

By publicly posting the following written disclosure, Prince George's County, Maryland intends that market participants receive and use it for purposes of the independent registered municipal advisor exemption to the Securities and Exchange Commission (SEC) Municipal Advisor Rule. Should you have any questions, please contact the County's Debt Manager at (301) 952-5245.

Effective April 27, 2022

Prince George's County, Maryland has engaged Public Resources Advisory Group, Inc. ("PRAG") to serve as an independent registered municipal advisor. The County relies on PRAG to provide advice on proposals from financial services firms concerning the public issuance of municipal securities, municipal financial products, and the investment of bond proceeds including municipal escrow investments. Any status change to this certificate will be posted to this site.
