historically high and this trend is not expected to change. Once an inspection has begun, the Office of the Fire Marshal is obligated to follow up until compliance is achieved. This obligation or responsibility ensures a high closure rate. In addition to inspecting family daycare homes and other occupancies that require a fire inspection to obtain or renew their licenses, the Office of the Fire Marshal makes a coordinated effort to inspect all schools, public and private and hotels in the County. There are other occupancy types that should receive similar annual inspections but do not due to staffing limitations. Efforts are made to ensure the maximum productivity of current staff and some inspection duties are being assigned to station personnel to improve performance in this area. New development and increased economic activity across the County add additional buildings and businesses that require inspection to ensure the safety of residents and visitors. Staffing levels have been static or contracted over the years. Additional staffing will be needed to keep pace with growth as well as the aging stock of existing buildings in the County.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide security services to the courts in order to ensure public safety during the legal process.

Objective 1.1 — Reduce the number of potential courthouse incidents per courtroom covered by Deputies daily.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend

Trend and Analysis

The Sheriff, by law, is responsible for the security of the Courthouse Complex for Prince George's County, Maryland, to include Circuit Court, the Family Justice Center (FJC) and the Judicial Administration Services Building (JAS). Sheriff's personnel also respond to the Upper Marlboro daycare center under emergency situations due to its close proximity to the court complex. Deputy Sheriffs and Security Officers are assigned to the Courthouse Complex Campus to provide a safe and orderly environment for those who seek services, and those who serve the judicial branch of our County government. Deputies prevent and react to dangerous situations and high-risk courthouse activities.

With pre-pandemic numbers of visitors returning to the courthouse, along with high numbers of crimes of violence trials, emotionally charged domestic related hearings and proceedings related to the welfare of persons suffering with mental health challenges, the need to ensure coverage of all elements of security is obvious. Security Officers and Deputies posted at the entrances, in the corridors adjacent to courtrooms, inside hearing rooms involving family law cases and being conspicuously present in high-risk trials are of the highest needs.

Trend and Analysis

In FY 2020, the Domestic Violence Intervention Division took on an expansion in the 9-1-1 response area with the division of the geographical area that was Police District/Division III into two distinct police districts/divisions - the Landover Division III and Westphalia Division VIII. The lone sector of Landover Division III gained some territory from Hyattsville Division I, and the new Westphalia Division VIII added the new Westphalia community development area into Division VIII's "H" Sector. The larger footprint of both police district/divisions, and continued growth of new residential sections of the Westphalia development, will add 18,000 housing units and nearly 39,000 additional people. In FY 2024, these geographical areas will continue to increase in population and in turn stretch the Sheriff's Office resources even further.

Domestic violence related peace and protective orders have increased countywide by 24% over the last two years and the number of orders issued continues to rise. Even with these dramatic increases, response times to domestic violence disputes in the response area have remained consistent at 16 minutes. In FY 2021, deputies' average length on a call for service resolving domestic violence issues was 35 minutes due to conducting thorough interviews with parties involved to ensure proper incident documentation and wraparound services to victims.

Trend and Analysis

The number of violent crime warrants has increased dramatically, and they continue month after month at these new elevated levels. This is the primary focus of the Office of the Sheriff. In collaboration with the State's Attorney's Office, the Office has revised the extradition guidelines to permit additional out-of-state apprehensions from locations nationwide. The Office has also prioritized motor vehicle warrants when a death occurs, further reducing the numbers of open warrants. Increasing technology and filling key vacancies within the Warrant/fugitive Division will improve the safety and productivity of the apprehension of violent, repeat offenders. With the courts returning to pre-pandemic docket levels, the Office expects the number of warrants issued to begin to increase over the course of FY 2023 but will ensure the overall number of open warrants will continue to trend downward.

In FY 2024, compensation expenditures increase 3.7% over the FY 2023 budget to align with mandated salary requirements for FY 2024, additional funding for overtime and recruitment signing bonuses offset by an increase in budgeted salary lapse and attrition. Funding is provided for two academy classes of 18 scheduled for November 2023 and March 2024. Compensation supports funding of 544 out of 651 full time positions. Fringe benefit expenditures increase 6.6% over the FY 2023 budget to align with the projected costs.

Operating expenditures increase 19.9% over the FY 2023 budget due to contractual increases for medical, food, electronic monitoring and library services. Additionally, funding increases for general office supplies, telephone, building rental fees, vehicle repair and maintenance offset by a decrease in utilities to align with anticipated costs.

Capital outlay expenditures remain the same from the FY 2023 budget. Funding will support the purchase of metal detectors.

Recovery expenditures remain the same from the FY 2023 budget and come from the Drug Enforcement and Education Special Revenue Fund to support the Reentry Program.

DIVISION OVERVIEW

Office of the Director

The Office of the Director is responsible for providing policy direction and the coordination of the agency’s operating divisions.

In addition, the office informs the citizens about the agency’s innovative inmate supervision and management approaches. The office is also responsible for the review of pending State and local legislation affecting the agency. This division houses the Office of Professional Responsibility and Legal Affairs that is responsible for investigating alleged misconduct by inmates and employees.

Fiscal Summary

In FY 2024, the division expenditures increase \$847,700 or 19.0% over the FY 2023 budget. Staffing resources increase by one position over the FY 2023 budget. The primary budget changes include:

- Increase in personnel costs due to the annualization of prior year compensation adjustments and an increase in overtime offset by an increase in attrition and vacancy lapse.
- An increase in general office supplies and training costs.

Human Resources Division

The Human Resources Division supports the agency’s operations by providing personnel services including recruitment, testing, payroll, staff training and background investigation services. The division is also responsible for coordinating the certification and accreditation process for the correctional center. In addition, the Information Services Unit in this division is responsible for managing all aspects of the agency’s hardware, software and computer systems.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$408,600 or -5.2% under the FY 2023 budget. Staffing resources decrease by one position from the FY 2023 budget. The primary budget changes include:

- Compensation decreases primarily due to funding for the two academy classes of 18 and signing bonuses for graduates being moved to the Security Operations division. Funding is also provided for the

annualization of prior year compensation adjustments offset by an increase in attrition and vacancy lapse.

- An increase in the technology cost allocation charge based on the anticipated countywide technology costs.
- Funding is included to support an increase in the cost of general office supplies.

Security Operations Division

The Security Operations Division is responsible for the care and custody of inmates sentenced to, or held for, detention in the County correctional center in Upper Marlboro. The inmate population includes pretrial detainees, county-sentenced inmates, State-sentenced inmates pending transport to a State facility and a limited number of out-of-county prisoners. Correctional officers provide direct supervision of inmates in secure housing units and provide security during prisoner movement within the facility for medical and dental care, participation in various programs, visits by family and friends and court appearances.

Fiscal Summary

In FY 2024, the division expenditures increase \$2,452,000 or 5.3% over the FY 2023 budget. Staffing resources increase by 94 positions from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to internal reorganization and an increase in overtime offset by increased attrition and salary.
- Funding to support two academy classes of 18 and signing bonuses for graduates has moved to the Security Operations division.

Population Management Division

The Population Management Division has four units: (1) Inmate Records; (2) Classification; (3) Case Management/Pretrial Supervision; and (4) Monitoring Services. The Inmate Records Section maintains records on all inmate activity during the incarceration period.

The Classification Unit categorizes inmates to determine where the inmates should be housed in the correctional center. The unit also conducts inmate disciplinary hearings and provides clearance for inmate workers. Additional responsibilities include arranging timely transport for inmates sentenced to the State Division of Corrections and coordinating federal prisoner billings and payments.

The Case Management/Pretrial Supervision Unit is responsible for community-based supervision of defendants awaiting trial. Each new inmate is interviewed prior to a bond hearing. Criminal history and other data are compiled for presentation to the court. This unit supervises the activities of defendants in the pretrial release program and monitors compliance with the conditions of release.

The Monitoring Services Unit supervises and controls inmates who are detained in their homes by court action through computerized random telephone calls, monitoring wristlets that verify the identity and location of the inmate and face-to-face contact with caseworkers.

Fiscal Summary

In FY 2024, the division expenditures increase \$785,200 or 13.6% over the FY 2023 budget. Staffing resources decrease by seven positions from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of prior year compensation adjustments and an increase in overtime offset by internal reorganization in addition to increased attrition and salary lapse.
- An increase in operating funding supports additional resources provided in the general and administrative contract for home monitoring services.

Community Corrections Division

The Community Corrections Division provides alternative-to-incarceration options, intermediate/graduated sanctions and reentry services to offenders. The division houses the department’s Work Release Program, the Community Service Program, the Community Supervision Section and the Reentry Services Section. It is the goal of the division to assist returning citizens with their transition to the community. The division’s objectives are to provide alternative-to-incarceration options for the judiciary and offenders; to provide the appropriate supervision to offenders while in the community; and to offer intermediate/graduated sanctions before incarceration when an offender violates regulations.

Fiscal Summary

In FY 2024, the division expenditures increase \$130,000 or 2.9% over the FY 2023 budget. Staffing

resources decrease by six positions from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to annualization of prior year compensation adjustments offset internal reorganization in addition to increased attrition and salary lapse.
- Funding supports reentry program services.

EDWARD BYRNE MEMORIAL JUSTICE ASSISTANCE GRANT- LOCAL SOLICITATION -- \$200,000

The U.S. Department of Justice (DOJ) through the Bureau of Justice Assistance (BJA), Office of Justice Programs (OJP) provides funding to support the County's public safety agencies, specifically, the Police Department, Fire/EMS Department, the Office of the Sheriff and the Office of the States Attorney for overtime, equipment and technology to reduce crime and promote safety to our citizens.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide inmate rehabilitative and reentry services.

Objective 1.1 — Increase the number of the inmates that achieve one grade level within a year.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
5	0	0	0	0	↔

Trend and Analysis

Due to the global pandemic, instructional classes were suspended; therefore, the Department was unable to meet its projected targets as indicated in FY 2023. Relatedly, the Department has projected 0 for FY 2024 because it does not anticipate having detainees stay in the corrections system long enough to have them assessed for the GED Program, go through all necessary instruction and then test a whole grade level higher. Nevertheless, the Inmate Services Division provided educational packets to detainees, as most detainees continue to test in the elementary grade levels when assessed for the GED Program; thereby requiring additional preparation. However, through a more rigorous approach, additional classroom time, tutoring, partnership with the Prince George's County Public Schools System (PGCPS) and more exposure to the computer lab, the Department hopes to increase the grade test levels and facilitate more detainees receiving their high school diplomas.

To ensure that juveniles received their mandated education requirements, during the pandemic, the PGCPS teachers provided in-person instruction and guidance to the juvenile population in completing their assignments. The Board of Education also supplied Chromebooks for the juveniles to facilitate the completion and submission of assignments.

Trend and Analysis

Approximately, 35% of the average daily inmate population are identified as mentally ill and are prescribed psychotropic medications. While medication therapy is an acceptable method to treat the mentally ill, it is also vital to compliment medication with mental health counseling, behavioral modification and a restrictive self-contained therapeutic environment in order to promote staff and inmate wellness and ensure safety. In 2019, the agency received grant funding to implement the Behavioral Health Unit (BHU). This unit will offer a two-phase step-down system for the chronic, severe and acute mentally ill inmates who are currently placed in isolation and/or administrative segregation due to maladjustment behavioral issues. Acute mental illness is characterized by significant and distressing symptoms of a mental illness requiring immediate treatment. Inmates who suffer from an acute mental illness may become a danger to themselves or others. The BHU will offer a holistic approach to mental health treatment while incarcerated where the participants are able to achieve wellness and matriculate to general population and reentry into the community. Success will be measured based on the number of inmates assessed, compliant with treatment and successfully placed in general population. Due to housing unit renovations and construction projects, the opening of the Behavioral Health unit has been delayed until appropriate housing unit spacing has been identified.

The Community Release Center (CRC) is an alternative-to-incarceration facility for both pretrial and sentence offenders. It allows offenders to remain in the community while awaiting adjudication or serving their sentences. CRC provides an array of supportive community resources and collaborates with the Health Department's "The Bridge Center" and the Department of Social Services' "Benefits and Entitlements Program" that provide reentry resources for returning citizens to impact recidivism. Pre-pandemic, the average daily population in CRC was 17. The resident count decreased by 41% in 2020 with an average of ten. Due to the pandemic, CRC was closed with inmates released or returned to jail and staff reassigned. At the height of its population, the program was operating at 60% occupancy that was above the estimated rate. CRC remains closed with a tentative reopening date in Summer 2023. While anticipating its reopening, there's a need to hire and train staff who will be dedicated to screen offenders for program participation. Once open, the CRC will welcome the Maryland Division of Public Safety and Correctional Services participants who are eligible to return to the County from the State Prison under the Juvenile Restoration Act.

Trend and Analysis

Jails, along with prisons, have a culture of violence because inmate behavior can be erratic, unpredictable and dangerous due to the nature of imprisonment. As a result, correctional staff must remain hyper-vigilant, emotionally and physically guarded in a way that is uncommon in other careers. This heightened level of alertness along with repeated exposure to trauma, and the stress of shift work causes mental fatigue and emotional hardship that can impact a correctional officer's professional and personal life. The global pandemic (COVID-19 virus) created severe manpower losses that have added to a reported rise in stress and anxiety. It is a fact that trauma, stress and anxiety can lead to low productivity, chronic absenteeism/ tardiness, high staff turnover and other mental health issues and illnesses. The Department of Corrections has an Employee Support Unit (ESU) that consists of two mental health professionals (one full-time and one 1,000-hour LTGF), one Captain assigned from Security, and a Critical Incident Stress Management (CISM) peer support team. The ESU that facilitates access to resources so that employees can better manage their stress and improve their emotional and relational health, factors that contribute to improved work performance and job satisfaction and overall employee wellness.

Trend and Analysis

The Department of Corrections' goal is to reduce the number of inmate-on-officer assaults and injuries to staff. Correctional officers are exposed to unique hazards in a jail. Inmates who enter the correctional facility may be under the influence of drugs or alcohol and/or may suffer from a mental illness. In comparison to other professions, correctional officers have one of the highest rates of nonfatal, work-related injuries, that may be serious enough to require that they miss a day of work or more. Most injuries are caused by inmate assaults; these assaults can be minor, for example, when an inmate pushes an officer. However, some assaults, for example, being bitten by an inmate or an inmate physically striking an officer with their hand, head, body or using a weapon can result in more serious injuries. Some injuries can be a result of a correctional officers' work activities, for example, restraining inmates, contraband searches and intervening when two inmates are fighting. The Department will continue to deliver interpersonal communication, mental health training and occupational hazard training to staff annually; increase mental health services to ensure the identification of those mentally ill; and expedite treatment on identified hazardous work environments and make timely repairs to prevent staff injury.

Office of Homeland Security

MISSION AND SERVICES

The mission of the Office of Homeland Security (OHS) is to save lives, protect property, assist the public in their time of need and ensure the safety of first responders through a comprehensive and integrated emergency management system combined with professional call taking, dispatch, technical and support services. Together, the office will serve the community through professional responsiveness, preparation, mitigation and recovery from all emergencies and hazards that may impact the County.

CORE SERVICES

- Providing 9-1-1 call center services, including the dispatch of emergency calls to the appropriate public agencies
- Providing functionality of body worn cameras, in car cameras, public safety records management systems (RMS), mobile data computers and ensuring secure video storage for all public safety agencies
- Protecting communities by coordinating and integrating all activities necessary to build, sustain and improve the capability to mitigate against, prepare for, respond to and recover from health and threatened or actual natural disasters
- Provide responses to Maryland Public Information Act (MPIA), subpoena, and public safety agency investigation requests for 9-1-1 and dispatch text or audio recordings
- Preventing and deterring terrorist attacks, protecting against and responding to threats and hazards within the County

FY 2023 KEY ACCOMPLISHMENTS

- Successfully implemented the 9-1-1/dispatch portions of the Prince George's County Mental Health Call Diversion process.
- Received the National 2022 Integrated Justice Information Systems (IJIS) Institute Thomas J. O'Reilly Innovation Award. Prince George's County OHS Public Safety Communications (PSC) received this award for being the first public safety agency in the United States to deploy i3 location-based call routing for all 9-1-1 calls as part of the NG9-1-1 i3 Location Based Call Routing Project.

- Developed legislation to recognize 9-1-1 Specialists as “First Responders.”
- Finalized a comprehensive after-action report (AAR) for the County in response to the COVID-19 pandemic. This AAR discussed lessons learned and identified areas for improvement that will benefit future response and recovery efforts.
- Onboarded a Cyber Preparedness Specialist, who will be responsible for the development of a cyber resiliency plan, in addition to cyber trainings and cyber related exercises.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The office’s top priorities in FY 2024 are:

- Meet Prince George’s County Police Reform Commission recommendations and requirements associated with OHS/PSC, to include continued support of the Mental Health Call Diversion processes.
- Provide 9-1-1 call processing within established State requirements, and to provide timely, effective and efficient public safety emergency services to ensure the safety of residents and public safety-first responders.
- Plan for and deploy 9-1-1, dispatch, and other public safety support services and systems in keeping with industry, State and regional standards. This includes continuing transitions associated with Next Generation 9-1-1 capabilities, recognition of 9-1-1 Specialists as first responders, equipment enhancements, updates to 9-1-1 Specialist and technical support classifications and implementation of training and staffing enhancements within the technical services and operations areas.
- Implement and exercise the County’s Continuity of Government and agency Continuity of Operations Plans within Prince George’s County in keeping with industry, municipal and State practices, with special attention being placed on pandemic specific and weather-related plans.
- Plan, develop and implement residential flood risk education program to raise awareness, and prepare County residents for the County’s #1 natural hazard.
- Implement preparedness, mitigation, response and recovery efforts as it relates to cyber, natural and man-made hazards through countywide plan development and exercises.

DIVISION OVERVIEW

Administration

The Administration Division is responsible for the overall management, coordination and direction of the Office of Homeland Security.

Fiscal Summary

In FY 2024, division expenditures increase \$877,500 or 27.0% over the FY 2023 budget. Staffing resources increase by four positions due to a transfer of staff from the Office of Emergency Management division. The primary budget changes include:

- An increase in personnel costs due to planned pay adjustments and a transfer of staff from the Office of Emergency Management.

- An increase in fringe benefit costs due to projected healthcare and pension costs.
- An increase in technology costs to support anticipated countywide expenses.

Public Safety Communications

The Public Safety Communications Division is primarily responsible for the 9-1-1 center and the support of certain public safety technology. The 9-1-1 center provides emergency call services to citizens and dispatch services to the appropriate public safety agencies.

The division also supports certain public safety technology systems including radio communications equipment, in-car cameras and the mobile data computer information system (MDCIS) maintenance and consolidates storage of body worn camera footage.

Fiscal Summary

In FY 2024, the division expenditures increase \$2,738,200 or 7.3% over the FY 2023 budget. Staffing resources increase by one position over the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to planned salary adjustments, overtime costs and funding for a new Emergency Dispatch Supervisor position.

- An increase fringe benefit costs to support projected healthcare and pension costs.
- An increase in operating due to the maintenance contracts for public safety systems and the purchase of body cameras for public safety personnel.

Grant Descriptions

EMERGENCY MANAGEMENT PERFORMANCE GRANT (EMPG) -- \$362,300

The Maryland Emergency Management Agency provides funding to develop and enhance local emergency management capacity.

STATE HOMELAND SECURITY GRANT (MEMA) -- \$546,300

The Maryland Emergency Management Agency provides funding to enhance the County's ability to prevent, deter, respond to and recover from threats and incidents of terrorism.

URBAN AREAS SECURITY INITIATIVE (UASI) VOLUNTEER AND CITIZEN CORP -- \$200,000

The U.S. Department of Homeland Security provides funding to educate, train and prepare citizens and communities for real world disasters.

URBAN AREAS SECURITY INITIATIVE (UASI) REGIONAL EMERGENCY PREPAREDNESS -- \$630,100

The U.S. Department of Homeland Security provides funding for all phases of preparedness support in the region.

URBAN AREAS SECURITY INITIATIVE (UASI) RESPONSE AND RECOVERY PLANNING -- \$100,000

The U.S. Department of Homeland Security provides funding to plan for jurisdictional and regional recovery efforts.

URBAN AREAS SECURITY INITIATIVE (UASI) RESPONSE AND RECOVERY TRAINING -- \$100,000

The U.S. Department of Homeland Security provides funding for all phases of emergency preparedness training.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide 9-1-1 call processing within established State goals and to provide timely, effective and efficient public safety dispatch services to ensure the safety of citizens and public safety first responders.

Objective 1.1 — Maintain 97% percent of Fire/EMS calls for service dispatched within two minutes.

97%	97%	97%	97%	97%	↔

Trend and Analysis

Prince Georges County's Public Safety Communications (PSC) 9-1-1 Center is one of the largest and busiest in the region. The Communications Center is responsible for answering and processing an average of 4,500 calls daily or 1.6 million calls annually. Last year, PSC dispatched County police, fire, EMS, sheriff and 18 local police departments to over 1.3 million emergency incidents. By interagency agreement, at least 97% of fire/EMS calls are to be dispatched within two minutes. The ability to effectively process these requests for service and the support provided to public safety agencies requires highly trained professional staff assigned to the 9-1-1 and dispatch areas. The PSC sections work as a team to provide the highest level of service to citizens and public safety personnel. PSC will continue to plan for and provide timely, effective and efficient public safety dispatch services, ensuring the safety of citizens and public safety first-responders.

Actuals for FY 2020 have been revised to reflect more appropriate calculation methodologies for the following measures: “Monthly 9-1-1 calls answered per call taker;” “Monthly dispatches of fire and medical units per staff” and “Monthly dispatches of police and sheriff units per staff.”

Trend and Analysis

The State of Maryland requires all 9-1-1 centers to have a sufficient number of call takers and equipment to consistently answer incoming calls on a daily average of 10 seconds or less per COMAR, Title 12, Subtitle 11, Chapter 03. The State distributes approximately \$9 million dollars in 9-1-1 surcharge fees to Prince George's County per year in support of 9-1-1 functions and to ensure funding for adequate staffing levels to meet this mandate. Radio congestion negatively impacts the ability to quickly dispatch public safety personnel to emergency calls, run license plates to confirm warrant information and more, which may impact the ability to provide assistance when public safety personnel are in trouble. Busy dispatch talk groups also restrict trained dispatch personnel from augmenting 9-1-1 staffing to assist in meeting call answer time mandates.

Performance Measures

See Table 1.1.

Goal 2 — To build a resilient culture throughout the County through an all-hazards protection, preparedness, mitigation, response and recovery approach.

Objective 2.1 — Increase the number of residents, visitors and businesses with emergency preparedness awareness and knowledge.

Trend and Analysis

The agency provides a comprehensive and integrated emergency management program that coordinates government and community resources to protect lives, property and the environment through mitigation, preparedness, response and recovery from all natural, biologic and man-made hazards that may impact the County. To accomplish this, the agency provides preparedness initiatives through exercises, training, planning and outreach to residents, local and municipal governments, volunteers and businesses throughout the County. The agency plans to continue to conduct training and exercises throughout the County annually.

FY 2020 and FY 2021 prior year Actuals for Measure "MDPEMP, CEM or AEM certified" have been adjusted to correct for a mis-characterization of the data presented in years prior. Without access to disaggregated data to retroactively assess what these data should have been, the figures for these two years will be omitted.

Trend and Analysis

The Office of Emergency Management conducts numerous exercises and training sessions and preparedness campaigns throughout the County during the fiscal year to educate personnel in emergency preparedness. Emergency preparedness, including developing crisis/disaster plans and training employees is crucial for the workplace. Prince Georges County employs over 7,200 individuals and planning for all potential emergencies will help County employees to be ready for unexpected situations. Agency size and the workforce will determine specific training requirements. However, all employees should be trained on all the functions and elements of the agency emergency action plan (EAP) and the types of emergencies that could potentially occur at work. The threat of terrorism and active shootings pose new challenges to local governments. Terrorism can impact essential government services and economic functions. For these reasons, preparations should be made in advance of emergencies to ensure that Prince Georges County maintains operational stability. In FY 2024, the Office of Emergency Management will continue to offer trainings to increase awareness including identification of potential types of emergencies, reporting procedures, alarm systems, evacuation plans, shutdown procedures and public access trauma care kits training.

Trend and Analysis

The agency provides a comprehensive emergency management program, where its mission is to create resilient communities through preparedness, response, mitigation and recovery. Mitigation and recovery are often the least served in the field of emergency management, but the agency plans to develop and strengthen initiatives with both County agencies and stakeholders to mitigate and prevent future disasters and protect the County residents, businesses and visitors. The agency will develop and conduct trainings on recovery initiatives and develop and/or update mitigation plans that aim to reduce risk and recover efficiently and effectively.

Soil Conservation District

MISSION AND SERVICES

The Soil Conservation District provides grading, erosion and sediment control services, agricultural landowner assistance and rural land preservation services to the citizens and residents of the County in order to protect the County’s soil and water resources.

CORE SERVICES

- Provide technical review/approval for land grading, erosion and sediment control and small pond dam safety
- Provide agricultural landowner assistance services for soil and water conservation program implementation
- Administer rural land preservation programs
- Provide soil and water conservation technical services to urban agricultural operations
- Provide education and outreach to the citizens and students through multiple soil and water conservation programs

FY 2023 KEY ACCOMPLISHMENTS

- Continued to meet and exceed the Maryland Watershed Implementation Plan (WIP) milestone goals for conservation planning and best management practice (BMP) implementation.
- Exceeded the outreach goals for the urban agriculture conservation program. Continued the development of a twelve-acre incubator farm for aspiring urban ag producers in partnership with National Association of Conservation Districts (NACD), USDA-Natural Resources Conservation Service (NRCS), Maryland National Capital Park and Planning Commission (M-NCPPC) and ECO-City Farms.
- Maintained an average urban plan review time of five business days while continuing to partner with DoE and the Clean Water Partnership on Storm Water Management retrofit projects throughout the County. Designed flow charts for the development community to clarify and provide greater efficiency navigating District processes and phasing of grading, erosion and sediment control plans and forest harvest plans.
- Conducted two trainings and one competition for the local Envirothon. Awarded additional higher education scholarships for a total of \$33,500 since 2013.

- Preserved additional acres of agriculture land through the Historic Agricultural Resource Preservation Program (HARRP) and the Maryland Agricultural Land Preservation Foundation (MALPF) Rural Legacy programs totaling 7,215 acres.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The district’s top priorities in FY 2024 are:

- Maintain the average turnaround time for urban land grading, mining, erosion/sediment control, dam safety and small pond plan reviews at or below five days by providing efficient technical assistance to customers.
- Increase the number of acres treated by Best Management Practices (BMPs) on agricultural land by providing technical assistance to agricultural land owners on appropriate installation of those BMPs in order to mitigate water quality issues.
- Increase the acres of preserved agricultural land in the County by preserving agricultural land through perpetual easements, possibly directing growth away from the rural tier and limiting the need for infrastructure funding to rural areas of the County.
- Increase education and outreach of soil and water conservation to the citizens and students of Prince George’s County.
- Increase technical assistance for the conservation of soil and water resources on urban agricultural operations in the County.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Soil Conservation District is \$0 and unchanged from the FY 2023 approved budget. The FY 2024 approved budget before recoveries is \$2,124,700, an increase of \$127,000 or 6.4% over the FY 2023 approved budget. The Soil Conservation District General Fund costs are 100% recovered from non-General Fund sources.

In FY 2024, compensation expenditures increase 5.7% over the FY 2023 budget due to annualization of FY 2023 and FY 2024 planned salary adjustments. Compensation costs include funding for 16 full time positions. Fringe benefit expenditures increase 6.5% over the FY 2023 budget to reflect the change in the fringe benefit rate and compensation adjustments.

Operating expenditures increase 14.0% due to an increase in the technology cost allocation charge.

Recoveries increase 6.4% over the FY 2023 budget to reflect an increase in overall expenditures. The General Fund cost of the Soil Conservation District is recovered from the Stormwater Management Enterprise Fund, which includes District and State reimbursement for sediment control fees. In addition, the agency will recover \$12,500 from the Agriculture Land Transfer Tax for the expenditures associated with the Agricultural Land Preserve.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide urban land grading and erosion and sediment control planning services to the County's citizens and residents in order to protect the County's water quality and against adverse impacts associated with sediment pollution.

Objective 1.1 — Maintain the average turnaround time for urban grading and sediment plan reviews at or below five business days.

Trend and Analysis

In order to improve the County and State's water quality and dam safety program, the District reviews grading, erosion and sediment control plans. Reviewing these plans quickly with a high degree of quality and accuracy allows sediment control plans to be implemented in a timely manner. The average number of work days required to review a plan remains faster than the District's Board of Supervisor's maximum standard of 10 business days.

Trend and Analysis

A BMP is an engineering or agronomic practice designed to reduce soil erosion, nutrients, and/or improve water quality. The number of BMP's installed is due in large part to farmer participation in the Maryland State Cover Crop Program and support from the Soil Conservation District who also provides technical assistance in the installation of other BMPs. The performance data is impacted by weather as well as the farmer's ability to implement the State's Cover Crop Program. The total agricultural land mass is approximately 60,000 acres.

The approved USDA 2018 Farm Bill impacts Federal Cost Share programs and BMP implementation. The national emphasis on soil health and carbon sequestration may increase the use of no-till and cover crops that will incorporate more BMPs on farmland.

Trend and Analysis

In order for the County's Urban Agricultural Industry to flourish, there must be sound and prudent use of the soil and water resources related to this land use. The District will develop soil conservation and water quality plans for these operations to address the implementation of BMPs that focus on the reduction of soil erosion, efficient nutrient management and improvement of water quality, while producing fresh food sources for the surrounding population.

Department of the Environment

MISSION AND SERVICES

The Department of the Environment (DOE) protects, enhances and restores the County's air, land and water through pollution reduction and flood control; recycling, waste and resource management; beautification, education and litter prevention; and animal services and pet adoptions, in partnership with residents, businesses and non-profit organizations.

CORE SERVICES

- Implement projects that improve water quality to comply with the County's federal and State National Pollutant Discharge Elimination System (NPDES) and Municipal Separate Storm Sewer System Permit Program (MS4) to support flood control
- Collect, process and divert waste from the County operated landfill, commercial facilities and households to comply with the County's State-required ten year solid waste plan
- Develop and implement programs to reduce County greenhouse gas emissions and improve conservation of environmental resources
- Develop and implement programs that improve the County's resilience to climate change including tree planting and land use practices and residential resilience to flooding
- Engage and educate the community on litter reduction, pollution prevention, beautification, waste diversion, climate resilience and environmental best practices
- Facilitate pet adoptions, manage an animal service facility, issue licenses, investigate cruelty complaints and conduct humane outreach and education events

FY 2023 KEY ACCOMPLISHMENTS

- Expanded the residential composting program to an additional 60,000 households throughout the County.
- Developed and obtained preliminary approval from the Maryland Department of the Environment (MDE) for landfill development that provides in-county disposal capacity at our existing Brown Station Road Sanitary Landfill for a period of at least 60 years.
- Restored 5,744 acres of impervious surface area of the 6,105 acres required by the National Pollutant Discharge Elimination System (NPDES) and Municipal Separate Storm and Sewer System (MS4) mandates since its inception, through the Clean Water Partnership (CWP) and Capital Improvement Program (CIP).

- Developed the Climate Implementation Strategy Plan, including a high-level magnitude of cost for plan execution, for Climate Implementation Task Force consideration.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priorities in FY 2024 are:

- Investigate constituent service requests for flooding on private properties identifying problem sources and corrective measures.
- Increase the total number of impervious acres retrofitted with stormwater management controls that filter pollutants through the work of local, County-based businesses prioritizing projects that support regulatory requirements and flood alleviation co-benefits.
- Design the construction of Area C at the Brown Station Road Landfill to extend its useful life and expand the residential food scrap composting program.
- Expand the number of litter receptacles, provide alternatives to illegal dumping, enhance waste services and develop holistic educational and engagement tools around litter and illegal dumping.
- Support and expand stakeholder involvement in the Climate Implementation Task Force.
- Increase the placement of animals in forever homes through community outreach and integrate animal control into County emergency services to best serve residents and their animal companions.

In FY 2024, compensation expenditures increase 17.4% over the FY 2023 approved budget primarily due to the annualization of FY 2023 and planned FY 2024 salary allocations and funding for five new positions in the Animal Services division to improve kennel operations and support efforts to implement program activities that ensure consistency with industry best practices. The new positions are one Animal Care Attendant Supervisor; three Animal Care Attendants; and one Information Technology Project Coordinator. Compensation costs includes funding for 119 out of 121 full time positions. Fringe benefit expenditures increase 16.1% over the FY 2023 budget to align with projected costs and changes in compensation.

Operating expenditures increase 46.7% over the FY 2023 budget due to an increase in the OIT technology allocation charge, contractual services, supplies, membership and training, fuel costs, equipment leases, and vehicle equipment repair and maintenance. In addition, funding is included to support the replacement of essential kennel equipment, after hours answering services to improve operational efficiencies, the purchase of uniforms and protective apparel and cameras to support the County's illegal dumping program.

Capital outlay expenditure primarily supports the purchase and replacement of essential kennel equipment and Big Belly trash receptacles.

Recoveries increase 15.9% over the FY 2023 budget to reflect the recoveries from the Enterprise Funds for staff salaries, fringe benefit, and operating costs in the Office of the Director and Strategic Services divisions. Recovery rates are based on current rates and methodology.

DIVISION OVERVIEW

Office of the Director

The Office of the Director provides policy guidance, coordination and administrative support to the Department of the Environment and seven operational and management divisions. The office also oversees development of environmental policies and programs, coordinates environmental planning and management activities between the County and local, State and federal agencies as well as ensures compliance with all related laws and regulations. The Director’s Office also coordinates the agency’s publication, outreach and education activities through the reorganized Communications Office and actively participates in the County’s legislative process and community outreach through the Community and Legislative Affairs Office. In FY 2024, the Director’s Office will continue to manage the County’s Energy Program grants.

Fiscal Summary

In FY 2024, the division expenditures increase \$449,500 or 64.8% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in compensation to fund annualization of FY 2023 and planned FY 2024 salary adjustments.
- An increase in fringe benefit expenditures due to changes in compensation and projected costs.
- An increase in operating costs to support the purchase of cameras for the County’s Illegal Dumping program.
- An increase in capital outlay to support the purchase of Big Belly trash receptacles.
- An increase in recoveries to align with anticipated expenditures.

OTHER FUNDS

Solid Waste Enterprise Fund

As authorized by Section 10-256 of the County Code, the Solid Waste Management Enterprise Fund finances costs associated with the maintenance and operation of land and facilities for the collection, transportation and disposal of refuse, garbage, rubbish, other matter and all related activities. The fund also finances costs associated with environmental, solid waste management and recycling and waste reduction programs in the County, which are managed by the Department of the Environment's Resource Recovery Division.

Fiscal Summary

Revenues in the FY 2024 approved budget includes a \$8,446,800 increase over the FY 2023 approved budget plan. Included in this increase is a \$3,156,000 increase in System Benefit charges related to the Consumer Price Index (CPI) adjustment.

Compensation expenditures increase 17.4% over the FY 2023 budget primarily due to the annualization of FY 2023 salary adjustments, planned FY 2024 salary allocations, and a decrease in vacancy lapse and attrition. Compensation costs include funding for 139 of 145 full time positions. Fringe benefit expenditures increase 36.5% over the FY 2023 budget to reflect anticipated costs. The fringe benefits expenditures included \$3.5 million for other post-employment benefits (OPEB) costs.

Operating expenditures increase 3.1% over the FY 2023 budget due to increased debt service costs, depreciation, vehicle equipment repair and various contractual services related to the operation of solid waste facilities. Funding is allocated to support the curbside trash, recycling and yard waste collection program.

Capital outlay expenditures increase \$1,332,000 over the FY 2023 budget to support the replacement of operational equipment essential to landfill operations and to support the purchase of additional Big Belly trash receptacles.

Recoveries increase 7.5% over the FY 2023 budget due to an increase in recoverable costs for the closed Sandy Hill Landfill.

Stormwater Management Enterprise Fund

As authorized by Sections 10-262 through 10-264 of the County Code, the Stormwater Management District includes all the land within the boundaries of Prince George's County, Maryland, except for land within the City of Bowie. Within this special taxing district, the County exercises all the rights, powers and responsibilities for stormwater management. These responsibilities are defined as the planning, designing, acquisition, construction, demolition, maintenance and operation of facilities, practices and programs for the control and disposition of storm and surface waters, including floodproofing and flood control and navigation. These actions ensure the availability to residents and property owners of the Stormwater Management District an efficient and safe operating service. The Stormwater Management Enterprise Fund funds stormwater management activities within the district and responsibility for administering these activities is shared between the Department of the Environment and the Department of Public Works and Transportation.

The Department of the Environment's Stormwater Management Division (SMD) and Sustainability Division (SD) carry out Municipal Separate Storm Sewer System (MS4) permit water quality regulations. SMD focuses on flood mitigation through planning, design, construction and permitting of remedial flood and drainage improvement projects. SD focuses on sustainable services and with the MS4 and Watershed Implementation Plan (WIP) requirements facing the County, provides research, outreach and tracking of sustainability efforts for the agency.

