Services Administration

Synergy Family Services, Inc is a dynamic outpatient mental and behavioral health organization and domestic violence treatment program focused on enhancing the social and emotional health and wellness of individuals and families.

WHAT TO EXPECT

Synergy Family Services' referral process ensures clients are efficiently enrolled in services and scheduled for a diagnostic assessment that includes a review of their social determinants of health. Our service delivery is strength-based, person centered, culturally and linguistically competent and includes individual, group, and family counseling, substance abuse counseling, psychiatric evaluation and medication management, case management, family support and care coordination.

WHO WE SERVE

Children from birth to age 21 at risk for or with serious emotional disturbances and their families.

BENEFITS OF PARTICIPATING

Our services prepare children and youth with or at risk of severe emotional disturbances to achieve successful outcomes across the spectrum of domains. We also serve families in enhancing their skills to support their children to achieve socioemotional health and wellness.
