Please Review the Following Information!

Preliminary Design Review Meeting (PDRM)

The purpose of the Preliminary Design Review Meeting (PDRM) is to have the requester, the applicant and/or architect/engineer meet with the County's Building Plan Review Division to discuss code-related design items in reference to building/structural, electrical, mechanical, fire & life safety, health and ADA accessibility.

Site/Road Plan Review Division, Maryland-National Capital Park & Planning Commission (M-NCPPC) and Washington Suburban Sanitary Commission (WSSC) reviews are not handled by the Building Plan Review Division but are required to obtain a permit. Please contact these agencies separately as needed:

- [Site/Road Plan Review Division](#)
- [M-NCPPC](#)

General Disclaimer

- There is a \$825 + 5% technology fee associated with all PDRM and must be paid prior to scheduling.
- Items discussed during the meeting do not constitute a plan review or approval; the plans will be reviewed for compliance when submitted.
- Preliminary Design Review Meetings are limited to **2 hours** in duration.
- The design team shall be responsible for taking meeting minutes. The meeting minutes shall be sent to the county for acceptance or comment within **five business days** of the meeting.
- Any items not resolved during the meeting may be followed up in the meeting minutes or by email.
- It is highly recommended that the project architect/engineer is present for this technical code discussion meeting.
- If project is getting reviewed by third party, it is recommended that they are present.

Scheduling a PDRM

To request a PDRM, send an email to Kayla Durrett at KJDurrett@co.pg.md.us and copy DPIEbprd@co.pg.md.us. Requests for a meeting need to be made 10 business days in advance of actual meeting date. Meetings will be scheduled at a minimum of two weeks after the payment has been processed.