Fiscal Summary

In FY 2024, compensation expenditures in the Department of the Environment's portion of the fund reflect an increase of 36.9% over the FY 2023 budget primarily due to the annualization of prior year salary adjustments, planned FY 2024 salary adjustments, funding for new positions, and a reduction in vacancy lapse. Funding is provided for six new positions in FY 2024. This includes three planner positions to support the County's Climate Action Plan initiatives, including one position who will serve as a grant writer. Also, two engineer positions and one construction standards inspector position is provided to support additional tasks required by the MS4 permit mandates. Compensation costs includes funding for 67 full time positions. Fringe benefit expenditures increase 58.6% over the FY 2023 budget to reflect anticipated costs. The fringe benefit expenditures include \$3.7 million for other post-employment benefit (OPEB) costs.

Operating expenditures increase 15.9% under the FY 2023 budget primarily due increase in debt service costs and interagency charges. The debt service costs are based on the current debt service schedules and the interagency charges are based on existing recovery rates and methodology.

Recoveries increase in the amount of \$205,000 over the FY 2023 approved budget to reflect anticipated recoveries for one Planner position that supports the County's Energy grants.

Local Watershed Protection & Restoration Fund

Effective July 1, 2013, the County established a Watershed Protection and Restoration (WPR) Program, in accordance with the provisions of House Bill (HB) 987. County legislation adopted by the County Council established the authority and agency responsibilities needed to administer the WPR program. Through the establishment of a stormwater remediation fee, the County will be able to meet its long term regulatory WIP II and NPDES State and federal mandates for water quality improvement through restoration. The Local Watershed Protection and Restoration Fund, also known as the Water Quality Fund, supports the requirements to meet federal mandates for impervious area restoration through retrofit, stormwater controls and mandated rebate programs intended to improve water quality in the Chesapeake Bay.

Fiscal Summary

In FY 2024, compensation expenditures in the fund decrease -2.2 % under the FY 2023 budget primarily due to the annualization of FY 2023 salary adjustments and planned FY 2024 salary adjustments. Compensation costs includes funding for 10 full time positions. Fringe benefit expenditures increase 6.9% over the FY 2023 budget due to align with projected costs.

Operating expenditures decrease -0.1% from the FY 2023 budget due to a projected reduction in debt service costs to align with current requirements. Funding is provided for the County's retrofit rebate program, the Clean Water Partnership master maintenance agreement as well as the social and economic development program costs.

Grant Descriptions

COMMUNITY LIFE-SAVING GRANT - \$50,000

This grant program from Best Friends Animal Society is to cover adoption fees to promote adoptions and to incentivize rescue groups to adopt animals from the Animal Services Division. The grant runs through July 31, 2024.

SPAY TODAY-KEEP THE LITTERS AWAY - \$25,200

The Maryland Department of Agriculture provides funding for rabies vaccinations and no-cost spay/neuter services for a total of 240 feral cats in the 20743 Zip Code (Capitol Heights area). The grant runs from January 1, 2024, to December 31, 2024.

DEVELOP SEDIMENT & POLYCHLORINATED BIPHENYLS (PCB) REDUCTION PLAN FOR LOWER BEAVERDAM CREEK - \$75,000

This project is to identify potential areas with high levels of PCB using existing data, to identify potential load reduction strategies, and to recommend the best management practices (BMPs) types that are suitable for collecting sediments and filtering PCBs. Countywide Bacteria Reduction Strategy resubmitted in FY23 for FY24 award.

CLEAN FUELS INCENTIVE PROGRAM -- \$80,000

The program, under the auspices of the Maryland Energy Administration (MEA), aims to provide financial assistance for the purchase of new or converted alternative fueled fleet vehicle. The goal is to advocate the use of greener transportation to reduce greenhouse gas emission and in the process promote healthy environment or communities. The Resource Recovery Division (RRD) plans to apply for the purchase of an on-road electric trash truck to test out its efficiency and effectiveness in collecting refuse.

COMPOSTING AND FOOD WASTE REDUCTION (CFWR) PILOT PROJECT -- \$50,000

The grant will support County composting initiatives where students will promote and attain actual understanding of the food scrap collection program. The focus of program activities will be promoting racial equity and support to underserved communities. Most Prince George's County Public School (PGCPS) students are

Hispanic and Black or African Americans. Underserved population constitute almost 92 percent of the total school enrollment based on PGCPS data. The 11 pilot schools are all "Green School" with robust environmental programs. These schools were selected due to their existing willingness to engage in similar efforts. As the program is implemented, the Count and PGCPS will identify ways to support schools with fewer volunteer or staff support. Allowing all PGCPS students to have access to food waste-related infrastructures will empower them to become active players in harnessing the benefits of composting. This, in turn, will promote food security and healthy communities and mitigate climate change within the County.

ENERGY EFFICIENCY AND CONSERVATION BLOCK GRANT (COMPETITIVE), FEMA BUILDING RESILIENT INFRASTRUCTURE AND COMMUNITIES (BRIC) - RESILIENCY HUB, CLIMATE POLLUTION REDUCTION, ENVIRONMENTAL AND CLIMATE JUSTICE BLOCK GRANTS, COMMUNITIES LOCAL ENERGY ACTION PROGRAM (COMMUNITIES LEAP) -- \$2,000,000 & \$900,000

Grant announcements for energy efficiency and resiliency and renewables are anticipated under the referenced programs. Funding source is largely Federal, but State (MEA) is also likely to make funding available.

EPA CONSUMER RECYCLING EDUCATION AND OUTREACH GRANT PROGRAM -- \$2,000,000

This grant project will provide funding to support efforts to inform the public about residential or community recycling or composting programs, provide information about the materials that are accepted as part of residential or community recycling or composting programs, and increase collection rates and decrease contamination across the County. Emphasis will be placed on improving the County's recycling, composting, and other material management programs.

FEMA HMA/MDE COMPREHENSIVE FLOOD MANAGEMENT GRANT PROGRAM -- \$305,000

Regarding Urban Flood Planning in Prince George's County's Anacostia River Watershed, Prince George's County has experienced numerous urban flooding events over the past decade due to the increased number of

high-intensity, short duration rain events. Urban flooding is defined in the Prince George's County 2017 Hazard Mitigation Plan Update as occurring "where manmade development has obstructed the natural flow of water and decreased the ability of natural groundcover to absorb and retain surface water runoff" (Prince George's County OEM and DoE, 2017). This is particularly a problem within the County's Anacostia River watershed, which is highly urbanized with much of the land developed prior to current stormwater management regulations. The County has a strong understanding of flood inundation areas related to riverine and tidal flooding, but there is less understanding of those areas at risk of urban flooding. The purpose of this planning effort will be to identify areas prone to flooding and flood-related property damage outside the 100-year floodplain within a select area of the County's Anacostia River watershed, assess their flood volumes and frequencies, and provide recommendations on alternatives to mitigate this flooding.

FEMA REGIONAL CATASTROPHIC PREPAREDNESS GRANT PROGRAM (RCPGP) -- \$500,000

This project will develop and deploy a model community engagement and blue-green infrastructure (BGI) planning framework that can be replicated and scaled across the greater Washington region. Blue-green infrastructure refers to the combination of "blue" hydrological functions with "green" nature-based solutions such as vegetation and parks, which not only provide stormwater and flood management capacity but also ancillary community benefits. The project will work with communities in Prince George's County and neighboring District of Columbia to mitigate growing climate risks by assessing opportunities for blue green infrastructure that reduce flooding by retaining and slowing excess water. The Prince George's County Climate Action Plan charges the County to commit to protecting residential homes and personal property, our residents' most valuable assets, from catastrophic effects of climate change including extreme storms and flooding. It also emphasizes County commitment to embrace equity in all aspects of planning and implementation.

CONGRESSIONAL EARMARK – RESTORATION OF LOWER BEAVERDAM -- \$500,000

The project will address the restoration of the Lower Beaverdam Creek, located in the highly urbanized Anacostia River Watershed. The restoration effort will focus on a complete assessment study (phase 1) of the flood control deficiencies, and the remediation of hazardous substances, including sediments and materials contaminated with polychlorinated biphenyls (PCBs), identified as harmful to humans and other organisms.

USDA SMART COMMODITIES -- \$3,250,000

This grant project will pilot, evaluate, and build a Climate-Smart Local Producers Program to address the marketing of products grown using a variety of climate-centric practices. It will focus on breaking down barriers to implementing such practices on existing and new farms. Emphasis will be placed on encouraging the entry of historically underserved producers into the marketplace – including beginner farmers, socially disadvantaged farmers, veteran farmers, limited resource farmers, women farmers, and producers growing specialty crops.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To restore the health of county waters and address flooding issues.

Objective 1.1 — Increase the total percentage of impervious areas retrofitted with stormwater controls.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
13%	29%	19%	12%	7%	↔

Trend and Analysis

Restoration of impervious surfaces not treated with stormwater management is one of the most important goals for meeting the County's NPDES and MS4 permit and Watershed Implementation Plan (WIP) mandates. The County was required to retrofit 20% of untreated impervious surfaces by December 31, 2024. To its maximum extent practical, the County's production through FY 2022 was 5,230 acres. Factors affecting this performance measure include filling existing vacancies, availability of private property opportunities, unintended delays in procurement, permitting, land acquisition/easements, construction, and annual funding commitments. The Department of the Environment is working collaboratively with the Department of Permitting, Inspections and Enforcement, the Department of Public Works and Transportation (DPWT) and the Office of Central Services to streamline programs and services to achieve the MS4 permit objectives.

14%	14%	14%	14%	14%	↔

Trend and Analysis

Flood control projects are performed by the agency to reduce the risks of loss of life and property because of flood events. A significant storm event (also known as a 100-year storm) is a national standard established by the Federal Emergency Management Agency. Upon completion of the capital improvement projects (CIP) work for the Anacostia River Watershed levee and other flood mitigation projects (Allison Street levee, and Upper Marlboro channel conveyance), the agency will be on track for achieving its long-term FY 2025 performance target of 1,775 structures protected. The construction phase of the projects is being managed by DPWT.

Five watershed-level flood study updates will be initiated to assess existing and future flood risks and develop conceptual level flood mitigation measures. Study findings will provide a more accurate account of at-risk structures, considering current and anticipated climatic conditions. Projections for at-risk structures are subject to change based on study findings and it is anticipated that the number will increase by 30%. By FY 2028, some study recommendations for flood mitigation will be implemented to reduce the number of structures at risk for flooding by approximately 5%. Structures identified at risk of flooding including the following: FY 2024 performance measure: 4,750; FY 2026 performance measure: 6,200 (shows 30% increase compared to FY 2024); and FY 2028 performance measure: 5,900 (shows 5% decrease compared to FY 2026).

Frequent, short, and intense rainfall events have resulted in repetitive flooding of homes (commonly wet basements), roadways, yards, commercial buildings and more. Long-duration rainfall events have also caused these types of flooding. In FY 2022, the Sustainability Division received approximately 900 flood-related citizen services requests via PGC311. In addition to excessive concentrated stormwater runoff, sources of flooding include groundwater and flow obstructions resulting from improper grading or construction along the flow path. Site investigations revealed that most drainage relief measures were the complainant's responsibility. For other drainage issues, approximately 13 locations, capital improvement projects were recommended. The American Rescue Plan Act (ARPA) grant provides funding for 7 of these 13 locations.

DOE partnered with DPWT in FY 2022 to alleviate groundwater driven flooding on residential properties by installing under drains in the public right-of-way (ROW). With the installation of under drains in the ROW, residents are provided infrastructure to which they can discharge private systems which collect and convey flow away from their properties. The ARPA grants will fund more under drain projects in FY 2023 and FY 2024.

40%	33%	26%	27%	29%	↑

Trend and Analysis

The continuing expansion of the residential curbside collection food scrap program in FY 2023 with an additional 60,000 (approximately) households will further increase the waste diversion rate resulting in less landfill-bound materials. To date, a total of 87,000 households are being covered by the program or about 48% of the total number of households. The goal is to cover all 180,000 households by the end of FY 2024. With this, the County will be at the forefront of residential organic diversion in Maryland. Prince George's County received the full five percent source reduction credit by MDE for Calendar Year 2021.

Goal 3 — To enhance the quality of life in the natural environment.

Objective 3.1 — Reduce the amount of litter in the County.

350	84	184	190	200	↑

Trend and Analysis

Litter and illegal dumping continue to be major concerns in the county. The US Environmental Protection Agency (EPA) established a trash total maximum daily load (TMDL) for the Anacostia basin. It requires the County to reduce its litter load by 170,628 pounds per year. Staff continues to deliver services and products that support the County Executive's Beautification Initiative and also position the County to meet the litter reduction requirements in our NPDES/MS4 Permit.

In FY 2022, the Department rolled out an activity book series on how to reduce marine debris for K-12 students and purchased 21 dual solar-powered trash and recycling Big Belly stations. These stations will be installed at bus stops in FY 2023 and FY 2024. Twenty-seven additional stations will be purchased in FY 2024.

In FY 2022, the U.S. Department of Justice's Office of Community-Oriented Policing Services (COPS) awarded the County a grant for the purchase of cameras and the implementation of a mobile surveillance system for illegal dumping enforcement. A monitoring service contract will be acquired in FY 2023. Cameras will be installed in FY 2023 and FY 2024.

The Department continues to fund and manage the County's anti-litter marketing campaign. The vendor continues to develop messaging and materials that promote County pride by encouraging positive behaviors and supporting enforcement, infrastructure and policy changes that improve the environment. The campaign takes a targeted approach to reach audiences and areas impacted by litter and illegal dumping.

Objective 3.2 — Increase tree planting in schools and communities.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
12	0	2	2	10	↑

Trend and Analysis

The County has lost tree canopy, going from approximately 53% in 2014 to approximately 51% in 2018. Tree canopy is the layer of leaves, branches, and stems of trees that cover the ground. This encompasses a net loss of approximately 7,000 acres of canopy. Much of this loss occurred in urban areas where tree canopy was already low. Communities with insufficient tree cover already experience negative health and environmental impacts.

In FY 2023, the Chesapeake Bay Trust (CBT) awarded the County a \$300,000 grant to plant 2,000 trees in equity areas. DOE proposes to increase tree canopy by 1,000 square feet in FY 2023 and then dramatically increase this canopy by approximately 20,000 square feet in FY 2024 as community knowledge of the grant program increases demand and urban site constraints are overcome.

Trees are credited based on the square footage of the predicted canopy spread in 10 years. Further, it is estimated that 167 trees will cover one acre when a tree reaches maturity. The EPA reports that a tree planted in an urban setting, and allowed to grow for 10 years, removes 23.2 pounds of greenhouse gas.

Planting 2,000 trees will cover 12 acres and reduce greenhouse gas emissions by over 46,000 tons. Tree canopy is used as a proxy for greenhouse gas reduction. This objective is intended to sustain communities by increasing the tree canopy to reduce the County's carbon footprint through sequestration of greenhouse gas (CO2) for improved air quality in the County. Historical data, in some cases is not available. Tree planting enhances property values and cools streets and homes. In addition, trees act as mini reservoirs helping reduce the impact of polluted runoff.

Goal 4 — To provide animal management and adoption services and ensure the safety and welfare of animals.

Objective 4.1 — Increase the placement of animals as a percentage of intakes into forever homes and/or facilities.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
80%	78%	70%	70%	70%	↑

Trend and Analysis

The Animal Services Division (ASD) continues to strive to reach its number one goal of placing animals by working with partners to increase adoptions and place animals in loving forever homes. The Live Release Rate (LRR) for FY 2021 was 82% and for FY 2022 was 68%, a 14% decrease. This drop in LRR is due in part to the national trend of animals being returned to animal shelters post COVID-19. More animal owners surrendered their animals in FY 2022 after returning to work and social activities following the pandemic. As a result, ASD has implemented a new intake program and streamlined the adoption process. ASD continues to work closely with its partners and rescue groups and is showing an increase in its LRR for the first quarter in FY 2023 (71%).

Department of Family Services

MISSION AND SERVICES

The Department of Family Services improves the quality of life and overall well-being of the communities by providing information, assistance and referrals, as well as promoting and developing high quality, innovative programs that educate, empower, respect choice and preserve dignity. The department is responsible for providing assistance to some of County's most vulnerable citizens – children, families, victims of domestic violence, people with intellectual and developmental disabilities, veterans and seniors.

CORE SERVICES

- Information and referral assistance
- Intervention services
- Case management services
- Home and community based services
- Community outreach and advocacy
- Provision of senior meals and food security education

FY 2023 KEY ACCOMPLISHMENTS

- Reopened nutrition sites two-to-five days per week in partnership with Maryland National Capital Park and Planning Commission (M-NCPPC) Senior Activity Centers and the City of Bowie. Currently, there are eight nutrition sites opened across the County; the department has provided 13,213 congregate meals since reopening in July 2021.
- Increased percentage (99%) of target families (1,373) who are eligible to receive Supplemental Nutrition Assistance Program benefits and participate in the Children, Youth & Families, Reducing Childhood Hunger Programs who report not only an increase in self-sufficiency, but also a reduction in food insecurity at the completion of program services.

- Connected 97% of youth and young adults ages 16-24 who participate in the Children, Youth & Families Disconnected/Opportunity Youth Programs to education programs or; employment programs or assisted them in obtaining gainful employment.
- Developed and began distribution of a Human Trafficking 101 Facts Sheet and a Myths/Facts Sheet in (English and Spanish) in preparation and advance of the Office of Human Rights' Language Access Compliance Program.
- Placed ten participants (at full capacity) in County Government Agencies for a one-year apprenticeship. The Disabilities Apprenticeship Program (DAP) partners with supported employment agencies to place individuals with disabilities in County agencies for job training and employment opportunities.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The agency’s top priorities in FY 2024 are:

- Increase the percentage of individuals linked to care through information assistance and referral services.
- Increase the number of individuals and families who have access to nutritious meals and childhood hunger programs in an effort to enhance food security.
- Reduce the percentage of at-risk older adults entering long term care facilities after one year of receiving community-based services.
- Increase access to intervention programs and services for at-risk youth and families via the administration of disconnected youth, childhood hunger and home visiting programs.
- Increase supportive services to victims of domestic violence and human trafficking and assist domestic violence survivors with resources that promote self-sufficiency.
- Enhance communications and outreach to the over 100,000 veterans and family members in Prince George’s County, to ensure that all eligible Prince Georgians receive information on services and benefits available to them.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Department of Family Services is \$20,529,800, an increase of \$1,621,600 or 8.6% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 7.0% over the FY 2023 budget due to annualization of costs related to salary adjustments and one new Administrative Aide 1A position offset with budgeted attrition. Compensation costs include funding for 29 full time positions. Fringe benefit expenditures increase 7.1% over the FY 2023 budget to align with projected costs.

Operating expenditures increase 3.2% over the FY 2023 budget primarily due to an increase in the OIT technology allocation charge and additional funding for the Disability Community Needs Assessment program. Funding is allocated in the Domestic Violence division to reimburse staffing costs to support programs at the Bridge Center at Adam's House. Funding will continue for contractual services to support agency boards and commissions, adult day care services, goods and services to support operations of the Dementia Friendly Program and domestic violence operations, as well as services for veterans.

Aging and Disabilities Services

The Aging Services Division (Area Agency on Aging) provides information and assistance through the Maryland Access Point of Prince George’s County to seniors, caregivers and persons with disabilities desiring to plan for current and future needs. Through the Senior Health Insurance Program, consumers are able to receive health insurance counseling. Case management services are provided to court appointed wards, 65 years-of-age and older, where the Area Agency on Aging Director has been appointed as public guardian. The home delivered meals program aims to meet the nutritional needs of seniors residing in their own homes and unable to receive meals through the congregate sites due to health conditions. The Retired and Senior Volunteer Program (RSVP) program provides unsubsidized employment enabling seniors to gain work experience. The division’s intervention programs include Foster Grandparents, where older volunteers are utilized as resources to work with physically, mentally, emotionally and physically handicapped children. The Ombudsman program, another intervention service, investigates and seeks resolution of problems which affect the rights, health, safety, care and welfare of residents in long-term care settings.

The Disability Apprenticeship Training Program will provide individuals with developmental and/or intellectual disabilities ages 18 and 25 years-of-age a meaningful paid job training experience. The Options Counseling Program assists individuals in need of long-

term support to make an informed choice about services and settings that best meet their long-term support needs.

Fiscal Summary

In FY 2024, the division expenditures increase \$141,900 or 6.7% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the annualization of prior and current year salary adjustments and funding one previously unfunded Human Resources Assistant 3G position.
- An increase in fringe benefit costs to align with the projected costs.
- Increase in operating funding for the Disability Community Needs Assessment contract.

Children, Youth and Families

The Children, Youth and Families Division provides information and assistance through the Children and Families Information line, which is set up to provide services to those parents who have children identified as having intensive needs. This function can provide referrals to organizations able to provide the most appropriate level of care based on the customer’s need and explain how services work. Case management within this division is provided through the Local Access Mechanism program, known as a component of the Children and Families Information line. This program enables families to overcome barriers that prevent them from accessing the appropriate services. Information is provided to assist families with accessing information that empowers them to navigate various systems and enables them to become self-advocates equipped to address their own needs.

Home and community-based services in this division include the home visiting program, which aims to reduce infant mortality in Prince George’s County by providing prenatal and postnatal support to women with children. Support is given through the provision of transportation to medical appointments, parent education and providing linkages to food, baby supplies and clothing. Finally, intervention services are aimed toward youth

who are at risk of having contact or those having already made contact with the juvenile justice system. Services are rendered through funding formal counseling, afterschool programs and truancy intervention programs. Each of the aforementioned programs support the agency-wide goals of increasing the percentage of individuals accessing quality care as a result of information and referral services increasing the focus of intervention services for at-risk youth in order to facilitate child and family well-being.

Grant Descriptions

COMMUNITY OPTIONS WAIVER -- \$1,350,000

The Maryland Department of Health provides funding to enable adults 18 years of age or older to remain in a community setting even though their advanced age or disability would warrant placement in a long term care facility. The waiver allows services that are typically covered by Medicaid in a long-term care facility to be provided to eligible persons in their own homes or in assisted living facilities. This program is funded by Medicaid reimbursement.

DEMENTIA CAPABLE COMMUNITY CONNECTIONS -- \$262,300

The Maryland Department of Aging provides funding to assist with a dementia-capable Home and Community Based Services system (HCBS) that will provide a set of high quality and well-coordinated services and programs that are relevant to, and easily accessed by, people living with Alzheimer's and related dementias (ADRD) and their caregivers.

FEDERAL FINANCIAL PARTICIPATION (MARYLAND ACCESS POINT) -- \$220,000

Medicaid administrative Federal Financial Participation (FFP) is a key mechanism for funding the Maryland Access Point Program (MAP). A requirement for obtaining these funds is to document the portion of time that is spent on Medicaid versus non-Medicaid related activities. It includes activities related to assisting individuals with the application process for long term services and support health care services and other supports that may assist an individual to remain in the community. This program is funded through Medicaid reimbursement.

FOSTER GRANDPARENT PROGRAM -- \$272,000

The Corporation for National and Community Service provides funding for adults 55 years of age and older who meet income eligibility guidelines to volunteer as Foster Grandparents. The Foster Grandparents work with physically, mentally and emotionally handicapped children in schools and special centers throughout the County. These children may not otherwise receive the personal attention necessary for their social adjustment and maturation.

GUARDIANSHIP – PROGRAM INCOME -- \$5,500

Per the State Senate Bill 449 & House Bill 981, Prince George's County is able to bill \$50 a month for case management services or guardianship fees for each ward that is receiving Medicaid Long Term Care.

LEVEL ONE SCREENING -- \$20,000

The Maryland Department of Aging provides funding to support personnel and administrative costs for delivering level one screens to account for the anticipated influx of requests associated with changes to the Community Options Waiver Registry prioritization process.

MEDICARE IMPROVEMENTS FOR PATIENTS AND PROVIDERS ACT (MIPPA) -- \$14,500

The Maryland Department of Aging provides funding for the promotion of low-income programs for Medicare beneficiaries. These low-income programs provide assistance with premiums and some assistance with coverage gaps. Counselors provide screening and application assistance for the Medicare Savings Program (MSP), Low Income Subsidy (LIS) and Senior Prescription Drug Assistance Program (SPDAP).

MONEY FOLLOWS THE PERSON (MFP) -- \$61,700

The Maryland Department of Aging provides funding for the Money Follows the Person (MFP) initiative which is designed to streamline the transition process for individuals who chose to transition from a long-term care facility to a community setting. A "community setting" is defined by MFP as a residential setting with four or less unrelated residents. The Area Agency on Aging serves as the local single point of entry for applicants.

NUTRITION SERVICES INCENTIVE PROGRAM (NSIP) -- \$167,500

The Maryland Department of Aging provides funding for nutrition programs for the elderly. The County uses these grant funds to provide meals to residents aged 60 and over at locations throughout the County.

NUTRITION – PROGRAM INCOME -- \$162,100

The Maryland Department of Aging provides funding for compliant investigations and advocacy service to all

residents living in long-term care nursing homes and licensed assisted living facilities.

OMBUDSMAN INITIATIVE -- \$121,600

The Maryland Department of Aging provides funding for complaint investigations and advocacy service to all residents living in long-term care nursing homes and licensed assisted living facilities.

RETIRED SENIOR VOLUNTEER PROGRAM (RSVP) -- \$75,000

The Corporation for National and Community Service provides funding to develop volunteer service opportunities in County government and with non-profit agencies for approximately 500 county residents 55 years of age and older. Volunteers serve in a variety of assignments at over 50 non-profit organizations, schools and government agencies. Volunteers serve on a part time basis and are compensated for mileage.

SENIOR ASSISTED HOUSING -- \$603,700

The Maryland Department of Aging provides funding for residential living support, which includes shelter, meals, housekeeping, personal services and 24-hour supervision to individuals at least 62 years of age. Individuals may have temporary or periodic difficulties with the activities of daily living and require assistance in performing those personal and household functions. The funds also support coordinating activities necessary to approve facilities for certification and for monitoring visits.

SENIOR CARE -- \$1,337,000

The Maryland Department of Aging provides funding for coordinated, community-based, in-home services to seniors with disabilities who may be at risk of nursing home placement. Senior Care clients are provided with case managed access to existing publicly and privately financed services. When needed services are not available through other means, Senior Care will provide gap filling services that may include personal care, chore service, adult day care, medical supplies, emergency response systems, nutritional supplements and other services.

SENIOR CENTER OPERATING FUNDS -- \$52,700

The Maryland Department of Aging provides funding to support senior citizens activity centers that promote planning and education for retirement and long-term

care needs; exercise and disease prevention, including oral health; or intergenerational activities. Through partnerships with Maryland National Capital Park and Planning Commission and nonprofit health organizations Prince George's County utilizes these funds to provide oral health education and services to older adults residing in the County.

SENIOR HEALTH INSURANCE PROGRAM -- \$66,400

The Maryland Department of Aging provides funding to support trained volunteers who provide free health insurance counseling to seniors.

SENIOR INFORMATION AND ASSISTANCE (MAP I & A) -- \$413,600

The Maryland Department of Aging provides funding for a single point of contact for senior citizens who need information and assistance navigating and accessing services. The program also provides follow-up to ensure adequate service delivery and to identify service gaps.

SENIOR MEDICARE PATROL -- \$20,500

The Maryland Department of Aging provides funding to reduce the amount of federal and state funds lost due to health insurance fraud by increasing the public's ability to detect and report possible fraud, waste and abuse.

SENIOR TRAINING AND EMPLOYMENT PROGRAM -- \$487,700

Senior Service America, Inc. provides funding for community service and training to low-income older county citizens and residents age 55 and older as an entry into productive work.

STATE GUARDIANSHIP -- \$67,300

The Maryland Department of Aging provides funding for case management services for individuals referred by the courts and for whom the Department's Director has been appointed legal guardian. The Department confers and coordinates with, and requests assistance from other provider agencies and prepares annual and semi-annual reports for each case.

STATE NUTRITION -- \$258,200

The Maryland Department of Aging provides funding for nutrition programs for the elderly. The County uses these grant funds to provide meals to residents aged 60 and over at locations throughout the County.

TITLE III-B: AREA AGENCY ON AGING -- \$837,700

The U.S. Department of Health and Human Services, through the Older Americans Act, under Title III-B provides funding for comprehensive planning, monitoring and evaluation of all senior citizen programs in the County. An integral function of the Area Agency on Aging is to provide funding for a variety of services, including legal assistance, information and referral, day care for the frail, health fitness, rural outreach and ombudsman services.

TITLE III-C1: NUTRITION FOR THE ELDERLY PROGRAM - CONGREGATE MEALS -- \$1,077,500

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title III-C1 provides funding for nutrition programs for the elderly. The County uses these grant funds to provide meals to residents aged 60 and over at locations throughout the County. In addition to mandated services, the program provides nutrition screening, social, recreational, health and fitness activities.

TITLE III-C2: NUTRITION FOR THE ELDERLY PROGRAM - HOME DELIVERED MEALS -- \$610,000

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title III-C2 of the Older Americans Act, provides funding for the home-delivered portion of the Senior Nutrition Program. This program meets the nutritional needs of elderly persons by delivering meals to those eligible seniors 60 years and older who cannot be transported to congregate sites due to poor health. In addition to meals, clients receive nutrition and screenings for other needs or issues.

TITLE III-D: SENIOR HEALTH PROMOTION -- \$45,300

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title III-D of the Older Americans Act, provides funding to promote health awareness and wellness among older Americans.

TITLE III-E: CAREGIVING -- \$400,300

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title III-E of the Older Americans Act, provides funding for services to caregivers through existing programs. Services to

caregivers include information, assistance, individual counseling, training, respite care, supplemental services and organization of support groups.

TITLE VII: OMBUDSMAN -- \$32,000

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title VII of the Older Americans Act, provides funding to advocate for residents of nursing homes and assisted living facilities by providing a voice for those who are unable to speak for themselves. The Ombudsman promotes resident rights through facility visits, facility staff training, and public information workshops. The Ombudsman also addresses systemic issues and provides support to people who want to transition from long term care facilities back into the community.

TITLE VII: ELDER ABUSE -- \$8,400

The U.S. Department of Health and Human Services, through the Older Americans Act of 1965, under Title VII of the Older Americans Act, provides funding for programs and services that protect older adults from abuse and provide public education, training and information about elder abuse prevention.

VETERANS DIRECTED HOME AND COMMUNITY BASED SERVICES -- \$34,100

The Maryland Department of Aging provides funding for case management services to veterans with disabilities to enable them to receive needed supports and services at home.

VULNERABLE ELDERLY (VEPI) -- \$64,700

The Maryland Department of Aging provides funding to support the efforts of the Guardianship Program which ensures the provision of optimum care/services for adjudicated wards of the court, through professional case management.

ADMINISTRATION - COMMUNITY PARTNERSHIP AGREEMENT -- \$623,000

The Governor's Office for Children (GOC) provides funding to support the administrative costs for the Division of Children, Youth and Families as well as the Local Management Board (LMB). The Community Partnership Agreement serves as the vehicle for these funds and acts as the Notice of Grant Award.

BOWIE - DISCONNECTED YOUTH PROGRAM -- \$107,400

The Governor's Office for Children provides funding to assist disconnected youth who are ages 16 to 24 and are not connected to school or employment. This program includes skill development workshops, job readiness and employment assistance services, mentoring and an annual job/vocational education fair.

CHILDREN IN NEED OF SUPERVISION -- \$271,700

The Earned Reinvestment Fund provides funding to divert youth from contact with the juvenile justice system or to prevent further involvement within the system. It is anticipated that at least 125 youth and their families will be served in the program.

COMMUNITY SUPPORT -- \$148,000

The Governor's Office for Children provides funding to assist disconnected youth who are ages 16 to 24 and are not connected to school or employment. HEALTHY FAMILIES (MSDE) -- \$180,900

The Maryland State Department of Education provides funding to expand the delivery of the family intervention program - Healthy Families Home Visiting. The program provides services in three primary target areas: Capitol Heights, Hyattsville and Lanham/Landover. The program provides funding for prenatal support and intensive home visiting and/or mentoring services. Services are offered to the families until the child reaches three years of age.

HOME VISITING-HEALTHY FAMILIES (MDH) -- \$935,200

The Home Visiting-Healthy Families Program utilizes the Healthy Families strength-based model to provide high quality home visiting services to 60 at-risk families residing in one of the identified catchment areas for services (Bladensburg, District Heights, Hyattsville,

Mount Rainier, Riverdale, Suitland or Upper Marlboro). The program incorporates a central intake component that utilizes community partnerships and interagency collaborations to provide access to multiple services across the spectrum of needs.

IMPROVING WORKFORCE DEVELOPMENT & EMPLOYMENT -- \$122,200

The Governor's Office for Children provides funding to assist disconnected youth who are ages 16 to 24 and are not connected to school or employment. This program includes skill development workshops, job readiness and employment assistance services, mentoring and an annual job/vocational education fair.

KNOW BETTER, LIVE BETTER HEALTH -- \$132,300

The Governor's Office for Children provides funding to combine hands on nutrition education, cooking workshops, movement and fitness activities to engage participants in new and creative ways to stay healthy. Throughout the program, participants learn about organic foods; sustainable diets; seasonal and local produce; opportunities to grow their own food; health risks posed by processed foods and sugars; meditation and the importance of staying active. Through the service-learning initiative, participants openly discuss the topics of food insecurity; food deserts; hunger and homelessness. Participants also take part in preparing healthy meals/snacks and assemble wellness packs to donate to a nearby homeless shelter or to community members in need.

LOCAL CARE TEAM -- \$84,300

The Governor's Office for Children provides funding for permanent staff support to the Local Care Team (LCT) to ensure youth with intensive needs receive comprehensive support services. The coordinator will oversee a system for case referral to the team which includes tracking referrals and services, maintaining a comprehensive resource database, collecting and reporting data and ensuring follow-up services. The LCT will also facilitate a coordinated approach to services and ensure parent involvement in LCT meetings.

PATHWAY TO A HEALTHY LIFE -- \$132,300

The Governor's Office for Children provides funding to teach families to understand the interconnectivity of all elements that create a healthy lifestyle. This program is a holistic approach to addressing Childhood Hunger.

program includes job readiness training, GED preparation and character development classes.

PROJECT WELLNESS -- \$84,300

The Governor's Office for Children provides funding to ensure families are safe and economically stable by addressing childhood hunger targeting students and their families who attend Hollywood Elementary. The program consists of one youth workshop to teach youth about healthy food choices as well as three parental workshops focused on healthy eating, reducing food costs, implementing nutritious ideas, budgeting, maintaining food security and ways to improve income and job security.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide information, referral and assistance services to County residents in order to improve access to quality services.

Objective 1.1 — Increase the percentage of individuals linked to community services to improve their safety, well-being and quality of life.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend

Trend and Analysis

The Department continues to focus on the provision of information, referral and assistance services to County residents, as a result of a re-evaluation of needs identified during the COVID-19 pandemic. The Department is providing more telephone, internet and virtual programming to continue reaching residents. The Department receives calls regarding services such as mental health, caregiving to elders, home visiting, education and domestic violence services, veterans services and aging and disability services. Residents then receive information and referrals for a variety of support services to connect them to vital resources in the community. Referrals are tracked and intakes are completed through four Divisions: Aging and Disabilities Services (ADSD); Children, Youth and Families (CYFD); Domestic Violence and Human Trafficking (DVHTD) and the Office of Veterans Affairs (OVA).

Trend and Analysis

The Department continues to focus on prioritizing food insecurity, outreach, education and awareness programming. This is in accordance and alignment with the County Executive's Proud priorities. As a result of receiving an additional \$3 million in American Rescue Plan Act (ARPA) funding through the Maryland Department on Aging, the agency has been able to address the growing demand for home delivered meals, expand the senior nutrition program and continue established partnerships with community-based providers and the Maryland-National Capital Park and Planning Commission (M-NCPPC). Measures including "CYFD" are in reference to the Children, Youth and Families Division.

Health Department

MISSION AND SERVICES

The Health Department (PGCHD) protects the public’s health; assures availability of and access to quality health care services; and promotes individual and community responsibility for the prevention of disease, injury and disability.

CORE SERVICES

- Assuring availability of and access to high-quality, culturally competent behavioral health services and resources for all families and individuals in need
- Chronic disease interventions and education
- Disease investigation and prevention
- Environmental safety

FY 2023 KEY ACCOMPLISHMENTS

- Decreased new HIV infections.
- Implemented a pilot project providing pediatric telehealth services to Prince George’s County Public School students.
- Improved banking procedures by executing a three-way match reconciliation of all clinical and non-clinical funding received in the Department: (1) bank reconciliation, (2) reconciliation to the County’s financial system and (3) reconciliation to the electronic health record.
- Temporarily provided behavioral health mobile response dispatch services for the County’s 988 calls and seamlessly transitioned this role to a County-funded mobile response vendor.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The department's top priorities in FY 2024 are:

- Support the workforce and administrative needs through revised departmental policies and procedures and working closely with County administrative agencies to refine business practices that impact grant funded operations.
- Conduct behavioral health system mapping, development and integration with a focus on expanding the crisis and acute care continuum in the County including the opening of the new Luminis Health Doctors Community Medical Center (LHDCMC) facility and the implementation of a County Stabilization Center to divert behavioral health patients from local emergency departments.
- Expand the Population Health Initiative that will encompass programs to address the social determinants of health, asthma, maternal and child health, chronic disease, cancer and infectious disease programs focused on populations experiencing vulnerabilities.
- Transition COVID-19 and Monkey Pox (MPX) activities to support an endemic including investigations, prevention, testing and vaccination.

In FY 2024, compensation expenditures increase 7.5% over the FY 2023 budget due to funding for three new Community Developer 2G positions, overtime and countywide salary adjustments offset by anticipated salary attrition and lapse. Compensation costs include funding for 232 full time positions and one part time position. Fringe benefit expenditures increase 8.3% over the FY 2023 budget to align with projected costs.

Operating expenses increase 6.1% over the FY 2023 budget primarily due to support office automation costs, training and travel non-training. Funding increases for the Langley Park Community Center building lease, security and janitorial services. This increase also supports software to manage grant contracts. Funding continues to support the Public Health Emergency program and Child Friendly County Initiatives.

Recoveries remain unchanged from the FY 2023 budget to support recoverable operating expenditures from various grants.

DIVISION OVERVIEW

Administration

The Division of Administration provides the administrative support structure for the department's public health programs. This unit provides support to the General Fund and grant programs through centralized fiscal (budget, accounts payable, collections and purchase card), procurement, contractual, facility maintenance, security, vital records and general services. A Health Insurance Portability and Accountability Act (HIPAA) compliance component was established in July 2010 to serve as the department's liaison for the coordination of privacy compliance for medical records.

Fiscal Summary

In FY 2024, the division expenditures increase \$137,800 or 1.3% over the FY 2023 budget. Staffing resources increase by two from the FY 2023 budget. The primary budget changes include:

- A net decrease in personnel costs due to anticipated salary attrition and lapse which is partially offset by

funding for prior year and planned FY 2024 salary adjustments. Funding is also allocated for two positions realigned from the Family Health Services and Behavioral Health Services divisions.

- Fringe benefits costs align with projected expenses.
- An increase in telephones, training, fleet and technology cost allocation charges.
- An increase in the Adams House lease costs.

Family Health Services

The Family Health Services Division offers clinical and preventive health services to women, children and their families both in public health clinics and in their homes. Women’s services include prenatal and postnatal care, dental care for pregnant women, family planning, pregnancy testing and health and nutritional education. Children receive immunizations, developmental assessments and referrals to medical specialty care for handicapping conditions. The division assists pregnant women and children in receiving comprehensive health care services through the Maryland Children’s Health Program by providing on-site eligibility determination, managed care education and provider selection.

Fiscal Summary

In FY 2024, the division expenditures increase \$754,400 or 10.7% over the FY 2023 budget. Staffing resources decrease by three from the FY 2023 budget. The primary budget change includes:

- A net increase in personnel costs due to the transfer of three positions realigned between other

divisions. Funding is also provided for countywide salary adjustments and projected healthcare and pension costs.

- A decrease in operating primarily due to reduced funding for printing, training, mileage reimbursement and office supplies to align with anticipated costs which is partially offset by an increase in general office supplies, building repair and maintenance.

Behavioral Health

The Behavioral Health Division provides outpatient substance abuse treatment and prevention services for adults, adolescents and their families. Tobacco education and cessation services are also provided. The Addictions Treatment Grant provides outpatient treatment services and funds contracts with private vendors for residential treatment services which provide a continuum of services. These services include intensive inpatient services, transitional community living, long-term residential rehabilitation and outpatient services for Spanish speaking residents.

Fiscal Summary

In FY 2024, the division expenditures increase \$625,400 or 24.0% over the FY 2023 budget. Staffing resources increase by two from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to changes in the staffing complement, salary adjustments and projected healthcare and pension costs. The budget

includes funding for three new Community Developer 2G positions to support the Local Behavioral Health Authority. One position is also realigned to the Office of the Health Officer.

- An increase in funding or training, travel non-training, office supplies, equipment leases and office automation software.
- Funding is provided to support software costs used to manage grant contracts.

Environmental Health - Disease Control

The Environmental Health/Disease Control Division is responsible for the licensing and/or inspection of all food service facilities, public swimming pools and spas, private water supplies and sewage disposal systems, solid waste facilities and the review of plans for all new and proposed facilities.

The Food Protection Program performs inspections of all food service facilities and provides the environmental response to all food borne outbreak investigations. The Permits and Plan Review Program evaluates and approves plans for new or remodeled food service, recreational facilities and reviews and approves all permit applications for all food service and recreational facilities.

The Environmental Engineering Program permits on-site sewage disposal systems (including Innovative and Alternative systems and shared sewage disposal facilities) and individual water supplies as well as approves new subdivisions utilizing private or shared systems.

The division also provides clinical services and disease investigations to reduce the risk of communicable diseases, immunizations, clinical services, prevention education, animal exposure management, outbreak investigations and communicable and vector-borne disease control. The Communicable Disease Surveillance Program maintains a database of reportable diseases,

produces monthly statistics and analyzes disease trends. Surveillance activities produce disease information and statistics for public health and medical providers.

Fiscal Summary

In FY 2024, the division expenditures increase \$537,200 or 9.6% over the FY 2023 budget. Staffing resources decrease by one from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to salary adjustments and projected healthcare and pension costs.
- One position is realigned to the Office of the Health Officer.

Health and Wellness

The Health and Wellness Division is responsible for chronic disease and access to care programs. Programs identify services available to assist the elderly and chronically ill, which allow them to remain in the community in the least restrictive environment while functioning at the highest possible level of independence. For eligible clients, medical assistance grants provide in-home services and transportation.

Fiscal Summary

In FY 2024, the division expenditures increase \$65,400 or 3.4% over the FY 2023 budget. Staffing resources decrease by one from the FY 2023 budget. The primary budget change includes:

- An increase in personnel costs for countywide salary adjustments, projected healthcare and pension costs.

Office of the Health Officer

The Office of the Health Officer directs the public health programs and activities in conformance with applicable laws, regulations, policies, human resources, procedures and standards of the State of Maryland and the County. The Office of the Health Officer assures high standards of clinical care in the department and provides public health expertise and direction. The Office also coordinates and facilitates federal, State and local resources and partnerships to improve health access to care for County uninsured and underinsured residents.

Planning staff conduct community needs assessments, write health status reports and develop local health plans in accordance with federal, State and regional initiatives. The staff also collect, analyze and interpret health-related statistical data to identify populations at risk, establish health priorities and facilitate grant applications to expand access to health care in order to improve the status of the health of all residents and to eliminate health disparities.

The visual communications staff design, produce and distribute health information materials for public education and review existing materials for the quality of content and cultural appropriateness. The Public Information Officer coordinates the department’s responses to all inquiries from the media, requests for information under the Maryland Public Information Act and legislative activities. The Ryan White CARE Act Title I staff function as the administrative agent for the entire

suburban Maryland area (five counties) and are responsible for awarding grant monies, processing contracts and monitoring services provided.

Fiscal Summary

In FY 2024, the division expenditures increase \$481,600 or 9.3% over the FY 2023 budget. Staffing resources increase by four positions from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to countrywide salary adjustments and projected healthcare and pension costs.
- Four human resource analyst positions realigned from other divisions.
- An increase in advertising, membership fees and training costs.

Grant Descriptions

DIVISION OF FAMILY HEALTH SERVICES -- \$17,496,100

Grant funded programs serve at-risk, predominantly uninsured/underinsured populations including infants and children, adolescents, pregnant women and women of childbearing age through early diagnosis, screening, treatment, counseling, education, follow-up, case management, referral and linkage to Medicaid and nutrition services (including WIC). Funding also supports necessary services to individuals with specific types of communicable diseases such as Sexually Transmitted Diseases and HIV/AIDS and extensive community education activities. Personal Responsibility Education Programs provide pregnancy prevention education before marriage. The Childhood Asthma program provides healthcare education opportunities on asthma management and home visiting programs. The Dental Sealant Grant provides dental care to the County public schools via mobile van. The Immunization Program focuses on providing immunization services to ensure that children attain full compliance with recommended immunization schedules and can enter school on time. The School Based Wellness Center Program provides collaboration with the Prince George's County Board of Education to provide extended operating hours and services to the community. Funding supports access to care for pregnant and postpartum women at an increased risk for illness from COVID-19 through the Project W program and telehealth for family planning services through the Title X Telehealth program.

DIVISION OF BEHAVIORAL HEALTH SERVICES -- \$19,968,800

Grants within this division support services for adults, adolescents and families with behavioral health needs, including addictions and mental health, as well as prevention services for high-risk youth and families. The Behavioral Health Division supports outpatient and intensive outpatient treatment services delivered by Health Department staff, as well as outpatient and residential treatment services delivered through contracts with private providers. The division also receives funding for interventions to target special populations in the community, including but not limited to tobacco prevention and special services for pregnant and post-partum women. The Division is also responsible for long-range planning for behavioral health

services in the County, needs assessments and the development of alternative resource providers. Funding will provide buprenorphine prescription assistance to individuals who are uninsured or underinsured to eliminate gaps in dosing for individuals who are prescribed medication to treat opioid use disorder. The Opioid funding will address the opioid crisis by increasing access to evidence based treatment, reducing unmet treatment needs for individuals with opioid disorders and reducing opioid related deaths through the provision of prevention, treatment and recovery support services. Funding will support the 988 Lifeline Call Center as well as recruitment and training to retain a call specialist workforce to staff local centers. The Tobacco Use Diabetes program provides advance health equity by identifying and eliminating tobacco, diabetes and chronic disease.

DIVISION OF ENVIRONMENTAL HEALTH AND DISEASE CONTROL -- \$1,139,500

The Bay Restoration Fund provides funds for on-site sewage disposal system upgrades using the best available technology for nitrogen removal. The division also receives funding for childhood lead poisoning and hepatitis B. Funding will support responding to the economic and public health impacts of COVID-19 and their efforts to contain impacts on their communities, residents and business through the Strengthening Local Health Infrastructure program.

DIVISION OF HEALTH AND WELLNESS -- \$10,831,900

Grant funding supports prevention and/or the mitigation of diabetes, heart disease and stroke through the use of community screens, referral services and interventions to assist individuals with lifestyle decisions/changes. Medical Assistance grants provide personal care and case management to frail elderly individuals with chronic diseases or developmentally disabled persons transportation to medical appointments for Medical Assistance recipients. The Assistance In Community Integration Services provide assistance to adults reentering the community after incarceration, military service and/or youth who are trying to find their place in the community. Grant funding is also used to evaluate the needs of individuals at risk of institutionalization and to purchase services to prevent their placement in a

nursing home or other health care facility. The division also receives funding to promote children's health programs to increase eligibility determinations and work toward the expansion of State Medicaid accessibility by assisting customers with applying for the health insurance, decreasing the timeline for approval, and specifically focusing on Medicaid for families, adults, children, and pregnant women.

OFFICE OF THE HEALTH OFFICER -- \$3,545,900

Grants within this division support planning activities and the integrated efforts between County health civic organizations and health care facilities to train medical practitioners and citizen volunteers in emergency preparedness; establishing dispensing sites and shelters; pediatric health services; and implementing emergency response strategies in the event of a man-made or natural disaster. The Cities Readiness Initiative is specific to incident management. The Community Health Integration Service System (CHISS) program provides community health workers to build individual and community capacity to improve health outcomes by increasing health knowledge and self-sufficiency. Funding will also help prevent and respond to COVID-19.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To ensure access to and resources supportive of the health and well-being of County residents.

Objective 1.1 — Increase access to health and well-being resources for County residents.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
500,000	1,828,060	643,267	718,884	600,000	↑

Trend and Analysis

The Health Department is committed to ensuring access to healthcare, which is a key component of the Mission and Vision. A key way to help increase access is to ensure a trained and knowledgeable community outreach staff is embedded across programs. These community outreach workers connect individually with clients as well as through targeted public outreach events to increase awareness and help residents link to community resources. The resources include Health Assures which provides funding for healthcare services for residents lacking insurance coverage. The overall impact of these activities is challenging to measure, since increased access to healthcare may not yield immediate results; but will instead help to gradually lessen the burden of disease and disability over time. With the continued COVID-19 response, the Health Department has provided numerous testing and vaccination events as well as conducted over 100,000 disease investigations. The Health Department staff also established a robust response to the emergence of MPX (monkeypox) in the area, including disease investigations, contact tracing and vaccination. The work to address COVID-19 is expected to continue into FY 2024 as COVID-19 transitions to an endemic, as well as other emergent diseases such as MPX.

Trend and Analysis

The Health Department is committed to targeting the common risk factors that contribute to the development of chronic diseases such as diabetes, cancer and cardiovascular disease. The agency's strategies for the prevention and management of chronic diseases support programming to promote healthy behaviors, early detection and diagnosis of metabolic syndrome, community-specific outreach and education activities and chronic disease prevention and self-management.

Goal 3 — To improve reproductive health care in order to reduce infant mortality and enhance birth outcomes for women in Prince George's County.

Objective 3.1 — Increase the number of women that use long-acting reversible contraception (LARC) as their primary birth control method.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
700	66	82	72	150	↔

Trend and Analysis

The Health Department is committed to improving birth outcomes for County residents, which requires a partnership with health care providers, community members, community stakeholders, Prince George's County Public Schools, and local, State and federal partners. Improving birth outcomes begins with promoting health, wellness and prevention. The Department does this through its Family Planning and Adolescent Health Clinic by offering health assessments, nutrition education, mental health assessments, reproductive health and linkages to medical homes and community services. Services are available to both male and female residents regardless of their ability to pay for such services. Service delivery continues to be impacted by staff turnover. The Department anticipates that the demand for reproductive health and abortion care service will increase due to the overturning of Roe v. Wade with the Dobbs v. Jackson decision by the Supreme Court. The program does not offer abortion services but will continue to care for women pre/post abortion.

Trend and Analysis

There are several initiatives related to reducing maternal, fetal and infant mortality which are funded through Maryland Department of Health (MDH) and Health Resources and Services Administration (HRSA). The impact of the Dobbs v. Jackson decision is estimated to result in a further 21% increase in pregnancy-related deaths among all women. Black women are expected to experience a 33% increase in deaths, the largest for any population. The Department expects a significant increase in care expenses for infants.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
30	29	29	28	27	↑

Trend and Analysis

The goal of ending the HIV Epidemic by 2030 has four benchmarks and several indicators that are used to measure the effectiveness of efforts based on incidence and prevalence. New infections have trended down. Due to the COVID-19 pandemic, there was a rebound in positive HIV cases. To address the epidemic, the Health Department plans to employ these strategies: (1) Diagnose all people with HIV as early as possible, (2) Treat people with HIV rapidly and effectively to reach sustained viral suppression, (3) Prevent new HIV transmissions by using proven interventions, including pre-exposure prophylaxis (PrEP) and syringe services programs (SSPs) and (4) Respond quickly to potential HIV outbreaks to get needed prevention and treatment services to people who need them.

Actuals for the measure, "Newly diagnosed HIV positive with documented linkage to care," under fiscal years 2020 and 2021 have been restated for accuracy.

25,000	66,315	37,725	63,920	51,836	↔

Trend and Analysis

The Health Department is responsible for investigating reportable conditions, including COVID-19, monkey pox (MPX), vaccine-preventable diseases, food borne and water borne outbreaks and animal bites. In FY 2020, the emergence of COVID-19 highlighted how critical these investigations are to providing timely investigation and guidance to residents, as well as determining potential contacts. In FY 2023 the MPX outbreak required investigations. The Communicable Disease Program (CDP) is at the forefront of these activities and works in close partnership with the Maryland Department of Health to ensure investigations are conducted in a thorough and timely manner. As the response to COVID-19 evolves, the CDP will focus on scaling up or down with contract employees as needed to investigate and help protect residents. In FY 2022, the State of Maryland database was corrupted and was taken offline by the state until the beginning of FY 2023; therefore, the actual number of investigations conducted is significantly underreported for the term.

Goal 5 — To ensure that Prince George's County's physical environment is safe in order to enhance the health of all residents, workers and visitors.

Objective 5.1 — Conduct inspections at high and moderate priority food service facilities.

Trend and Analysis

The Food Protection Program's focus is to ensure the food produced and eaten in the County is safe through monitoring risk factors, documentation of compliance and targeting immediate and long-term issues through active managerial control. Annually, high-priority food facilities require three inspections and moderate facilities require two inspections. While the Food Protection Program staff consistently perform above industry standards, meeting the state mandate for inspections is a challenge due to staff attrition.

Another challenge is the addition of inspection time needed for items not related to food safety. For example, environmentally sensitive items, including plastic bags, Styrofoam and plastic straws need to be monitored at all food service facilities per the County code. The County's new permitting and licensing electronic system was launched in October 2021. It should assist the public with making permitting needs more efficient; however, Health Department staff spend time with the applicants walking them through the permitting process. Once the new system has been established for several permitting cycles, the public should require less intense assistance. The new system inspection process has not been fully implemented within the Health Department. Specialty inspections were in place during the COVID-19 pandemic in order to enforce the indoor mask mandate. Since this mandate has been lifted, there have no longer been any specialty inspections and as a result, this measure will be retired next year.

Trend and Analysis

An array of Public Behavioral Health System services are available to residents of the County, including crisis support, inpatient services, intensive substance use disorder outpatient services, medication-assisted treatment (MAT), outpatient, residential and partial hospitalization treatment services, respite care, residential rehabilitation, supported employment and targeted case management. In addition to these publicly funded programs, the County has been the recipient of grant funds that assist special populations as well as support recovery-oriented person-centered services. Many clients need intensive outpatient services which can limit the caseload for behavioral health staff. It is critical that County residents have access to person-centered services and the support necessary to help individuals thrive, facilitate resiliency and recovery, with a focus on early identification and prevention of behavioral health disorders. To ensure that the full continuum of services are available to all ages, the First Episode Psychosis program was implemented in FY 2022, for youth and young adults, ages 15-30. In FY 2023, grant funded services have been expanded to include a therapeutic nursery service which is an early childhood mental health and education program for families with high-risk children, ages three to five.

Trend and Analysis

In FY 2022, the County's former Crisis Response System (CRS) service provider diverted individuals from hospitals and detention centers 77% of the time, allowing individuals who experience a mental health crisis to be referred to community-based services when safe to do so. The percentage decrease from FY 2021 can be attributed to the mobile response vendor's transition and an increase in the severity of the Mobile Response Team (MRT) calls received. The Health Department continues to collaborate with community-based programs and participate in transitional and technical assistance meetings with key stakeholders and the new crisis provider. The number of calls to the crisis response (dispatch center) is expected to increase as the community becomes familiar with how to access mobile response services, however, the volume of the calls may not revert to previous fiscal year numbers due to the implementation of 9-8-8, the County's crisis call center.

Department of Social Services

MISSION AND SERVICES

The Department of Social Services (DSS) provides children, adult and family services to County citizens and residents who are in need and vulnerable in order to improve the lives of children, adults and families.

CORE SERVICES

- Children and adult services including protective services, foster care, adoptions and family preservation services
- Family services including temporary cash assistance, food supplement, medical assistance, homeless prevention and intervention, energy assistance, emergency assistance and child care assistance
- Empowering families to be a part of the County’s economic development

FY 2023 KEY ACCOMPLISHMENTS

- Assessed the safety of over 1, 000 families within Prince George’s County, providing supportive services to them all. The Department continued to ensure that service delivery was aligned with the Family First Prevention Services Act. The Front Line Heroes worked daily to sustain the family unit. The Child Protective service team placed less than 12% of the children into foster care last year.
- Partnered with the Housing Authorities of Prince George’s County and College Park to provide permanent housing to 149 households experiencing extensive episodes of homelessness who were elderly, disabled and/or had significant barriers to housing.
- Distributed more than \$1 million in water assistance funds to income eligible County residents with water arrearages.

- Served 10,833 children for a total of \$1,083,333 as a result of the expansion of the Maryland Summer Supplemental Nutrition Assistance Program (SNAP) to address the food insecurity that exists during the summer and winter months when children are out of school.
- Served more than 268,652 residents of the County who receive at least one form of medical assistance.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The agency’s top priorities in FY 2024 are:

- Increase the safety and stability of children and adults by completing protective service responses within the mandatory period.
- Stabilize families and individuals in need through increased access to services, resulting in an increase in the number of vulnerable, eligible citizens achieving stability through integrated services.
- Focus more on intervention for at-risk youth by assisting individuals, adults and families in achieving and maintaining permanence in the community.

In FY 2024, compensation expenditures increase 0.04% over the FY 2023 budget due to planned salary adjustments, State salary supplements, one new Community Developer 3G position and the removal of costs that will be directly charged to grant programs. Compensation costs include funding for 29 full time positions. Fringe benefit expenditures increase 0.04% over the FY 2023 budget due to changes in the countywide projected healthcare and pension costs as well as the addition of one new position.

Operating expenditures increase 83.6% over the FY 2023 budget primarily due to the increased funded allocated to support the Warm Nights Shelter, Summer SNAP program, Shepherd’s Cove contract and employee training. This increase is partially offset by a decrease in general office supplies, office building rental, mileage reimbursements, equipment lease and advertising to align with anticipated costs. Funding continues to support activities for the Food Equity and Food Insecurity Taskforce and the Maryland Money Market Double Value Coupon Program.

Recoveries decrease -100.0% from the FY 2023 budget to reflect compensation and fringe benefits that will be directly charged to grant programs.

DIVISION OVERVIEW

Administration

The Administration Office provides general oversight of State and County funded programs and services. Dual (State and County) financial, procurement, personnel and automation functions are administered and maintained. This division also regulates and monitors program and service policies and procedures. Funding is included for positions charged with the overall management and direction of the agency along with staff positions for the functions identified. The Office of Strategic Partnerships and Community Solutions is housed within this division which is a county cash contribution/cash match of \$740,600 for five full time and 74 limited term grant funded (LTGF) community resource advocate positions in the public schools. The budget of \$2.3 million for this activity is funded by a grant from the Board of Education.

Fiscal Summary

In FY 2024, the division expenditures increase \$139,900 or 6.8% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- A decrease in personnel costs due to the downward reallocation of an Accountant 5G position to a Procurement Officer 3G position as well as a change in which two positions will be directly charged to grant programs in FY 2024.
- An increase in operating costs due to technology cost allocation charges.
- An increase in employee training, vehicle equipment and maintenance costs.

Community Programs

The Community Programs Division manages programs that provide assistance to families through unforeseen emergencies (Energy Assistance, Eviction Prevention Assistance, Transitional Housing Emergency Shelter, homelessness and food pantries). The division provides oversight to three homeless shelters.

The Energy Assistance Program staff provide and complete energy packages and program overviews that link several programs to the community and residents. Programs promote energy conservation, customer financial responsibility and energy independence.

The Nutrition Program promotes a partnership with the Capital Area Food Bank and the agency to focus on hunger and poor nutrition within the County. This program’s success requires support of community partners including the Department of Corrections, U.S. Army Recruiters and recruits, faith-based organizations and the business community.

The Housing Assistance Programs provide residents with an array of services including interviewing and assessment, counseling and referral, landlord and tenant mediation, links to other resources and community outreach and trainings.

Fiscal Summary

In FY 2024, the division expenditures increase \$2,465,200 or 86.9% over the FY 2023 budget. Staffing

resources increase by one position from the FY 2023 budget. The primary budget changes include:

- A net increase in personnel costs due to one new Community Developer 3G position to lead the Food Equity Program, countywide salary adjustments as well as projected healthcare and pension costs. In addition, four positions will be directly charged to grant programs in FY 2024.
- An increase in operating contracts for the Warm Nights Shelter and Shepherd’s Cove homeless services.
- Continued support for the homelessness prevention and rapid rehousing initiatives.

Child, Adult and Family Services

The Child, Adult and Family Services Division has the primary responsibility of critical matters that impact the lives of children and vulnerable adults. The division identifies permanent connections and family for youth which make up 65% of the total child welfare population. The division also develops resources to serve the County’s growing adult and disabled population.

Child Protective Services ensures the safety and well-being of children and families in the community through the investigation of allegations of physical abuse, sexual abuse, neglect and mental injury of children under the age of 18 years. Services are provided on a 24/7 basis with after-hours coverage for the hotline number and staff.

Family Preservation Services emphasize the family’s strengths as a home-based service designed to meet the specific needs of individual families whose children are at high risk of out-of-home placement as a result of abuse or neglect. The primary goal is to provide, refer and coordinate services needed to achieve safety, stability, independence and unity for the family household.

Foster Care and Adoption Services is the provision of short-term care and supportive services to children who are unable to live at home due to child abuse and neglect. Foster care services provide a temporary home to children who are under the care and custody of the State and cannot live with their birth parents.

Fiscal Summary

In FY 2024, the division expenditures increase \$226,900 or 16.6% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to salary adjustments and the reallocation of positions as well as projected healthcare and pension costs.
- A decrease in general office supplies and mileage reimbursement.
- Continued support for a medical service contract and the Prince George’s Child Resource Center Family Connects home visiting program.

Family Investment Administration

The Family Investment Administration is responsible for administering food stamps, temporary cash assistance, disability assistance and emergency assistance to Maryland’s economically disadvantaged residents.

Project Fresh Start is designed to assist non-custodial parents that are currently incarcerated or recently released from incarceration. The program assists non-custodial parents with establishing parental bonds while incarcerated and with finding gainful employment once released.

The Maryland Money Market Double Value Coupon Program provides participants with additional dollars to spend on fresh, nutritious and local food. The program also provides market vendors with the benefits of diversified and augmented revenue streams.

Fiscal Summary

In FY 2024, the division expenditures increase \$256,100 or 69.8% from the FY 2023 budget. The primary budget changes include:

- Continued funding for one state supplemental position as well as projected healthcare costs.
- An increase in funding for the Summer Supplemental Nutrition Assistance Program (SNAP).
- A decrease in telephone costs and the general and administrative food equity contract.
- Continued funding for the Maryland Money Market Double Value Coupon Program and consultant services for the Food Equity Council and Food Insecurity Taskforce.

Grant Descriptions

CONTINUUM OF CARE (CoC) PLANNING PROJECT-1 -- \$267,700

The U.S. Department of Housing and Urban Development provides funding to assist the Homeless Services Partnership CoC with implementation and evaluation of the 10 year plan to prevent and end homelessness.

COORDINATED ENTRY -- \$280,000

The U.S. Department of Housing and Urban Development provides funding for a system-wide standardized assessment of the needs of homeless individuals and families. The funding ensures appropriate referrals to and rapid provision of services from providers both within the CoC and in the County's broader system of care including mainstream service providers, behavioral and somatic health services, community and faith-based providers and employment resources.

EMERGENCY FOOD AND SHELTER ARPA-R -- \$1,000,000

The Federal Emergency Management Agency (FEMA) provides crisis assistance for rental, mortgage and utility assistance for low-income households to prevent homelessness.

EMERGENCY FOOD AND SHELTER (FEMA) -- \$350,000

The Federal Emergency Management Agency (FEMA) provides funding to ensure crisis assistance for rental, mortgage and utility assistance for low income households to prevent homelessness.

HOMELESS MANAGEMENT INFORMATION SYSTEM -- \$85,000

The U.S. Department of Housing and Urban Development provides funding to increase capacity for data analysis to help provide a more complete understanding of gaps, challenges and outcomes in the Homelessness System of Care. Funds assist in improving the CoC's ability to recognize and respond to trend changes, provide more complete understanding of clients' needs and outcomes, provide macro level quantitative and qualitative data within key CoC system performance areas to help inform policy decisions aimed at addressing and ending homelessness in Prince George's County.

HOMELESSNESS SOLUTIONS -- \$1,710,000

The Maryland Department of Housing and Community Development provides funding for outreach, emergency shelters, homeless stabilization services and the Homelessness Management Information System.

HOMELESS YOUTH DEMONSTRATION PROJECT -- \$403,400

The U.S. Department of Housing and Urban Development provides funding to support the development and implementation of an innovative coordinated community approach to preventing and ending youth homelessness for households where no member of the household is older than the age 24. This project also provides direct service funding for programs and projects that align with this plan.

LOW INCOME HOUSEHOLD WATER ASSISTANCE PROGRAM -- \$220,800

The Maryland Department of Human Resources provides funding to assist low income families with water and wastewater bills in response to COVID-19. Benefits are distributed directly to the utility companies.

MARYLAND EMERGENCY FOOD PROGRAM -- \$25,000

The Maryland Department of Human Resources provides funding for short term temporary food assistance to eligible clients.

OFFICE OF HOME ENERGY PROGRAMS-MARYLAND ENERGY ASSISTANCE PROGRAM (MEAP) ELECTRIC UNIVERSAL SERVICE PROGRAM (EUSP) -- \$1,628,000

The Maryland Department of Human Resources provides funding to assist low income families in meeting the high costs of winter energy bills. Benefits are distributed to utilities, fuel suppliers and landlords on behalf of needy families (those with incomes at or below 150% of the Federal Poverty Level).

OFFICE OF STRATEGIC PARTNERSHIPS AND COMMUNITY SOLUTIONS -- \$2,345,400

The Prince George's County Public Schools provide funding to place school and community engagement advocates in schools with challenging dynamics (academic performance, truancy, or suspension rate) to support student success. Advocates assess family needs,

identify and connect families to resources that address barriers to student achievement and foster family stability through individualized case management.

PERMANENT HOUSING PROGRAM FOR PEOPLE WITH DISABILITIES -- \$664,400

The U.S. Department of Housing and Urban Development provides funding to encourage permanent housing for homeless people with disabilities.

PERMANENT HOUSING FOR UNSHELTERED -- \$4,924,500

The U.S. Department of Housing and Urban Development provides funding to assist people experiencing unsheltered homelessness and vulnerable people in rural communities.

TRANSITIONAL HOUSING PROGRAM -- \$700,900

The U.S. Department of Housing and Urban Development provides funding to support two separate Transitional Housing Programs that have been consolidated into one program. The program provides housing and supportive services for homeless individuals and families.

CHILD ADVOCACY CENTER MENTAL HEALTH AND TECHNOLOGY -- \$131,500

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding to assist in the investigation of child sexual abuse cases. This program will ensure the survivor a private environment and provide equipment used to capture the interview clearly the first time.

CHILD ADVOCACY CENTER SERVICES -- \$12,500

The Governor's Office of Crime Prevention, Youth and Victim Services provided funding to support the Child Advocacy Center. Funding is used for maintenance agreements on existing specialized equipment and software. Specialized training is also provided to a limited number of staff each year.

CHILD PROTECTIVE SERVICES CLEARANCE SCREENING -- \$125,000

The Maryland Department of Human Resources provides funding to process Child Protective Service Clearance screenings for employees of the Prince George's County School system.

INTERAGENCY FAMILY PRESERVATION -- \$1,065,000

The Maryland Department of Human Resources provides funding to support short term, intensive in-home services for those families whose children are at imminent risk of an out of home placement. The primary goal of the program is to prevent out-of-home of home placements.

MULTIMEDIA LEARNING LIBRARY -- \$72,000

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding to support a library for team members to access the Child Advocacy Center process, protocols, standards and operating procedures.

NATIONAL SUBGRANTS PROGRAM SPANISH SPEAKING INTERPRETER -- \$50,000

The Governor's Office of Crime Prevention, Youth and Victim Services provides funding to support an informed Spanish speaking interpreter to assist child victims and non-offending parents and caregivers.

AFFORDABLE CARE ACT- CONNECTOR PROGRAM -- \$1,900,000

The Maryland Department of Human Resources provides funding to coordinate outreach activities to reach uninsured individuals and small businesses in Prince George's County.

FAMILY INVESTMENT ADMINISTRATION (FIA) TEMPORARY ADMINISTRATIVE SUPPORT -- \$550,000

The Maryland Department of Human Resources provides funding to hire additional staff to address timeliness issues relating to the processing of benefits for the Temporary Cash Assistance, Supplemental Nutrition Assistance Program (formerly known as Food Stamps), Temporary Disability Assistance and Medical Assistance programs. The Department of Human Resources has seen a large increase of applications to these programs since the economic downturn that resulted in additional funding to help address the problem.

FOOD STAMP EMPLOYMENT AND TRAINING/ABLE BODIED ADULTS WITHOUT DEPENDENTS/SUPPLEMENTAL NUTRITION ASSISTANCE PROGRAM (FSET/ABAWD/SNAP) -- \$166,400

The Maryland Department of Human Resources provides funding to support costs related to assisting food stamp

recipients in attaining long term self sufficiency through suitable employment.

FOSTER YOUTH SUMMER EMPLOYMENT -- \$100,000

The Maryland Department of Human Resources provides funding to provide foster and homeless youth with summer jobs.

JOB ACCESS REVERSE AND COMMUTE -- \$20,800

The Maryland Department of Human Resources provides funding to address unique transportation challenges faced by Welfare Reform-Work Opportunities recipients and low income persons seeking to obtain and maintain employment.

WELFARE REFORM - WORK OPPORTUNITIES/BLOCK GRANT FUNDS PROGRAM 02, 08, 10 -- \$4,516,400

The Maryland Department of Human Resources provides funding to support the cost of providing employment-related assistance to clients of various benefit programs. Job development, referrals, placements and job-seeking skills training are some of the components of this initiative which seeks to reduce welfare dependency through employment. This approximate level of funding has been available to organizations in Prince George's County in past years but has been spent through state contracts with vendors.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide intervention services to abused, neglected or impoverished children, adults and families in order to ensure safety and reduce the risk in their living environment.

Objective 1.1 — Maintain the safety and stability of children by completing investigation and alternative response within the mandatory period.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
90%	91%	96%	90%	90%	↔

Trend and Analysis

From FY 2016 through FY 2019, the Department experienced a steady increase of Child Protective Service (CPS) responses. Due to the COVID-19 pandemic, the demand decreased in FY 2020 and further decreased from regular rates in FY 2021. Based on higher rates of increased vaccinations and decreased rates of COVID-19 infections since FY 2020, it was expected that during FY 2022 the rate of new allegations and investigations would increase to exceed FY 2021 levels. However, FY 2022 rates did return to more normal pre-pandemic rates. Based on current rates, it is expected that levels will remain at a more stable rate of investigations in FY 2024. The Department will continue to monitor for changes.

Completing the CPS responses within the mandatory time frame is critical for child well-being and safety, and, for FY 2022, the final combined point-in-time compliance figure was 96%, which exceeded the required goal. From September 2021 through January 2022, the Social Services Administration piloted multiple methods of data collection and reporting tools statewide using the new Child, Juvenile and Adult Management System (CJAMS). The FY 2022 actual average reported by SSA for CPS investigative responses is drastically lower than what is typically seen at the local level. SSA is currently analyzing and correcting these final numbers with the final actual average being closer to 200 during FY 2022. Investigative responses are complex in nature and often require a different level of effort and collaboration with law enforcement, the community and legal partners. While COVID-19 provided a challenge for CPS, it is expected that going forward the Department will continue to be able to attain the 90% goal.

Note: Actuals for "New mental injury/neglect allegations" fiscal year 2021 have been adjusted.

Trend and Analysis

The Department supports elderly and disabled adults to ensure they are safe and able to remain in their homes and communities. As the County's elderly (at least 65 years old) and vulnerable adult population increases, it is anticipated that the demand for these services will continue to increase accordingly. While from FY 2017 to FY 2019, the number of Adult Protective Service (APS) investigations increased by 15%, from FY 2020 through FY 2022, the number decreased significantly by 43%. Based on the trend in FY 2023, the number of APS investigations may decrease even further. These decreases are likely due to the COVID-19 pandemic. It may take more than another year for the number of APS investigations to go back to normal levels. This will require close monitoring to see if there is a change. The Department projects the number of APS investigations for FY 2023 to remain lower than normal with an increase from FY 2022, and expects that in FY 2024 numbers may start to go back toward standard levels. In FY 2022, the Department was well above the compliance requirement with compliance for APS investigations at 99%. It is expected this performance will continue to exceed the 90% standard.

Goal 2 — Stabilize families and individuals in need through increased access to services.

Objective 2.1 — Increase the number of vulnerable eligible households achieving stability through integrated eligibility services.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
115,000	98,770	121,206	109,649	111,000	↑

Trend and Analysis

From FY 2014 to FY 2019, the integrated caseload continued a steady decrease as the nation and region continued a slow recovery out of the recession of the previous decade. With the COVID-19 pandemic hitting in March of FY 2020, this trend stopped and reversed. In FY 2020 and then in FY 2021, the average monthly caseloads increased. The average monthly integrated caseload increased even further by 23% in FY 2022. It is projected that integrated caseload should decrease in FY 2023 by 10% and continue to level off if staffing numbers are sustained. This is keeping in mind that the caseload at the end of each fiscal year will be higher than the average as it increases. The primary impetus to the caseload increase came from the Food Supplement (FS) caseload. FS increased 27% from FY 2020 to FY 2021 and

again increased 30% from FY 2021 to FY 2022. The Department projects a 12% decrease in FS caseload from FY 2022 to FY 2023 before leveling off.

Energy Assistance decreased from FY 2019 to FY 2020 by 19.6% before increasing by 8% from FY 2020 to FY 2021. This decrease is due to waivers in energy and evictions in Community Services Division. In FY 2022, the Energy Assistance caseload has further increased by 25% but we project a decrease in FY 2023 by 13% before stabilizing. Therefore, the impact of Energy Assistance upon the integrated caseload is mixed. In the long-term, the Department expects the integrated caseload will slowly decrease.

Note: The State of Maryland has currently suspended collection of data relating to the measure, "Temporary Assistance for Needy Families (TANF) and TCA recipients receiving services for less than or equal to one year." Due to this, the FY 2022 actual, FY 2023 estimate and FY 2024 projections are not being reported.

Trend and Analysis

The Department promotes the stability of communities by providing a range of services to assist adults and families to achieve and maintain appropriate permanency in their communities, which will support the sustainability of independence and self-sufficiency. On average, approximately 352 individuals remain stable and in the community supported by adult resource programs. Over 99% of individuals receiving adult services have remained in the community from FY 2017 to FY 2022 and this rate is projected to remain stable.

Trend and Analysis

Family Preservation is a supportive service that seeks to impact the stability of families by addressing core issues within the family structure and mitigate circumstances that bring children into foster care. As a continuation of this practice, the Department offers services from a family-centered practice framework in which the objective is to keep families intact. Department efforts to prevent children from entering foster care have been instrumental in preserving families. The percentage of children remaining in families and avoiding foster care placement has been averaging 97% from FY 2012 through FY 2021. With an increase in entries to Foster Care from FY 2021, the Department did see a decrease in children remaining in the home for FY 2022. Family Preservation which provides in-home support services is essential to preventing children from entering foster care. Based on current numbers, it is expected that the data will return to normal percentages in FY 2023.

Trend and Analysis

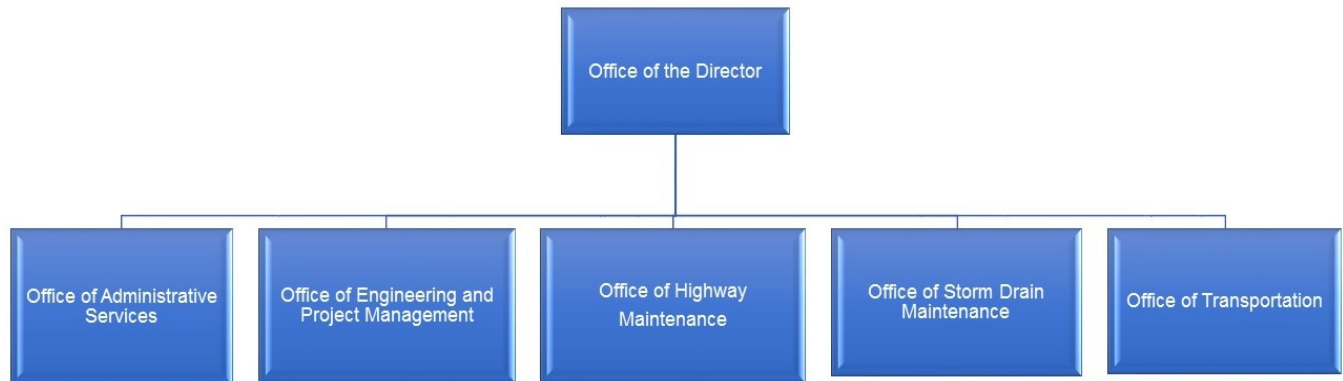

Overall, the Department focuses on the number of children placed in foster care as it is considered a temporary and short-term option for children. Over the past several years, the Department has tried to limit the number of children in out of home placement through closely monitoring entry and moving children toward permanent placements. The COVID-19 pandemic has challenged this effort as the Department has seen an increase in foster care caseloads. The Department has noted that there have been more sibling groups coming into care. Another factor that increased foster care caseloads was a memorandum from the Social Services Administration (SSA) which during the pandemic, extended foster care for youth turning twenty-one. DSS has also seen an increase in teens entering care, which may be because of exacerbated mental health concerns and additional challenges experienced by families in the community.

The Department focuses attention on moving youth, for whom it is appropriate, to permanency. It is important to properly assess foster children as individuals and to also assess their situations. With increased numbers of youth in care, this effort is challenged. The Department is responding with new initiatives and efforts. Now more providers are moving toward meeting virtually and/or in-person. So with the additional support, education and coaching provided to children and families by Extreme Family Find, Center for Excellence, Wendy's Wonderful Kids, CASE and Lead 4 Life/Parent Mentor program and AFFIRM; the Department should be headed toward safely decreasing the number of children in care overall. The Department hopes to see an increase in adoptions and guardianships due to the initiatives and strategies toward permanency that it is implementing. Given the challenges in FY 2021, the Department reduced the goal to 20% of foster care youth with plans of reunifications, guardianship and adoption to achieve permanency. In FY 2022, the Department met that goal by increasing the percentage of youth with plans of permanency from 16.7% in FY 2021 to 21% in FY 2022. It is expected that new initiatives will increase plans of permanency. Therefore, the Department has increased this goal to 25% by FY 2028.

Department of Public Works and Transportation

MISSION AND SERVICES

The Department of Public Works and Transportation (DPWT) provides roadway infrastructure, litter control, mass transportation and stormwater management services to all users in the County in order to ensure a safe, functional, efficient and aesthetically pleasing transportation system.

CORE SERVICES

- Roadway and drainage infrastructure including design, construction and maintenance
- Roadway maintenance to include litter control, snow and ice removal, plant bed maintenance, mowing and tree maintenance
- Public transportation
- Stormwater management, including maintenance of flood control levees and pumping stations

FY 2023 KEY ACCOMPLISHMENTS

- Completed a 120-day beautification initiative and blitz to abate litter, illegal dumping and high grass complaints in the public right-of-way.
- Organized a successful countywide community clean-up, which included 2,964 volunteers, more than 4,000 trees planted and the collection of more than 24 tons of roadside litter and illegal dumping along county roadways.
- Repaired drainage infrastructure for 30 sites, maintained storm drain structures that were clogged (350), rehabilitated and removed sediment from 40 failing storm water management facilities.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priorities in FY 2024 are:

- Increase the average Pavement Condition Index (PCI) rating of collector, arterial and residential roadways by utilizing the Pavement Management System to accurately assess the roadway conditions within the County.
- Eliminate pedestrian fatalities on County-maintained roadways by implementing a data-driven strategy by installing or improving sidewalks, crosswalks and automated pedestrian signals.
- Maintain service delivery and improve response time for maintenance related activities on County-maintained roadways by implementing a County-wide beautification initiative and enhanced response to constituent complaints.
- Provide more flexible and safer paratransit options for seniors and pilot alternative service models in low-density or emerging activity centers.
- Maintain County Stormwater Facilities while enhancing and improving systems and adapting to climate resiliency.

In FY 2024, compensation expenditures increase 18.7% over the FY 2023 budget due to prior year salary adjustments and planned FY 2024 salary adjustments, additional funded vacancies and anticipated lower staff attrition, 14 new full time positions (including Construction Standard Inspectors, Engineers, a Facility Manager and equipment operators for street sweeping) and eight additional limited term Transit Drivers. Compensation costs include funding for 266 out of 272 full time positions, one part time position and funding for 15 limited term positions. Fringe benefit expenditures increase 20.4% over the FY 2023 budget to align to projected costs for pension and healthcare, workers compensation and compensation changes along with new positions.

Operating expenditures increase 10.4% over the FY 2023 budget primarily due to operating increases for TheBus system services, beautification initiatives including targeted litter control collections and street sweeping efforts, video lottery terminal (VLT) supported litter control and street sweeping efforts within the communities surrounding MGM-National Harbor and the cost for maintaining automatic vehicle location (AVL) maintenance software for the transportation fleet.

Capital outlay expenditures increase by 7.5% over the FY 2023 budget due to ongoing support for the purchase of fixed route transit buses, three additional street sweeper vehicles and to provide additional local matching opportunities for grant supported bus purchases.

Recoveries increase 8.9% over the FY 2023 budget primarily due to the increased operating expenses associated with TheBus transit system, prior year and planned salary adjustments for recoverable staff including 11 of the 14 new full-time positions. The Washington Suburban Transit Commission (WSTC) fund (\$69.1 million), capital projects (\$11.3 million), Solid Waste Fund (\$10.4 million) and the Stormwater Management Fund (\$2.7 million) are the recovery sources for the department.

Office of Transportation

The Office of Transportation provides administration and departmental coordination for five operating divisions: Transit Administration, Transit Operations, Para-Transit Operations, Taxi License Administration and Pedestrian and Bicycle Safety Division.

The Transit Division manages the operation of local transit services including TheBus, Call-A-Cab, Call-A-Bus, Rideshare, and Fringe Parking Programs, along with managing transit related grants. Transit services are provided to the public and special communities such as the elderly and disabled, dialysis patients and homebound meal/nutrition delivery programs. This Division advises County officials on mass transit operations, including Metrobus, Metrorail and commuter rail services; analyzes transit data; and provides route-planning services.

The Taxi License Administration Division regulates the operation of taxi services to provide efficient, safe and affordable transportation options for County residents.

The Pedestrian and Bicycle Safety Section focuses on roadway improvements oriented toward the enhancement of pedestrian safety, particularly along roadways or at intersections which have a history of accidents.

The Bikeshare Program provides a vital transportation option that not only provides utility, but adds environmental, economic, and health benefits encouraging residents to adopt a healthier, more active lifestyle. This promotes the use of alternative transportation modes, thereby reducing vehicular congestion and emissions.

Fiscal Summary

In FY 2024, the division expenditures increase \$1,215,000 or 126.4% over the FY 2023 budget. Staffing resources increase by two full time positions and eight limited term positions. The primary budget changes include:

- An increase in compensation due to two new full time Planner positions, eight new limited term Transit Driver positions, increased funded vacant positions, reduced staff attrition, prior year salary adjustments and FY 2024 salary adjustments.
- An increase in fringe benefits spending to align with projected costs including workers compensation expenses.
- An increase in operating expenses due to inflationary adjustments associated with TheBus transit system and projected fuel and oil costs.
- An increase in recoveries due to the inflationary increases to transit operating expenses, new positions and prior year salary adjustments and FY 2024 salary adjustments, which are partially recoverable through the Washington Suburban Transit Commission (WSTC) fund.

Office of Engineering and Project Management

The Office of Engineering and Project Management is responsible for the administration and coordination of the Capital Improvement Program (CIP) and is organized into the following divisions:

The Highways and Bridges Division provides administration, design and coordination of all activities necessary to prepare procurement-ready contracts for the construction of road, drainage, flood control and bridge-related capital improvements, as well as rehabilitation contracts for County infrastructure.

The Engineering Services Division provides administration, design and coordination for the design and construction of stormwater, drainage and flood control projects, from pipes to outfalls to channels and more. Additionally, all elements of NPDES reporting for the MS4 permit are handled by this division, including asset inventories, as well as Wetland Mitigation and Stream Restoration for all CIP projects. GIS for the entire department is handled by this division.

The Traffic Safety Division oversees transportation infrastructure to ensure safe and efficient mobility for drivers and pedestrians, reduces traffic congestion; reviews and approves traffic studies and roadway designs; designs and coordinates traffic control device installations; implements the Neighborhood Traffic Management and street lighting programs; designs in-house traffic control signals plans and reviews and approves signal designs.

The Right-of-Way Division provides timely appraisal and acquisition of necessary rights-of-way and easements required for CIP projects and rehabilitation activities; provides property acquisition support for other County

departments; and supports the development community in processing storm drainage easements associated with the building permit process.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$511,000 or -48.4% under the FY 2023 budget. Staffing resources increase by three positions from the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to the addition of new Facility Manager and two new Construction Standard 4G positions (Chief Construction Inspectors), increased funded vacant positions, reduced staff attrition, prior year salary adjustments and planned FY 2024 salary adjustments.
- An increase in fringe benefits to align with projected costs including anticipated workers compensation expenses.
- An increase in recoveries based on projected personnel changes and new positions in the division recoverable from the CIP program.

Office of Highway Maintenance

The Office of Highway Maintenance supports the administration and coordination of a variety of services required to maintain a 1,900-mile roadway network in a safe and aesthetically pleasing condition and is organized into five divisions.

Traffic Management and Operations operates the Traffic Response and Information Partnership (TRIP) Center; provides coordination for traffic incidents, emergencies and special events; and constructs and maintains traffic signals.

Equipment Maintenance is responsible for the vehicle fleet which includes repairing vehicles in-house and working with outside vendors for specialty repairs, inventory and fixed assets for the department.

Administration is responsible for all administrative functions of the Office of Highway Maintenance to include management of work, intake of public service requests, inquiries for resolution and oversight of Snow and Ice Control operations.

Road Maintenance and Construction provides construction administration and oversight of Capital Improvement Rehabilitation and Safety Improvement Projects. It is responsible for maintenance of the roadway infrastructure, specifically roadway resurfacing, patching, potholes, sidewalk repair/replacement and snow and ice removal.

Special Services provides critical services for maintaining street tree trimming, emergency tree removal services, landscape maintenance and mowing of grass and turf areas along County roadways. Also, it collects and disposes roadside litter and dumped debris on County-maintained roadways.

Fiscal Summary

In FY 2024, the division expenditures increase \$4,205,500 or 34.7% over the FY 2023 budget. Staffing

resources increase by eight positions from the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to two new Engineer 3G positions, one new Engineer 4G, one new Construction Standards Inspector 3A, one new Administrative Assistant 1A, three new Equipment Operator 1A positions (for street sweeping), increased funded vacant positions, reduced staff attrition, prior year salary adjustments and FY 2024 salary adjustments.
- An increase in fringe benefits to align with projected costs including anticipated workers compensation expenses.
- An increase in operating primarily due to street sweeper contractual services and expanded Beautification initiatives including multi-week litter removal, street sweeping and landscaping services throughout the County.
- An increase in capital outlay to purchase three street sweeper vehicles.
- An increase in recoveries from the capital improvement program, Solid Waste Fund and Stormwater Management Fund due to new recoverable positions, recoverable salary requirements and recoverable operating expenses.

OTHER FUNDS

Stormwater Management Enterprise Fund

As authorized by Sections 10-262 through 10-264 of the County Code, the Stormwater Management District includes all the land within the boundaries of Prince George's County, Maryland, except for land within the City of Bowie. Within this special taxing district, the County exercises all the rights, powers, and responsibilities for stormwater management, which is defined as the planning, designing, acquisition, construction, demolition, maintenance, and operation of facilities, practices and programs for the control and disposition of storm and surface waters, including floodproofing and flood control and navigation, so as to make available to residents and property owners of the Stormwater Management District an efficient and safe operating service. The Stormwater Management Enterprise Fund funds stormwater management activities within the district. Responsibility for administering these activities is shared between the Department of the Environment and the Department of Public Works and Transportation.

The Department of Public Works and Transportation's Storm Drainage Maintenance division develops, administers and inspects contractual and in-house maintenance/repair activities for public storm drainage and flood control facilities; maintains flood control pumping stations and maintains grounds for flood control stations. It also repairs stormwater main lines; cleans catch basins; maintains roadway shoulders, bridges, box culverts, inlets and ditches and stabilizes eroded stormwater channels.

Please refer to the Department of the Environment - Stormwater Management Fund section for full detail on all enterprise fund related activities.

Fiscal Summary

In FY 2024, compensation expenditures in the Department of Public Works and Transportation's portion of the fund increase 14.7% over the FY 2023 budget, primarily due to prior year salary adjustments and planned FY 2024 salary adjustment, increase in funded vacancies and changes in attrition. Compensation costs include funding for 142 out of 144 full time positions. Fringe benefit expenditures increase by 15.6% over the FY 2023 budget to align with projected costs for pension and healthcare and compensation changes. Fringe benefit funding includes \$1.5 million for other post employment benefits (OPEB) related costs.

Operating expenditures decrease -9.0% under the FY 2023 budget primarily due to net changes in the pond mowing requirements related to consent decree activity.

Transportation Services Improvement Special Revenue Fund

The Transportation Services Improvement Fund was created in 2015 with the enactment of CB-72-2015. Additional provisions pertaining to this fund were enacted under CR-75-2018. The fund was established to improve the delivery of bus service and accessible transportation services in the County. All revenues to the fund are generated through a \$0.25 per trip surcharge on certain transportation network services originating in the County. The fund's additional purposes include satisfying connectivity to bus transit service through Bikeshare; enhancing and expanding the provision of readily available, quality, accessible taxi service; ensuring compliance with applicable taxi legislation and any other purposes permitted by Section 20A-212 of the County Code.

Fiscal Summary

In FY 2024, operating expenses decrease by -\$117,000 or -6.7% from the FY 2023 budget due to reduced operating costs for the Taxi Dispatch System. Anticipated expenditures support Bikeshare and related activities and potential cash match requirements for unanticipated future grants. No staffing is supported by this fund.

The FY 2024 approved grant budget for the Department of Public Works and Transportation is \$32,325,000, an increase of 315.7% over the FY 2023 approved budget. This increase is primarily due to the anticipated Low/No Emission Deployment Program and Buses and Bus Facilities grants which are partially offset by the removal of the FY 2021 Low/No Emission grant appropriation from the prior fiscal year. The Bus and Bus Facilities Program is actually the broader umbrella program that includes the Low/No Emission program. The primary sponsor for the department is the Maryland Department of Transportation. The approved budget includes \$6.3 million in matching funds primarily for the Low/No Emission Deployment and Buses and Bus Facilities Program grants.

Grant Descriptions

BUSES AND BUS FACILITIES PROGRAM -- \$12,500,000

This program supports the purchase of twenty (20) battery equipped buses (BEBs) and the associated depot charging infrastructure; an upgrade of the electric system at the County's main transit facility; installation of a microgrid to support the deployment of the twenty BEBs and to make PGC less reliant on the local energy grid and more resilient; and the installation of on-route chargers at five (5) transit hubs throughout the service area to expand access to BEBs. The County match is \$3,125,000 from the department's General Fund capital outlay appropriation.

match is \$3,125,000 from the department's General Fund capital outlay appropriation.

LOCAL BUS CAPITAL GRANT -- \$400,000

This yearly grant is utilized to purchase fixed-route buses. The County match is \$100,000 from the department's General Fund capital outlay appropriation.

MARYLAND BIKEWAYS PROGRAM -- \$80,600

This program offers State grant assistance to local jurisdictions and other key agencies to help expedite the development of bicycle infrastructure. The purpose of this grant is to expand the Capital Bikeshare system into Prince George's County by installing four docking stations and forty shared bicycles. The County match is \$26,900.

RIDESHARE PROGRAM -- \$269,100

This program promotes ridesharing in the public and private sectors by helping commuters form carpools and vanpools, thereby relieving congestion on the County's highways. The Federal Highway Administration provides funding through the Urban Systems Program.

STATEWIDE SPECIALIZED TRANSPORTATION ASSISTANCE PROGRAM (SSTAP)-- \$332,800

This annual grant is utilized to replace aging paratransit vehicles. Funding is provided by the Maryland Transit Administration. The County match is \$17,500.

U.S. DOT/FTA LOW OR NO EMISSION GRANT PROGRAM -- \$12,500,000

This program supports the purchase of electric buses and charging stations as replacement buses for the County's aging fleet and uses this innovation to inform baseline data required for future purchase criteria to operate cost-effective alternative fuel-based services. The County

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide County roadway and rights-of-way infrastructure improvements and maintenance services for the safe movement of pedestrians, bicyclists and motorists.

Objective 1.1 — Reduce pedestrian-related fatalities and serious injuries on County roadways.

Trend and Analysis

The Department of Public Works and Transportation is responsible for monitoring all County-maintained roadways. The Traffic Response and Information Partnership Center (TRIP) monitors traffic safety in high volume traffic areas. The Traffic Safety Division performs neighborhood traffic management studies to reduce speeding and enhance traffic calming on county roadways via citizen requests. The Department manages variable message signs (VMS) for traffic control in emergencies or for special events. In FY 2022, VMS requests and usage increased by 17%. Improved safety lighting, street light installation and the installation of traffic signals are additional programs implemented to improve pedestrian safety. With the objective of increased pedestrian safety, bike lanes were introduced on new paving projects. Also, guardrails were installed at numerous locations where existing guardrails were damaged. The number of traffic signals maintained by the County increased annually with a current inventory of 220. Sign installations will increase as the infrastructure is refreshed and new development occurs. The total number of signs decreased by 17% in FY 2022; however with new initiatives on safety programs this measure is expected to increase in the near term. Forty-six (46) new speed humps were installed in FY 2022.

The Metropolitan Washington Council of Governments (MWCOC) has provided technical assistance for three road safety audits and a shared safety audit with Montgomery County. Currently, the trend is 30+ traffic fatalities on the most vulnerable roads per year. The Vision Zero Prince George's strategy addresses roadway safety for all users; especially the most vulnerable users, people who walk and bike. Tragically, Prince George's County reflects the nationwide trend of traffic safety during the COVID-19 public health emergency. The National Highway Traffic Safety Administration (NHTSA) estimates show while Americans drove less in 2020, more people died in motor vehicle traffic crashes. This was the largest projected number of fatalities since 2007. The Department focuses on road design and addressing drivers' risky behavior. Roadway safety projects related to design and construction on County maintained roadways are under the Prince George's County Capital Improvement Project planning and scheduling process. Projects on State and municipal roadways require more extensive stakeholder participation and coordination, a process which is outside of the County's purview.

Trend and Analysis

DPWT is responsible for the maintenance of County roadways. The Department expects continuation of programs to repair potholes and large pavement failures through the cut and patch repair programs using in-house and contractual services in FY 2022 and FY 2023. The number of County-maintained roadway miles increased slightly to 2,000 in FY 2022. Potholes patched increased by 34% in FY 2022 as the Department continues to focus on resurfacing roadways. In the FY 2023, contractors resurfaced almost 16 miles and combined with in-house crews, the total miles paved reached 24.05 miles. The Department expects to accomplish similar resurfacing ratios in FY 2023. Service request calls decreased in FY 2022 which is largely attributed to sidewalk repairs. The Department responded to 90% of received service calls in FY 2022 and anticipates maintaining the response rate in FY 2023 at or above 90%. The pavement Index rating was approximately 55.6 in FY 2022; a slight increase to 56 is projected for FY 2023.

Trend and Analysis

The Department is responsible for the removal of snow and ice on County maintained roadways. There are five snow districts utilizing County work forces and assigned contractors. To assist in the clearing of snow, DPWT utilizes contractor services at the discretion of the Director. Major snow events can contribute to an increase in average snow removal expenditures per month and the number of hours in which County-maintained roadways are passable from the end of a snowfall event. In the FY 2022 snow season, Department staff deployed for eight events. County workers dedicated 20,058 hours and contractors worked 6,086 hours to treat and plow County maintained roadways. The Department received 28 calls through the "311 system" related to snow removal and roadway complaints.

Trend and Analysis

DPWT is responsible for the trimming and removal of trees located in the rights-of-way. Trees are trimmed on a request basis for improvements of sight distance. Expenditures can fluctuate based on the number of severe storms experienced during the year. The actual number of trees trimmed in FY 2022 were 324. This was accomplished through the Tree Trimming and Right-of-way Recovery program. A total of 2,655 trees were removed and replaced in FY 2022. A total of 5,185 new trees were planted in the public right-of-way in FY 2022. Validated damage claims increased by 67%, 27 claims in FY 2021 as compared to FY 2022 at 45 claims.

Trend and Analysis

The Department maintains an aggressive litter control and collection program for addressing litter complaints, which include trash, debris, illegal dumping, and illegal signs located in the public right-of-way. The number of litter complaints increased significantly (77%) for a total of 2,139 complaints in FY 2022, as compared to 1,208 in FY 2021. Over 9,780 miles of roadway were serviced in the litter control program during this reporting period. The average cost per ton of litter and debris collected increased in FY 2022 at \$3,664. Overall litter expenses increased in FY 2022 by 67% due to tasks associated with the beautification blitz on County and State roads. The number of litter, debris, and illegal dumping service requests decreased by 27% to 3,724 annually. The Adopt-A-Road Volunteer Program continues to assist with ensuring that specified roadways are cleared of debris and litter. The annual Growing Green with Pride Event focuses on roadside litter and illegal dumping removal in communities countywide; the Department of Corrections Inmate and Community Services Programs assist the Department for roadside litter removal. The total tons of litter removed in FY 2022 was 3,358, a 150% increase from FY 2021.

Trend and Analysis

DPWT is responsible for the cleaning of drainage pipes and channels, and the mowing and maintenance of stormwater management ponds. The actual number of ponds mowed decreased by about 34% from FY 2021 to FY 2022, due to contracting and procurement challenges. Storm drain expenses increased by 14% and shall continue to increase through the current fiscal year. The number of service calls increased by approximately 19% in FY 2022. The actual number of valid damage claims decreased to 30 in FY 2022.

Trend and Analysis

DPWT is responsible for providing public transportation. In FY 2022, The Department procured eight battery electric buses. The agency anticipates the delivery of an additional six battery electric buses purchased by close of Calendar Year 2023. An additional federal grant award of \$25 million will support the purchase of additional battery electric buses, charging equipment, infrastructure, facility enhancements and workforce development programming.

The Department successfully decreased the number of complaints per 100,000 riders in FY 2022 as anticipated. The level of State funding is anticipated to decrease in FY 2023 due to a proposed change in the sub-recipient formula allocation for locally operated transit systems. However, transit Coronavirus Response and Relief Supplemental Appropriations Act of 2021 and the American Rescue Plan Act of 2021 supplemental funding will support transit operations through 2029. The Washington Suburban Transit Commission (WSTC) fund remains strong allowing for full General Fund recovery in relation to transit services. With the increase of federal grant awards, the Department's ability to reimburse transit positions will be essential to execute and manage the state-of-the-art projects successfully.

Department of Permitting, Inspections and Enforcement

MISSION AND SERVICES

The Department of Permitting, Inspections and Enforcement (DPIE) promotes economic development and redevelopment in Prince George’s County and protects the health and safety of County residents, businesses and visitors through highly integrated and efficient permitting, inspection and licensing services that ensure compliance with established building codes and property standards.

CORE SERVICES

- Ensure compliance of proposed plans with established codes and standards for new construction and alteration of residential and commercial buildings and site/road development construction
- Inspect residential and commercial properties to enforce compliance with County property standards, zoning requirements and building codes
- Issue licenses for various business activities regulated under applicable County and other codes

FY 2023 KEY ACCOMPLISHMENTS

- Continued the development and implementation of the County’s new enterprise system for permitting, licensing, inspection and enforcement.
- Adopted the 2018 International Building, Residential, Mechanical, Energy and Fire Codes and the 2017 National Electric Code with County Subtitles 4, 9 and 11.
- Implemented the Business Development Division to assist entrepreneurs and business owners in navigating DPIE’s permitting and licensing processes and coordinate with external agencies.
- Implemented new process guidelines for expediting permits for electric vehicle charging stations.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The agency’s top priorities in FY 2024 are:

- Implement new process guidelines for expediting permits for electric vehicle charging stations and expanded guidelines to address permitting of curbside electric vehicle charging stations.
- Implement new guidelines for permitting rooftop photovoltaic (PV) solar systems in commercial and multifamily residential properties.
- Expand the virtual platform for the Enforcement Division which increased productivity, accountability, and customer service.
- Increase the number of properties billed because of “forced abatement”.
- Reduce the amount of time it takes to adjudicate a case during the Nuisance Abatement process.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Department of Permitting, Inspections and Enforcement is \$30,874,000, an increase of \$3,040,400 or 10.9% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase 22.6% over the FY 2023 budget primarily resulting from the annualization of FY 2023 and planned FY 2024 salary adjustments. Funding is also allocated for the funding for 11 new positions including seven Property Standards Inspectors in the Enforcement division, three Administrative Aides in the customer service unit within the Permitting and Licensing division, and one Paralegal Supervisor in the Office of the Director, shift differential funding to address noise complaints, and salary adjustment funding for Engineers. Compensation costs includes funding for 319 full time positions, eight personal service contracts for hearing officers and seven temporary/seasonal employees. Fringe benefits expenditures increase 23.9% over the FY 2023 budget as a result of the compensation adjustments and a higher fringe rate based on the projected cost of pension and healthcare expenses.

Operating expenditures increase 1.4% over the FY 2023 budget due primarily to increases in communication services, equipment leases, fuel, periodicals, professional certification reimbursements and the technology cost allocation charge. In addition, funding in the amount of \$1.8 million is allocated to continue the Clean Lots program and funding in the amount of \$3.4 million will provide support for the permitting and licensing system.

Recoveries increase 27.7% over the FY 2023 budget to reflect an increase in recoverable expenditures primarily resulting from required compensation adjustments and related fringe benefits adjustments, as well as additional positions.

DIVISION OVERVIEW

Director's Office

The Office of the Director is responsible for the direction, planning, implementation and administration of services provided by the agency’s five operating divisions which include the Division of Permitting and Licensing, Division of Site/Road Plan Review, Division of Building Plan Review, Division of Inspections and Division of Enforcement. The Director works collaboratively with utility companies, State Highway Administration, Maryland National Capital Park and Planning Commission (M-NCPPC) and other government agencies to address interagency concerns.

Fiscal Summary

In FY 2024, the division expenditures increase \$566,300 or 7.0% over the FY 2023 budget. Staffing resources increase by six positions over the FY 2023 budget. The primary budgetary changes include:

- An increase in personnel costs due primarily to the annualization of FY 2023 merit increases, planned FY 2024 salary adjustments, and the transfer of five positions from the Permitting and Licensing and Enforcement divisions to improve operational efficiency and effectiveness, and one new position to address complaints received by the Nuisance Abatement Board. The position classifications are: one Administrative Aide; one Administrative

Assistant; one Administrative Specialist; one Community Developer; one General Clerk; one Paralegal Supervisor, and one Procurement Officer.

In addition, funding is included to support salary adjustments for Engineers pending the outcome of a compensation study being implemented by the Office of Human Resources Management (OHRM).

- An increase in fringe benefit costs to align with projected costs.
- An increase in operating expenses due to an increase in the technology cost allocation charges, and various operational costs required to continue program priorities and activities.
- An increase in recoverable costs based on current recovery rates.

Permitting and Licensing

This division is comprised of four sections: the Permits Administration Section, Special Services (Homeowners and Mega Projects) Suite, Business Licensing Center and Cashier’s Office.

The Permits Administration Section is responsible for the core services of the agency such as application processing, plan intake and distribution, telephone coverage, records management, permit renewals, responses to public information requests, dissemination of accurate information and permit issuance. The adopted building code and the State of Maryland requires that all permit records, including all paperwork and plans, must be archived in accordance with the State’s regulations for file retention. In order to enhance customer service by shortening the time that it takes for the agency to perform a permit issuance, a controlled point of entry was established and intake personnel are cross-trained for all aspects of permit applications and submittals.

The Special Services Suite manages the fast-track permit processing for major projects that will enhance economic growth in the County and provide support for homeowners with smaller projects. This unit coordinates meetings with customers and the appropriate reviewing disciplines.

The Business Licensing Center regulates various business activities per the County Code by processing and issuing over 25 business licenses and over 15 Health Department licenses. Additionally, staff ensure that certain use and occupancy permits are current and that licenses adhere to professional standards and operate in accordance with the County Code.

The Cashier’s Office accepts cash and check payments from customers paying for business licenses and all

permit types, ensuring County policies and procedures are adhered to for revenue intake.

Fiscal Summary

In FY 2024, the division expenditures increase \$313,300 or 14.4% over the FY 2023 budget. Staffing resources increased by three positions over the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to the annualization of FY 2023 merit increases and planned FY 2024 salary adjustments and three new Administrative Aide positions to support the Customer Service Unit.
- An increase in the fringe benefit costs primarily due to projected increases in healthcare and pension costs.
- A decrease in operating expenditures primarily due to planned reductions in supplies.
- An increase in recoveries based on growth in personnel costs and operating expenditures.

Site/Road Plan Review

The Site/Road Plan Review Division performs engineering plan, permit review and approval services pertaining to site grading, drainage, storm water management, floodplain, traffic, County public and private roads and site work. This division interacts with developers, engineers, architects, citizens, homeowners, County and State CIP teams, utility companies and others to assist in the issuance of approvals and permits for site related activities. This division interacts with other agencies (M-NCPPC, Soil Conservation District, Washington Suburban Sanitary Commission (WSSC), State Highway Administration (SHA), Maryland Department of the Environment (MDE) and the U.S. Army Corps of Engineers) to coordinate approvals and permits compatible with approvals issued by these agencies.

The Utility/Technical Support Section implements the policy and specification for utility installation and maintenance in order to enhance the safety and convenience for the traveling public and mitigates the impact of utility work on local community residents.

Fiscal Summary

In FY 2024, the division expenditures decrease \$74,300 or 7.3% under the FY 2023 budget. Staffing

resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in compensation costs due to FY 2023 merit increases and anticipated FY 2024 salary adjustments.
- An increase in fringe benefit costs to align with the projected cost of healthcare and pension expenses.
- An increase in operating costs primarily due to technology cost allocation.
- An increase in recovered costs while maintaining historical recovery rates.

Building Plan Review

The Building Plan Review Division contains two sections that include Building Plan Review and Health Review.

The Building Plan Review Section is responsible for the following activities:

- Commercial building plan reviews for fire, structural, electrical, mechanical, ADA, energy and accessibility
- Residential building plan reviews for structural and energy compliance
- Commercial and residential sprinkler reviews
- Commercial fire alarm reviews
- Building code variances and waivers
- Administration of the Electrical Code

The Health Review Section reviews plans and performs inspections related to new well and septic systems, swimming pools and licensed food establishments.

Fiscal Summary

In FY 2024, the division expenditures increase \$120,100 or 6.5% over the FY 2023 budget. Staffing resources increased by one position over the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to FY 2023 and FY 2024 planned salary adjustments attributed to this division, as well as the transfer of one Engineer position to this division to improve operational efficiency and effectiveness.
- An increase in fringe benefit expenses to align with projected costs.
- An increase in operating expenditures due to increases in engineering consulting services, temporary services, and various other operating requirements.
- An increase in recoveries related to salary, fringe and operating adjustments.

Inspections

The Inspections Division provides regulation of construction, development and grading activity in the County, with the exception of the City of Laurel. This division completes inspections of all horizontal (site grading, storm water management, road/bridge and utility) and vertical (structural, electrical, mechanical, fire-life safety, energy, and accessibility) elements of new development or improved projects.

The following sections comprise this division: Site/Road Inspection, Residential Building Inspection, Commercial Construction and Life Safety Section, Fire Inspections and the Water and Sewer/Plumbing/Gas Connection Review Section.

The Site/Road Inspection Section inspects horizontal related permits broken down into three districts, North, Central and South. In addition, site/road inspectors evaluate the existing infrastructure (bridges, sidewalks, driveway aprons, roadways and storm drainage structures) and make recommendations for modifications and the repair of the infrastructure for inclusion in the capital improvement program. Utility inspectors ensure that utility work conducted in the public right-of-way is performed in a manner consistent with the County’s policy and specification for utility installation and maintenance.

The Residential Building Inspection Section conducts inspections of residential construction and light commercial projects. Through the use of a combination of inspectors, staff evaluates new construction for compliance with structural, life safety, mechanical, electrical and grading requirements.

The Commercial Construction and Life Safety Section provides commercial electrical inspections for commercial projects that are not third party. This includes stores, offices, schools, restaurants and places of worship, as well as home generators. The section adopted the 2018 International Building, Residential, Mechanical, Energy and Fire Codes and the 2017 National Electric Code with County Subtitles 4, 9, and 11.

Regarding Fire Inspections, DPIE shares joint responsibility with the Office of the Fire Marshal (Fire Prevention and Life Safety Office) in the Fire/EMS

Department for fire code enforcement. The division of responsibility is delegated by the Fire Chief to DPIE through a Memorandum of Understanding. DPIE is responsible for fire code enforcement associated with a permit for building or occupancy. Fire Prevention is responsible for existing buildings that have an associated use and occupancy permit.

The Water and Sewer/Plumbing/Gas Connection Review Section is included within this division and is funded by the Washington Suburban Sanitary Commission (WSSC).

Fiscal Summary

In FY 2024, the division expenditures increase \$283,800 or 6.4% over the FY 2023 budget. Staffing resources decrease by two under the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to FY 2023 merit increases, planned FY 2024 salary adjustments, and shift differential pay for agency staff responding to after-hour nuisance complaints.
- A decrease in the authorized position count for this division resulting from the transfer of two Engineer positions to other divisions within the agency to improve operational efficiency and effectiveness.
- An increase in fringe benefit expenditures to align with projected costs.
- An increase in operating expenditures due primarily to an increase in communications, technology cost allocation, and supplies for this division.
- An increase in recoveries related to salary, fringe and operating adjustments.

Enforcement

The Division of Enforcement contains several sections that include Administrative Support, Residential Property Standards and Zoning and Commercial Property Standards.

This division enforces the zoning ordinance, use and occupancy permits, anti-litter and weed ordinances and the Property Maintenance Ordinance and Housing Code. It also educates residents and homeowner/civic associations about the County’s community initiatives. This division’s focus is on sustaining the existing structures in Prince George’s County.

The Administrative Section consists of administrative aides, general clerks and public service aides who perform administrative functions.

The Residential Property Standards Section includes the Multi-Family Unit and Single-Family Unit. The function of this section is to enforce the minimum standards of the Prince George’s County Housing Code. The Multi-Family Unit focuses on multi-family / common ownership housing properties. This unit responds to interior and exterior apartment complex and condominium complaints and conducts surveys of these properties. In addition, violation notices are issued to property owners for any deficiencies noted. The Single-Family Unit focuses on single-family homes.

The Zoning and Commercial Property Standards Section focuses on commercial property, responding to commercial complaints and conducting surveys. In addition, violation notices will be issued to property owners for any deficiencies noted by the inspection staff. The purpose is to enforce the minimum standards of the Prince George’s County Code.

Fiscal Summary

In FY 2024, the division expenditures increase \$1,831,200 or 17.8% over the FY 2023 budget. Staffing resources increase by three over the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to FY 2023 and FY 2024 planned salary adjustments, funding for seven new Property Standards Inspectors positions, and shift differential pay for agency staff responding to after-hour nuisance complaints. Additionally, four positions are transferred to other divisions within the agency to improve operational efficiency. The transferred positions are one Administrative Aide; one General Clerk; and two Property Standards Inspectors.
- An increase in fringe benefits due to compensation adjustments in this division.
- A decrease in operating expenses due to decreases in training costs and supplies in this division.

Trend and Analysis

Since its inception nine years ago, DPIE has undertaken numerous initiatives to automate many of its functions through online systems for permit and license application and issuance, plan review, and inspection. DPIE's new permitting and licensing system, the enhanced ePlan system, and other system enhancements are providing online remote access to process permit/license applications, review plans, and issue permits/licenses. These automation initiatives enabled the Department to maintain much of its functionality and productivity despite the closure of the DPIE offices starting in mid-March 2020 due to COVID-19 related precautions. With the rebounding of the nation's economy since the beginning of FY 2022 and the partial reopening the DPIE offices, DPIE's permitting and plan review functions are both returning to pre-COVID-19 productivity levels. Both measures of activity are expected to show continued increases during the next several years due to the various automation capabilities associated with new systems.

Trend and Analysis

The Inspections Division combines the resources of the Building and Site/Road Inspection sections. The scheduling of inspections is done remotely through online or telephone-based systems. The use of virtual inspections permits DPIE inspectors to perform inspections of interior building features without direct interaction between DPIE inspectors and persons at construction sites. Inspections Division staff who are County residents have reduced their exposure and time to perform their inspection duties by taking their County vehicles home after work. Non-resident inspectors can park their County vehicles overnight in approved County-owned parking facilities near their assignment areas instead of having to travel to and from the DPIE Inspections Annex in Largo each day. These changes have improved inspection staff safety and productivity and enhanced the Division's ability to schedule and perform requested inspections within two days of receiving a request. Additionally, it addresses unscheduled inspections relating to damaged structures despite the restrictions on direct contact between DPIE building and site/road inspectors and construction site personnel.

Trend and Analysis

The Enforcement Division staff inspect both residential and commercial properties to ensure compliance with applicable property standards, codes, and zoning ordinances. The interiors of single-family and multi-family rental units are inspected by code enforcement inspectors with continued emphasis on senior living facilities.

Some property standards enforcement functions were curtailed during the initial years of the COVID-19 pandemic as both Enforcement Division inspectors and property owners and occupants were more reluctant to engage in on-site visits throughout the County out of an abundance of caution to avoid exposure to the COVID-19 virus. Resumption of property standards enforcement began in FY 2023 as the COVID-19 pandemic subsided.

Trend and Analysis

The Licensing Section integrates the licensing process with the new e-permitting system for license processing. The new system tracks and processes credit card payments, various teleconferencing applications and promptly issues identification cards. These various platforms facilitate online access and have been instrumental in enabling Licensing Division staff to efficiently process license/permit applications and issue licenses and permits. Many of these processes are being integrated and automated with the deployment of the new system.

The impact from the COVID-19 pandemic (FY 2020 and FY 2021) resulted in reduced applications for both business and health licenses. With the rebounding of the region's economy since the beginning of FY 2022, both measures of activity have shown signs of increases during the next several years.

Department of Housing and Community Development

MISSION AND SERVICES

The Department of Housing and Community Development (DHCD) provides rental assistance, homeownership assistance and community development services in order to improve the quality of life for low and moderate income County residents.

CORE SERVICES

- Construction and rehabilitation of affordable housing
- Homeownership assistance
- Preservation of naturally occurring affordable housing
- Community development
- Emergency rental assistance

FY 2023 KEY ACCOMPLISHMENTS

- Provided emergency rental assistance (ERAP) to over 11,000 households that applied through the ERAP program.
- Provided services in the areas of affordable housing, public services, public facilities/public infrastructure improvements and employment opportunities for County residents while stabilizing and preserving County neighborhoods utilizing federal entitlement funding through the CDBG program.
- Met the HUD CFY 2023 (FY 2022) CDBG Timeliness Test on May 2, 2023, while also meeting the CDBG Coronavirus spending deadlines.
- Enhanced the Right of First Refusal (ROFR) program outcomes by preserving over 1,200 naturally occurring affordable housing (NOAH) units to date. Strengthened the program’s impact and effectiveness through the launch of the ROFR preservation fund.
- Launched the Prince George’s County Homeownership Preservation Program (PG HOPP), in partnership with Habitat for Humanity, and supported over 39 projects.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The agency’s top priorities in FY 2024 are:

- Support the County’s affordable housing production goals by supporting new affordable multi-family rental projects through the issuance of a notice of funding assistance (NOFA) for the HOME Program, HOME American Rescue Plan program, Housing Investment Trust Fund (HITF) and Payment in Lieu of Taxes (PILOT).
- Preserve naturally occurring affordable housing through covenants by expanding the implementation of the ROFR program, through the new ROFR Preservation Fund and through an expanded ROFR developer roster.
- Strengthen support of and enhance affordable homeownership through the down payment closing cost assistance and rehabilitation programs.
- Strengthen the impact of the CDBG program and advance the implementation of the U.S. Department Housing and Urban Development (HUD) Section 108 loan program to pursue physical and economic revitalization projects.

In FY 2024, compensation expenditures increase 10.8% over the FY 2023 budget due to mandated salary requirements as well as a new Community Services Manager position transferred from grants. Compensation costs include funding for 29 full time positions. Fringe benefit expenditures increase 11.2% over the FY 2023 budget due to a change in the fringe benefits rate from 33.7% to 33.8% to align with projected healthcare and pension costs.

Operating expenditures increase 11.0% over the FY 2023 budget primarily due to the technology allocation charge and an increase in costs for consulting contracts. Contract changes from FY 2023 include the removal of the HUD compliance monitor and asset management consulting contracts, the reduction of the Housing Fair as well as the Comprehensive Housing Strategy contracts. Operating additions include a consulting contract for the Prince George's County Consolidated Plan CFY 2026-2030 (FFY 2025-2029) for HUD programs and an increase in costs for the Affordable Housing Public Awareness Campaign and Monitoring Dashboard.

DIVISION OVERVIEW

Administration

The Administration Division provides leadership and policy guidance in managing and guiding the achievement of the agency’s goals and objectives. This division performs all personnel and public information functions. The division also reviews local, State and federal housing and community development legislation to identify potential impacts on agency programs and services.

Fiscal Summary

In FY 2024, the division expenditures increase \$361,200 or 28.7% over the FY 2023 budget. Staffing resources increase by one from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs due to the transfer of an Administrative Specialist position from the

Community Planning & Development Division and mandated salary adjustments.

- Operating increases are largely driven by the technology cost allocation charge and changes in funding for membership fees, advertising and training costs.

Housing and Community Development

The Housing and Community Development Division (HCD) is comprised of three divisions within the agency: the Community Planning and Development Division (CPD), Housing Development Division (HDD) and the Accounting, Budget, Administration and Loan Servicing Unit.

HCD is responsible for the direction, planning, implementation and administration of programs under the federal entitlement programs, namely the Community Development Block Grant (CDBG), Home Investment Partnership (HOME) and HEARTH Emergency Solutions Grant (HESG) Programs. Additionally, the HCD Division coordinates with the Redevelopment Authority on programmatic, administrative and financial matters.

The CPD is responsible for administering the CDBG sub-recipient program and developing the Annual Action Plan and Five Year Consolidated Plan.

The Housing Development Division (HDD) is responsible for administering the CDBG Single Family Rehabilitation Program, the Home Investment Partnership (HOME) program and the Housing Investment Trust Fund.

The Accounting, Budget, Administration and Loan Servicing Unit provides support services for all real estate transactions executed under the development programs administered by the CPD and HDD divisions. The unit is also responsible for the formulation of the budget, tracking, monitoring, reporting of entitlement funds and servicing of County-distributed down payment, closing costs and rehabilitation loans.

Fiscal Summary

In FY 2024, division expenditures increase \$82,000 or 3.5% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- An increase in personnel costs primarily due to mandated salary adjustments. An Administrative Specialist position is transferred to the Administration Division and a Community Services Manager position is transferred from grants to this division.
- Operating expenditures see an increase because of the reduction and/or removal of the HUD compliance monitor, Housing Fair, asset management consulting and Comprehensive Housing Strategy contracts. In FY 2024, funding supports a consulting contract for the Prince George’s County Consolidated Plan CFY 2026-2030 (FFY 2025-2029) for HUD grant programs.

Redevelopment

The Redevelopment Division serves as the administrative support for the Redevelopment Authority. This division performs the daily duties and activities of the Redevelopment Authority as well as facilitates private sector development to help revitalize distressed communities.

- An increase in operating expenses due to additional funding from the County’s contribution to the Redevelopment Authority.

Fiscal Summary

In FY 2024, division expenditures increase by \$134,000 or 8.2% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

OTHER FUNDS

Housing Investment Trust Fund (HITF)

The Housing Investment Trust Fund supports the Workforce Housing Gap Financing Program and the Down Payment and Closing Cost Assistance Program. The Workforce Housing Gap Financing Program enables the County to develop viable, mixed income communities of choice by providing gap financing for the development of decent and quality workforce housing for income eligible households. Additionally, the Down Payment and Closing Cost Assistance Program provides assistance to eligible first time homebuyers to purchase owner-occupied or vacant residential properties anywhere in Prince George's County.

In FY 2024, the HITF will provide funding for two full time and one limited term grant funded position totaling \$278,000 and operating expenses totaling \$101,000 to support the Workforce Housing Gap Financing Program. Programmatic operating expenses in FY 2024 consist of \$15,200,000 for the Workforce Housing Gap Financing Program.

Fiscal Summary

In FY 2024, compensation increases 22.7% over the FY 2023 budget due to mandated salary adjustments. Fringe benefit expenditures increase 53.5% over the FY 2023 budget due to anticipated costs. Operating expenses decrease -29.7% due to the reduction of the one-time State grant and program income which support the Workforce Housing Gap Financing program.

In FY 2024, funding is provided for 10 full time and 3 limited term grant funded (LTGF) positions. Decreases in positions are due to the following: one full time position from the Community Planning division that was reallocated to the General Fund; three LTGF positions from the Community Planning division were removed because they are no longer needed; and two LTGFs from the Redevelopment division were removed because of a shift in priority away from down payment assistance to Workforce Housing GAP financing. Five LTGF positions in the CDBG program were incorrectly displayed in the FY 2023 approved budget, the correct FY 2023 LTGF total for the CDBG program is two.

Grant Descriptions

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) -- \$5,077,400

The U.S. Department of Housing and Urban Development provides funding to support a broad range of physical improvements for those areas of the County designated for redevelopment and revitalization. Major programs support infrastructure improvements, public housing renovations and modernization, handicapped accessibility improvements, employment and educational training, job creation and retention for low and moderate income people and businesses, health care, general assistance to immigrants, the elderly and homeless. This total includes the CDBG program under the Housing and Community Development division and the Pathway to Purchase program under the Redevelopment division.

COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM INCOME -- \$470,000

The CDBG program income portion is revenue received from prior years from the use of CDBG entitlement funds. This revenue supports eligible activities defined by the U.S. Department of Housing and Urban Development in areas of affordable housing, public services, public facilities/public infrastructure improvements, and employment opportunities for County residents while stabilizing and preserving County neighborhoods. The CDBG grant portion allocates program income to support the County's housing rehabilitation loan assistance program. Loans are awarded for the purpose of upgrading the quality of deteriorated dwellings to contemporary minimum property standards including the elimination of all housing code violations and the removal of architectural barriers. This grant is allocated from the total CDBG grant.

HEARTH EMERGENCY SOLUTIONS GRANT (HESG) -- \$437,700

The U.S. Department of Housing and Urban Development provides funding via DHCD to the Prince George's County Department of Social Services to support the provision of emergency, transitional and supportive shelter

assistance to the homeless and other temporarily displaced county residents.

MARYLAND NATIONAL MORTGAGE SETTLEMENT (MDNMS): PROGRAM INCOME -- \$242,400

The State of Maryland Office of the Attorney General provides the funding in response to a nationwide epidemic of foreclosure abuses and unacceptable mortgage servicing practices. Funding will be used for individual payments to borrowers who are the victims of unfair bank practices and were foreclosed upon between January 1, 2008 and December 31, 2011. Additional services include loss mitigation programs, forbearance plans and short sales, refinancing for homeowners current in their payments with negative equity and housing counseling.

NEIGHBORHOOD CONSERVATION INITIATIVE (NCI): PROGRAM INCOME -- \$25,600

The State of Maryland Office of the Attorney General provides funding used to assist communities in addressing abandoned and foreclosed homes in the neighborhoods that have been impacted by foreclosure sub-prime lending. Grant funds will also support comprehensive approaches to neighborhood revitalization, assisting targeted neighborhoods to become more stable, competitive and better integrated into overall community fabric, including access to transit, affordable housing, employers and service.

NEIGHBORHOOD STABILIZATION PROGRAM (NSP): PROGRAM INCOME -- \$64,600

The Neighborhood Stabilization Program (NSP) is a grant program under the Title III of Division B of the Housing and Economic Recovery Act (HERA), 2008. Title III of HERA appropriates funding for emergency assistance for the redevelopment of abandoned and foreclosed homes and residential properties. Title III of HERA provides that, with certain exceptions, the amounts appropriated are to be considered CDBG funds. The County received NSP funds in the amount of \$10,883,234. DHCD used the funds for eligible costs associated with down payment and closing cost assistance, acquisition, rehabilitation, housing counseling and planning and administration.

HOME INVESTMENT PARTNERSHIP (HOME) -- \$2,348,600

The U.S. Department of Housing and Urban Development provides funding for the construction and/or rehabilitation of affordable housing units for low and moderate income persons. HOME funds assist first-time homebuyers in purchasing homes and aids non-profit organizations in their efforts to acquire and improve group homes for special populations. HOME funds also support community housing development organizations (CHDOs) to create and support housing opportunities for households of limited income. Pathways to Purchase homebuyer activities provide funding to support down payment and closing cost assistance to eligible homebuyers to purchase for sale, foreclosed or owner-occupied short-sale residential properties in Prince George's County.

HOME LOAN: PROGRAM INCOME -- \$1,408,400

The HOME Program provides funding to support down payment and closing cost assistance to eligible homebuyers to purchase for sale, foreclosed or owner-occupied short sale residential properties in Prince George's County.

HOUSING AUTHORITY

The Housing Authority of Prince George's County (HAPGC) is a semi-autonomous governmental agency charged with the provision of housing assistance services via the Section 8 Housing Choice Voucher Program, Section 8 Moderate Rehabilitation Program, Rental Assistance Program and Housing Authority-owned public housing. The HAPGC has the capacity to issue bonds to support the construction and rehabilitation of housing for low and moderate income individuals. The Authority is comprised of two support unit divisions: the Housing Authority Administration and the Financial and Administrative Services Division; and two program divisions: the Rental Assistance Division (RAD) and the Housing Assistance Division (HAD).

- The Housing Authority Administration division provides overall leadership and policy guidance to all HAPGC divisions.
- The Financial and Administrative Services division is responsible for maintaining the financial books, records and payments to landlords, vendors and tenants for the HAPGC. The division is also responsible for billing, collection and accounting for the rents of tenants who reside in the housing units owned and operated by the HAPGC.
- A component of the Housing Assistance and Rental Assistance Divisions manage the intake process and waiting list for the Housing Authority's programs. The Housing Assistance Division oversees all properties owned by the Housing Authority in Prince George's County. These properties include: Kimberly Gardens in Laurel; Owens Road in Oxon Hill; Marlborough Towne in District Heights; Rollingcrest Village in Hyattsville; Cottage City Towers in Cottage City and Coral Gardens in Capitol Heights.
- The Rental Assistance Division manages several rental assistance programs, including the Section Eight Housing Choice Voucher and Homeownership programs.

Grant Descriptions

CONVENTIONAL PUBLIC HOUSING -- \$2,401,300

The U.S. Department of Housing and Urban Development provides funding to support management of the County's public housing sites: Owens Road (123 units), Marlborough Towne (63 units), Kimberly Gardens (50 units) and Cottage City (100 units). Project managers are assigned to each housing site for senior citizens to assist residents and ensure that the building is properly maintained.

CORAL GARDENS -- \$129,400

The U.S. Department of Housing and Urban Development provides funding for rent to support the maintenance and management of 16 Housing Authority townhouse units located in Capitol Heights.

HOMEOWNERSHIP - MARCY AVENUE -- \$13,300

The U.S. Department of Housing and Urban Development provides funding to support rental income generated from one unsold unit remaining from the Turn Key III Program. There were originally 50 units in the Program.

PUBLIC HOUSING MODERNIZATION/CAPITAL FUND -- \$158,400

The U.S. Department of Housing and Urban Development provides funding to support physical improvements and upgrades at public housing sites. These expenditures are non-routine and include costs such as modernizing heating and cooling equipment and/or improving parking lots at public housing facilities. This program was formerly called the Modernization Program.

BOND PROGRAM -- \$775,000

The Bond Program receives revenue from the interest earned from the sale of bonds sold by the Housing Authority of Prince George's County. This revenue will support various rehabilitation and revitalization activities associated with single and multi-family housing units.

FAMILY SELF-SUFFICIENCY PROGRAM (FSS) -- \$197,700

The U.S. Department of Housing and Urban Development provides funding for program coordinators to support management of the FSS program. The FSS Program is designed to assist public housing participants in achieving economic independence.

RESIDENT OPPORTUNITIES SELF-SUFFICIENCY PROGRAM (ROSS) -- \$81,900

The U.S. Department of Housing and Urban Development provides funding for program coordinators to support management of the ROSS program. The ROSS program is designed to assist public housing participants in achieving economic independence.

SECTION EIGHT HOUSING CHOICE VOUCHER -- \$94,659,800

The U.S. Department of Housing and Urban Development provides funding to support voucher programs where the participants pay a minimum of their adjusted gross income for rent, and the Federal government, through the use of a voucher, pays the remainder. Participating families are able to select the housing of their choice, provided the rent is reasonable and falls within the program's guidelines.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To assist low and moderate income senior citizens, individuals and families in the County in obtaining rental housing.

Objective 1.1 — Increase the number of placements of senior citizens, families and individuals with low to moderate income in rental housing within the County.

13,584	7,885	7,460	8,418	11,498	↔

Trend and Analysis

This objective captures housing development projects underwritten and approved by DHCD, the Office of the County Executive, the County Council and projections for new developments. The projects are supported by the HOME Investment Partnership Program (HOME) and the County's Housing Investment Trust Fund (HITF), wherein DHCD provides "gap financing" to support affordable and workforce rental housing developments. DHCD anticipates the completion of four pipeline projects by FY 2023, including the Gateway at Peerless, 62 family units located in Upper Marlboro, Woodyard Station Family Apartments, 46 family units located in Clinton, Woodyard Station Elderly Apartments, 112 senior units located in Clinton and Homes at Oxon Hill, 163 senior units located in Oxon Hill.

In addition, this includes FY 2024 projects estimating the completion of eight additional projects which include the Residences at Springbrook, 90 senior units located in Clinton; Glenarden 3 nine percent, 114 family units located in Glenarden; Glenarden 3 nine percent, 44 family units located in Glenarden; Hillhouse at Beechfield, 150 senior units located in Bowie; Willows at Upper Marlboro, 60 family units located in Upper Marlboro, Birchwood at Upper Marlboro, 90 family units located in Upper Marlboro, Atworth College Park Metro; 451 family units located in College Park; and Sovren West Hyattsville Metro, 293 family units located in Hyattsville. Beginning with FY 2025, 2,958 units will need to be created in order to meet the County Executive's goal of creating 19,500 new committed affordable rental units by FY 2030.

Trend and Analysis

This objective captures the number of families removed from the Housing Authority's (HAPGC) Housing Choice Voucher Program (HCV) waiting list. The HCV Program provides rental assistance to eligible low-income families, the elderly and disabled in obtaining affordable, decent, and safe and sanitary rental housing in the private rental housing market. Through the use of vouchers, program participants pay 30% of their adjusted gross income for rent and utilities and the federal government pays the remainder. In FY 2023, the HAPGC estimated authorized voucher units totaled 6,046. The Housing Authority's projected number of authorized voucher units for FY 2024 will increase to 6,146. The target is to remove 300 families from the waiting list, but has fallen short in meeting the target as a result COVID-19.

0	2,818	5,474	11,173	0	↑

Trend and Analysis

This objective captures emergency rental assistance for County residents to assist with rent and/or utility payments for tenants whose income has been negatively impacted due to unforeseen COVID-19 triggered circumstances. Assistance is provided to help prevent outstanding arrears and late fees, most importantly to prevent evictions. Funds are targeted for eligible households, with household incomes at or below 80% of the area median income (AMI), as published by HUD and adjusted for household size. Applicants are required to provide supporting documentation, including proof of their financial hardship. The Emergency Rental Assistance program was established in FY 2020 due to the COVID-19 pandemic. DHCD will assist approximately 11,173 residents by June 30, 2023, inclusive of those households assisted in the prior fiscal year. DHCD anticipates expending all funding for the Emergency Rental Assistance Program by the end of the fiscal year, hence why the target and FY 2024 projections are listed as "0."

Trend and Analysis

This objective captures the County's opportunity to preserve and maintain existing committed and naturally occurring affordable housing opportunities for County residents at risk of being displaced. Historical data from 2021 to present supports a projection of approximately 960 rental units per calendar year, beginning with FY 2024, in which the County will have the opportunity to exercise its Right of First Refusal (ROFR) and use funding to PILOT tools.

Trend and Analysis

This objective captures program activity for the County Homebuyer's Assistance Program funded under the HOME Investment Partnership Program (HOME). The Pathway to Purchase (P2P) Program provides down payment and closing cost assistance to County residents (maximum loan of \$10,000). The long-term projections account for the future commitment of existing resources as well as the identification of additional resources to support this objective.

Trend and Analysis

Rehabilitation activities include but are not limited to the installation of energy efficiency measures, accessibility installations, repair/replacement of HVAC, electrical and plumbing systems as well as repair/replacement of items such as roofs and windows. DHCD will continue to administer the HRAP, using CDBG Funds through a partnership with the Housing Initiative Partnership (HIP) and the Prince George's County Redevelopment Authority as well as the HOPP Program through a partnership with Habitat for Humanity Metro Maryland utilizing County ARP funds as well as Housing Investment Trust Fund. In FY 2021, DHCD received a grant from MD DHCD in the amount of \$750,000 to expand homeowner occupied rehabilitation activities along the Blue Line Corridor under the National Capital Strategic Economic Development (NED) Program. The NED funds were applied to enhance the Housing Rehabilitation Assistance Program. It is anticipated that these NED funds will be exhausted by June 30, 2023. The agency will continue to commit and leverage existing resources to provide future funding for activities to support this objective.

Goal 3 — To provide foreclosure prevention services to County residents to reduce the occurrence and lessen the consequences of foreclosures in the County.

Objective 3.1 — Increase the percentage of positive housing market outcomes that result from attendance of foreclosure counseling provided by the agency.

50%	21%	71%	70%	70%	↔

Trend and Analysis

This objective captures the percentage of positive housing market outcomes resulting from housing counseling program activities funded by CDBG entitlement funds. The positive market outcomes are defined as: (1) owner buys current mortgage; (2) the mortgage is refinanced at a lower interest rate; (3) the mortgage is modified and (4) the owner receives a second mortgage and the owner enters a forbearance or repayment plan. The number of positive outcomes for FY 2020 was 26, with a decrease in FY 2021 with only 19 owners receiving a positive outcome. Housing counseling agencies are normally awarded CDBG entitlement funds, however due to the COVID-19 pandemic and the Governor's State of Emergency, these same agencies received additional funding through CDBG CV federal funds. For FY 2022, due to the increase in funding, they were able to reach 585 homeowners and assist with their needs, whether it was refinancing, taking out a second loan, receiving access to the federal programs for those affected by COVID-19 and unable to pay their mortgage, or taking advantage of the record low interest rates to purchase a home.

DHCD anticipates funds for the CDBG housing counseling program activities will be available in future years; however, funding trends have been adjusted based on needs of homeowners. The DHCD anticipates that federal, state agencies, and private entities will continue to convene foreclosure prevention seminars and financial literacy workshops. The targets assume funds will be available and therefore program services will continue through FY 2024.

Goal 4 — To assist in affordable housing, public services, public facilities/public infrastructure improvements and employment opportunities for County residents while stabilizing and preserving County neighborhoods utilizing federal entitlement funding through the CDBG program.

Objective 4.1 — Increase the percentage of CDBG projects completed within 12 months.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
60%	0%	1%	2%	2%	↓

Trend and Analysis

This objective captures the percentage of positive outcomes resulting from stabilizing communities, supporting the acquisition and preservation of affordable housing, improving public facilities and infrastructure, and increasing the quality of life through public service projects. Prior to the COVID-19 pandemic, in FY 2019, 22% percent of projects were completed within twelve months, followed by 25% of projects completed in FY 2020. For FY 2021, the County, local government and non-profits continued to endure the adverse effects of COVID-19, however no projects were completed due to interruptions in staffing and business operations.

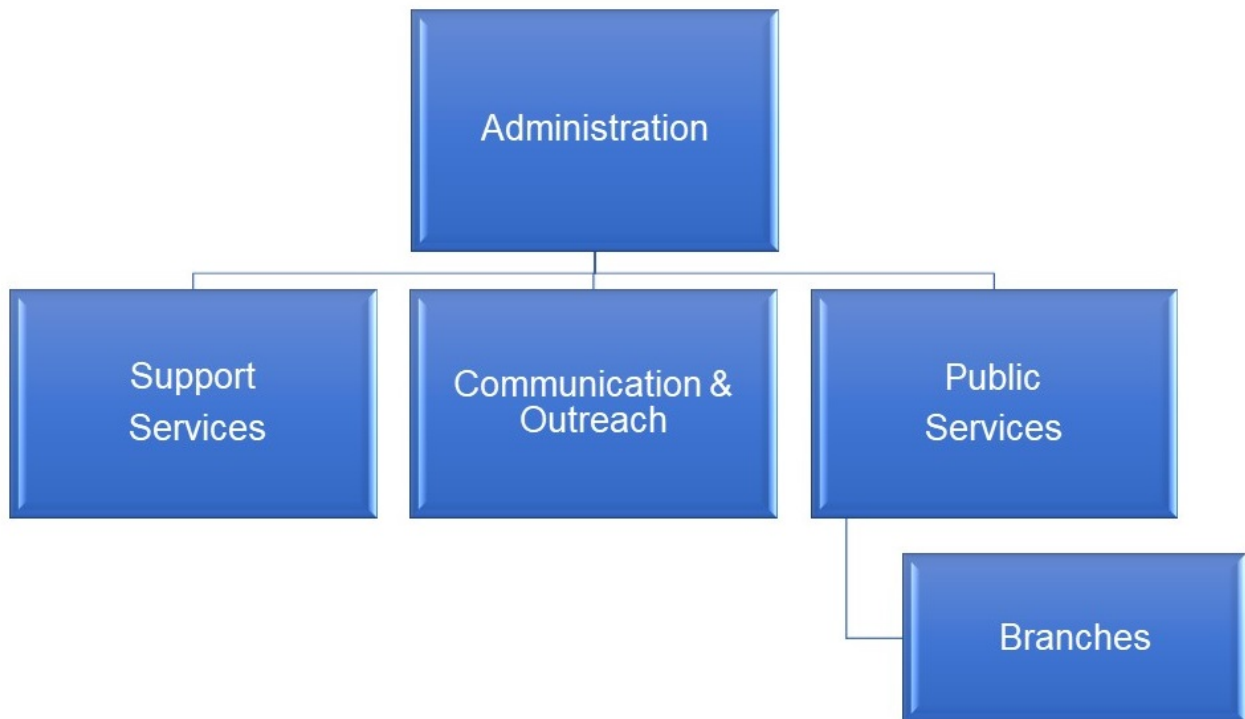

With all of the additional resources awarded (CDBG CV-1, CDBG CV-3 and ERAP) to the County to address a variety of needs, including providing shelter for homeless individuals, increasing affordable housing options and maintaining crucial public services through the pandemic, organizations were still unable to complete projects within twelve months due to the increase in material costs and limited availability during FY 2022.

There are several projects underway that will account for FY 2023 actual projects completed within twelve months. DHCD will also continue to support the Emergency Rental Assistance Program (ERAP), food pantry services, foreclosure prevention, housing counseling and family and health services.

In FY 2024, compensation expenditures increase 6.3% from the FY 2023 budget due to the annualization of FY 2023 and planned FY 2024 salary adjustments. Compensation costs include funding for 311 out of 312 full time and 29 part time positions. Fringe benefit expenditures increase 6.3% over the FY 2023 budget due to rising insurance premiums and compensation requirements.

Operating expenditures increase by 10.4% from the FY 2023 budget primarily due to additional video lottery terminal (VLT) revenues to support after-school programming, Books from Birth programming, risk management requirements and related insurance premiums, and increased costs for telephone, utility costs, printing, membership fees, and mileage reimbursement.

Capital outlay expenditures remain at the FY 2023 budget of \$100,000 for the replacement of two delivery vehicles and one maintenance truck.

DIVISION OVERVIEW

Public Services

The Public Services Division plays an integral role in the overall operations of the Prince George’s County Memorial Library System. It is the primary facilitator of information access. The primary focus is delivering services in nineteen branches, three of which have a specialized research collection, and another has a state-of-the-art media lab. In addition to the branches, Public Services broadens the mission of the County Corrections Center by delivering relevant research and resources in a safe, secure and humane environment for pre-trial and sentenced offenders.

Fiscal Summary

In FY 2024, the division expenditures increase \$836,500 or 3.2% over the FY 2023 budget. Staffing resources remain unchanged from the FY 2023 budget. The primary budget changes include:

- Compensation costs increase due to annualization of FY 2023 and planned FY 2024 salary enhancements for eligible staff.
- Fringe benefit costs increase due to the compensation adjustments.
- A decrease in operating expenses for periodicals, office automation, training, contracts, supplies and equipment and lease costs.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide information resource services to the County's citizens, residents and visitors in order to effectively meet their educational, cultural and recreational needs.

Objective 1.1 — Increase the percentage of County residents that are registered cardholders.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
70%	65%	59%	62%	65%	↔

Trend and Analysis

Current trends indicate a slow but steady return to previous levels of monthly new card registrations, making this percentage appear to be increasing back to pre-COVID-19 numbers. Factors such as automatic registration of PGCPs students, increasing County population, shifting needs of service and expiration of inactive cards strongly impact this objective. Many customers have moved to online usage of the Library in this period as well and have helped increase the percentage.

200,000	267,454	55,732	71,000	76,000	↓

Trend and Analysis

This objective was heavily affected by COVID-19 with in-person programming only returning in the middle of FY 2022. The Library is rapidly returning to its previous number of programs with subsequent increases to attendance. Staffing levels and training are the most critical factor for this objective's outcomes.

Goal 2 — To increase early childhood (birth to age five) literacy participation.

Objective 2.1 — Increase the participation at programs offered for children.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
50,000	12,176	25,158	40,000	43,000	↔

Trend and Analysis

Birth to five programming was the most impacted Library service during COVID-19 due to limited alternatives to in-person programs that affect outcomes for this age group. As with Objective 1.2, the Library is returning to previous levels of programming for birth to five but these program types in particular are very contingent on well-trained staff. Actuals for the measure, "County population (estimate)," under fiscal year 2021 have been restated for accuracy.

Goal 3 — To provide public access to the Internet.

Objective 3.1 — Increase the total number of Internet sessions by Library customers including both public computer and wireless sessions.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
2,100,000	182,369	606,997	700,000	1,000,000	↔

Trend and Analysis

Previous year data for this objective had indicated this service being the least affected by COVID-19 during and after building closures due to a number of resources still being available to customers, including Drive-Up/Expansion of Wi-Fi and Chromebook checkouts. The need for computers and internet in the community continued and was exacerbated during COVID-19. Having the Library as a free resource was critical to this objective's trend returning quickly and in the case of Wi-Fi use, even surpassing pre-pandemic closure levels.

Prince George's Community College

MISSION AND SERVICES

Prince George’s Community College (PGCC) transforms students’ lives. The College exists to educate, train and serve diverse populations through accessible, affordable and rigorous learning experiences.

CORE SERVICES

- Over 200 programs of study including associates degrees, certificates, letters of recognition and workforce development and continuing education programs
- Customized workforce training programs to meet the needs of County businesses and agencies
- A well-developed continuing education program to bring enrichment to County residents
- Educational partnerships with community agencies, businesses, industries and organizations
- Educational opportunities for a growing population of immigrant and international students

FY 2023 KEY ACCOMPLISHMENTS

- Expanded the Prince George’s Promise Scholars program in alignment with the College’s FY 2022-2025 Strategic Plan to enable more students to earn degrees, certificates and/or credentials in a timely manner.
- Executed a website evaluation and development project to improve functionality for students, faculty, employees and the public.
- Developed and began implementation of a new student onboarding pipeline to reduce engagement gaps identified in past years during a formal review of the process.
- Made major curricula revisions to facilitate easier transfer to four-year degree programs; created degrees for skilled trades programming that allow students to use financial aid to earn credentials that used to be exempt from financial aid usage; identified programs that can be taken entirely online and embedded certificates into workforce degree programs.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The agency’s top priorities in FY 2024 are:

- Enhance equitable access and upward mobility for enrolling and completing at PGCC.
- Optimize pathways for students’ progression to graduation and transfer or career.
- Ensure learning and achievement through high impact practices.
- Reimagine workforce innovation and strategic partnerships.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Prince George’s Community College is \$131,564,500, an increase of \$4,750,800 or 3.7% over the FY 2023 approved budget.

In FY 2024, compensation expenditures increase by 2.2% from the FY 2023 budget which reflects the annualization of FY 2023 and planned FY 2024 salary enhancements for eligible staff and staffing complement adjustments to align with instructional needs. Compensation costs include funding for 1,907 full time/part time employees. Fringe benefit expenditures decrease by -0.6% under the FY 2023 budget due to the staffing complement changes and associated benefits provided.

Operating expenditures increase by 10.1% from the FY 2023 budget primarily due to funding provided for additional tuition assistance and support to the PGCC Financial Literacy Center. The remaining increase is attributable to cost increases for telephones, utilities, printing, training, travel non-training, membership fees, contracts, office supplies, office equipment non-capital, office and building repair.

Capital outlay expenditures increase by 16.3% from the FY 2023 budget for the purchase of small office equipment and office furniture.

DIVISION OVERVIEW

Instruction

The Instruction program is composed of six academic divisions: Behavior, Social and Business Studies; Educational Development; Health Sciences; Learning Resources; Liberal Arts; and Sciences, Technology, Engineering and Mathematics. There are over 200 programs of study including associate degrees, certificates and letters of recognition in more than 20 discipline areas. Curricula provide opportunities for transfer to a four year institution, immediate employment or skill upgrades. The Workforce Development and Continuing Education area provides non-credit instructional programs and programs for special populations.

Fiscal Summary

In FY 2024, the division expenditures decrease -\$2,424,500 or -5.7% under the FY 2023 budget. Staffing resources increase by one full time and 228 part time positions from the FY 2023 budget. The primary budget changes include:

- An increase in compensation due to funding for salary adjustments and part time compensation.

- Fringe benefits costs decrease due to align with full and part time compensation requirements of staff within the division.
- Operating costs decrease overall due to increases for memberships, operating contracts and equipment offset by reductions in printing, postage, and office supplies.
- Capital outlay costs decrease to align with projected needs within the division.

SERVICE DELIVERY PLAN AND PERFORMANCE

2022 Maryland State Plan for Higher Education: GOAL 1 Access: *Ensure equitable access to affordable and high-quality postsecondary education for all Maryland residents.*

Trend and Analysis

The College's emphasis on increased access is reflected in its investments to expand learning modalities for all courses, as well as adapt the face-to-face environment to respond to the ongoing COVID-19 pandemic. In FY 2021 there was an annual enrollment of 72,360 in online credit bearing courses. These enrollments were split between two distinct virtual modalities, online which is the traditional asynchronous classroom, and the newly developed remote learning, which offers students the chance to interact with instructors and peers in a real time virtual format. Online enrollments are down in FY 2022, though this is attributed to the easing of the COVID-19 pandemic and the shift back to traditional face-to-face learning, in which we have seen robust gains in FY 2023.

The percent of all students and College-ready students who graduated or transferred after four years has steadily increased over the last three years. FY 2023 numbers are preliminary and do not account for the most recent cohort transfer rates which is not available until the second quarter of 2023. This rate for developmental completers is relatively steady but projected to increase slightly in the coming years. In addition to refining the curriculum and the pedagogy in the Developmental courses, the College has also begun embedding tutors within these classes. These sets of reforms have had a positive impact on student progression as shown by the movement in early momentum indicators of student success, including credit accumulation and completion of the first college-level English and Math courses.

Trend and Analysis

PGCC remains committed to its partnership with Prince George’s County Public Schools (PGCPS). Recruitment and admissions specialists have served as direct point of contacts/designees for select high schools in the community. Creating Opportunities for Academic Success and Transfer (COAST) services 16 Prince George’s County high schools providing dual enrollment recruitment activities, grade-level assemblies, parent meetings and individual meetings with students to share the benefits of participation and to mitigate any misinformation about qualifications, costs and course selection. The results from this work are clearly seen in the increase in market share of recent, college-bound high school graduates which jumped almost eight percentage points, from 26.8% in Fall 2019 to 34.6% in Fall 2020.

Data from the Maryland Longitudinal Data System (MLDS) shows significant income growth for PGCC graduates who lived in Maryland and obtained a career-focused associate degree or certificate. For those who graduated in FY 2018 and worked for Maryland-based employers, the annualized income more than doubled when comparing their wages one year before graduation to what they earned after three years.

Trend and Analysis

The College has taken significant strides to advance current operating systems that systemically impact student access and enrollment features. To date, the areas of Recruitment and Admissions, Records and Registration and Student Academic Planning and Career Readiness (SAPRA) have devised strategic enrollment projects to address various barriers to student enrollment and engagement-related services. Priorities identified by the aforementioned areas were birthed out of survey instruments and focus group themes collected by the College over an extended period prior to the launch of the FY 2022+ Strategic Plan.

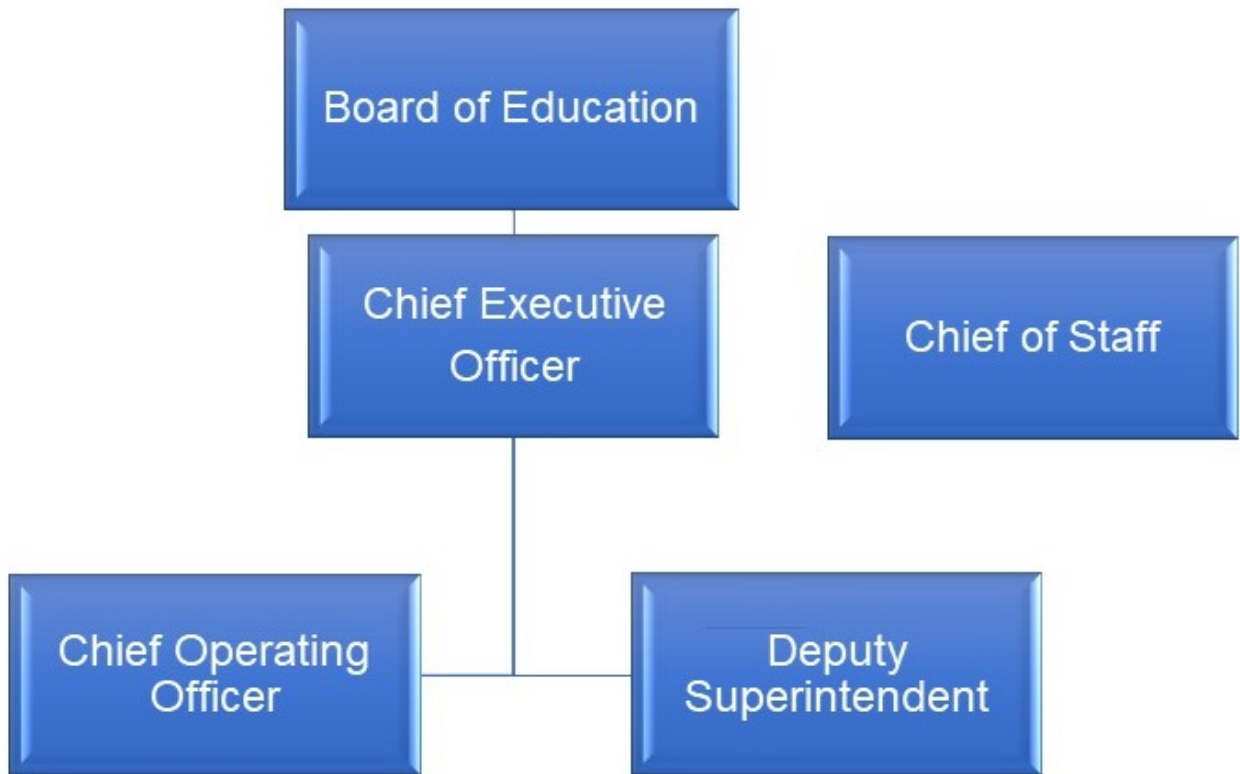

PGCC has received HEERF I/II/III grant funding totaling \$48,430,094 (Institutional Portion \$28,938,865 and Student Portion \$19,491,229). A portion of this funding went to adjust trainings, support and technologies for the increase in online learning. This latter piece includes a transition of 51 classrooms to HyFlex classrooms, setting up a cloud-based library system, the establishment of virtual reality labs, purchasing of computers and laptops for loaner distribution, purchasing equipment and software to enhance virtual instruction and the training of faculty, staff and the new equipment and software. These purchases not only allowed PGCC to adapt to the nearly fully virtual portion of the COVID-19 pandemic, but also positioned the College to return to in-person learning, and the mixed modalities that are now an expectation of students.

In FY 2024, compensation expenditures increase by 7.5% over the FY 2023 budget to primarily reflect the inclusion of negotiated and pending FY 2024 salary improvements for various collective bargaining units; staffing requirements tied to the student based budgeting requirements; program expansions including the Special Education Early Childhood Center and instructional technology school based support; and additional requirements for family paid leave. This is partially offset by the reduction of federal restricted grant resources and other system-wide savings initiatives. Compensation costs include funding for 20,857 full time employees. Fringe benefit expenditures increase by 13.5% over the FY 2023 budget reflecting the Board's anticipated post employment benefit, healthcare and life insurance costs.

Operating expenditures decrease by -5.4% under the FY 2023 budget to align to anticipated costs. This budget supports operational costs associated with supporting academic excellence, safe and supportive environments as well as family and community engagement. Funding is also provided for distributing additional student based budgeting resources to schools and supporting lease purchase payments for textbooks, vehicles and technology refresh as well as funding for charter schools. Operating expenditures are also driven by a net increase in State and County programming sources supporting various system activities and initiatives.

Capital outlay expenditures increase by 55.7% over the FY 2023 budget. Many of the costs are one-time expenditures and supports the purchase of new and replacement equipment.

DIVISION SUMMARY

ADMINISTRATION -- \$89,194,400

Administration manages the organizational elements that plan, direct, coordinate and evaluate the County's public school system. This component includes functions such as instructional planning, personnel selection and management, facilities management, financial management and public information. The objectives of Administration are to provide leadership and direction in all aspects of the County's public school system, interpret for the general public the philosophy and goals of the school system, provide well trained employees, cost effective management and various supporting services.

INSTRUCTIONAL SALARIES -- \$943,401,400

Instructional Salaries consist of compensation costs for staff that directly interact with students in delivering instructional programs and related services. Examples of employees funded under this heading include teachers, tutors, school psychologists, teacher and library aides and guidance counselors.

STUDENT PERSONNEL SERVICES -- \$63,912,200

Student Personnel Services assist school personnel in identifying and developing workable solutions for children who do not attend school regularly or who have trouble achieving or adjusting in the classroom. This category may include coordinating efforts between the school, home and the community to remedy the student's difficulties. It may also include implementing the Code of Student Conduct, including preliminary and final review and resolution of extended student suspensions. The services are designed to assist school personnel, students, parents and community members in identifying, preventing and remediating student adjustment problems which adversely impact educational success.

STUDENT TRANSPORTATION SERVICES -- \$141,755,700

Student Transportation Services directs and controls all school bus transportation operations. This category includes vehicle maintenance on a fleet of over 1,300 school buses, bus driver training and evaluation. Students entitled to public transportation include elementary school students living more than one and one half miles from their school, secondary students living more than two miles from school, special education

students, including students attending approved nonpublic schools and any student who may encounter unsafe walking conditions between home and school, regardless of the distance involved.

OPERATION OF PLANT -- \$157,568,900

Operation of Plant includes custodial and engineering services, refuse removal, security, warehouse and distribution services and safety training, which includes identifying and eliminating safety hazards and training personnel in accident prevention techniques. Utility costs are also budgeted in this area.

MAINTENANCE OF PLANT -- \$73,203,600

Maintenance of Plant includes funding for maintenance and repair, alterations, improvements and code corrections for all facilities of the school system. The following programs are budgeted in this area: Repair Maintenance; Scheduled Maintenance; Preventative Maintenance; Vandalism Repair; Minor Modernizations and Alterations; Code Corrections; and Administration of Facilities Maintenance.

COMMUNITY SERVICES -- \$6,014,100

Community Services reflects the expense to the Board of Education when a government agency or community organization uses buildings for purposes other than the regular educational programs of the school system. Most of this expense is for custodial and maintenance staff costs. School buildings are made available in the evenings and on weekends to various groups such as churches, colleges and the Maryland-National Capital Park and Planning Commission on a reimbursable basis. School buildings are also used on a non reimbursable basis, principally as polling places during elections.

FIXED CHARGES -- \$532,992,100

Fixed Charges relate to employee fringe benefits such as social security, retirement, health insurance, including prescription, optical and dental coverage, life insurance, workers' compensation, unemployment insurance, leave payouts and sick leave bank. The remaining funds are used to provide tuition assistance to employees and pay various insurance charges for protection of buildings and vehicles.

HEALTH SERVICES -- \$29,760,400

Health Services provides health appraisals and counseling, emergency care for injury or sudden illness, communicable disease prevention and control and drug and alcohol abuse programs. Other services such as vision/hearing screening, diabetes detection, tuberculin tests, physical examinations, required immunizations and the operation of school health rooms are provided.

SPECIAL EDUCATION -- \$354,703,000

Special Education provides educational services to disabled students. The function is divided into programs by level of service provided to students. Depending on the severity of the disabling condition, services may be provided to a student during a portion of the student's school day, with the student spending the rest of their day in a general educational classroom; in a special educational classroom within a general educational facility; in a special educational facility operated by the school system; or in a nonpublic special education facility outside Prince George's County Public Schools.

MID-LEVEL ADMINISTRATION -- \$168,551,700

Mid-Level Administration was created as a category by the State of Maryland to capture financial information concerning administration and supervision of district-wide and school-level instructional programs. School principals are funded in this category, as is staff assigned to plan, develop and evaluate career and technology programs, curriculum development, guidance and psychological services and school libraries.

TEXTBOOKS AND INSTRUCTIONAL MATERIALS -- \$42,483,100

Textbooks and Instructional Materials include costs for all supplies and materials used in support of district-wide and school-level instructional programs.

OTHER INSTRUCTIONAL COSTS -- \$160,680,900

Other Instructional Costs include contracted services such as legal fees or copier rentals, miscellaneous operating expenses such as insurance and mileage reimbursement, capital outlay for classroom furniture, office computers, athletic equipment and lease payments for textbooks and supplies.

FOOD SERVICES SUBSIDY -- \$8,644,900

Food Services serve to transfer funds from the General Fund to the Food and Nutrition Services Fund.

CAPITAL OUTLAY -- \$12,175,000

Capital Outlay pays for capital equipment and debt service on capital projects.

PUBLIC PRIVATE PARTNERSHIPS -- \$15,000,000

Public Private Partnerships is a new category created to capture payments that support Alternative Construction Financing (ACF) projects.

SERVICE DELIVERY PLAN AND PERFORMANCE

Trend and Analysis

Despite the County continuing to make some impressive gains, the global pandemic of 2020 continues to impact the field of education. The innovative strides in technology in the last two years have expanded opportunities to educate students through various modes and experiences. The multi-faceted learning opportunities have benefited some students; while others still struggle and require additional support. Early learners and ninth graders appear to have difficulties with a return to the traditional teaching environment as evidenced by their attendance trends. There is an emphasis on parental and school collaborative engagement to stress the importance of attendance and increased tutoring opportunities for early learners. There is also an emphasis on providing mental and social-emotional wellness programs to students to assist them during their time of need.

PGCPS continues to strive toward the objectives set in the Transformation 2026 Strategic Plan to yield positive student outcomes in learning, achievement and holistic student development. This plan has been developed by tapping into the innovative ideas and perspectives of the collective community throughout the planning process. Providing a solid foundation for transformation, the plan is contextually relevant to the stark changes and realities of the current and future global environment.

Footnotes:

(1) The calculation for the measure "Kindergarten Readiness" has been revised to reflect the scores of all students the assessment was administered to, instead of only the scores of students from Pre-K and "Head Start" programs. In light of this, actuals for prior years have also been revised.

(2) Prince George's County Public Schools could not participate in the federal free breakfast programs in FY 2021 because students attended classes virtually for most of the school year. PGCPs operated a non-congregate meal distribution during the SY 2020-2021. Meals were free for all children under 18 years of age throughout the County.

Non-Departmental

MISSION AND SERVICES

Non-Departmental is used to manage resources and indirect costs for activities that are not specifically associated with one department or agency. The Office of Management and Budget (OMB) has the primary responsibility for the activity in Non-Departmental. OMB collaborates with the Office of the County Executive, the Legislative Branch, the Office of Finance and the Office of Central Services to plan and direct Non-Departmental transactions.

STRUCTURE

There are four primary areas in Non-Departmental: Debt Service, Grants and Transfers, Operational Expenditures and Contingency.

- Debt Service – manages the County's debt issuance plan and monitors related principal and interest payments.
- Grants and Transfers – administers County contributions to various community organizations, Community Television, Economic Development Corporation, Financial Services Corporation, Employ Prince George's and Experience Prince George's. It also provides transfers to various capital improvement projects.
- Operational Expenditures – manages operational transactions that are not agency specific including office space and utilities, special compliance efforts, retiree benefits, equipment leases and special lease obligations including the University of Maryland Capital Region Medical Center.
- Contingency – provides resources for costs related to unsettled collective bargaining agreements, designated operating activities and unanticipated employee separation costs.

FY 2023 KEY NOTATIONS

- Distributed over \$9.9 million to community-based organizations for various programs serving County residents.
- Funding provided opportunities for County youth to participate in career development, life-training skills and summer employment opportunities.
- Allocated \$4.4 million of grant support to County Development Disabilities Administration (DDA) Service providers.

FY 2024 FISCAL OVERVIEW

- \$10.0 million allocated for grants to community organizations.
- \$45.9 million to address resource levels for retiree life and health benefits.
- \$8.2 million for operating costs associated with the speed camera program and other fine programs.
- \$10.7 million for transfers to the Capital Improvement Program (CIP).
- \$9.5 million provided to the County's economic development and tourism agencies.
- \$2.5 million for Youth Employment Program to support jobs for County youth.

FY 2024 BUDGET SUMMARY

The FY 2024 approved General Fund budget for Non-Departmental is \$386,032,500, an increase of \$22,461,800 or 6.2% over the FY 2023 approved budget.

FY 2024 Debt Issuance Plan

Prince George’s County plans to issue new general obligation bonds of approximately \$247.1 million in FY 2024. The main factor behind the debt issuance continues to be the construction of public schools, followed by road repair and roadway enhancements. The County’s current bond rating is AAA by all major bond rating agencies.

Outstanding General Fund Direct Debt

Direct Debt is debt incurred by Prince George’s County government in its own name. The gross outstanding general fund debt, the amount that would be due if 100% of the principal were due on June 30, includes the County’s general obligation bonds, Revenue Authority revenue bonds and Maryland Local Government Insurance Trust obligations issued for self-insurance liability funding.

Net Direct Debt is gross debt less (1) gross debt payable primarily from user charges or other identified debt-supporting revenue streams and (2) gross debt reimbursable from the State of Maryland. This represents total direct debt excluding self-supporting

debt. On June 30, 2020, it was \$1,530.2 million; on June 30, 2021, it was \$1,588.5 million; and on June 30, 2022, it increased to \$1,707.7 million. These figures exclude overlapping debt of the Industrial Development Authority (IDA) Lease Revenue Bonds.

Overlapping Debt

In addition to the direct debt, the County has formally agreed to pay the Industrial Development Authority of Prince George’s County for the payments due on lease revenue bonds through annual lease payments. The Authority uses the lease payments made by the County to retire its outstanding debt. Most of the proceeds of the debt issued by the Authority were used to build the Prince George’s County Courthouse in Upper Marlboro. On June 30, 2018, the County had no outstanding general fund net overlapping debt. In FY 2019, the Revenue Authority assumed responsibility for all IDA assets and liabilities, including the refinancing of all outstanding debt. As authorized by CR-69-2017, the IDA was terminated upon the extinguishing of all IDA obligations. The County started remitting payments to the Revenue Authority in FY 2019.

Debt Service and Other Payments

When debt is issued, the County is given a debt service payment schedule similar to amortization payments provided to a citizen when funds are borrowed to purchase a home or a car. The County is required to budget annually for the payment of principal and interest due on the amount of debt that it has incurred along with the annual premium payments and lease payments described under "Other Obligations." (Revenue Authority debt and certain other lease payments are shown under Other Non Departmental.)

From time to time, the County reviews its debt to see if it should restructure or refinance the debt to minimize its cost or to maximize cash flow requirements. A similar technique is used by the taxpayer who refinances his or her mortgage when interest rates are lowered, resulting in a reduced monthly payment. Alternatively, the taxpayer may choose the lower interest rate and opt for

the same monthly payment and thus pay off his or her debt much quicker.

In general, the County is obligated for its first payment of interest six months after debt is issued; the first payment of principal is due twelve months after the debt is issued.

Recoveries

Portions of the debt and obligations related to mass transit are retired through dedicated tax levies. In addition, the County receives certain payments by the State of Maryland for a portion of the Industrial Development Authority (IDA) lease payments. Starting from FY 2001, school surcharge revenues have been used to offset part of the cost of new school construction. Starting in FY 2007, part of the telecommunications tax revenues that are set aside each year in a separate capital project fund have been used to support school construction bonds.

Debt Service General Fund Sources

Highway User Revenue is allocated between the Highway Maintenance Division in the Department of Public Works and Transportation and debt service for roads.

Debt Levels

The County's Net Direct Debt has grown due to the rising needs for capital projects, in particular school construction. The County plans to keep its debt levels below its self-imposed and statutory limits.

- (2) Beginning in fiscal year 2002, real property assessed value in Maryland has been adjusted from approximately 40% of market value to full market value (100%) by the State Department of Assessments and Taxation. Personal property assessed value remains unchanged at full market value.
- (3) The amount of net direct debt represents the County's general obligation bonded debt which excludes the Primary Government's Stormwater Management Enterprise Fund bonds paid with dedicated tax collections, Solid Waste Management System bonds repaid from user charges, debt for parks reimbursed by the joint venture M-NCPPC, debt for mass transit reimbursed by the WSTC (joint venture), debt for school facilities paid by school surcharge, and debt for school facilities funded by telecommunications tax. It includes Parking Authority's (component unit) bonded debt.

General Fund Insurance (Self-Insurance Fund) -- \$10,400,000

General Fund Insurance is managed by the Risk Management Unit in the Office of Finance. It insures fire, casualty, automobile, and public losses. The Self-Insurance Fund is composed of the following governmental entities: the County, the Community College, the Memorial Library System, and the Board of Education. Contribution levels are based on the results of an annual actuarial study.

Judgments and Losses -- \$200,000

This appropriation represents contingent small claims payouts by the County.

Postage -- \$2,700,000

Postage costs reflect projected expenditure levels for postage.

Equipment Leases -- \$26,723,000

The FY 2024 expenditures include the principal and interest costs of the 2013, 2014, 2015, 2016, 2017, 2018, 2019, 2020 and 2021 lease purchase payments. It also includes resources for voting machine rentals.

Other Leases -- \$30,607,800

The Office of Central Services is responsible for maintaining the County's lease agreements for various locations. Funding is included to support ten County leases. In addition to the cost of County leases, funding is also included for debt service payments due on lease revenue bonds issued to support expansions of the Hyattsville and Upper Marlboro Justice Centers. Additionally, this category includes funding to support debt service costs for various public finance transactions including the Regional Medical Center.

Utilities -- \$17,114,000

Utility costs reflect projected expenditure levels for electricity, gas, oil, and propane used by the County and to support anticipated costs for the Cheverly hospital.

Streetlights -- \$1,800,000

Projected energy costs for streetlights maintained by the County.

Traffic Signals -- \$100,000

Operational funding for traffic signals provided by the County for vehicular and pedestrian safety.

Miscellaneous Expenses -- \$17,080,100

This category includes resources for general and administrative services related to the implementation of the County's strategic plan and collection of emergency transportation fees. This budget also includes costs for payments to the State for the State Department of Assessments and Taxation (\$2.8 million in FY 2024); also includes funding for local business assistance program (\$3.0 million in FY 2024), local business bond fund (\$3.0 million in FY 2024), fair election fund (\$400,000) and camera incentive program (\$250,000).

Youth Employment Program -- \$2,498,600

Reflects funding allotted for the Youth Employment Program managed by the Office of Human Resources Management.

Automated Programs -- \$8,162,000

The County incurs costs to run the speed camera program, including payment to the vendor, which are offset by the revenue generated. The amount listed also includes cost associated with the red-light camera and false alarm programs managed by the Revenue Authority.

Deferred Compensation in Lieu of State Retirement -- \$200,000

Several appointed employees have elected to participate in a Deferred Compensation Plan in lieu of the Maryland State Pension System. These costs are included in this category.

Unemployment Insurance -- \$475,000

This represents the anticipated unemployment insurance claims payable during the fiscal year.

Retiree Life and Health Insurance -- \$45,918,400

This represents both the Retiree Life Benefits/Annuities (\$1.9 million) and the Retiree Health Benefits (\$44.0 million) costs. The County portion of health and life insurance costs for retired employees are funded in this category. It includes \$1,800,000 for retiree life insurance, \$70,000 for retiree annuities, and \$44,048,400 for retiree health benefits, or Other Post Employment Benefits (OPEB).

Expenditure Recoveries (Project Charges) -- (\$3,957,800)

Expenditure Recoveries are from non general funds for charges for utilities, maintenance and equipment usage payments, retiree health insurance recoveries and postage recoveries from various funds.

In FY 2024, contingency expenditures increase \$2,000,000 or 181.8% over the FY 2023 approved budget. Contingency funding supports potential salary adjustments for designated job classifications based on the outcome of compensation studies currently in process by the Office of Human Resources Management.

ECONOMIC DEVELOPMENT FUND

This fund will provide financial assistance in the form of loans, guarantees, and grants to benefit existing and potential industrial and commercial businesses in the County. The primary goal of the fund is to create and retain jobs, broaden the local tax base, promote economic development opportunities, and assist in the retention of existing businesses and the attraction of new businesses.

The FY 2024 approved grant budget remains unchanged from FY 2023 approved budget. The FY 2023 estimate reflects funding received from the State and federal governments to address the COVID-19 pandemic. The primary sponsor for the majority of these program initiatives is the U.S. Treasury Department. The American Rescue Plan Act (ARPA) also known as the State and Local Fiscal Recovery Fund (SLFRF program) is the remaining COVID-19 program funded and underway as the remaining COVID-19 Recovery Reponse programs begin to phase out. The following grant programs have phased out: the Coronavirus Aid, Relief and Economic Securities Act (CARES) Act-Coronavirus Relief Fund, the Maryland Department of Commerce COVID-19 Restaurant Assistance Program, Online Sales and Telework, Pulse Point Marketing and the Prince George's County Hotel Relief Fund. Please refer to Appendix A - Grant Programs for the detailed agency spending of the American Rescue Plan Act grant program funds. Additionally, please note that Non-Departmental also maintains two lines of appropriation authority - Public/Private Partnerships and Unanticipated Grants/Interim Appropriation - that agencies may request for unanticipated grant awards received after budget adoption. This line of appropriation authority allows agencies to begin program/project implementation upon award while official legislative approval is requested and adopted via resolution.

INTRODUCTION

The Capital Improvement Program (CIP) is the County's six-year financial plan for constructing and renovating permanent facilities such as schools, libraries, fire stations and roads. Capital projects often take two to three years to complete. The CIP provides a detailed, year-by-year schedule of all planned expenditures and financing requirements for each construction project.

The capital budget refers to expenditures planned for the first year of the CIP and provides the appropriation authority to spend the funds. The funds contained in the capital budget customarily support only a particular phase of a project, such as design, land acquisition or construction.

Since capital facilities provide benefits over a long period of time, the County normally spreads out their costs, paying for them through general obligation (GO) bonds and other forms of long-term indebtedness. This ensures that capital costs are not borne solely by today's taxpayers, but that future beneficiaries of capital projects also pay for them.

PLANS AND POLICIES THAT AFFECT THE CIP

The General Plan and Master Plan

In 1998, the Prince George's County Council found that the 1982 General Plan was no longer adequate to guide future County growth and development.

As a result, the County Council adopted The Biennial Growth Policy Plan in November of 2000. Per the Approved General Plan by the Maryland-National Capital Park and Planning Commission in October 2002, the Biennial Growth Policy Plan's fundamental recommendation represented a comprehensive Smart Growth initiative that utilized a system of growth tiers, corridors and centers to guide future land use and development in Prince George's County.

Then, in May 2014, the Prince George's County Council adopted Plan Prince George's 2035, the Approved General Plan. Plan Prince George's 2035 includes comprehensive recommendations for guiding future development within Prince George's County. The plan designates eight Regional Transit Districts, which are the focus of the County's planned growth and mixed-used development, and which have the capacity to become major economic generators. Six Neighborhood Reinvestment Areas are designated for coordinated funding and resources needed to stabilize and revitalize these areas. Also identified in the plan are Rural and Agricultural Areas composed of low-density residential, agricultural uses and significant natural resources that are recommended for continued protection and investment to maintain critical infrastructure. The plan contains recommended goals, policies and strategies for the following elements: Land Use; Economic Prosperity; Transportation and Mobility; Natural Environment; Housing and Neighborhoods; Community Heritage, Culture, and Design; Healthy Communities; and Public Facilities. Plan implementation through prioritization of strategies, measuring short- and long-term success, public and municipal

engagement, intergovernmental coordination and public-private partnerships are also described.

Comprehensive Ten-Year Water and Sewerage Plan

Per the Approved 2008 Water and Sewer Plan, this plan embodies County goals, objectives and legal requirements for providing water and sewer service in Prince George's County while working with the solid waste, housing and transportation plans in providing guidance for the implementation of the County's General and Area Master Plans.

Furthermore, the water sewer plan also acts as a statement of policy by implementing the land use and development policies set by the County and as a working document which guides County planning. The Plan provides parameters that define how public and private water and sewer services are provided to the County.

Comprehensive Ten-Year Solid Waste Management Plan

The County's Approved Comprehensive Ten-Year Solid Waste Management Plan for FY 2017-2026 was adopted by the County Council on May 12, 2017. The plan is designed to meet the County's present and future needs for solid waste management programs and facilities. It identifies sources of solid wastes, provides for acceptable disposal sites and facilities and explores recycling and resource recovery possibilities. The Plan was developed through close cooperation among County departments and agencies. The CIP includes several projects recommended for implementation by the Solid Waste Plan.

Public Land and Facilities Inventory

The inventory provides a computerized and mapped inventory of all land and facilities that are owned by, leased to, or donated to the Prince George's County Government, the Washington Suburban Sanitary Commission, the Prince George's Community College, the Prince George's County Board of Education and the Maryland National Park and Planning Commission.

Public Facility Development Program

This program synthesizes policy recommendations from County land use plans and agency studies and plans using a 15-year time horizon. It ensures project conformity to county plans and examines best build alternative with special attention to site requirements.

CIP AS A GUIDE TO PUBLIC ACTION

The CIP provides information needed for short-range land use planning and development decisions and serves as a coordinating device for the planning of government agency facilities and services planning. It represents the County's commitment, and that of the semi-autonomous agencies, to provide public facilities in specific areas within the time period covered by the Program. Projects included in the first two years of the CIP are closely related to current development and can be expected to be carried out essentially as programmed. Projects shown in the later years of the CIP may be subject to modification either in scope or timing, based on the review of needs and the availability of funding or other circumstances which cannot be predicted with certainty so far in advance.

Use of CIP Information in Comprehensive Re-zoning

The majority of re-zoning actions are now carried out through comprehensive re-zoning or the Sectional Map Amendment process. This involves the review of and amendment to the zoning of an entire area at one time. These reviews occur every two to six years and are intended to re-zone sufficient land to meet development needs for the next six to 10 years. Programmed public improvements are an important determinant of which areas will be suitable for developments during the time period covered by the Sectional Map Amendments. Conversely, the review of land requirements may lead to recommendations for public improvements needed to serve a developing area.

Subdivision Approvals Based on Adequacy of Public Facilities

The Subdivision Ordinance specifies that "the Planning Board shall not approve a subdivision plan if it finds that adequate public facilities and services do not exist or are not programmed for the area within which the proposed subdivision is located." The purpose of this requirement is to ensure the health, safety and welfare of local residents and to prevent

excessive expenditure of public funds. This Ordinance is an important tool to prevent the premature subdivision of land and the resulting pressures to extend public facilities beyond the County's budget capabilities.

The CIP's Role in the Coordination of Public Improvements

The County's first CIP was published in 1967. Since that time, one of the objectives of County management has been to refine the CIP to make the programming of projects more precise in scope and timing. The intent is to provide reliable information about the availability of public improvements to both private sector and public sector decision-makers. Another objective is to improve coordination among the governmental bodies that provide and use public facilities. In the newly developing areas particularly, the availability of appropriate support facilities can be critical to the operation of a new project. Likewise, the capacity of existing roads, sewers and water supply lines is an important consideration in building or expanding public facilities in highly developed areas.

FY 2024 – 2029 CAPITAL IMPROVEMENT PROGRAM AND BUDGET

The FY 2024-2029 Capital Improvement Program (CIP) consists of various projects totaling \$4.1 billion including projects for the Maryland-National Capital Park and Planning Commission (M-NCPPC). The tables below provide a summary of the CIP by fiscal year as well as by agency. The following sections provide an overview of the FY 2024 capital budget, including revenues and expenditures by functional area and highlights of key capital projects. For additional details, please consult the FY 2024- 2029 CIP book.

FY 2024 CAPITAL BUDGET REVENUES

The FY 2024 capital budget totals \$1.19 billion; however, it is supported by new revenues of \$1.09 billion and \$108.0 million in revenues received from prior fiscal years.

GENERAL OBLIGATION BONDS

General obligation bonds are the primary source of the funding plan for the budget. In FY 2024, GO bonds total \$247.1 million, or 22.6%, of the total funding for the capital budget.

FEDERAL AND STATE AID

Federal and State Aid provides \$305.5 million, or 28.0% of funding for the capital budget.

M-NCPPC BONDS

M-NCPPC bonds support 7.5% of total funding at \$81.9 million.

REVENUE BONDS

Revenue bonds provide \$23.4 million, or 2.1%, of the funding for capital projects.

OTHER FUNDS

The remaining \$433.5 million or 39.7% consists of stormwater bonds, miscellaneous revenues and developer contributions. The specific funding sources for all expenditures are identified on each individual capital project page in the CIP budget.

FY 2024 CAPITAL BUDGET EXPENDITURES

Education and Health

The education and health portion of the FY 2024 Capital Budget is \$215.3 million or 18.0% of the total budget. This category includes expenditures for the Board of Education, Prince George’s Community College, Prince George’s Memorial Library, Hospitals and the Health Department.

Key Projects

BOARD OF EDUCATION

- The FY 2024 Capital Budget contains County funding in support of systemic repairs to schools in need of roofs, boilers, windows, piping, HVAC and elevators.
- Construction will continue for the New Northern Adelphi High School, High Point High School and the Suitland Annex Replacement.

LIBRARY

- Improvements to ensure compliance with the Americans with Disabilities Act continue to be a top priority.
- Fiscal closeout will be completed for the Surratts-Clinton Branch Renovations in FY 2024.
- Construction will continue for the Baden Library.
- The construction phase will begin for the Langley Park Library branch in FY 2024.
- Renovating branch libraries will continue in FY 2024. This includes replacing carpets, roofs, HVAC systems, fences, walk-ways, parking lots and public restrooms.

COMMUNITY COLLEGE

- Construction for the Renovate Marlboro Hall project will continue in FY 2024 with an anticipated completion date in FY 2025.
- Improvements will continue in FY 2024 under the College Improvements project. This will include the replacement of college owned fire hydrants, cooling towers and boilers.

Transportation and Economic Development

The transportation and economic development component is budgeted at \$484.3 million, or 40.4%, of the total FY 2024 capital budget. Agencies within this category include the Department of Public Works and Transportation, Revenue Authority of Prince George’s County and the Redevelopment Authority of Prince George’s County. Transportation funding comes primarily from general obligation bonds. Additional revenues come from developer contributions and from the Federal government, primarily in support of the bridge construction program.

Key Projects

- Pavement rehabilitation and concrete rehabilitation work will continue in FY 2024 under the Curb & Road Rehabilitation 2 project.
- The Transportation Enhancements 2 project includes funding for critical capital needs that may arise such as traffic calming devices, thermoplastic pavement markings, installation and repair of guardrails and other safety related road improvements.
- FY 2024 funding will support the replacement and rehabilitation of several bridges, including Brandywine Road, Chestnut Avenue, Livingston Road and Temple Hill Road.
- DPW&T will continue the design and construction of Green Street Improvement Program projects utilizing the “complete the street concept” to include environmental and bio-retention facilities, pedestrian and bicyclist safety improvements, landscaping enhancements and street lights.
- Under the Pedestrian Safety Improvements project, design along with pavement and concrete rehabilitation work will be ongoing. DPWT will

continue conducting pedestrian road safety audits to identify critical pedestrian safety issues and offer solutions.

- The countywide Street Light Enhancement Program will continue.
- Further development and implementation of a pavement preventative maintenance program and the continuation of the Resurfacing and Sidewalk Improvement Program as related to the County Revitalization and Restoration program, Developer Contribution Projects program and Permit Bond Default Revolving Fund program.

Parks and Recreation Facilities

A portion of the capital budget spending is for park and recreation facilities, accounting for \$252.2 million, or 21.0%, of the total expenditures. This part of the capital program is administered by the M-NCPPC. Funding comes from a combination of sources that include the sale of bonds by the Commission, State Aid under Program Open Space, “Pay-as-You-Go” (PAYGO) funding and contributions from grants. The budget supports the acquisition of park land and the development of park facilities, including the purchase of playground equipment and the construction of new community centers.

Key Projects

PARK ACQUISITION

The total cost for park acquisition is \$3.0 million for FY 2024 and covers two acquisition categories that will be funded by Parkland and the Historic Agricultural Resources Preservation (HARP) program.

PARK DEVELOPMENT

The total cost for approved park development is \$73.3 million for FY 2024. This category includes specific park development projects, trail development, public safety improvements and other facility development.

INFRASTRUCTURE MAINTENANCE

The total cost for approved infrastructure maintenance is \$37.3 million for FY 2024. This category includes aquatic facilities, historic properties, community centers, park buildings and stormwater infrastructure.

Environment

The capital budget for the Environment category totals \$166.5 million, or 13.9% of the FY 2024 budget. The two major areas that are addressed under this component are solid waste management and stormwater management. Solid waste management capital projects are funded primarily by revenue bonds. The debt service costs for these bonds are supported by tipping fee charges to trash haulers and other revenues collected by the Solid Waste Management Enterprise Fund.

Key Projects

- The FY 2024 program continues operational and facility improvements and repairs for Brown Station Road Landfill as well as post-closure requirements for Sandy Hill Landfill. For the Brown Station Road Landfill, the FY 2024 Program includes design funding to fill in Area C, extending the County's landfill capacity to the year 2045 or beyond, construction of a gas pipeline to the Correctional Facility and to continue design for upgrades to the existing leachate pretreatment facility as required by the regulatory arm of WSSC.
- The Materials Recycling Facility FY 2024 program includes funding to complete the installation of the plastics optical sorter and other facility upgrades.
- FY 2024 funds support stormwater pond construction and the purchase of organic carts for the Organics Composting Facility.

Public Safety and County Facilities

Constructing public safety and other County facilities comprise the remainder of the FY 2024 capital budget. These two functions account for \$81.1 million, or 6.8%, of the FY 2024 capital budget. The public safety category includes facilities for the Police, Fire/EMS and Corrections departments. Projects under the County facilities portion of the capital budget consist primarily of renovations to current facilities. The funding for these projects are from the sale of general obligation bonds.

Beginning in FY 2024, Office of Central Services will manage CIP projects previously managed internally by the Police Department and the Department of Corrections in an effort to centralize CIP project management.

Key Projects

FIRE/EMS

- Renovation of the Hyattsville Fire/EMS station continue in FY 2024. This project has changed from a new fire station to a major renovation.
- Improvements and rehabilitation of various Fire Stations will continue in FY 2024.

HEALTH

- Construction will continue for the creation of a headquarters building that will co-locate the administrative offices of the Health Department, the Department of Family Services and the Department of Social Services. The Health and Human Services (HHS) Building will serve as a centralized focal point for the delivery of services to older adults, persons with disabilities, and family caregivers.
- Improvement and renovations to various health facilities continues in FY 2024. This includes a fire suppression upgrade at Cheverly Health Center and various renovations at the Dyer Health Center.

COURTS

- Renovations and security improvements to the Courthouse will continue in FY 2024.

CENTRAL SERVICES

- Planning will continue for the Shepherd's Cove Women's Shelter.
- The County Administration Building project in Upper Marlboro is set to begin construction in 2024.
- Improvements and rehabilitation of various County-owned buildings will continue in FY 2024.
- Construction will continue for the Special Operations Division Facility (formerly Barlowe Road Renovations) including community space.

- Construction of the Forensic Lab Renovations continues in FY 2024.
- Improvement and rehabilitation of various Police Stations will continue in FY 2024.
- FY 2024 Detention Center Housing Renovations support Phase II of the renovations on housing units 5 and 6.
- FY 2024 funding for the Detention Center Improvements include repair and upgrades to mechanical, electrical and plumbing systems as well as replacing inoperable or obsolete major equipment.

OPERATING IMPACTS

Most capital improvement projects generate future operating budget costs in one or more of three ways: debt service; current revenues that fund projects not eligible for debt financing; PAYGO which offsets the need to issue debt; and changes to the operating budget to support new or renovated facilities.

Key Operating Impacts

Debt Service

- The capital budget's primary impact on the operating budget is the debt service cost. These costs are paid from local revenue in the general fund operating budget and reflect costs associated with issuing long-term bonds to finance the CIP. Debt service is funded in the FY 2024 operating budget and includes interest and principal payments for debt issued for capital projects. A detailed description and explanation of these costs are included in the Non-Departmental section of the operating budget under Debt Service. The FY 2024 General Fund budget includes \$174.5 million for debt service costs and represents 3.9% of total general fund spending.
- To ensure that capital spending levels do not adversely impact the operating budget and the County's ability to maintain current services in future fiscal years, debt levels are carefully monitored. The two principal debt ratios used by the County as debt policy guidelines are:
 - The ratio of General Fund debt service to County source revenue is not to exceed 8.0%. The level of this ratio is 6.9% as of June 30, 2022, which is within this limit based on the County's audited financial statements. This is projected to increase to 7.9% percent by June 30, 2023.
 - County policy limits net direct debt to no more than 3.0% of the full market assessed value of property. The County's statutory debt limit under the Annotated Code of Maryland is 6.0% of its assessable base. The County remains within this limit at 1.5% of the net direct debt to assessed value for FY 2022.

Current Revenue and PAYGO

- Certain CIP projects are funded directly with County current revenues to avoid costs of borrowing. These amounts are included in the operating budget as specific transfers to individual projects within the capital budget. PAYGO funding, is an additional amount included in the operating budget as a direct bond offset to reduce the amount of borrowing required for project financing. PAYGO funding can include current year revenues or transfers from the County's undesignated fund balance reserves. The FY 2024 PAYGO information is displayed in Non-Departmental – Grant and Transfers section of the budget and totals approximately \$10.7 million.

Operating Budget Impacts

- *Capital projects that represent new initiatives or that add additional space to existing facilities impact the operating budget.* The most significant effect occurs when additional personnel must be hired to staff the newly constructed facility. Other impacts can include custodial, utility, maintenance and debt service costs. For renovations of existing facilities or infrastructure, the impact on the operating budget is minimal. In the case of resurfacing, road maintenance costs should decrease resulting in operating budget savings.
- Individual environmental projects in the stormwater category do not add significantly to agency operating costs. When taken in aggregate, however, the addition of thousands of feet of new storm drain and numerous holding and detention ponds does have operational impacts. The grounds around flood control systems, drainage channels, retention basins and storm drain easements must be maintained in connection with the new construction. Catch basins and main lines must be cleaned and kept clear of

debris, as well. The operating costs will be supported by the Stormwater Management Enterprise Fund.

- A detailed analysis of the operating budget impacts is currently under construction in the FY 2024-FY2029 CIP book due to changes in the County's budget and publication systems. When developed, this information will aid in the review and decisions on the timing of public facilities and to show what a new building or road will cost in addition to its construction costs and any required debt service payments. Each project page will display operating budget impacts of each individual project where applicable. This information is anticipated to be displayed and completed in the FY 2025 – FY 2030 CIP budget book.

Grant Programs Fiscal Year

Introduction

This section of the budget document summarizes the County's approved appropriation authority for grant programs for FY 2024. The appropriation authority provided in this section represents each agency's grant renewal and development plans for the upcoming fiscal year. Many of these grants support the agency's core responsibilities and are representative of agency efforts to provide expanded and/or increased services to Prince George's County citizens and residents. Total program spending reflects the anticipated expenditure level and programmatic operations of the agency.

In FY 2024, the anticipated grant awards total \$276.3 million, and are largely attributable to funding requests to federal and State grantors.

Human service agencies continue to administer the majority of the grants awarded to the County. County cash resources supplementing outside grant sources total \$10.6 million. These funds are included in the administering agency's General Fund appropriation and are required as a condition of award acceptance. The FY 2024 total program spending level of \$287 million reflects all sources (e.g., federal, State or foundation dollars, and the County cash match). In-kind contributions are not included in the total program spending.

The following pages reflect the consolidated summary of County anticipated grant awards and associated cash match obligations for FY 2024. Moreover, a detailed listing is included of the various fund sources and total projected grant spending for each program.

AMERICAN RESCUE PLAN ACT

Introduction

Congress passed the American Rescue Plan Act of 2021 (ARPA) in March 2021 to aid in the economic recovery and emergency response to COVID-19. This law established the Coronavirus State Fiscal Recovery Fund and the Coronavirus Local Fiscal Recovery Fund, which combined make up the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program. Furthermore, the law provided support to State, territorial, local and tribal governments in responding to the economic and public health impacts of COVID-19. The U.S. Treasury provided broad guidance for the use of funds so that each jurisdiction may determine how the funds would best address their community needs. In general, funds may be used to:

Support public health expenditures

Address negative economic impacts caused by the public health emergency

Invest in the hardest-hit communities and families

Replace lost public sector revenue

Provide premium pay for essential workers

Invest in water, sewer, and broadband infrastructure

Prince George's County, Maryland, was awarded \$176.6 million through the Coronavirus Local Fiscal Recovery Funds (SLFRF) Program. Working collaboratively with our community through recommendations of the Prince George's Forward Task Force, the community and the Legislative Branch, the Prince George's County, Maryland American Recovery Plan was introduced and adopted through CR-67-2021. This is a multi-year spending plan and we expect to spend the funding over four years. However, all ARPA funds must be obligated between March 3, 2021, and December 31, 2024 and all obligations must be spent by December 31, 2026.

This section of the budget document summarizes the County's approved Prince George's County, Maryland Recovery Plan programming. For further details, or to review the Prince George's County, Maryland Recovery Plan, please visit our website:

1-ARPA Plan Total is inclusive of funding allocations for capital improvement projects (CIP).

2-Reflects all life-to-date (LTD) expenditure postings incurred as of March 12, 2023.

3- FY 2023 Estimate reflects year-to-date spending as well as pending obligations as of March 12, 2023. Obligations are defined as funds reservations, purchase orders, known pending invoices and other anticipated expenses to be completed by June 30, 2023. This information is subject to change based on agency activity.

The Washington Suburban Transit Commission

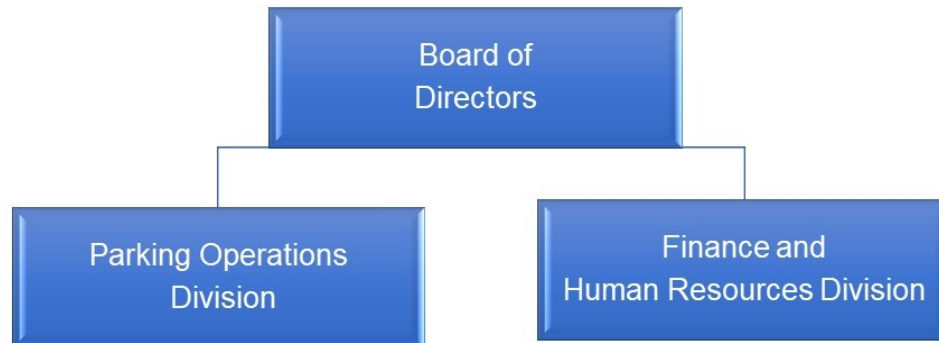

MISSION AND SERVICES

The Washington Suburban Transit Commission (WSTC) is a bi-county agency that provides planning and oversight for mass transit services in Montgomery and Prince George's counties. The seven-member commission is composed of two representatives from each county, two members appointed by the Governor of Maryland and the Maryland Secretary of Transportation, or a designee.

The WSTC has the legal authority to levy a property tax in each county to support mass transit services, as well as associated debt service and administrative costs. For Prince George's County, this tax levy, combined with state and federal aid, fares and other revenues, funds a variety of regional transit services, local bus service and para-transit service. Para-transit service includes the County's special services for senior and disabled citizens. The Washington Metropolitan Area Transit Authority (WMATA) provides the regional rail and bus services. The Prince George's County Department of Public Works and Transportation and private companies provide local bus and para-transit services. Mass transit is capital intensive. Therefore, debt service costs also make up a substantial share of WSTC-related costs.

The WSTC tax rate for FY 2024 will remain at \$0.026 per \$100 of assessed value for real property and \$0.065 per \$100 of assessed value for personal property.

Revenue Authority

MISSION AND SERVICES

The Revenue Authority serves as a real estate development and development finance agency, an operator of programs and facilities and a manager of programs and facilities in partnership with other County agencies.

CORE SERVICES

- Real estate development and public-private financing opportunities
- Parking enforcement and parking facilities
- Administration of records and finances related to public safety programs for the Prince George's Police Department

FY 2023 KEY ACCOMPLISHMENTS

- Implemented license plate recognition equipment and software on entire vehicle fleet.
- Started planning for workforce housing in Suitland.
- Started pre-development for the new Creative Suitland Arts and Performance building.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The authority's top priorities in FY 2024 are:

- Acquire, develop, and invest in real estate projects to enhance the County's overall economic vitality, increase property tax revenue for the County and create adequate return on investment for the Authority to invest in future projects.
- Enhance the efficiency, effectiveness and scope of parking operations.
- Provide vigilant and proficient management of public safety programs in partnership with the Prince George's Police Department.

FY 2024 BUDGET SUMMARY

Trend and Analysis

The Authority continues to see an increasing demand for parking meters and parking facilities within the County. The Authority currently oversees over 5,800 parking spaces at multiple locations. The projected totals by FY 2025 will exceed 10,000 parking spaces. The Authority will enhance parking enforcement customer service by providing training for our enforcement officers and providing the officers with the latest technology for issuing citations with real time data. The Authority expects demand for parking enforcement to increase in the Largo and National Harbor areas.

Trend and Analysis

The Authority supports the Police Department and The Department of Public Works and Transportation in the administration of the Automated Speed Enforcement (ASE) program. The County's designated vendor is currently responsible for the collection of ASE fines. The number of ASE cameras increased to its full complement of 72 cameras at the beginning of calendar year 2013. The number of events at camera locations is expected to decrease in FY 2024 as drivers change behavior. The ASE program will rotate the mobile and DragonCam cameras to cover the 143 different schools and institution zones.

Redevelopment Authority

MISSION AND SERVICES

The Redevelopment Authority (RDA) will operate with a specific focus on infill development and the preservation of workforce/affordable housing near transit centers, on mixed-income and mixed-use and mixed-tenure projects in targeted communities.

CORE SERVICES

- Implementing major redevelopment projects
- Managing the Commercial Property Improvement Program (CPIP)
- Managing the down payment closing cost assistance program
- Managing the Community Impact Grant program (CIG)
- Managing the Housing Rehabilitation Assistance Program (HRAP) and residential façade improvement programs

FY 2023 KEY ACCOMPLISHMENTS

- Began construction for phase 3 of the Glenarden Hills Project.
- Began construction for the town house phase at Glenarden Hills.
- Began construction on the 210 Maryland Park Drive Project.
- Initiated the FY 2022 and FY 2023 round of the CPIP and CIG grant programs.

STRATEGIC FOCUS AND INITIATIVES IN FY 2024

The authority's top priorities in FY 2024 are:

- Redevelopment of the former Prince George's County hospital site in Cheverly.
- Develop the connected community in Forestville at Forestville Road and Suitland Parkway in partnership with Pepco.
- Build the hotel and first multi-family building with retail at the Towne Square at Suitland Federal Center project.
- Redevelopment of the Blue Line Corridor from Capitol Heights Metro station to the Addison Road Metro station.
- Redevelopment at the Beacon Heights Purple Line station.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Redevelopment Authority is \$534,500, a decrease of -\$126,800 or -19.2% under the FY 2023 approved budget. The organization's grant from the County totals \$310,600, an increase of \$10,600 or 3.5% over the FY 2023 approved budget.

Trend and Analysis

In FY 2024, the RDA and its development partners, anticipate the completion of the initial two Phases of Glenarden Apartments, 210 Maryland Park Drive, and the Towne Square at the Suitland Federal Center. Most of these projects will be completed in multiple phases over several years, therefore, the performance measure was switched to completed units and commercial space and away from completed projects to better reflect the impact of the projects on a year to year basis.

RDA's under construction projects include Glenarden Hills, Town Square at Suitland Federal Center and 210 Maryland Park Drive. RDA has begun the planning stage for two new projects; Lyndon Hill School and 6700 Riverdale Road.

Economic Development Corporation

MISSION AND SERVICES

The Economic Development Corporation (EDC) markets and promotes the County to businesses and provides services that support business development, high-wage job creation and the expansion of the County’s commercial tax base.

CORE SERVICES

- Promote economic development by providing business services to attract, retain, and expand businesses in the County, growing both jobs and the commercial tax base
- Market and promote the County as the best place to do business
- Provide a wide range of services to support start-up technology companies
- Attract and promote revitalization, repurposing and redevelopment of shopping centers and the attraction of retail establishments
- Promote international business development through export assistance, foreign direct investment and international business attraction

FY 2023 KEY ACCOMPLISHMENTS

- Administered technical assistance training programs to support entrepreneurship and small and minority business growth through collaborative programming, communications, and engagement.
- Revamped and updated the EDC website for ADA compliance.
- Ensured stabilization of a fast-growing logistics sector, including Last Mile Centers by Amazon, Target, and independent developers.
- Encouraged the redevelopment and improvement of targeted shopping centers through the attraction and expansion of retail, restaurant, entertainment, healthcare and innovative, collaborative uses.

- Partnered with the University of Maryland to build a Quantum computing ecosystem around the presence of IonQ, the world’s best capitalized quantum computing company and to support ConnectedDMV to make the DC metropolitan area the quantum computing capital of the world.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The agency’s top priorities in FY 2024 are:

- Return to the primary role of business attraction, retention, and expansion, utilizing the updated Economic Development Strategic Action Plan.
- Support the recovery for multiple sectors in the County by providing technical assistance.
- Attract at least one large-scale \$100 million-plus capex data center to the County.
- Develop and expand marketing campaigns and promotional opportunities to promote Prince George’s County’s business climate, success stories, assets and lifestyle.
- Regain the County’s status as #1 in job growth in Maryland and make continued progress toward shifting commercial/residential real property tax ratio.
- Develop and implement key initiatives identified in the County’s updated Comprehensive Economic Development Strategic Action Plan.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Economic Development Corporation is \$5,896,800, an increase of \$1,414,600 or 31.6% over the FY 2023 approved budget. The organization’s grant from the County totals \$4,772,200, an increase of \$789,600 or 19.8% over the FY 2023 County grant.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — Retain and expand businesses in Prince George's County by providing market intelligence, site selection, technical assistance, permit assistance, relationship management and financial incentives.

Objective 1.1 — Increase the number of jobs directly attracted or retained due to EDC efforts.

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
3,400	736	4,223	2,400	2,100	↑

Trend and Analysis

The EDC is focused on traditional economic development concentrating on business retention, expansion and attraction in targeted industry sectors that lead to job creation and expansion of the Prince George's County commercial tax base. Recent State labor figures for Calendar Year 2022 show that the County has not fully recovered from 2019 pre-COVID-19 job losses. The region is lagging other urban areas in recovering job losses. Prince George's County has an estimated 25,000 less workers in the labor market which will ultimately negatively impact companies' ability to employ Prince George's County residents. The sharp increase of remote work and the decline in occupied commercial office space continues to impact the region and Prince George's County. Based on these recent figures, the future of commercial real estate is still uncertain.

The implementation of the new County Strategic Plan for Economic Development will provide important direction for EDC's priorities going forward. The EDC is coordinating with other County agencies, such as Employ Prince George's, M-NCPPC, DPIE, and the County Executive's Office to implement the Plan's recommendations. EDC will utilize ARPA funding to implement the Plan's recommendation to establish an "Economic Gardening Program for Black, Indigenous, and People of Color (BIPOC) Businesses." EDC will continue its efforts to attract upscale and new-concept restaurants and retail and revitalize older shopping centers. Plans include a major initiative to attract grocery stores to specific food deserts and promote healthy foods priority areas.

Trend and Analysis

The EDC has long been a hub for businesses seeking financing incentives, technical assistance, business engagement, and networking activities. The EDC utilizes several economic development tools and incentives to attract, expand and retain county-based businesses, such as tax credits and grants. These economic development tools are critical for stimulating private investment, increasing the commercial tax base, and creating jobs. An important tool, the Economic Development Incentive Fund (EDI Fund) provides critically needed financial assistance to projects that would not have occurred without this public/private partnership. The EDC administers several tax credit programs including the Enterprise Zone program, the Regional Institution Strategic Enterprise (RISE) Zone tax credit program which now includes rental assistance, the expanded grocery store tax and incentive program, and the newly created Start-up Business Tax Credit program that was enacted in FY 2023.

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To strengthen the County's thriving economy by providing small and minority-owned businesses with access to creative, flexible and innovative financing solutions for their operations.

Objective 1.1 — Increase the amount of capital made available to businesses (millions).

FY 2028 Target	FY 2021 Actual	FY 2022 Actual	FY 2023 Estimated	FY 2024 Projected	Trend
\$15.0	\$5.1	\$3.2	\$7.0	\$7.0	↔

Trend and Analysis

FSC First's primary goal is to increase the amount of capital available to businesses and the number of businesses that are approved for loans as we continue to serve the business owners and new entrepreneurs in the County seeking sources of capital. In Fiscal Year 2023, and continuing into FY 2024, FSC First is utilizing trends and analysis to provide performance measure projections. While FSC saw a 29% decrease in approved loans from FY 2020 to FY 2021, this was an anomaly. Loan approvals were up in FY 2021 due to a special COVID-19 related loan program sponsored by the MD Department of Commerce whereby an additional \$1,250,000 was deployed right before the end of the fiscal year through a grant/loan matching program. This program compelled businesses to invest in their businesses along with grant dollars as a catalyst to recovery. Without this outlier, the year over year average loan approvals were consistent averaging \$3.5 million.

In FY 2023, FSC has seen a significant increase in loan approvals in the first and second quarters and is projecting an 180% increase in loan approvals. Additionally, the average loan size has increased by 23.5% signaling confidence in starting and expanding businesses. Similarly in FY 2022, the pipeline has seen a 500% increase in SBA 504 real estate acquisition loans over FY 2021. In addition to the existing 12 programs, FSC plans to launch 4 - 6 new programs by the end of FY 2023 which will continue to create new paths to affordable business debt. FSC has seen a 70% increase in revenue attributed to the EDI Fund allowing us to cover trailing expenses from 10 years of servicing the program. FSC continues to serve as the grant administrator for the County's Purple Line Business Assistance grant program and the Maryland Department of Commerce's Purple Line grant program.

Trend and Analysis

For Prince George's County, the hotel occupancy, average daily rates and revenue per room has continued to increase month over month. While the County has not reached 2019 levels in these three categories the trend is positive. Blending business and leisure travel is a growing tourism trend where people extend their business travel to leisure activities. Experts predict it will continue to grow in the mobile workforce. Although business travel has started to make its comeback in 2021, "bleisure" is believed to be its future. These business-leisure trips are pre-planned whereby clients schedule their vacation within the same period of a job-related trip. Companies may also offer their workers some tourist experiences during work trips. Once the meetings, professional conferences, and other work engagements are over, business travelers may decide to extend their stay and explore their destination. There is also a growing trend among millennials known as the "digital nomad" phenomenon. This is whereby online workers and freelancers adopt the lifestyle of traveling as they work.

Trend and Analysis

The Office of Business Services has developed data-driven operations to meet the workforce needs of local businesses. EPG's goal is to increase business engagement, services rendered, and financial incentives offered to businesses, job openings posted and employment opportunities for Prince George's County job seekers. With its realignment, the Office of Business services is integrated with the local Maryland Department of Labor, Licensing and Regulation's business services staff. The Office of Business Services opened its own office on the 4th floor of 1801 McCormick Drive using a consultative approach and offering a variety of professional development workshops for businesses. EPG has enhanced the delivery of the County's business services model by relaunching the Rapid Re-employment Grant Program to incentivize businesses to hire unemployed Prince George's County residents. In addition, EPG has fully staffed its Business Services Department to increase business engagement and job development efforts. Note: During the pandemic, onsite recruitment for programs and businesses was interrupted due to State and federal guidelines.

- Exceeded goals to increase the capacity and expand the geographic distribution of grantmaking programs, including the Community Grants Program and Emergency Arts Relief Programs.
- Added public arts category for planning and implementation to build capacity, empower and strengthen creative placemaking infrastructure in under-represented municipalities and neighborhoods.
- Continued Design Park 3311 and Arts’tination, two arts-centered economic development and recovery programs, for the Prince George’s County creative community.

- Continued the Bus Shelter Public Art Pilot Program in six municipalities and implemented multiple public art and creative placemaking initiatives throughout Prince George’s County
- Participated in cross-agency Memoranda of Understanding including the Prince George’s Community College, Center for Performing Arts, Bowie State University, Fine and Performing Arts Center and Mission of Love to reach underrepresented populations.

STRATEGIC FOCUS AND INITIATIVES FOR FY 2024

The council’s top priorities in FY 2024 are:

- Catalyze artistic excellence and innovation through an equity lens, expand grant making programs and revitalize neighborhood and public spaces through capacity building, innovative design and creative placemaking.
- Advance arts-centered economic development by fueling economic recovery and job growth with a focus on the film and entertainment and creative industry sectors.
- Empower and support communities throughout Prince George’s County by providing a platform to discuss varying viewpoints and by supporting a solutions based approach to solving critical and relevant social issues.
- Promote, strengthen, and enhance the arts and education in Prince George’s County Public Schools by offering equitable high-quality arts in education services.

FY 2024 BUDGET SUMMARY

The FY 2024 approved budget for the Arts and Humanities Council is \$1,465,800, a decrease of -\$324,400 or -18.1% under the FY 2023 approved budget. The organization’s grant from the County totals \$614,000, an increase of \$114,000 or 22.8% over the FY 2023 approved budget.

Reconciliation from Prior Year

	Expenditures
FY 2023 Approved Budget	\$1,790,200

SERVICE DELIVERY PLAN AND PERFORMANCE

Goal 1 — To provide diverse and high quality arts experiences, cultural engagement and humanities programming with a focus on equity and inclusion.

Objective 1.1 — To enhance equitable learning environments with a focus on increasing high quality artisan education programs that support and enrich learning priorities for students and teachers, and diverse cultural experiences for K-12 aged children.

Trend and Analysis

PGAHC provides grants and programs for artists in residency in PGPCS schools and other programs serving K-12 grade aged children. In FY 2022, four artist-in-residences were held serving about 2,500 students. Two residencies were deferred in FY 2023 due to COVID-19 related delays. Hybrid and virtual residencies are anticipated for FY 2023 and FY 2024. PGAHC's FY 2022 Community Grants programs focused on serving youth.

Trend and Analysis

In FY 2022, through its community grants programs and facility based programs, PGAHC was able to significantly expand local arts programming. This was due to FY 2021 PGAHC grantees implementing their projects in FY 2022. Demand for funding doubled and PGAHC received nearly \$500,000 in requests. Projects were held in every Councilmanic district. Through hybrid programming and the expansion of Arts'tination, Office of the Poet Laureate and partnerships with municipalities and other agencies, PGAHC expanded services in north, central and south County. However, the FY 2022 PGAHC's grant program was impacted due to a loss of funding, leaving the Community Grants program greatly diminished. In FY 2022, PGAHC awarded 10 grants (a decrease from 43) for \$32,000 (a decrease from \$200,013). This represents 23% of the FY 2021 award amounts. However, 40% of our FY 2022 grants focused on arts education and youth programs in underserved districts. Given the growing demand for arts programming, our goal is to restore our grant amounts back to \$200,000 in FY 2024.

Trend and Analysis

The Prince George's Film Office provides one-stop comprehensive services to the County's growing cluster of emerging film production, entertainment and related companies with several recently gaining national recognition. Its focus is to highlight County assets, and build the capacity of the film industry sector to increase revenue and employment opportunities which was negatively impacted by the COVID-19 pandemic. In FY 2022, the Office launched a new ARPA funded program for the film industry which included the Film Business Grant Assistance Program. Nearly one million in requests were received in Round 1, and four grants were awarded totaling \$174,000. In FY 2022, PGHAC is estimating \$1.2 million in generated revenue. In FY 2023, Round 2 of the film grant program received \$1.3 million in requests and will conclude later in the year. In FY 2023, the first ever Prince George's County film festival was held, which had over 600 people participating in virtual and in-person events.

In FY 2022, PGAHC via Arts'tination, DPark 3311, Community Grants and Film Grant workshops, offered a wide variety of technical assistance and community workshops held virtually and in-person. To build capacity and diversity of funding opportunities, programs are being expanded in FY 2023 with our partnership with the Maryland State Arts Council (MSAC) to increase the number of Prince George's artists and organizations receiving grants. Two MSAC collaborations were held: "Arts in Education" and "Office Hours" a workshop hosted by PGAHC for MSAC.

Spending Affordability Committee Report 775
Table of Supplementals And Transfers Fiscal Year 2023 794

January 3, 2023

The Honorable Angela D. Alsobrooks, III, County Executive
 The Honorable Thomas E. Dernoga, Chair, County Council

In accordance with Subtitle 10, Division 1A of the County Code, the Spending Affordability Committee has reviewed the preliminary projections of the County's Office of Management and Budget (OMB) for General Fund revenues for FY 2023 and FY 2024. This letter summarizes the Committee's major findings and recommendations for FY 2024. A detailed discussion of OMB's assumptions on various revenues is provided in the appendix to this letter.

Overview

Exhibit 1 shows the general fund outlook for FY 2024, which projects a \$62.0 million shortfall between revenues and spending. Although the economy has fully re-opened following the pandemic, the economy is affected by supply chain problems, a national reduction in the labor force and the effects of the war in Ukraine. High inflation has affected the costs of goods and services and resulted in high wage growth. Outyear projections show an imbalance between revenues and spending through FY 2028. The County will face difficult decisions to produce balanced budgets in the near term. **The Committee recommends a spending ceiling of \$4.464.1 billion in FY 2024, with the proviso that the County use unassigned balance for one-time purposes such as Pay-as-you-go (PAYGO) capital. The County will also need to constrain spending so that shortfalls projected for FY 2025 and beyond do not worsen.**

- General Fund revenues are estimated at \$4.402 billion in FY 2024; an increase of \$175.5 million, or 4.2% over the FY 2023 approved budget. Most of the growth is expected from additional real property, income, and transfer and recordation taxes and outside education aid. The County's assessable property base continues to increase though the Homestead Tax Credit limits growth to the maximum 5% rate for FY 2024. Income tax revenues are being driven by wage growth, as employers continue to compete for workers and offer salaries that offset the effects of higher inflation. The County is also facing larger contributions to the Board of Education under the State's Blueprint for Maryland's Future initiative.
- OMB projects that General Fund expenditures will reach \$4.464 billion in FY 2024, an increase of \$237.4 million or 5.6% over the FY 2023 budget. This projection is based on FY 2023 estimated expenditures and preliminary FY 2024 assumptions of compensation per collective bargaining results, fringe benefits, public safety classes, contributions to public education spending, additional debt service obligations, costs related to the Capital Improvement Program, and other discretionary spending.
- These projections were developed prior to the January 2023 release of the Governor of Maryland's proposed FY 2024 budget, which will be modified by legislative action. The projections therefore do not include the potential impact from State budget cuts, modifications to statutory aid programs, or budgetary enhancements. Final action on the State budget will not be known until late March or early April.

Economic Outlook

Following the pandemic, the economy re-opened but businesses found they were unable to meet consumer demand due to a combination of supply chain problems and labor shortages. This was caused in part by COVID-related lockdowns in China, which manufactures many of the parts and finished products consumed in the U.S., but also by a labor force reduced by retirements, workers impacted by COVID, and other factors. To attract workers employers began offering higher wages. Combined with the scarcity of goods, higher wages induced inflation. Year-over-year consumer prices rose above 5% in the spring of 2021 and eclipsed 7% by December. To combat inflation the Federal Reserve Board began raising the federal fund rate in March 2022 followed by six additional rate hikes through December 2022. Although inflation has come down from its high of 9.1% in June 2022 it remained above 7% at the close of the calendar year. The U.S. unemployment rate was at 3.5% before the pandemic, rising above 14% in April 2020. It fell to the pre-pandemic level in September 2022. Demands for higher wages continues to be an issue and could limit efforts to constrain price growth.

Real estate activity had been strong since the pandemic. Record low interest rates also induced the millennial generation to enter the housing market. Combined with low housing inventory, home prices began to rise. Mortgage rates rose to nearly 7% after the Federal Reserve Board raised the federal fund lending rate seven times in Calendar Year (CY) 2022, as it attempts to rein in inflation. This has caused average monthly sales to fall from an average of 962 per month in FY 2022 to 751 per month, during the first five months of FY 2023. The median price has held up in the current fiscal year and may continue at higher levels because construction inflation has also been high. If the available inventory of homes for sale continues to climb the median home price can be expected to decrease. The approved FY 2023 budget anticipated a decline in transfer and recordation tax revenue based on rising interest rates.

Revenue

In this section, revenue changes in FY 2024 are compared to the FY 2023 December estimate, unless noted otherwise. In addition, the FY 2023 estimate is compared to the FY 2022 unaudited level. **Exhibit 2** shows OMB's preliminary revenue projections for FY 2023 and FY 2024.

Major sources of revenue changes:

- **Real Property Tax** revenues are expected to increase in FY 2023 and FY 2024, by 2.9% and 4.6% respectively. In January 2022 the State Department of Assessments & Taxation (SDAT) reported that the County's assessable base grew by 15.8%. The FY 2024 forecast assumes 4.4% growth, to \$993.4 million. The Homestead Tax Credit was again set at the maximum 5.0% growth rate due to inflation. Offsetting the growth is an assumption of lost revenue due to tax credits approved for affordable housing projects.
- **Personal Property Tax** revenue is estimated to increase by \$1.4 million, or 1.7% in FY 2024 based on the assessable base provided in February 2022 by SDAT. This estimate will be adjusted when updated data is received in 2023.
- **Income Tax** receipts increased to \$777.0 million in FY 2022. Wage growth has continued to rise as employers continue to compete for employees and employees demand higher wages to counteract higher costs of goods and services due to inflation. The FY 2023 estimate is revised upward to \$788.4 million. Although employer withholding has continued to grow, it is expected that capital gains income will offset some of that growth. The FY 2024 forecast assumes that wage growth will continue into the next fiscal year, but it will begin to moderate as inflation is projected by Moody's Analytics to fall to an average rate of 4.0% growth in CY 2023. FY 2024 revenue is projected at \$838.7 million.

- The **State Income Disparity Grant** increases each jurisdiction's per capita income tax level to 75% of the statewide average, though statutory caps limit the total amount provided by the State. The forecast assumes \$44.6.3 million in FY 2024. In FY 2023 the County benefitted by a higher population reported by the 2020 Census and a law change that now provides 75% of the uncapped grant to jurisdictions with a 3.2% local income tax rate. The actual growth rate will not be known until the State releases local income tax data for Tax Year 2021.
- **Transfer and Recordation Tax** revenues grew to \$241.6 million in FY 2022, fueled by growth in home sales and the median price. But as mortgage rates rose, the County factored in a decrease in transfer and recordation tax revenue. A change in County law also began dedicating 20% of Recordation tax revenue to the Housing Investment Trust Fund (HIST). The FY 2023 approved budget remains at \$187.2 million. The FY 2024 forecast assumes growth in the median price because construction inflation has grown in the last two fiscal years. The FY 2024 projection is \$204.6 million net of the dedication to the HIST.
- **Energy Tax** revenue has remained in the low \$70 million range after decreasing during the pandemic. The FY 2022 unaudited attainment was \$74.9 million. The FY 2023 estimate is at \$73.9 million. The FY 2024 forecast assumes a 2% increase, to \$75.3 million based on inflation.
- **Telecommunications Tax** revenues have declined over a number of years, likely due to a shift in use of texting and emails instead of calls, which are subject to the tax. A small decrease from the FY 2022 unaudited level is expected, from \$13.4 million down to \$12.2 million in FY 2023. The forecast level funds the revenue estimate because the rate of decline has slowed. This implies that there may be a base level of calls annually that are subject to the tax.
- **Other Local Taxes** revenues are expected to grow by \$0.9 million or 3.2% in FY 2024. Both hotel/motel taxes and the Admissions & Amusement tax fell sharply during the pandemic, but both returned to pre-pandemic levels in FY 2022. Nominal growth in both revenue sources is estimated.
- **License and Permit** revenues are expected to grow by \$6.0 million, or 8.2% in FY 2024. This is due largely to the gaming forecast, which continues to perform well since the pandemic. Building and Grading revenue is also increased to align with FY 2022 attainment.
- Revenue from **Charges for Services** is estimated at \$69.5 million, an increase of \$0.7 million above the FY 2023 approved budget. The forecast reflects a full year of revenue from the 9-1-1 fee increase that was passed in the fall of 2022, offset by lower estimates of health fee revenue based on the FY 2022 unaudited level.

Honorable Angela D. Alsobrooks, III, County Executive

- **Intergovernmental Revenues** are projected to decrease by \$4.7 million due to one-time State aid received in FY 2023 as part of a proposal by the Governor to enhance the Police Aid formula. Although the legislation failed, the additional funding remained in the budget.
- **Miscellaneous Revenues** are expected to decrease slightly to \$9.5 million in FY 2024, about \$0.2 million below FY 2023. The bulk of this source comes from the Automated Speed Enforcement and Red-Light Camera programs, both of which have been declining as drivers modify their behavior.
- **Other Financing Sources** consist of transfers and use of fund balance. No use of fund balance was expected for FY 2023. At present there is a projected imbalance of \$62 million between revenues and spending, hence the use of unassigned balance for one-time expenses.
- **Outside Aid** revenues are projected to increase in FY 2023 and FY 2024 as State aid to the Board of Education grows following passage of the Blueprint for Maryland's Future initiative. State aid for the Memorial Library and Community college grow more modestly in both years based on the provisions of the State aid formulas. Outside aid is estimated at \$1.88 billion in FY 2023 and \$1.92 billion in FY 2024.

Spending Ceilings

The Committee recommends an overall General Fund spending ceiling of \$4.464.1 billion in FY 2024, an increase of \$237.5 million or 5.6% above the FY 2023 budget. Actual spending for certain items supported by designated revenue resources could change based on budgeted or actual revenues received. The County proposes General Fund spending allocations for the Board of Education, debt service and all other general government expenditures as shown in **Exhibit 3**.

Board of Education: \$2.754.1 billion for the Board of Education – an increase of \$123.9 million or 4.7% over the FY 2023 approved budget. This increase assumes outside aid of \$1.828.4 billion from Federal and State aid and Board sources; an increase of \$45.2 million, or 2.5% over the FY 2023 approved budget. The FY 2024 forecast includes a projected County contribution of \$925.7 million, representing an increase of \$78.7 million or 9.3% above the FY 2023 approved budget. Higher County contributions are required under the multi-year Blueprint for Maryland's Future initiative.

Debt Service: \$188.4 million for debt service – an increase of \$9.0 million or 5.0% above the FY 2023 budget, based on existing and anticipated bond sales and estimated interest rates. The County will receive the lowest possible interest rates if it continues to maintain its AAA bond rating.

Other: \$1.521.6 billion for the remaining General Fund expenditures – an increase of \$104.6 million or 7.4% above the FY 2023 budget. This spending category includes all General Fund support for County services and operations except for payments to the Board of Education and the debt service listed in the preceding paragraphs. Funding to support these expenditures are generated from various revenue sources, with the majority coming from County property and income taxes.

Notes:

The FY 2022 unaudited expenditures are based on draft annual comprehensive financial report (ACFR) data from the Office of Finance. Revenues and expenditures assume revised FY 2022 outside aid figures for the Education sector. Finally, the FY 2022 estimated unassigned fund balance includes use of \$32.0 million in fund balance designated for OPEB and Risk Management.

Both the Charter-mandated 5% Restricted Reserve (County Charter Section 806) and the policy-required 2.0% Operating Reserve are established to provide the County with the ability to address unexpected risks or events such as dramatic economic downturns or natural and man-made disasters. They are important to the County’s fiscal position considering the various revenue/tax caps and limitations on the County.

In its October 3, 2022, letter the Committee recommended that the policy-required reserve be increased from 2% to 5% phased-in over three years. The Committee finds that a higher level of reserves is justified based on a review of the drop in revenue in two of the last three recessions. **Exhibit 5** shows that revenue fell by more than 10% after the 1991 and 2008 recessions. When reserves are insufficient to cover revenue shortfalls, budget cuts or tax increases are necessary to balance the budget. Cutting services or asking residents to pay more during an economic downturn are difficult options. The Committee also reviewed reserve levels in the other 23 counties. **Exhibit 6** shows that 13 of the 24 counties have reserves ranging from 10% - 20%.

Forecast of Revenues and Expenditures

Exhibit 7 illustrates the long-term forecast of General Fund revenues and spending. As noted, a shortfall of \$62.0 million is projected for FY 2024, but remains at about this level in the projection for FY 2025. Revenue is anticipated to increase faster than spending in the later years of the forecast, though a small surplus is not expected until FY 2029.

Challenges and Potential Risks

Prince George's County will continue to experience fiscal challenges and risks during the forecast period, including the following.

- In the short-term year-over-year inflation continues to exceed 7% and some economists project a potential mild recession in the next 12-15 months. While inflation is estimated to decline to 4% for CY 2023, higher costs will reduce the County's purchasing power and additional spending may be required to attract and retain employees and maintain agency operations and services. Moreover, even a mild recession may reduce revenue from the income tax if unemployment increases and could impact transfer and recordation taxes if home sales slow further.
- The estimated FY 2024 operating budget exceeds revenue by \$62.0 million, and a similar shortfall is projected for FY 2025. The County will need to constrain ongoing spending growth so that the projected deficit does not worsen.
- While the pandemic's effects on the economy are reduced, vaccination rates in the rest of the world are lower than in the U.S. There is a risk of new variants of COVID affecting the economy until vaccines are updated. If supply chains are disrupted, higher inflation could again become an issue.
- The County also continues to face large unfunded liabilities including a pension system that is approximately 62% funded, \$2.4 billion for Other Post-Employment Benefits; and approximately \$173 million to address an identified risk management fund deficit.

Conclusion and Recommendations

Projections of the County budget indicate a shortfall of \$62.0 million in FY 2024, extending into the out years of the forecast. Against this backdrop, the current economic news is mixed. Inflation has been trending downward but is still higher than the target rate of the Federal Reserve Board. Unemployment remains low and consumer spending remains positive, but rising interest rates have tempered home sales, and there is concern that there is potential for a recession. Even a mild recession could exacerbate the shortfall by lowering General Fund revenues due to higher unemployment or further dampening home sales. The County will need to make difficult decisions to constrain ongoing spending growth. Because of the economic uncertainty the Committee supports an increase in the policy-required reserve, from the current 2% level to a higher 5% level. This will help better position the County to be able to continue providing needed services to residents during the next economic downturn. More than ever, the County should be conservative in its approach to revenue forecasting and prudently manage the operating budget.

Honorable Angela D. Alsobrooks, III, County Executive
The Honorable Thomas E. Dernoga, Chair, County Council
January 3, 2023
Page 12

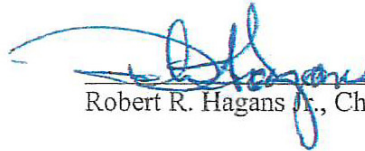

The Committee's recommendations include the following:

- **General Fund operating spending should be limited to \$4.464 billion in FY 2024.**
- **The current forecast projects no use of fund balance in FY 2023. A projected shortfall of \$62.0 million between revenues and spending in FY 2024 will necessitate the use of unassigned balance for one-time purposes. However, every effort should be made to reduce ongoing spending in the FY 2024 proposed budget. Gaps are projected in each year of the forecast through FY 2028 and the near-term economic outlook is uncertain. Therefore, the Committee does support the limited use of unassigned balance for one-time purposes such as PAYGO capital.**
- **The Committee does not feel that the County has adequate reserves to maintain operations during an economic downturn. In addition to maintaining the Charter-required 5.0% the Committee had recommended in its October 2022 letter that the policy-required 2.0% reserve be phased-in to the 5.0% level during FY 2024-2026. Given the likelihood of a recession in the near-term and the size of the unassigned balance the Committee recommends that the policy-required reserve be increased to 5.0% as part of the FY 2024 proposed budget.**
- **The County should be commended for making progress on the unfunded liability in its Pension Funds and the Risk Management Fund but needs to continue to reduce them. A long-term plan is also needed to begin addressing the County's unfunded OPEB liability.**
- **Conservative revenue estimating should be continued. By adhering to conservative budget estimates, the County will be better able to absorb any decreases in revenues, inflation-driven spending growth or increases in service demands.**

Detailed Discussion of Revenue Projections

Property Tax

- The County has experienced double digit growth in assessments since 2016. Based on payments to-date real property taxes are projected to increase by 4.5% in FY 2022 and billings grow by 2.9% in FY 2023. Higher growth of 4.6% is expected in FY 2024 based on the tax cap, which rises by the maximum 5.0% based on inflation over the past year. Some of the increase is offset by tax credits approved by the County for affordable housing. Personal property taxes are expected to decrease by 4.4% in FY 2023, based on the assessable base reported by the State Department of Assessments & Taxation (SDAT). For FY 2024 the personal property tax is estimated to increase by 1% due to a projected economic slowdown.
- Real property tax revenues are primarily impacted by assessment changes and the homestead tax credit. In FY 2023 and FY 2024, the County's real property tax rate remains at \$1.00 per \$100 of assessable value and includes \$0.04 dedicated to the local school board.

Exhibit 8 shows that gross real property assessments in the County are projected to increase by 5.9% in FY 2024. After factoring in homestead exemptions, real property assessments are projected to increase by 5.4%.

Exhibit 8

	Estimate FY 2023	Estimate FY 2024	\$ Change	% Change
Gross Assessment	\$1,129.4	\$1,195.7	\$66.3	5.9%
Homestead Tax Credit	98.5	98.4	-0.1	-0.2%
Net Assessment	\$1,227.9	\$1,294.1	\$66.2	5.4%

Source: State Department of Assessments and Taxation

- Each January SDAT reassesses one-third of the properties in the County. Any assessment growth is phased in over the next three fiscal years, while any decrease is immediately realized. For FY 2021, Group 2's reassessed values increased by 13.3%, Group 3's reassessed values increased 13.4% for FY 2022 and Group 1 realized a gain of 15.8% in assessed value for FY 2023. The Group 2 re-assessment for FY 2024 will be publicized in January 2023.
- The homestead tax credit ensures that the annual percentage growth of the taxable assessment value for principal residential homes will not surpass the growth of the Consumer Price Index (CPI) in the County, with a maximum increase of 5.0%. In June 2022, the CPI increased by 9.0% thus the homestead tax credit cap is set at 105% for FY 2024. Higher mortgage rates have tempered the growth in assessments and home sales have fallen. The median home price in the County remains at about \$400,000 because inventory remains low and there is a demand for housing. Unrealized revenues attributable to the homestead tax credit have decreased for three consecutive years (FY 2022, FY 2023 and FY 2024). In FY 2023 and FY 2024 higher inflation resulted in the Homestead Tax Credit growing at 5% in each year, which was a higher rate than the growth in property assessments. Based on SDAT estimates released in July 2022, the homestead tax credit is expected to result in a revenue loss of \$84.7 million in FY 2024.
- The personal property tax rate is \$2.50 per \$100 of assessable value and includes \$0.10 dedicated to the local school board in FY 2023 and FY 2024.

Income Tax

- FY 2022 revenue grew to \$777.0 million, which is \$38.6 million greater than the \$738.3 million received in FY 2021. High inflation since the fall of 2021 and a smaller labor force since the pandemic have required employers to pay higher wages to attract and retain employees. Receipts of \$788.4 million are forecasted for the current fiscal year, which is slightly higher than the prior year level. The County did not receive a Tax Year 2021 reconciliation distribution in November 2022, which typically would have been in the \$30+ million range. The State Board of Revenue Estimates reported in December 2022 that employer withholding was higher by 6.9% for Calendar Year (CY) 2022, suggesting that employers continue to be squeezed by inflation-driven wage growth. The FY 2024 forecast assumes income tax receipts of \$838.7 million.
- The Income Disparity Grant is calculated by the State based on income and population data, to bring each jurisdiction's per capita income tax level to 75% of the statewide average, although there are certain caps in statute that limit jurisdictions from receiving the full amount of the formula. In FY 2022, the County received a \$36.3 million grant, which increased to \$43.7 million in FY 2023. The growth was due to actual 2020 census data plus a change in the formula. The FY 2024 forecast assumes that the formula will grow 2%, but the actual amount will not be known until the Comptroller's Office releases Tax Year 2021 local income tax data.

Transfer and Recordation Taxes

- Real estate sales grew strongly during the pandemic, as employees working from home began buying larger homes with space for home offices and students taking online classes. Because interest rates were still at historically low levels and the inventory of homes was relatively low, the median price grew quickly. Sales peaked at approximately 1,000 per month and the median home price reached \$400,000. Since March 2022 the Federal Reserve Board raised the federal fund rate seven times, which resulted in mortgage rates climbing to nearly 7% before declining to 6.5% in December 2022. Because rising rates were expected to depress home sales the FY 2023 approved budget incorporated a 20% decrease. **Exhibit 9** illustrates the trends in home sales and median home price in the County. Moreover, FY 2023 was also the first year that County legislation went into effect that dedicated 20% of the Recordation Tax to the Housing Investment Trust Fund.
- The FY 2024 forecast builds from the FY 2023 base and assumes growth due to construction inflation, which is expected to increase the cost of home construction. The forecast assumes \$152.1 million in Transfer Tax revenue and \$52.4 million from the Recordation Tax.

- There was a moratorium on foreclosures throughout the pandemic which ended in the summer of 2021. No foreclosure data was reported by the State for Q2 CY 2020 through Q4 CY 2021. **Exhibit 10** includes foreclosure data reported for the first two quarters of CY 2022.

For CY 2022 foreclosures averaged 350 in the County, which is well below the average of 1,234 in FY 2019. Statewide foreclosures averaged 1,564 during the same period which is below the CY 2019 average of 5,243. As a percent of statewide foreclosures, the County represented 28% of the total in 2Q of CY 2022. This is consistent with the historical rate.

Energy Tax

Energy tax revenue reached a high of \$83.9 million in FY 2019 before contracting during the pandemic due to limited business activity. Since then, revenue has grown at a rate of approximately 2% per year in FY 2021 and FY 2022. The forecast assumes continued growth at 2% per year, yielding \$75.3 million in FY 2024. Because energy costs have increased in FY 2023 it will bear watching to see if this results in higher tax revenue.

Telecommunications Tax

Telecommunication tax revenues have continued to experience ongoing declines, from a high of \$50.1 million in FY 2007 to \$13.4 million in the FY 2022 unaudited budget. The statute that authorizes the tax is imposed on phone calls. The cause of the decline is not entirely known but may be related to greater use of texting and email which may not be taxed. The FY 2024 forecast assumes \$12.2 million, which is the same level as the FY 2023 estimate. The rate of decline slowed between FY 2021 and FY 2022. The forecast assumes that there is a core level of calls that are made that will continue to be taxed.

Other Local Taxes

Other local taxes - admissions and amusement tax, hotel/motel tax, and other taxes – fell by 42.4% in FY 2021 due to pandemic-related closures of concerts and other events in addition to reductions in business and personal travel. The re-opening of the economy led to an 85.2% rebound in revenue in the FY 2022 unaudited budget, to \$24.8 million. This is primarily related to the admissions and amusement tax, which rebounded from \$3.6 million to \$12.0 million in FY 2022. Hotel and motel taxes similarly grew from \$6.0 million in FY 2021 to \$9.2 million in FY 2022 as travel increased. The FY 2024 forecast assumes 2% growth in these revenue sources. Penalties and Interest on Property Taxes and Trailer Camp revenue in FY 2024 are largely based on the FY 2022 unaudited level.

State-Shared Taxes

State-shared tax revenues grew by \$1.4 million or 17.6% in FY 2024, compared to the FY 2023 estimated budget. Chapter 240 of the Laws of Maryland of 2022 increases the local share of highway user revenues for FY 2024 through FY 2027. Beginning in FY 2028 the percent of revenue shared with local jurisdictions returns to the level provided in FY 2024.

Licenses and Permits

License and permit revenues are projected to decrease by 0.8%, to \$78.3 million in FY 2024. The largest change is a decrease of \$1.4 million in gaming revenue. Although this source has been growing since the pandemic, in part due to a law change, revenue in the current fiscal year had a large one-time increase in the fall of 2022 that is not expected to continue. Business license revenue is also forecasted to decline by \$0.5 million to be consistent with FY 2022 unaudited levels.

Use of Money and Property

Revenue in this category comes largely from property rental, commissions, and charges. Growth of \$0.1 million is projected. The estimate for FY 2024 is \$2.9 million.

Charges for Services

Charges for services are projected to grow 7.4%, from \$64.7 million in FY 2023 to \$69.5 million in FY 2024. The largest change is an increase in the 9-1-1 fee, from \$0.75 cents per line to \$1.40 per line effective July 1, 2023. Although the County passed a Resolution to raise the fee in the fall of 2022, the Emergency Number Systems Board interprets State law to mean that increases can only go into effect at the beginning of a fiscal year. Sheriff's Charges are also anticipated to grow by \$1.0 million (to \$2.0 million) based on the collection of evictions revenue at pre-pandemic levels.

Intergovernmental Revenues

Intergovernmental revenues are projected to decrease by \$4.7 million, to \$34.6 million in FY 2024. The current fiscal year has two sources of one-time revenue. This includes \$4.4 million in police aid that the Governor added to the FY 2023 budget along with legislation to permanently increase a portion of the State aid grant. The legislation failed but the funds were allowed to remain in the budget. There is also \$0.5 million for grants to businesses affected by construction of the purple line transit project.

Miscellaneous Revenues

Miscellaneous revenues are projected to increase slightly in FY 2023 by \$0.4 million or -3.9%. Speed enforcement and red-light camera revenue and other fine revenues are projected to decrease by \$0.5 million, consistent with long-term trends. Sales and miscellaneous collections vary from year to year. The FY 2024 forecast assumes \$9.5 million in miscellaneous revenue income, which is consistent with the last two fiscal years.

Other Financing Sources

Other financing sources include the use of fund balance and transfers from other funds. No use of fund balance was assumed in the FY 2023 budget. Given the projected imbalance between revenues and spending for FY 2024, some use of fund balance for one-time spending may be needed.

Board of Education Aid

Board of Education aid is projected at \$1.783 billion in FY 2023 and is estimated to grow by \$45.2 million, or 2.5% based on the Blueprint for Maryland's Future formulas. However, the actual aid amounts will not be known until the State reports county-by-county wealth and enrollment data which is needed to calculate the County's educational effort index.

Community College Aid

Outside aid for Prince George's Community College is projected to grow by \$1.6 million in FY 2024 based on the State formula which increases by student enrollment and future appropriations to higher education.

Library Aid

Library aid is expected to grow slightly in FY 2024 from the FY 2023 level, to an estimated \$10.0 million. State library aid is based on a per capita formula.

TABLE OF SUPPLEMENTALS AND TRANSFERS FISCAL YEAR 2023

This section explains changes made to the FY 2023 operating budget during the fiscal year. As indicated in the Budget Guide, supplemental appropriations and transfers of appropriations from one agency to another can occur only if recommended by the County Executive and approved by the County Council.

In FY 2023, the County Council approved one bill and two resolutions changing appropriation levels during the fiscal year. The supplemental bill (CB-049-2023) provides supplementary appropriations in the General Fund and Internal Service Fund to cover unanticipated and vital costs needed to meet year end operational requirements. The largest component of this legislation incorporates the FY 2023 budget reconciliation transfer request from the Board of Education (previously passed by the County Council in October 2022). It primarily driven by increase in outside sources revenue comes from federal, State and use of additional Board fund balance. The remaining portion of the legislation supports the following: (1) Office of the Information Technology - \$3,615,700 to reimburse the Information Technology Internal Service Fund for agency technology allocation charges not received in FY 2022; (2) Board of Elections - \$293,300 for overages in their operating expenditures; (3) Office of Central Services - \$1,534,800 for utility and security costs at the former Cheverly Health Center site; (4) Fire/EMS Department - \$13,965,600 for anticipated overtime expenditures and anticipated fringe benefits costs; (5) Department of the Environment - \$1,544,300 for mandated improvements to the Animal Services Division; (6) Police Department - \$1,715,700 for projected end of year requirements for overtime and fringe benefits; (7) Non-Departmental - \$16,000,000 for additional OPEB (Other post-employment benefits) payments; (8) Office of the Sheriff - \$2,505,600 for projected end of year requirements for compensation, fringe and operating expenses; (9) Department of Corrections - \$756,700 for an increase in medical and food contracts; and (10) Board of License Commissioners (\$61,000) for projected end of year requirements for compensation. Within the Department of Housing and Community Development, there is a reallocation between compensation and fringe benefits and operating expenses due to personnel savings to support a HUD repayment and consultant services to cover a recent retirement and loan servicing requirements.

Also, this legislation also reallocates video lottery terminal (VLT) funds within the General Fund from Non-Departmental based on the revised allocation set in CR-115-2022. Within Non-Departmental, a portion of funding allocated for PAYGO funding for Board of Education capital projects (\$1,890,600) is now re-purposed for: (1) free tuition for courses, certifications, developmental courses and apprenticeship training (\$1.0 million) and a financial empowerment center (\$64,000) at the Prince George's Community College; (2) afterschool tutoring program for 20 elementary schools (\$800,000) at the Prince George's Memorial Library; and (3) community notifications (\$26,600) in the County Council.

Lastly, the legislation also provides \$3,615,700 in additional appropriation to the Information Technology Internal Service Fund to restore the fund's balance due to two unpaid agency technology allocation charges from FY 2022 (Department of Health - \$2.7 million and Department of Permitting, Inspections and Enforcement - \$900,000).

Grant Fund adjustments reflect additional Federal, State or other funds received by County agencies that were not included in the approved budget.

Glossary and Acronyms

GLOSSARY

Many words or phrases in the budget document have technical, budgetary or fiscal meanings. Definitions of commonly used terms are provided here.

A

AAA. AAA is the highest bond rating that can be assigned to an issuer's bonds by major credit rating agencies.

ACCRUAL BASIS OF ACCOUNTING. The method of accounting whereby revenues are recognized when earned and realized. Expenses are recognized as soon as the liability is incurred, regardless of cash inflows and outflows.

ACTIVITY. A primary organizational unit within a government agency. Activities are usually responsible for administering basic functions or major programs of a department. An activity is often titled a division or bureau in this document and is usually administered by a division chief.

AD VALOREM TAX. A tax based on the assessed value of the property. The tax is determined by multiplying the taxable value of the property by the tax rate (which is often expressed as an amount per \$100 of assessed value).

ADMISSIONS AND AMUSEMENT TAX. A tax imposed on the gross receipts derived from admissions and amusement charges at a rate of 10% in most cases.

AGENCY. A department or principal office of the County government such as the Department of Public Works and Transportation or the Office of Finance.

AGENCY SERVICE DELIVERY PLAN. A department's strategic plan that defines the core services that will be provided, the customers that will be served and the impact core services will have on its customers. It consists of mission, goal, objective and strategy statements.

ALLOCATED REVENUE. Those revenues which are collected for the provision of a specific service (e.g. Police

Aid is a State grant to compensate the County for a portion of its police costs).

AMENDMENTS TO THE CAPITAL IMPROVEMENT PROGRAM (CIP). Changes to the project scope, schedule or funding that require County Council action. Proposals must meet strict criteria to be considered for amendment.

APPROPRIATION. Authority to spend money within a specified dollar amount for an approved project or activity. The Budget Ordinance contains separate appropriations for compensation, operating expenses, capital outlay, fringe benefits and project charges/cost recoveries for each agency. The exceptions are the Board of Education and Community College. Their funding is appropriated to a series of State-defined funding categories.

APPROPRIATION ADJUSTMENTS. A formal action taken during the fiscal year in accordance with Charter Sections 814, 815 or 816, which modifies the appropriated amounts contained in the approved budget. Such actions include:

- (1) Intra-departmental transfers,
- (2) Inter-departmental transfers,
- (3) Supplementary appropriations
- (4) Emergency appropriations.

APPROVED BUDGET. The County's budget as approved by the County Council, including tax rates and expenditure limits by fund and department.

ASSESSABLE BASE. The value of all real and personal property within the County as determined by the State Supervisor of Assessments. The County government enacts property tax rates that, when levied against the assessable base, yield property tax revenues for use by the County.

ASSET. Any owned physical object (tangible) or right (intangible) having economic value to its owner.

ASSET FORFEITURE FUND. An accounting entity used to hold assets seized and held because of enforcement of drug laws.

ASSIGNED FUND BALANCE. The fund balance that the government intends to use for a specific purpose but does not meet the criteria to be classified as restricted or committed fund balances.

AUTHORIZED POSITIONS. The number of positions permitted by the approved operating budget.

B

BALANCE SHEET. A statement of financial position disclosing the assets, liabilities and reserves and equities of a fund or governmental unit as of a specific date.

BALANCED BUDGET. A budget in which expenditures incurred for a given period are matched by expected revenues, including transfer-in, contingency and use of fund balance. A balanced budget is a requirement established in Section 806 of the County Charter.

BEST MANAGEMENT PRACTICES (BMPs). a practice or combination of practices determined by the coordinating agencies, based on research, field testing and expert review, to be the most effective and practicable on-location means, including economic and technological considerations, for improving water quality in agricultural and urban discharges.

BOND. A written promise to pay a specified sum of money (the principal), at a specified date in the future (the maturity date), together with periodic interest at a specified rate. Bonds are a form of long-term borrowing used for capital improvements and new construction.

BOND RATING. A grading of debt security given to the County by financial rating agencies (Standard and Poor's, Moody's Investors Services and Fitch Ratings, Inc.). The ratings range from AAA (highly unlikely to default) to D (in default). The rating indicates the probability of timely repayment of principal and interest on bonds issued.

BOND SALE. A method for the County to borrow money in which the County sells debt to investors to pay for

capital projects. Capital projects include the construction of schools, libraries, roads and bridges.

BUDGET. A financial plan that includes a list of all planned expenses and revenues. It serves as a tool to plan, monitor and control fiscal operations.

BUDGET AMENDMENT. A revision to the adopted budget as approved by the County Council.

BUDGET GAP. The difference created when planned expenses exceed estimated revenue. Since the County must have a balanced budget, any budget gap must be resolved by reducing expenses, increasing revenue or a combination of both.

BUDGET SURPLUS. A fiscal situation wherein revenues received exceed expenditures at the end of the fiscal year.

BUREAU. *Refer to activity.*

C

CALENDAR YEAR (CY). The period beginning January 1 and ending December 31.

CAPITAL ASSETS. Assets with a long-term useful life, which include land, buildings or machinery.

CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM (CIP). The CIP is a six-year plan for the provision of the County's capital facility and infrastructure needs (buildings, roads, etc.). The plan, which is updated each year, schedules by fiscal year the proposed capital construction phases. It also includes related expenditure and financing needs expected to be undertaken during this period. The capital budget consists of those projects scheduled for activity in the first year of the CIP and appropriates the amounts necessary to pay for the estimated costs in the first year.

CAPITAL EXPENDITURE. Funding spent to acquire, maintain or improve fixed assets, such as land, buildings and equipment.

CAPITAL OUTLAY. An appropriation and expenditure category for government assets with a value of \$5,000 or

more and a useful economic lifetime of one year or more.

CAPITAL PROJECT. Governmental effort involving expenditures and funding for the creation, expansion, renovation or replacement of permanent facilities and other public assets having a relatively long life. Expenditures within capital projects may include planning, design and construction management, land, site improvements, construction and initial furnishings and equipment required to make a facility operational.

CHARACTER. An expense group classification code (e.g. compensation, fringe benefits, operating expense, capital outlay, recoveries, etc.).

CHARTER HOME RULE. Charter counties operate under a formal charter adopted by the voters that describes the local governmental structure. The General Assembly grants charter counties a measure of independence in adopting legislation relevant and specific to the county. In charter counties, executive and legislative powers can be divided between an elected county executive and an elected county council. Such powers can also be retained entirely by an elected county council that, in turn, appoints an administrator or manager. Section 806 of the Prince George's Charter requires that the County Executive propose a budget where expenditures do not exceed estimated revenues for the ensuing fiscal year.

CHILD PROTECTIVE SERVICES. A governmental agency tasked with receiving and investigating reports of child abuse or neglect. The Child Protective Services agency in each state must identify children who are being abused or neglected, monitor domestic violence that relates to children and remove at-risk children to a safe environment when necessary. The agency also helps maintain preventive programs and provides children with safe homes.

COLLECTIVE BARGAINING AGREEMENT. A legal contract between the employer and a certified representative of a recognized bargaining unit for specific terms and conditions of employment (e.g. hours, working

conditions, salary, fringe benefits and matters affecting employee health and safety).

COMMITTED FUND BALANCE. Fund balance used only for the specific purpose determined by a formal action of the government's highest level of decision-making authority (County Executive/County Council).

COMMITMENT ITEM. An element that represents the functional grouping of expenditures and revenues within a financial management (FM) area.

COMMUNITY RESOURCE ADVOCATE. This is administrative and promotional work coordinating resources required to develop community support for a limited public relations program. An employee in this class develops promotional strategies to increase public awareness within the assigned programmatic area, and initiates communications with community representatives as appropriate to plan and schedule participants for the volunteer program or services for the County grant programs. Work involves developing the interest and cooperation of individuals and/or groups to provide services or goods and providing technical assistance or direction needed in organizing and implementing approved volunteer recruitment projects. Contact with community groups, departmental staff, administrators and external service providers are a significant aspect of the work. Work is performed under the direction of an administrative superior.

COMPENSATION. The expenditure category which includes employee salaries, wages, overtime and differential pay.

COMPONENT UNIT. A legally separate organization for which the elected officials of the County are financially accountable. Component units can be other organizations for which the nature and significance of their relationship with a primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

CONSTANT YIELD TAX RATE. A property tax rate that, when applied to new assessments, will result in the taxing authority receiving the same revenue in the

coming taxable year that was produced in the prior taxable year. State law prohibits local taxing authorities from levying a tax rate more than the Constant Yield Tax Rate unless they advertise and hold public hearings on their intent to levy a higher rate.

CONTINGENCY. A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

COST OF LIVING ADJUSTMENT (COLA). An increase in salaries to offset the effect of inflation on compensation.

COUNTY SOURCE BUDGET. The portion of the County budget that is funded by County Source Revenue.

COUNTY SOURCE REVENUE. Revenue that is primarily generated from County taxes, penalties, fees and investment income. County taxes include property tax, income tax, recordation tax, transfer tax energy tax, telecommunications tax, hotel tax, and admissions and amusement tax. County Source Revenue does not include outside sources to other entities such as State aid for education.

COUNTYSTAT. A performance management program designed to deliver results through analysis, accountability and innovation. It focuses on specific issues to ensure that County government is making measurable progress in areas that matter most.

CURRENT EXPENSE BUDGET. A one-year comprehensive fiscal plan for the financing and delivery of services to citizens and residents.

D

DATA WAREHOUSE. A system developed to capture the massive amounts of data that come into County government and derive business intelligence and decision support information from the data.

DEBT. A financial obligation resulting from the borrowing of money or purchases of goods and services.

DEBT SERVICE. The annual payment of principal and interest on the County's bonded indebtedness. Bonds are issued to finance the construction of capital projects such as public buildings and roads.

DEFICIT. The excess of liabilities over assets or expenditures over revenues in a fund over an accounting period.

DEPARTMENT. *Refer to agency.*

DEPRECIATION. The expiration of a capital asset over its useful life attributable to wear and tear, deterioration, action of the physical elements, inadequacy and obsolescence.

DESIGNATED FUND BALANCE. The portion of unreserved fund balance that reflects the County's self-imposed limitations on the use of otherwise available expendable financial resources.

DIVISION. *Refer to activity.*

DUALLY ALLOCATED POSITION. A position that automatically upgrades to the next level if the employee occupying the position successfully completes a specified probationary period.

E

EFFICIENCY MEASURE. One of the measures in the family of performance measures. This measure is calculated by dividing outputs into inputs. It indicates how well resources (input measure) are used per unit produced, or how well resources are applied to service demands (output).

ELECTRIC UNIVERSAL SERVICE PROGRAM. The Electric Universal Service Program (or "EUSP") is part of the Electric Customer Choice Act of 1999 ("the Act") and was created by the Maryland General Assembly to assist low-income electric customers with arrearage retirement, bill assistance and weatherization during the restructuring of Maryland's electric and electricity supply market. Section 7-512.1 of the Act authorized the Public Service Commission ("the Commission") to establish the program, make it available to low-income electric customers Statewide and provide administrative oversight to Office of Home Energy Programs ("OHEP"), the agency within the Department of Human Services (or "DHS") responsible for actual program delivery.

EMERGENCY ASSISTANCE TO FAMILIES WITH CHILDREN. Provides emergency cash assistance to families who need emergency help paying rent or utilities or for other emergencies. These funds are available through the local department once every two years when funds are available.

ENCUMBRANCE. Designated funds for a future expenditure, formally documented with a contract or agreement.

ENERGY TAX. A tax levied upon organizations transmitting, distributing, manufacturing, producing or supplying electricity, gas, steam, coal, fuel, oil or liquefied petroleum gas in the County. This tax is based on units of energy sold.

ENTERPRISE FUND. A fund used to record the fiscal transactions of government activities financed and operated in a manner like private enterprise, with the intent that the costs of providing goods and services, including financing, are wholly recovered through charges to consumers or users (e.g. the Solid Waste Enterprise Fund for refuse collection, landfill and recycling operations).

ENTERPRISE PROJECT MANAGEMENT OFFICE (EPMO). An organizational body assigned various responsibilities related to the centralized and coordinated management of enterprise-wide projects for the County. The EPMO can collect, analyze and display project data in a manner that enables leadership to see at a glance how their projects are running as well as ensure the critical projects aligned to County priorities are initiated and are proceeding according to plan.

ENTERPRISE RESOURCE PLANNING (ERP). A large-scale solution that will replace dated systems in Finance, Budget, Human Resources, Payroll and Warehouse Management and integrate data across these systems to support effective data exchange and will also offer consistent functionality across systems and support efficient and reliable processes.

EXPENDITURE. Decreases in net financial resources. Expenditures include current operating expenses which

require the current or future use of net cash assets, debt service or capital outlays.

F

FAMILY OF PERFORMANCE MEASURES. A group of performance measures used to provide as close to a comprehensive quantitative illustration as possible of an agency's performance. A family of performance measures consists of five types of measures: input, output, efficiency, quality and outcome.

FIDUCIARY FUNDS. Used to account for assets held by a trustee, or as an agent for others that cannot be used to support other programs. There are four types of fiduciary funds: private-purpose, pension (and other employee benefits), investment trust funds and agency funds.

FISCAL YEAR (FY). A twelve-month period from July 1 through the following June 30 which constitutes the County's annual financial operating cycle, as required by State and local law.

FIXED ASSETS. Assets of a long-term character which are intended to continue to be held or used. Examples of fixed assets include items such as land, buildings or machinery.

FOOD STAMP PROGRAM. This program, which is officially titled the Supplemental Nutrition Assistance Program (SNAP), provides food-purchasing assistance for low-and no-income people living in the U.S. It is a federal aid program, administered by the U.S. Department of Agriculture, under the Food and Nutrition Service (FNS), though benefits are distributed by each U.S. state's Division of Social Services or Children and Family Services.

FRINGE BENEFITS. Generally, encompasses all elements of total compensation provided to employees other than direct salary; for budgetary purposes this term applies to the annual cost of employee retirement, social security and insurance programs.

FULL TIME EQUIVALENT (FTE). The number of total hours worked divided by the maximum number of

compensable hours in a full time schedule as defined by law. One FTE equals 2,080 hours.

FUNCTION. A grouping of the major responsibilities of the County government into a set of summary designations (e.g. Public Safety, Environmental, Human Services).

FUND. Resources segregated for implementing specific activities or achieving certain requirements in accordance with special regulations, restrictions or limitations and constituting an independent fiscal and accounting entity.

FUND BALANCE. Reserves within a fund; the amount by which resources exceed the obligations of the fund. Fund balance types were recategorized based on Government Accounting Standards Board (GASB) 54 effective FY 2011. The new classifications include non-spendable, restricted, committed, assigned and unassigned fund balances. Prior to GASB 54, the classifications included reserved, designated and undesignated fund balances.

FUND OPERATING SUMMARY. A statement summarizing the financial operations of a fund for a specified period, including current revenues and expenditures.

GASB 45. The GASB Statement 45 provides for more complete financial reporting of costs and financial obligations arising from other post-employment benefits (OPEB) other than pensions. Post-employment healthcare benefits, the most common form of OPEB, are a significant financial commitment for many governments. Implementation of Statement 45 requires reporting annual OPEB costs and their unfunded actuarial accrued liabilities for past service costs. Prior to Statement 45, it was typical to use a “pay-as-you-go” accounting approach to report the cost of benefits after employees retire.

GENERAL FUND. The principal operating fund for the County government. It is used to account for all financial resources except those required by law, County policy and Generally Accepted Accounting Principles (GAAP) to be accounted for in another fund.

GENERAL OBLIGATION BOND. A bond which is backed by the full faith and credit of the issuing government. Bonds are a loan where the County sells debt to investors to pay for capital projects.

GOAL. A statement that specifies each of the agency’s core services, customers and outcomes more specifically than in the mission statement; a component of agency plans.

GOVERNMENTAL ACCOUNTING STANDARDS BOARD (GASB). An organization that establishes financial standards that must be met by all State and local governments.

GRANT. A contribution of assets (usually cash) from one governmental unit (federal, State, local) or private sources to a governmental or private entity. The contribution is usually provided in support of a specific public function, project or program.

H

HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT (HIPPA). An act created by the U.S Congress in 1996 that amends both the Employee Retirement Income Security Act (ERISA) and the Public Health Service Act (PHSA) to protect individuals covered by health insurance and to set standards for the storage and privacy of personal medical data.

HOMESTEAD TAX CREDIT. To help homeowners deal with large assessment increases on their principal residence, State law has established the Homestead Property Tax Credit. The homestead credit limits the increase in taxable assessments each year to a fixed percentage. All counties and municipalities in Maryland are required to limit taxable assessment increases to 10% or less each year. The County’s credit percentage is the lesser of the change in consumer price index of all urban consumers or 5%.

SPENDING AFFORDABILITY COMMITTEE (SAC). The SAC is composed of up to five experts who work outside the County government and, due to their education and employment, have a demonstrated competence in accounting, financial analysis, economics, budget or other related fields. The committee makes advisory

recommendations to the County Executive, the County Council and the Office of Management and Budget concerning the County's spending affordability and methods to improve the County's budgetary procedures and policies and other related areas. Every year on October 1 and January 1, the committee submits spending affordability reports to the County Executive and the County Council.

STATUTE. A written law enacted by the State legislature and signed by the Governor.

STRATEGY. A component of agency service delivery plans that identifies the agency's approach to accomplish its objective.

SUPPLIER DEVELOPMENT and DIVERSITY DIVISION. Maintains and recruits businesses to register for certification with Prince George's County. The division is part of the Office of Central Services.

SUPPLEMENTAL APPROPRIATION. An appropriation of funds that exceeds amounts originally appropriated to authorize expenditures not anticipated in the Approved Budget. A supplemental appropriation is required to enable expenditure of reserves or additional revenues received by the County through grants or other sources.

T

TAX DIFFERENTIAL RATE. It is mandated through the Tax Property Article of the Annotated Code of Maryland that the County recognize (either through a reduced County tax rate or direct grant payment) those governmental services and programs that municipal governments perform in lieu of similar County service.

TAX REFORM INITIATIVE BY MARYLANDERS (TRIM). An amendment to the County's Charter restricting the amount of real property tax the County can collect. During the 1978 General Election, the voters of the County adopted an amendment to Section 817, Article VIII, of the Prince George's County Charter limiting future collections of real property taxes. The amendment, effective in December 1978, added Section 817B to the Charter, which is generally referred as "TRIM." The

amendment forbade the County Council to "levy a real property tax which would result in a total collection of real property taxes greater than the amount collected in FY 1979," or \$143.9 million. Additionally, at the 1984 General Election, an amendment to TRIM was approved by the voters of the County authorizing the County Council to levy taxes on a maximum rate of \$2.40 for each \$100 of assessed value. Beginning in tax year 2001, property tax rates have been applied to 100%, instead of 40%, of the value of real property. Therefore, the TRIM rate has been adjusted accordingly to \$0.96 for each \$100 of assessed value.

TECHNOLOGY COST ALLOCATION. Funding that is appropriated in County agencies for computer and system maintenance, network connectivity and other services. These funds serve as revenue for the County's Information Technology Internal Service Fund.

TELECOMMUNICATIONS TAX. A monthly tax levied upon all telecommunications bills in the County (including wireless phones). Ninety-nine percent of the revenue generated from this tax is devoted exclusively to the County's Board of Education. The remaining 1% is divided between the County and telecommunications vendors to compensate for costs related to administering the tax.

TEMPORARY CASH ASSISTANCE (TCA). Provides cash assistance to needy families with dependent children when available resources do not fully address the family's needs and while preparing program participants for independence through work. Adults with dependent children receiving Temporary Assistance to Needy Families (TANF) must meet financial and technical eligibility requirements. Conditions of eligibility include cooperation with child support, participation in work activities and compliance with substance abuse provisions. Earned and unearned income cannot exceed the benefit level paid for the assistance unit size, and assets are limited to \$2,000.00. Sanctions may be imposed for program noncompliance.

TRANSFER TAX. A tax imposed upon every written instrument conveying title to real property, or upon a

leasehold interest, offered for record and recorded by the State.

TREND AND ANALYSIS. A summary and explanation of performance trend and increases and decreases in data found in each table of performance measures.

U

UNASSIGNED FUND BALANCE. Remaining fund balance available for appropriation.

UNINCORPORATED AREA. A region of land that is not a part of any municipality.

V

VISION. A statement of the future direction in which the County intends to head, which is normally drafted to communicate that direction internally.

W

WORKLOAD, DEMAND AND PRODUCTION MEASURE.
Refer to output measure.

WORK YEAR. A standardized unit for measurement of government personnel efforts and cost. A typical work year is equivalent to 2,080 work hours or 260 workdays.

Readers not finding a term in this glossary should call the Office of Management and Budget at 301-952-3300.
